Vote No. 60, Food and Drug Act—Payment of Charges in Connection with Seizure of Butter.

AUDIT OFFICE, January 18, 1924.

SIR,—Cheque No. 11449, issued on May 1st, 1923, is for the payment of $32.62 to R. B. Colwell, Limited, of Halifax, in settlement of the following charges as set out in their account dated March 14th, 1923:—

Telegrams	$ 1 02
Telephones	4 20
Expressage from Sydney on 15 boxes	15 30
Cartages on 27 boxes from Montreal	1 35
Storage, 1 month, on 43 boxes, at 25 cents	10 75
Total	$ 32 62

These charges appear to have been incurred by R. B. Colwell, Limited, in connection with a consignment of 43 boxes of butter which were seized on their premises on March 15th, 1923, on suspicion of being adulterated, and which, on analysis, were found to have been adulterated and were ordered to be confiscated and distributed among various public institutions.

I should like to be informed, in connection with this payment, why your department was considered to be liable for the repayment to Colwell of these charges, which would seem to have been incurred prior to the seizure, the seizure having been made on March 15th, and Colwell's account rendered on March 14th.

Your obedient servant,

WM. KEARNS, *Asst. A.G.*

The Deputy Minister, Department of Health.

DEPARTMENT OF HEALTH, OTTAWA, January 25, 1924.

DEAR SIR,—In reply to your letter of the 18th instant wishing to be informed why the Department was considered liable for the re-payment to R. B. Colwell, Ltd., of Halifax, of the charges referred to, I wish to advise you that the circumstances in connection with this case were as follows:—

On January 10th, 1923, the Canada Produce Company of Montreal shipped to R. B. Colwell, Ltd., Halifax, a sample box of butter. Mr. Colwell became suspicious as to whether the butter was genuine or not and called in Inspector Brenton of the Department of Agriculture, with the result that our Dominion Analyst reported it as containing 40 per cent foreign fats.

Inspector Brenton then arranged with Mr. Colwell to order a small shipment, same quality, with a view to securing further evidence. On February 17th Mr. Colwell ordered 50 boxes from Montreal, advising Mr. Brenton of what he was doing, so that he could arrange to seize the butter at Montreal before it left for Halifax. In response to this order, the Canada Produce Company shipped to Colwell 27 boxes and also advised H. C. Balleur of Sydney, N.S., to ship to Colwell 15 boxes, which was a part of a consignment shipped to H. C. Balleur Co., by the Canada Produce Company and which the Balleur Co., had refused on account of the quality. Unfortunately the shipment got past the inspectors at Montreal, and when it arrived at Halifax, Mr. Colwell advised Mr. Brenton, who made the seizure. It was then turned over to this Department to take action under the Food and Drugs Act.

As Mr. Colwell worked in conjunction with Inspector Brenton all through this matter and was instrumental in having the adulterated goods taken out of the trade and inflicting a penalty of the loss of this product on the Montreal firm, he should not lose the expenses incurred by him.

Yours sincerely,

D. A. CLARK, *D.M.*

The Assistant Auditor General.

Vote No. 63, Marine Hospitals—Payment of Living Expenses to Sick Seamen

AUDIT OFFICE, January 19, 1924.

SIR,—I beg to ask your attention to two payments made by your department out of the vote for Marine Hospitals to Messrs. Carter and Wood of Montreal, to recoup them for payments made in connection with sick seamen.

The first of these payments, made on September 1st, last, by cheque No. 13392 is for the amount of $62.50 being for 43¼ days board for John Armstrong of the steamer *Glengeldie*, in the Montreal Sailors' Hostel at $2.00 a day, less 12 days charged by the Montreal General Hospital. The second payment, made by cheque No. 16617 on November 9th is for the amount of $25, being for 16 days living expenses in Montreal at $2.50 a day, paid to Wm. Munroe of the steamer *Glenealy* less 6 days charged by the Montreal General Hospital.

Section 386, subsection 1, of the Canada Shipping Act provides that sick mariners may be sent for treatment to any hospital for sick mariners. Subsection 2, provides that where there is no marine hospital they may be sent to the nearest public hospital if there is one at a convenient distance, and if not, to some public or private house.

I understand that at the port of Montreal there are four general hospitals, besides two contagious diseases hospitals, with which arrangements have been made for the treatment of sick mariners. Under these circumstances it appears to me that in strict accordance with the act, payment can be made only to such hospitals as have been nominated as marine hospitals. If the vessel owners for any reason make arrangements for the maintenance of sick seamen, other than are provided for by the act, the responsibility rests with them, and your department is, in my opinion, not liable for any expenses thus incurred.

In the second case referred to it may be noted that the vessel owners allowed the sick seaman, Wm. Munroe, living expenses at the rate of $2.50 a day. There is however no evidence that that amount was actually expended by Munroe for his maintenance.

It may also be noted that when the first case was under discussion between Messrs. Carter and Wood and your accountant, they stated as follows in a letter dated August 2nd, 1923—"As regards future cases, we will understand "that it will be necessary to keep the patients at the Hospital if we are to have "the expenses allowed by the Department." In spite of this, the claim in the case of Wm. Munroe was presented on September 20th, and allowed, in part, by your department.

Your obedient servant,

WM. KEARNS, *Asst. A.G.*

The Deputy Minister, Department of Health.

DEPARTMENT OF HEALTH, March 19, 1924.

DEAR SIR, — This is in reply to your letter of January 19th in connection with the two payments to Messrs. Carter and Wood of Montreal to recoup for the cost of board of John Armstrong, a member of the crew of the steamer *Glengeldie,* and Wm. Munroe of the steamer *Glenealy* while under-going treatment in the Montreal General Hospital.

John Armstrong was suffering from synovitis of the right ankle, but as his condition did not require his remaining in the hospital, he was kept by the agents of the steamer at the Montreal Sailors' Hostel for 43¼ days and visited the Montreal General Hospital as an out-door patient on 12 different days.

The contract rate with the Montreal General is $3.00 per day and the amount paid by Carter and Wood for his board at the Sailors' Hostel was $2.00 per day. In their opinion, they were assisting both the Department and the hospital by not keeping this man at the hospital when he was able to be taken care of at an outside place, that is, the accommodation which he would have occupied at the hospital was, under the way in which they handled the matter, left available for someone else and the expense incurred for the days not in the hospital would be $2.00 instead of $3.00.

Wm. Munroe had his hand injured while in the performance of his duty on the *Glenealy* and had to be taken off the boat at Montreal. He was treated at the Montreal General Hospital as an out-door patient on September 6th, 7th, 11th, 18th, 19th and 20th.

I am attaching a receipt from the Grand Union Hotel for the $25.00 paid by Mr. Munroe for his maintenance for the ten days not in the hospital.

I might also mention that on September 20th Carter and Woods, in order to save further expense, provided him with transportation, $14.10, from Montreal to his home in Collingwood, and have also paid an account amounting to $10.50 from Drs. MacKay and Simpson of Collingwood for dressing the wound on his hand on several occasion between that date and October 1st.

Under the circumstances, it was considered only fair that they should be recouped to the extent of the $25.00 paid for his board in Montreal. This amount, with the $18.00 paid to the Montreal General, makes the cost to this Department for his treatment, $43.00. Had he been kept in the Montreal General Hospital as an in-door patient from September 5th to October 1st, the cost would have been $78.00.

Usually when seamen are treated as out-door patients, they get their meals on the vessel to which they belong, but, in these two instances, the vessels had left Montreal. It is noted, however, that, in your opinion, in strict accordance with the Act, arrangements should not be made for the maintenance of sick mariners in places where arrangements have been made for their treatment in the hospitals, and Carter and Wood have been advised accordingly.

Yours very truly,

D. A. CLARK, *D.M.*

The Assistant Auditor General.

Vote No. 64, Quarantine—Purchase of Gasoline Launch "Jeannette"

AUDIT OFFICE, June, 13, 1924.

SIR, — Your cheque No. 18173, issued on February 23rd, last, and charged to your vote for Quarantine, is for the payment of $5,000 to J. H. Paquet of Quebec for "Gasoline Motor Launch *Jeannette* with accessories, as contained in schedule forwarded February 1st, 1924".

I should like to be furnished with full particulars with regard to this transaction, especially on the following points: — On what authority was this purchase made; were public tenders called for; was the launch purchased newly built, or had it been previously in use; what expert evidence, if any, was made use of in arriving at a fair amount to be paid.

A full description of the launch, with a copy of the schedule of accessories should accompany the vouchers.

Your obedient servant,

WM. KEARNS, *Asst. A.G.*

The Deputy Minister, Department of Health.

DEPARTMENT OF HEALTH, July 5, 1924.

DEAR MR. KEARNS, — This is in reply to your enquiry under date of June 13th, respecting the motor launch *Jeannette* and your enquiry as to the authority on which this boat was purchased, if by public tender, and the expert evidence on which the value of the boat was based.

The boat was purchased on the authority of the Honourable the Minister after the Department, assisted by officials of the Marine and Fisheries Department at Quebec, had looked over and made enquiries respecting every boat offered for sale in and about the port of Quebec and lower St. Lawrence.

Among the boats looked over, two only were found possibly suitable for the work of the Department, and Mr. J. A. Samson, Steamship Inspector for the Department of Marine and Fisheries at the Port of Quebec, under direction of that Department, was requested to inspect the boats and make a report and recommendation on each. As a result of his inspection and report, the purchase of the *Jeannette* was decided upon; and the cost, according to his report and recommendation, was fair and reasonable — the boat with its accessories having cost, as will be seen by the attached description and cost record, $6,478.53, and had been placed in commission new in May 1923.

Yours truly,

D. A. CLARK, *Asst. D.M.*

The Assistant Auditor General.

Vote No. 64, Quarantine—Purchase of Gasoline Launch "Salucan"

AUDIT OFFICE, June 18, 1924.

SIR, — Cheque No. 15693, issued on September 13th, 1923, is for the payment of $1,000.00 to Geo. A. Mowry of Lubec, Maine, for a 46 foot gasoline motor launch.

Kindly furnish me with full particulars with regard to this purchase, especially on the following points: — On what authority was this launch purchased; were public tenders called for; was the launch purchased newly built, or had it been previously in use; what expert evidence, if any, was made use of in arriving at a fair amount to be paid.

Your obedient servant,

WM. KEARNS, *Asst. A.G.*

The Deputy Minister, Department of Health.

DEPARTMENT OF HEALTH, July 7, 1924.

DEAR MR. KEARNS, — This is in reply to your letter of June 18th, in which you make enquiry as to the authority for the purchase of the launch *Salucan,* the method of purchase and the expert evidence made use of in arriving at a fair price to be paid.

When the Department found it necessary to replace with a new boat the gasoline boat sunk by collision with the S.S. *Neriod* in the harbour of St. John, it was decided that an effort should be made to get rid to some extent of the monthly cost of $900.00 for the use of a tug at quarantine during the winter months by getting a launch staunch enough to carry the work later into the fall and take it up earlier in the spring than had previously been the case. Accordingly, information was obtained that three so-called "Casarco" boats were for sale by the Booth Fisheries Company and were lying at Lord's Cove, Deer Island, N.B. The price asked was $1,000.00 each. The price seemed so ridiculously low that the Department did not for some time even entertain the idea of purchase to the extent of sending any one to see them, but as all other enquiries failed to locate a boat suitable for the Department's needs, and within a price which it was considered ought to be paid and as the Department of Marine and Fisheries had not available a suitable boat which they could turn over, this Department sent Mr. Fred Hargrove, who has been associated all his life with gasoline engines in the Bay of Fundy, to inspect this boat. He reported the boat to be staunch, in good repair, and suitable in every way to the work of our Quarantine Station.

Tenders were not asked for since enquiries and looking around for a whole year had failed to locate any other boat suitable for the quarantine purposes at Partridge Island.

The boat was purchased on the authority of the Honourable the Minister, and the price of $1,000.00 was considered remarkably low.

For your information I am appending a description of the boat and its power unit.

Yours very truly,

D. A. CLARK, *Asst. D.M.*

The Assistant Auditor General.

Credit n° 60: Loi des aliments et des drogues—Paiement de frais relativement à une saisie de beurre

BUREAU DE L'AUDITEUR, 18 janvier 1924.

MONSIEUR, — Le chèque n° 11449, émis le 1er mai 1923, en faveur de R. B. Colwell, Limited, d'Halifax, est au montant de $32.62 pour règlement des frais suivants énumérés dans une note en date du 14 mars 1923:

Dépêches	$	1 02
Conversations téléphoniques		4 20
Frais de messagerie sur 15 boîtes venant de Sydney		15 30
Factage de 27 boîtes venant de Montréal		1 35
Magasinage, 1 mois, de 43 boîtes à 25 cents chaque		10 75
Total	$	32 62

Il appert que la compagnie R. B. Colwell, Limited, a encouru ces frais au sujet d'une consignation de 43 boîtes de beurre qui ont été saisies dans son établissement le 15 mars 1923, parce qu'on croyait ce beurre falsifié, soupçon qui a été confirmé à l'analyse, et en conséquence le beurre a été confisqué et distribué à diverses institutions publiques.

Je voudrais savoir, au sujet de ce paiement, pourquoi votre ministère s'est cru obligé de rembourser à Colwell ces frais qui paraissent avoir originé avant la saisie, puisque celle-ci a eu lieu avant le 15 mars, tandis que la note de Colwell est en date du 14 mars.

Votre obéissant serviteur,

WM. KEARNS, *A.G. adjoint.*

Au sous-ministre du ministère de la Santé.

MINISTÈRE DE LE SANTÉ, 25 janvier 1924.

MONSIEUR, — En réponse à votre lettre du 18 courant demandant pourquoi le ministère s'est cru obligé de rembourser à la compagnie R. B. Colwell, Ltd., d'Halifax, les frais y mentionnés, je désire vous donner les détails suivants:

Le 10 janvier 1923, la compagnie Canada Produce, de Montréal, expédia à R. B. Colwell, Ltd., d'Halifax, une boîte de beurre échantillon. M. Colwell eut des doutes sur la composition de ce beurre, et il appela l'inspecteur Brenton du ministère de l'Agriculture, et celui-ci fit constater par notre analyste fédéral que ce beurre contenait 40 p. 100 de gras étranger au beurre.

L'inspecteur Brenton convint alors avec M. Colwell que celui-ci commanderait une petite consignation de beurre de la même qualité, afin d'établir une preuve plus forte. Le 17 février, M. Colwell commanda 50 boîtes devant être expédiées de Montréal, avisant M. Brenton, afin qu'il pût faire saisir le beurre à Montréal avant le départ de la consignation pour Halifax. En réponse à cette commande, la compagnie Canada Produce expédia à Colwell 27 boîtes, et transmit à H. C. Balleur, de Sydney, N.-E., l'ordre d'expédier 15 boîtes à Colwell, sur une consignation expédiée par la compagnie Canada Produce à H. C. Balleur Co., et que ceux-ci avaient refusée à cause de la qualité inférieure du produit. Malheureusement la consignation expédiée de Montréal échappa à la surveillance des inspecteurs, et M. Colwell dut avertir M. Brenton qui fit la saisie. Le ministère fut alors chargé de prendre des procédures sous l'empire de la Loi des aliments et drogues.

Vu que M. Colwell a travaillé de concert avec l'inspecteur Brenton pour préparer cette cause, qu'il a par là contribué à faire disparaître du marché des produits falsifiés et à imposer une pénalité à la maison de Montréal par suite de la perte du produit, il ne devrait pas perdre les déboursés qu'il a faits dans ce but.

Bien à vous,

D. A. CLARK, *S.-M. adjoint.*

Crédit n° 63, Hôpitaux de marine—Sur le paiement de pension de marins malades

BUREAU DE L'AUDITEUR, 19 janvier 1924.

MONSIEUR,— Je désire attirer votre attention sur deux paiements faits par votre ministère, sur les crédits votés pour les hôpitaux de marine, en faveur de MM. Carter et Wodd, de Montréal, afin de leur rembourser des paiements qu'ils avaient faits pour des marins malades.

Le premier de ces paiements en date du 1er septembre dernier et au moyen du chèque n° 13392, est au montant de $62.50, soit 43¼ jours de pension donnée à John Armstrong du vapeur *Glengeldie*, à l'Hôtel des marins, de Montréal, à $2.00 par jour, moins 12 jours portés au compte de l'Hôpital général de Montréal. Le deuxième paiement, au moyen du chèque n° 16617 en date du 9 novembre, est au montant de $25, soit 16 jours de pension à Montréal au taux de $2.50 par jour, en faveur de Wm Munroe du vapeur *Glenealy*, moins 6 jours portés au compte de l'Hôpital général de Montréal.

Le paragraphe 1 de l'article 386 de la Loi de la Marine marchande décrète que les marins malades peuvent être envoyés pour traitement à n'importe quel hôpital de marine. Le paragraphe 2 dit que lorsqu'il n'y a pas d'hôpital de marine, ils peuvent être envoyés à l'hôpital public le plus rapproché, s'il s'en trouve à une distance raisonnable, ou sinon, à quelque établissement public ou privé.

Je comprends qu'il y a dans le port de Montréal quatre hôpitaux généraux, à part deux hôpitaux spéciaux pour les maladies contagieuses, tous reconnus pour traiter les marins malades. Il me semble alors que, pour se conformer strictement à la loi, les paiements ne peuvent être faits qu'en faveur des hôpitaux désignés comme hôpitaux de marine. Si les propriétaires des vaisseaux, pour quelque raison, ont fait pour l'entretien de leurs marins malades des conventions différentes de celles que prévoit la loi, les frais encourus doivent être à leur charge, et à mon avis, votre ministère ne devrait pas en être responsable.

Dans le deuxième cas, il est bon de faire remarquer que les propriétaires de vaisseaux ont alloué au marin malade, Wm Munroe, des frais de séjour au taux de $2.50 par jour. Il n'y a pas de preuve que le montant ait été réellement dépensé par Munroe pour son entretien.

On remarquera aussi que dans la discussion du premier cas entre MM. Carter et Wood et votre comptable, on trouve la phrase suivante dans une lettre en date du 2 août 1923: "Nous comprenons qu'à l'avenir il sera nécessaire de garder les patients à l'hôpital, si nous voulons que les dépenses soient défrayées par le ministère". Malgré cela, la réclamation présentée le 20 septembre dans le cas de Wm Munroe a été acceptée en partie par votre ministère.

Votre obéissant serviteur,

WM. KEARNS, *A.G. adjoint.*

Au sous-ministre du ministère de la Santé.

MINISTÈRE DE LA SANTÉ, 19 mars 1924.

CHER MONSIEUR, — Cette lettre est en réponse à la vôtre du 19 janvier au sujet de deux paiements faits à MM. Carter et Wood de Montréal, pour les rembourser du coût de la pension de John Armstrong, membre de l'équipage du vapeur *Glengeldie*, et de William Munroe, du vapeur *Glenealy*, pendant qu'ils étaient traités à l'Hôpital général de Montréal.

John Armstrong souffrait d'une synovite de la cheville du pied droit, mais vu que son état ne nécessitait pas une présence continue à l'hôpital, il fut gardé, par les agents du vapeur à Montréal, en pension à l'Hôtel des marins, pendant 43¼ jours, et il s'est rendu à la clinique de l'hôpital à douze différentes dates.

Le tarif reconnu par contrat à l'Hôpital général est de $3.00 par jour, et le montant payé par Carter et Wood est basé sur un taux de $2.00 par jour. D'après l'opinion de ceux-ci, ils rendaient service et au ministère et à l'hôpital en ne le laissant pas hospitalisé, quand il était possible de le faire traiter à la clinique seulement, c'est-à-dire que la place ainsi laissée disponible à l'hôpital pouvait servir à quelque autre personne, et que les dépenses encourues pour les jours passés hors de l'hôpital étaient de $2.00 au lieu de $3.00, par suite de l'arrangement qu'ils ont adopté.

Wm Munroe s'est blessé à la main au cours de son travail sur le *Glenealy* et dut quitter le vaisseau à Montréal. Il fut traité à l'hôpital général comme patient extérieur les 6, 7, 11, 18, 19 et 20 septembre.

Ci-joint vous trouverez un récépissé de l'hôtel Grand Union au montant de $25.00 payé par M. Munroe pour son entretien durant les dix jours passés hors de l'hôpital.

Je puis ajouter que le 20 septembre, MM. Carter et Wood, afin d'éviter des frais, lui ont fourni ses frais de transport $14.10, de Montréal chez lui à Collingwood, et qu'ils ont aussi acquitté une note de $10.50 des médecins Mackay et Simpson de Collingwood pour pansements faits à la main de Munroe entre cette date et le 1er octobre.

Vu toutes ces circonstances, on a cru qu'il était bien juste de lui rembourser la somme de $25.00 montant qu'il avait payé pour sa pension à Montréal. Cette somme, avec les $18.00 payés à l'Hôpital général de Montréal, forme un total de $43.00 de déboursés faits par le ministère pour ce traitement. Si cet homme était resté à l'Hôpital général de Montréal comme malade hospitalisé du 5 septembre au 1er octobre, la note aurait été de $78.00.

A l'ordinaire, lorsque les marins sont traités comme patients extérieurs, ils prennent leurs repas sur le vaisseau auquel ils appartiennent, mais dans ces deux cas, les vaisseaux avaient laissé le port de Montréal. Nous prenons note, cependant, de votre opinion, que conformément à la loi, on ne doit pas faire d'arrangements spéciaux pour l'entretien des marins malades dans les localités pourvues d'hôpitaux ayant un contrat pour le traitement de ces marins, et nous avons averti MM. Carter et Wood en conséquence.

Votre bien dévoué,

D. A. CLARK, *S.-M. adjoint.*

l'Auditeur général adjoint.

Crédit n° 64, Quarantaine—Achat du vaisseau à moteur " Jeannette "

BUREAU DE L'AUDITEUR, 13 juin 1924.

MONSIEUR, — Votre chèque n° 18173 émis le 23 février dernier et porté au compte de Quarantaine, était destiné à couvrir un paiement de $5,000 à J. H. Paquet, de Québec, pour le " bateau à moteur *Jeannette* avec gréements, tel que spécifié dans la liste envoyée le 1er février 1924 ".

Relativement à cette transaction, je voudrais avoir certains détails, en particulier sur les points suivants: Qui a autorisé cet achat? A-t-on demandé des soumissions? Le bateau acheté était-il neuf, ou avait-il servi auparavant? A-t-on eu l'avis d'experts, et lesquels, pour déterminer le montant à payer?

Il faudrait une description complète du bateau, et une copie de la liste des gréements dans la série des pièces justificatives.

Votre obéissant serviteur,

WM. KEARNS, *A.G. adjoint.*

Au sous-ministre du ministère de la Santé.

MINISTÈRE DE LA SANTÉ, 5 juillet 1924.

CHER MONSIEUR KEARNS, — La présente est en réponse à votre demande de renseignements en date du 13 juin, au sujet du bateau *Jeannette*, et en particulier pour savoir qui a autorisé l'achat, s'il y a eu des soumissions et quel examen du bateau on a fait pour en établir la valeur.

L'achat du bateau a été autorisé par l'honorable ministre, après recherche et enquête faites par le ministère concernant tous les bateaux offerts en vente dans le port de Québec et les environs, ainsi que dans le bas du Saint-Laurent, avec l'aide des fonctionnaires du ministère de la Marine et des Pêcheries à l'agence de Québec.

Parmi les bateaux examinés, il n'y en avait que deux pouvant convenir au genre de service prévu par le ministère, et M. J. A. Samson, inspecteur de bateaux pour le ministère de la Marine et des Pêcheries dans le port de Québec pour les besoins de ce ministère, reçut instruction d'inspecter les bateaux et de faire rapport sur chacun d'eux. D'après son inspection et son rapport, il fut décidé d'acheter la *Jeannette;* le coût, suivant les recommandations incluses dans le rapport, était juste et raisonnable, le prix de revient du bateau avec les gréements ayant été de $6,478.53, comme vous pouvez vous en convaincre par la description et le bordereau des frais ci-attachés, et le bateau a été mis en service pour la première fois en mai 1923.

Bien à vous,

D. A. CLARK, *S.-M. adjoint.*

l'Auditeur général adjoint.

Crédit n° 64, Quarantaine—Achat de la chaloupe à moteur "Salucan"

BUREAU DE L'AUDITEUR, 18 juin 1924.

MONSIEUR, — Le chèque n° 15693 émis le 13 septembre 1923 a servi à payer $1,000.00 à Geo. A. Mowry, de Lubec, Maine, pour une chaloupe à moteur de 46 pieds de longueur.

Veuillez donner des détails au sujet de cet achat, en particulier, sur les points suivants: Qui a autorisé l'achat? A-t-on demandé des soumissions publiques? La chaloupe était-elle neuve, ou avait-elle servi antérieurement? A-t-on eu l'avis d'experts, et lesquels, pour déterminer le montant à payer?

Votre obéissant serviteur,

WM. KEARNS, *A.G. adjoint.*

Au sous-ministre du ministère de la Santé.

MINISTÈRE DE LA SANTÉ, 7 juillet 1924.

CHER MONSIEUR KEARNS, — La présente est en réponse à votre lettre du 18 juin dans laquelle vous demandez qui a autorisé l'achat de la chaloupe *Salucan,* le mode d'achat et la méthode suivie pour déterminer le prix d'achat.

Lorsque le ministère crut nécessaire de remplacer le petit bateau à moteur coulé dans la collision avec le vapeur *Neriod* dans le port de Saint-Jean, N.-B., il fut décidé de faire un effort pour s'exempter de payer mensuellement la somme de $900.00 que nous avions à débourser pour l'usage d'un remorqueur à la quarantaine durant les mois d'hiver, en acquérant une chaloupe assez solide pour faire ce service plus longtemps vers la fin de l'automne et plus à bonne heure au printemps, que nous n'avions fait jusque-là. Nous apprîmes alors que la compagnie Booth Fisheries avait à vendre trois chaloupes du type Casarco tirées au rivage dans l'anse Lord, sur l'île Deer, N.-B. Le prix demandé était de $1,000 l'une. Ce prix semblait si bas, que le ministère n'eut pas même l'idée d'envoyer quelqu'un pour les examiner; mais après recherches de divers côtés, comme nous ne pouvions trouver un bateau pouvant donner le service que le ministère voulait, à un prix dans les proportions prévues, et vu que le ministère de la Marine et des Pêcheries ne pouvait nous en fournir un, notre ministère envoya pour inspecter ces chaloupes Casarco, M. Fred Hargrove, un homme qui s'est occupé de chaloupes à moteur toute sa vie dans le baie de Fundy. Il fit rapport que ces bateaux étaient solides, en bon état et propres à tous les points de vue au service de notre station de quarantaine.

Nous n'avons pas demandé de soumissions, vu que nos recherches durant toute une année n'avaient pu faire découvrir un bateau propre au service de la quarantaine de l'île Partridge.

Le bateau a été acheté après autorisation émise par le ministre, et le prix a été considéré exceptionnellement bas.

A titre de renseignement, je vous envoie une description du bateau et le chiffre de sa force motrice.

Bien à vous,

D. A. CLARK, *S.-M. adjoint.*

A l'Auditeur général adjoint.

Vote 53, Immigration Contingencies (Page H—10): Purchase of Furniture for Immigration Hospital, Halifax

AUDITOR GENERAL'S OFFICE, May 26, 1924.

SIR, — Voucher No. 8 in support of the statement of disbursements for the month of March last, rendered by Mr. W. L. Barnstead, immigration agent at Halifax, is for the payment of $64 to the Nova Scotia Furnishing Company Limited, for the following furniture supplies: —

1 Three piece parlour suite	$	50 00
1 Rocker		14 00

This furniture is shown on the statement as being for J. Ward, who is employed as senior hospital attendant at Halifax. If it were purchased for Mr. Ward's personal use I have to ask the authority for the purchase; if it were purchased for the hospital I have to ask why it was not obtained through the Public Works Department, which has charge of the care and maintenance of Immigration Buildings. In the Public Works appropriation for Rents, Repairs, Furniture etc., of Public Buildings there is an amount of $25,000 for Dominion Immigration Buildings.

I am, Sir, your obedient servant,

WM. KEARNS, *Asst. A.G.*

The Deputy Minister of Immigration and Colonization.

DEPARTMENT OF IMMIGRATION AND COLONIZATION, June 26, 1924.

SIR, — Referring to your favour of May 26th re parlour suite and rocker purchased at a cost of $64.00 by Mr. William Barnstead our Agent in Halifax, I would say that these were for the quarters in our Building at Halifax occupied by Mr. and Mrs. Ward. Mr. Ward is our senior Hospital Attendant and Mrs. Ward the Matron at that Port, and, under the Civil Service Reclassification are entitled to living quarters.

As the Public Works Department does not supply furniture of this class, it has to be purchased by this Department.

Your obedient servant,

W. J. EGAN, *D.M.*

The Assistant Auditor General.

Vote 53, Immigration Contingencies (Page H—30: Payment for Paving Road at International Boundary Line

AUDITOR GENERAL'S OFFICE, February 23, 1924.

SIR, — Immigration cheque No. 5356 issued on December 29th last, is for the payment of $580.00 to A. B. Palmer, Co., Limited, of Vancouver for material and labour supplied for paving road at the International Boundary Line, Blaine, 145 yds. at $4. According to a pencil notation on the voucher one-half of this expense is to be reimbursed by the Customs Department.

There is no explanation accompanying the voucher to indicate why it should be considered a proper charge against the vote for Immigration, or even against the Dominion Government. Kindly furnish me with a full explanation of this payment.

I am, Sir, your obedient servant,

WM. KEARNS, *Asst. A.G.*

The Deputy Minister of Immigration and Colonization.

DEPARTMENT OF IMMIGRATION AND COLONIZATION, February 28, 1924.

DEAR SIR, — I have your favour of the 23rd instant, concerning the payment of $580.00 to A. B. Palmer Co., Limited, Vancouver, for paving road at International Boundary Line, Blaine, Washington, half of which was paid by the Customs Department and the other half by this Department. The Customs and Immigration building at this point is situated slightly off the road in order to give parking space for the automobiles during inspection. It was the space between the Highway and the Building for which the two Departments were responsible and paid this account.

Yours truly,

W. J. EGAN, *D.M.*

The Assistant Auditor General.

Vote 53, Immigration Contingencies (Page H—41: Purchase of Warehouse Site at London, Eng.

AUDITOR GENERAL'S OFFICE, October 6, 1924.

SIR, — Immigration cheque No. 4150 issued at your London, England, office on March 31st last, is for a payment of £1,300 to Beardmore & Webb, Ltd., on account of the purchase by the Canadian Government of the Warehouse site, Manor Park, Richmond.

Kindly let me have the authority for the purchase of this property which, in my opinion, should have been authorized by the Governor in Council.

I notice that the receipt reads "on account of the purchase". Kindly inform me if this was the full purchase price, and if not what the full price is, and when the balance is to be paid. A full description of the property should also be furnished.

I am, Sir, your obedient servant,

WM. KEARNS, *Asst. A.G.*

The Deputy Minister of Immigration and Colonization.

DEPARTMENT OF IMMIGRATION AND COLONIZATION, October 15, 1924.

DEAR SIR, — I have the honour to acknowledge receipt of your letter of the 6th instant referring to Immigration cheque No. 4150 issued in our London Office on the 31st March last for £1,300 to Beardmore & Webb, Ltd.

This cheque was issued to cover the purchase of a site for an exhibition warehouse in what is known as Manor Park, Richmond, London. The purchase price was £1,250, the solicitor's charges, law stamps, etc., £43.19.4, leaving a balance of £6.0.8 which was paid into the credit of the Receiver General by our London Office on the 24th July last.

The events leading up to the purchase of the site for an exhibition warehouse are briefly as follows:—

1. For many years we used a rented building in Liverpool adjoining our office in that city but the loss to exhibits sustained through the overflow of sewers and the depredation of mice and rats made it necessary to abandon our former quarters in Liverpool.

2. About four years ago we leased one floor of a modern fire proof building in Liverpool at an annual rental, including rates and taxes of £1,130. The annual expenditure we regarded as unreasonably high and we decided to be on the look-out for a building or a site

---

for a building at a point where we could have our exhibition work more directly under the supervision of our London Office rather than at a branch office such as Liverpool.

3. The first concrete proposal submitted by our Superintendent in London was a site at Uxbridge, outside of London, on which we would erect a building to suit our own needs. Mr. Tolmie, the Exhibitions' Commissioner, who has been in London for over a year, recommended the Uxbridge site as he stated that it was impossible to rent any suitable quarters.

4. Before any final action was taken on the Uxbridge site our London Office reported having found a more suitable site seven miles nearer our London office which could be purchased for £1,300. An option for three days was secured on this site and, as it seemed to be a much better location that the Uxbridge one, the Department cabled authorizing its purchase, there being no time to obtain the authority of Council.

5. Nothing definite has been done as yet about the erection of a warehouse on the purchased site as the tenders called for indicate that a building such as we want cannot at present be put up for what we regard as reasonable cost. Mr. Tolmie advises delay in building for another year. We estimate that by the erection of an exhibitions warehouse near London we will not only bring the work directly under the supervision of the head office, which is in London, but also cut our annual expenditure from £1,130 to approximately £700. In the latter figure we have included interest on the investment, depreciation, upkeep, taxes and rates.

6. I regret that we have not here a full description of the property. We are aware that its dimensions are 75′ x 254′ and that it is close to two railway lines, this being essential for our purposes as we have a great many exhibits to handle which must be handled by rail.

I might add that the Department maintains thirteen offices in the British Isles (outside of London). Each of these offices has a show window where we place various exhibits of Canadian products. We also maintain two large exhibition motor trucks travelling exhibit and the exhibit must be renewed from time to time as in the case of the show windows. We also exhibit at upwards of two hundred local county or larger agricultural shows. We must have a place for storage and also for the preparation of exhibits and for the overhauling of our exhibition vans. This will indicate why it is necessary to have such accomodation as we are seeking to provide.

Yours very truly,

F. C. BLAIR, *Actg. D.M.*

The Assistant Auditor General.

Vote 53, Immigration Contingencies (Page H—36): Charges for Motor Transportation, Aberdeen Agency

AUDITOR GENERAL'S OFFICE, March 28, 1924.

SIR,—I beg to draw your attention to the charges for motor transportation made by Mr. D. E. Lothian, Emigration agent at Aberdeen, in his expense accounts for the months of September, October, November and December last.

On September 19th, Mr. Lothian left Aberdeen by motor car on a lecturing tour, and after visiting several places on the main island he crossed over to the island of Lewis, where he lectured at several towns, returning to Aberdeen on October 6th. On November 5th he left on a second trip to Dundee and other

places in the east of Scotland returning to Aberdeen on November 16th. Between November 30th and December 19th he made several trips in the vicinity of Aberdeen, returning the same day.

On all these trips he travelled by motor car, and was evidently using his own car, as the payments entered in his expense accounts appear as having been made to himself. The motor mileage on the first trip was 755 miles, on the second trip, 270 miles and the various trips in December covered 494 miles, making a total mileage of 1,519 miles, for which he charges at the rate of 1s. 6d. a mile or £113-18s-6d in all.

This rate charged by Mr. Lothian appears to me to be excessive, being the equivalent of about 36½ cents a mile. The Department of the Interior and the Soldier Settlement Board have both made a careful enquiry into the cost of operating government owned cars in this country, and have both arrived at practically the same result, viz. 8 cents a mile. As the amounts allowed by these departments for the use of privately owned cars are 11 and 10 cents a mile respectively, I cannot understand how a charge of three and a half times the allowance in Canada can be considered a reasonable charge in Scotland.

Mr. Lothian's assistant, Mr. Murray, made several lecturing trips in the vicinity of Aberdeen, about the same time, in his case the cars were hired from regular motor car liveries, operating for a profit, and the charges in these cases were 9d. a mile, just one-half of that charged by Mr. Lothian, based on actual mileage, no additional charge being made for the time occupied by the lecture. If 9d. a mile is the regular charge made in that locality by motor liveries, it seems to me that a considerably less charge say 6d. would be a fair allowance for the use or privately owned cars, which should not be used with the idea of making a profit.

I have also to ask if motor car transport was the most economical for all the trips made by Mr. Lothian. The use of motor cars should only be allowed when that is the only feasible or most economical mode of transport.

I shall be glad if you will furnish me with an explanation of the apparently excessive charges for motor expenses made by Mr. Lothian having been passed by your department for payment.

I am, Sir, your obedient servant,

GEO. GONTHIER, *A.G.*

The Deputy Minister of Immigration and Colonization.

DEPARTMENT OF IMMIGRATION AND COLONIZATION, April 23, 1924.

DEAR SIR,—In answer to your letter of the 28th ultimo, regarding charges for motor car transportation made by Mr. D. E. Lothian, our Agent at Aberdeen, I may say that unfortunately Mr. Lothian's charge of 1s. 6d. per mile was at first passed unchallenged by both our accounting offices at London and here at Ottawa. Later on, however, in December 1923 these charges came to our attention and by date of December 31st, 1923, Mr. J. Obed Smith, then our Superintendent of Emigration in London, was instructed to make an immediate reduction from 1s. 6d. to 1s. per mile in the mileage allowance and I think you will find that this rate has prevailed since December last.

In view, however, of the opinion expressed in your letter of the 28th ultimo, that the price of the mileage appears excessive, and I fully concur in your opinion, I am writing to-day to our London Office asking to obtain refund from Mr. D. E. Lothian of 6d. per mile on all the mileage charged for in his accounts prior to January, 1924.

Although I have fixed the price of mileage in the meantime at one shilling for our Agents in the British Isles, I am asking our Director of European

Emigration, Mr. W. R. Little, to look into this matter with a view to a further reduction, if possible, and in order that he may be fully advised of your opinion in the premise I am sending him a copy of your letter of the 28th March last.

It may yet appear to you that one shilling is too high but I have had an expression of opinion from Mr. F. C. Blair, the Acting Assistant Deputy Minister of this Department who discussed this matter while he was in England last summer, who says that considering the price of gasoline, the very high license fee for motor cars of £1 per h.p. coupled with the fact that the Department has nothing to pay at all for the upkeep of the motor cars, the price of one shilling per mile is not very much out of the way.

I hope that the above explanations will be found satisfactory in the meantime, and I can assure you that, if after investigation, it is found that a reduction can be effected, I will give immediate instructions to do so.

Yours truly,

W. J. EGAN, *D.M.*

The Auditor General.

Vote 53, Immigration Contingencies (Page H—40): Overpayment to Agent A. N. O'Kelly for Removal Expenses

AUDITOR GENERAL'S OFFICE, October 7, 1924.

SIR, — An Order in Council (P.C. 65/1229) was passed on July 15th last, authorising the payment of £132-7-10 ($644.31) to Mr. A. N. O'Kelly, emigration agent, for his removal expenses from Glasgow to Southampton.

Mr. O'Kelly has already been paid by your London Office sums amounting to $1,044.61 on account of his removal expenses, making an overpayment to him of $400.30. Kindly advise me as to what steps, if any, are being taken by your department to recover this overpayment from Mr. O'Kelly.

I am, Sir, your obedient servant,

WM. KEARNS, *Asst. A.G.*

The Deputy Minister of Immigration and Colonization.

DEPARTMENT OF IMMIGRATION AND COLONIZATION, October 14, 1924.

DEAR SIR, — In answer to your letter of the 7th instant regarding the sum of $400.30 due to the Department by Mr. A. N. O'Kelly for items deducted from his removal expenses from Glasgow to Southampton, I beg to advise you that after the passing of P.C. 65/1229 of July 15th last, the Accountant wrote to Mr. W. R. Little, our Director of European Emigration, London, England, asking him to take the necessary steps to collect the above amount from Mr. O'Kelly. Mr. O'Kelly's answer to this request was a claim for the reinstatement of the amount disallowed. This claim was carefully considered by the Deputy Minister who, on the 17th September last wrote to Mr. Little informing him that Mr. O'Kelly would have to refund the amount in question. To let you know what instructions were given in the matter, I will quote the last paragraph of the Deputy Minister's letter of the 17th September, above referred to, which reads as follows: —

> "I therefore have no other alternative than to ask Mr. O'Kelly to make refund of the $400.30 referred to in the Accountant's letter of the 25th July last. As this amount is a considerable one I am quite prepared, however, in order to render this refund less difficult, to accept repayment by instalments from Mr. O'Kelly, if he so wishes. The instalments

should, however, be substantial enough so that the whole amount be refunded during the balance of this fiscal year."

The Department has not up to date received an answer to above letter, but I have no doubt that the instructions therein contained will be followed and refund made before the end of this fiscal year.

Trusting that the above will be found satisfactory,

I remain, yours truly,

F. C. BLAIR, *Actg. D.M.*

The Assistant Auditor General.

DEPARTMENT OF IMMIGRATION AND COLONIZATION, October 28, 1924.

DEAR SIR, — In further reference to your letter of the 7th instant, concerning overpayment to Mr. Andrew O'Kelly on his account for expenses for removal from Glasgow to Southampton, I would say that we are now in receipt of advice from our London Office that Mr. O'Kelly will refund by monthly payments of £13-14-2 for the months of October, November, December, January and February, and £13-14-3 for the month of March 1925, which will complete the total refund.

Yours truly,

F. C. BLAIR, *Actg. D.M.*

The Assistant Auditor General.

Vote 53, Immigration Contingencies (Page H—41): Arrangement entered into with W. T. Cranfield, Canadian Official Press Bureau

AUDITOR GENERAL'S OFFICE, October 6, 1924.

SIR,—Cheque No. 663, issued at your London, Eng., Office in June, 1923, is for a payment of £218-15-0 to Mr. W. T. Cranfield, Canadian Official Press Bureau, for "one month's appropriation, May 16th to June 16th, 1923, as agreed at three-fourths of £3,500 per annum," nine other similar payments were made in the course of the fiscal year 1923-24.

Kindly furnish me with the particulars of the agreement entered into with Mr. Cranfield, with the authority for entering into that agreement.

I am, Sir, your obedient servant,

WM. KEARNS, *Asst. A.G.*

The Deputy Minister of Immigration and Colonization.

DEPARTMENT OF IMMIGRATION AND COLONIZATION, October 15, 1924.

DEAR SIR, — I hereby acknowledge receipt of your letter of the 6th instant, asking to be furnished with the particulars about the payments made by this Department from our London Office to Mr. W. T. Cranfield, Canadian Press Bureau, during the fiscal year 1923-24.

For your information I beg to enclose, herewith, copy of the agreement entered upon by the various parties interested in this publicity scheme, which was approved by the Department and which is regarded by us as a purchase of publicity articles and advertising matter from Mr. Cranfield, under the business appellation of Canadian Official Press Breau.

I may add that reports of the activities of this Bureau together with clippings of articles published about Canada are being furnished to the Department monthly, the aggregate circulation of the articles published running between

thirty-seven and thirty-eight millions monthly. Copy of these monthly reports could be made available for your audit if you wish but copies of the clippings would involve so much work that I hardly think you will ask to be supplied with same. These clippings would, however, always be available for your inspection at any time, as they are kept in the Office of our Director of Publicity, Mr. R. J. C. Stead.

Yours truly,

F. C. BLAIR, *Actg. D.M.*

The Assistant Auditor General.

Vote 53, Immigration Contingencies (Page H—41): Advance to H. H. Bingham for Expenses

AUDITOR GENERAL'S OFFICE, October 16, 1924.

SIR,—Immigration cheque No. 6720 of 1923-24 is for an advance of $200 to Mr. H. H. Bingham, immigration lecturer. Cheque No. 1338 issued at London, England, on August 20th, 1923, is for a further payment to Mr. Bingham of £46-4s-8d ($225) for "balance of transportation." Mr. Bingham was also paid £11-1s-1d by the London office in settlement of accounts rendered by him for his expenses while in England.

I have no accounts of Mr. Bingham's expenditure of the $425 paid him at Ottawa and London. Kindly advise me if any account has been rendered by Mr. Bingham of his expenditure under these advances, and if not, what steps have been taken to obtain such account.

I am, Sir, your obedient servant,

WM. KEARNS, *Asst. A.G.*

The Deputy Minister of Immigration and Colonization.

DEPARTMENT OF IMMIGRATION AND COLONIZATION, October 31, 1924.

DEAR SIR,—Receipt is hereby acknowledged of your letter of the 16th instant raising certain questions about Immigration Cheque No. 6720 of 1923-24, issued in favour of H. H. Bingham.

The delay in answering your letter is occasioned by the absence from Ottawa of the Hon. Mr. Stewart and his Private Secretary. Certain arrangements were made in Mr. Bingham's case by Mr. Stewart who was at the time Acting Minister of this Department. As soon as the Hon. Mr. Stewart returns to Ottawa we hope to clear the matter up.

Yours very truly,

F. C. BLAIR, *Actg. D.M.*

The Assistant Auditor General.

Vote 53, Immigration Contingencies (Page H—43): Advance to Prof. A. Lange for Lecturing Expenses

AUDITOR GENERAL'S OFFICE, October 16, 1924.

SIR,—Immigration cheque No. 6412 of 1923-24 is for an advance of $500 to Prof. A. Lange, continental lecturer. Prof. Lange also received transportation from Montreal to Europe and a salary of $150 a month.

I have received no statement of Prof. Lange's expenditure under this advance. Kindly advise me if such statement has been received in your department, and if not, what steps have been taken by you to obtain a detailed statement of Prof. Lange's expenses.

I am, Sir, your obedient servant,

WM. KEARNS, *Asst. A.G.*

The Deputy Minister of Immigration and Colonization.

DEPARTMENT OF IMMIGRATION AND COLONIZATION, October 22, 1924.

DEAR SIR,—I have your favour of the 16th instant, concerning advance on account of travelling expenses of $500.00 to Professor A. Lange, continental lecturer. Your Mr. F. L. Price called at the Accountant's Office about this matter. He examined our file dealing with the appointment of Prof. Lange and I thought it was shown to his satisfaction that the Department had done everything possible to obtain a proper accounting of this money.

Prof. Lange was first appointed for a period of 90 days as a continental lecturer in May, 1923. On his return to Canada he left a statement of expenses with the Minister's Office, which was duly forwarded to the Accountant. Our file shows that on September 4th, 1923, the Accountant wrote Prof. Lange at Waterloo, Ontario, returning the statement which was not properly rendered and asking for a detailed statement according to Government regulations. This letter was returned to us unopened. It appears that after a hurried visit to Canada Prof. Lange returned to Europe and his engagement as a lecturer was continued for six months from September 10th, 1923. Since that date we have received several reports from Prof. Lange, showing that he is doing very good work, but repeated requests for the accounting of $500 has failed to bring results. The matter is not being overlooked and just as soon as we are able to get an account it will be forwarded to your Department.

Yours truly,

F. C. BLAIR, *Actg. D.M.*

The Assistant Auditor General.

Vote 53, Immigration Contingencies (Page H—41): Advances to Hon. Mrs. Smith for Lecturing Expenses

AUDITOR GENERAL'S OFFICE, October 22, 1924.

SIR,—An Order in Council of October 25th, 1923, (P.C. 2173½) sets forth that the Department of Immigration and Colonization had made arrangements with the Honourable Mary Ellen Smith to give a series of lectures on Canada, in Great Britain, for a period of two or three months, and authorizes a payment to her of a living allowance of $10 per diem, in addition to transportation and other expenses, while in the British Isles, from August 3rd to October 5th, 1923, inclusive. The following payments were made to Mrs. Smith on account of her expenses.

July 24th, 1923, Ottawa, cheque 6909	$ 200 00
Aug. 20th, 1923, London, cheque 1340—£50	243 33
Sept. 29th, 1923, London, cheque 1917—£35	170 33
Nov. 21st, 1923, Ottawa, cheque 11055	735 33
Total advances	$1,348 99

As yet I have received no statement from your department of Mrs. Smith's expenses. Under the terms of the Order in Council Mrs. Smith would be entitled to $640 as living allowance for the 64 days included in the period from August 3rd to October 5th, leaving $708.99 to be accounted for by her. Kindly let me know if this amount has as yet been accounted for.

I might add that Mrs. Smith was paid $503.22, through your London office, for salary from July 16th to Sept. 30th at $200.00 a month.

I am, Sir, your obedient servant,

WM. KEARNS, *Asst. A.G.*

The Deputy Minister of Immigration and Colonization.

DEPARTMENT OF IMMIGRATION AND COLONIZATION, October 25, 1924.

DEAR SIR,—Receipt is hereby acknowledged of your letter of the 22nd instant in reference to a statement of expenses incurred by the Hon. Mary Ellen Smith in a trip to Great Britain.

I may say that we have already taken action which I hope will enable us to close this out in a week or ten days.

Yours very truly,

F. C. BLAIR, *Actg. D.M.*

The Assistant Auditor General.

Vote 53, Immigration Contingencies: Payment of Income Tax of Officials Employed in Great Britain

AUDITOR GENERAL'S OFFICE, December 19, 1923.

SIR,—In the examination of the expenditure during the fiscal year 1922-23 in Great Britain on account of Immigration I find that charges were made at the various agencies for payment of the income tax of the members of the staff; similar items have been included in the expenditure for several years past.

As long as the Canadian Government officials employed in Canada were not required to pay an income tax, there may have been some argument in favour of paying the income tax imposed on Canadian Government officials employed in Great Britain. Government officials in Canada are however now required, as you are aware, to pay an income tax both to the municipality and to the government and I see no valid reason why employees in Great Britain should be relieved of the payment of the income tax, while the employees in Canada are required to pay it personally.

I shall be glad to have your views on this point.

I am, Sir, your obedient servant,

WM. KEARNS, *Asst. A.G.*

The Deputy Minister of Immigration and Colonization.

DEPARTMENT OF IMMIGRATION AND COLONIZATION, December 31, 1923.

DEAR SIR,—I have your letter of the 19th instant on the subject of the payment of income tax of members of the immigration staff in Great Britain.

I can quite appreciate your point of view but would ask you to consider the position of the man overseas as an official of the Immigration and Colonization Department. He is naturally, on account of precedent, looking to the govern-

ment to pay this income tax and it would be a decided hardship to exact the same from him now because I know from my own experience with even a better salary in the last few years than any of the officials of this Department are receiving it is difficult to make ends meet when you are looked upon to play a part far bigger than any man under similar conditions receiving a similar salary in Canada. In other words while in this country and under these conditions, you can adapt yourself to your actual income but when representing Canada in an overseas field this is not possible as you are looked upon to play a certain part. I would therefore, respectfully suggest that the payment of income tax for overseas officials of any branch of the service should be considered as a part of the price we pay for their services.

Yours very truly,

W. J. EGAN, *D.M.*

The Assistant Auditor General.

AUDITOR GENERAL'S OFFICE, April 2, 1924.

SIR,—I beg to acknowledge receipt of your letter of December 31st, 1923, in reply to mine of the 19th December, respecting the payment of the income tax of the employees at the various agencies of your department in the British Isles.

Although these payments have been made for some years without being officially questioned by this office, still I am of opinion that they have been made without proper authority, and that, if such payments are to be continued in the future, due authority for the same should be obtained.

In concluding your reply you suggest "that the payment of income tax for overseas officials of any branch of the service should be considered as a part of the price we pay for their services." If it is considered advisable to regard the payment of the tax as part of the salary, the Civil Service Commission might be asked to amend the classification Schedule, so far as it relates to overseas officials by adding to the compensation clause, words to the following effect "Payment of income tax on the remuneration received from the Canadian Government may be made in addition to the above rates." As an alternative solution, a clause might be included in the wording of your vote for Immigration Contingencies allowing the payment of income tax on the official incomes of your overseas employees.

I am, Sir, your obedient servant,

GEORGES GONTHIER, *A.G.*

The Deputy Minister of Immigration and Colonization.

DEPARTMENT OF IMMIGRATION AND COLONIZATION, April 23, 1924.

MY DEAR MR. GONTHIER,—Your letter of April 2nd was received in due course, and I am rather of the opinion that the concluding part of my letter of December 31st, has misled you, because it did not properly convey what I intended to place before you.

When I made my statement "that the payment of income tax for Overseas Officials of any Branch of the Service should be considered as a part of the price we pay for their services", I was referring only to the Canadian selected in Canada for a position in an overseas field and not to any whom we may employ in their respective countries for clerical or other work in our offices.

Personally, I can see no reason why any part of the income tax of a national of any country engaged and working in our offices in the respective countries should be paid by us, because on the average he is paid just

a little more than he could secure in other local employment; but in the case of a Canadian selected for overseas work, I know from bitter experience that the paying of one's income tax in an overseas field is a decided handicap, because it keeps one on the edge of his salary and living allowance at any time without being extravagant in any way, if one endeavours to live up to the standard of his position as a Representative of Canada.

Yours faithfully,

W. J. EGAN, *D.M.*

The Auditor General.

DEPARTMENT OF IMMIGRATION AND COLONIZATION, September 22, 1924.

DEAR SIR,—Referring to your letter of the 2nd April last on the subject of the payment by the Government of Canada of the income tax on salaries of certain Canadian officials in the British Isles, I may say that the payment of this tax has now been discontinued.

Yours truly,

F. C. BLAIR, *Asst. D.M.*

The Auditor General.

Vote 352, British Empire Exhibition (Page H—51): Payments to John Bull, Scenic Artist, for Decorative Work on Canadian Pavilion, Wembley

AUDITOR GENERAL'S OFFICE, June 5, 1924.

SIR,—Voucher No. 456, bearing the date, London, 17th April, 1924, is for the receipt by John Bull, Scenic Artist, of the sum of two thousand five hundred pounds (£2,500) from the Canadian Government Exhibition Commission, for work for the Canadian Pavilion, Wembley Park.

In connection with this payment I should like to be fully informed as to the nature and amount of the work performed. If any agreement or formal contract was entered into with John Bull, kindly furnish me with a copy of the same.

From various receipts attached to the voucher it appears that this amount of £2,500 was not actually paid on April 17th, but that payments were made from time to time as follows:—

December, 4th, 1923	£300
December 17th, 1923	500
January 16th, 1924	500
February 7th, 1924	500
March 7th, 1924	500
April 17th, 1924	200

These separate payments were not shown in the monthly statements of expenditure rendered by Mr. Tolmie, the gross amount of £2,500 being shown on the supplementary statement of expenditure rendered in April last. As Mr. Tolmie gives with each monthly statement of expenditure a statement of the cash on hand and in the bank, I am at a loss to understand how he made such statements balance when he appears to have made certain payments during the

months of December, January, February, and March which were not included in the expenditure statements rendered for those months.

I am, Sir, your obedient servant,

WM. KEARNS, *Asst. A.G.*

The Deputy Minister of Immigration and Colonization.

IMMIGRATION DEPARTMENT, November 17, 1924.

DEAR SIR, — In reply to your favour of the 6th instant, in reference to the payments made to John Bull, Scenic Artist at the British Empire Exhibition, amounting to £2,500, such payments having not been shown in the monthly statements during which months they were paid, I would say that the explanation given by the Canadian Exhibition Commissioner in London is that he treated the vouchers for payments made as advances on account of contracts let for work to Mr. Bull as cash on hand, and thought that by showing them in the monthly statement for the month in which the final settlement was made was the proper way to handle them. You will find the final settlement of this account was made on June 27th, 1924, the total amount being £5,350. I am attaching a copy of the contracts made with Mr. Bull.

Under separate cover I am sending you all the cancelled cheques which I have on hand in connection with the Letter of Credit for the British Empire Exhibition Vote at London and as soon as the balance is received from London we will forward them to you.

Yours truly,

F. C. BLAIR, *Act. D.M.*

The Assistant Auditor General.

AUDITOR GENERAL'S OFFICE, November 24, 1924.

SIR, —I beg to again draw your attention to my letter of June 5th, 1924, with reference to the payments made by the Canadian Government Exhibition Commission to John Bull, scenic artist, for work at the Canadian Pavilion, Wembley Park.

In that letter I drew attention to the fact that, while payments had actually been made at various times during the months of December, January, February, March and April, these payments were not shown on the monthly expenditure statements as they were made but that the total payments of £2,500 appeared in the April supplementary statement of expenditure on account of the fiscal year 1923-24.

An examination of the cheques issued by Mr. Tolmie, which have only recently been received at this office, reveals the fact that in addition to the payments to John Bull listed in my letter of June 5th, the following cheques had previously been issued in his favour: —

Cheque No. 16, Aug. 8, 1923, on account of scene painting..	£	200-0-0
Cheque No. 69, Sept. 13, 1923, on account of scene painting..		200-0-0
Cheque No. 84, Sept. 27, 1923, on account of scene painting..		300-0-0
Cheque No. 122, Oct. 15, 1923, on account of scene painting..		200-0-0
Cheque No. 162, Nov. 8, 1923, on account of scene painting..		330-0-0
Total..		£1,230-0-0

No mention of these payments on account has been made in any of the monthly statements of disbursements, and every one of these cheques, which were all cashed by Mr. Bull immediately after their issue, bears the red ink notation

in Mr. Avery's handwriting "Redeposited Nov. 9th". The two agreements entered into with Mr. Bull, according to the copies recently received at this office, bear the dates October 5, 1923 and January 12th, 1924, so that the first three advance payments noted above would appear to have been made before any formal agreement was entered into.

In view of the fact that these five payments seem to have been refunded I shall be obliged if you will cause to be sent me an explanation of the issue of the cheques in the first instance.

I am, Sir, your obedient servant,

WM. KEARNS, *Asst. A.G.*

The Deputy Minister of Immigration and Colonization.

Vote 352, British Empire Exhibition (Page H—51): Contract with Humphreys' Limited, for Construction of Canadian Pavilion at Wembley

AUDITOR GENERAL'S OFFICE, February 13, 1924.

SIR,—I beg to ask your attention to the following payments made by Mr. A. W. Tolmie to Humphreys, Limited, on account of their contract for the construction of the Canadian Pavilion at the British Empire Exhibition.

Voucher	113, October 6th, 1923..... ..	£16,369-19s-5d.
"	175, November 13th, 1923.....	£25,884-18s-11d.

These payments were made on certificates signed by Mr. J. O. Turcotte, one of the representatives of your department and Mr. Leslie E. Williamson, architect.

The certificates for payment appear to be based on accounts rendered at the end of each month by the contractors, showing in detail the amount of labour performed and of material delivered on the site. These detailed accounts should be sent this office in support of the certificates for payment. I have also to ask for a copy of the contract entered into with Humphreys, Limited, as well as of the specifications.

Subsection 2 of Section 36 of the Public Works Act enacts that "Whenever "in case of any work tenders are required to be or are invited, the minister "having charge of the department concerned shall submit all tenders received "therefor to the Governor in Council and the contract for the work shall be "awarded under the direction of the Governor in Council". As I have no record of an Order in Council awarding this contract I have to ask if the provisions of the above quoted section were observed in the case of this work.

I am, Sir, your obedient servant,

WM. KEARNS, *Asst. A.G.*

The Deputy Minister of Immigration and Colonization.

DEPARTMENT OF IMMIGRATION AND COLONIZATION, April 29, 1924.

DEAR SIR,—I beg to refer you to your letter of the 13th February last, dealing with the contract for the construction of the Canadian Pavilion at the British Empire Exhibition. Your letter was not answered sooner because I had to correspond first with Mr. A. W. Tolmie, our Officer in charge of the

Canadian Section of that Exhibition, and I do not think I could do any better than to partly quote now Mr. Tolmie's answer as follows: —

"I have yours of the 27th of February with reference to Messrs Humphreys Ltd., account. Copy of this has already gone forward. As regards mention made by the Auditor General of the Public Works Act, I may say that I never heard of this thing in all my experience, as this contract was entered into in just the same manner as all others carried out by us. I may say, however, that I prepared a memorandum for the Honourable Mr. Stewart at the end of last March, outlining in detail what I proposed to do as regards the Contract for the building, and Mr. Stewart presented this to the Cabinet Council and informed me that it was accepted by them.

As far as tenders are concerned I may say there were no tenders called for on this job as it was more or less a percentage job, the main Contract being governed by the fact that we had the job surveyed by a Surveyor of the British Surveyors' Association, who estimated the cost of the main structure at £60,000 on which Messrs Humphreys were to receive a percentage of 10 per cent up to this amount. An extra amount of work done by them was to be carried out on the same basis, which is outlined in my letter of last week.

I may say that the manner of carrying out this work has been done by us at all Exhibitions at which I have been present, and always had the full approval of the Government, and there has never been any criticism from the Auditor's Department before.

It is impossible to send all vouchers supporting these statements at the moment, but everything is being bound together in one large volume which will be forwarded to Ottawa at the termination of the job. We will reserve sufficient margin to protect ourselves in case any error should arise. I may say however that everything has been checked most carefully, and I do not think there is the slightest possibility of any comeback."

In his letter above quoted Mr. Tolmie refers to a memorandum of his addressed to the Hon. Chas. Stewart, then Acting Minister of Immigration and Colonization dealing with the contract for the Canadian Pavilion, and for your information I will also quote that part of Mr. Tolmie's memorandum to the Hon. Chas. Stewart. He wrote: —

"Erection of Buildings Pressing"

"To my mind, the most important part of our work at the present time is the contract for the erection of the Canadian Pavilion.

When in London, I worked on the assumption that this work would be carried out as in the past, consequently I went to the firm of Messrs. Humphreys, Ltd., who built our buildings at the following exhibitions: Milan, Italy, 1906, Dublin, Ireland, 1907, Franco British, London, 1911, Ghent, Belgium, 1913, San Francisco, Cal., 1915. At each and everyone of these Exhibitions, the Canadian Building was always the first completed and was entirely finished on the opening day.

Naturally this firm knew what we required in the line of an exhibit building and working in conjunction with them, I was able to produce in the London Times, through Mr. Larkin, a picture of the proposed Canadian Building, ten days after my arrival in England. I may add here, that Australia has been working for six months in London on their plans and have not as yet come to any decision. I went ahead and had

all detail plans of our building drawn up, submitted and approved by the official architects of the exhibition, who were very complimentary as to the exact detail and seeming knowledge of exhibition construction shown.

The building is to be of temporary construction of the cheapest possible kind, always bearing in mind, the fact that Canada must have a building following true architectural lines.

I have had drawn up, a blank form of contract with Messrs. Humphreys, Ltd., which provides that they are to receive a fee of 10 per cent on the estimated cost of the building, should the cost exceed that estimated, they are not to receive any further fee and should it cost less than the estimate, they are only to receive 10 per cent of the actual cost. It works out as follows: Supposing the original estimate is £60,000 their fee would be £6,000, if the building costs more, they receive no further fee, if the building costs only £55,000, their fee is only £5,500. In order that every possible safeguard should be procured, I engaged Mr. H. R. Adams, Q.S.A., to go over our plans and submit an estimated price of construction on which Messrs, Humphreys fee should be based. For this service I agreed to pay Mr. Adams the sum of fifty Guineas. He was very highly recommended by the Quantity Surveyors Association of Great Britain. In this form of contract we have our own time-keeper and accountant who check each week, all wages paid to men, all materials used in construction, such as timber, hardware, plaster, etc., which must be purchased by tender, and all tenders must be accepted by us in writing before the Contractor can negotiate any agreement.

I am confident this is the only way in which our work can be successfully carried out, in fact, I would hesitate very much to accept the responsibility of doing it any other way, knowing as much as I do of the inner workings of contractors around exhibition grounds.

I submitted this plan to Mr. Larkin and after I had explained the matter to him he dictated a letter to you stating that I had Col. Dennis and Sir Augustus Nanton of the Canadian Pacific Railway out to the exhibition grounds with me and we spent a whole day going into the methods of construction being used by the exhibition people and their contractors. On our return to the city, Col. Dennis, Sir Augustus Nanton and Mr. Jones, Canadian Pacific Architect, had a meeting at the close of which Col. Dennis told me my plan was the one they certainly would adopt and the firm who built our building would certainly build theirs.

I have only one recommendation to make in this connection and that is that I be given authority to conclude a contract with Messrs. Humphreys, Ltd., on the lines above indicated, as I am absolutely positive from the service we have had from this firm in the past that they will carry our work through satisfactorily. In the seven exhibition building contracts they have carried out for us, there has never been even a word of criticism from the Auditor General who has checked every item of expenditure incurred at all these different exhibitions.

The late Col. William Hutchison, Canadian Exhibition Commissioner, under whom I served for twelve years, was always given full authority and responsibility for concluding contracts, in fact, had the whole responsibility for Canada's exhibit and I feel sure that if I am given the same authority and responsibility, I can make Canada's exhibit the feature of the British Empire Exhibition."

In reference to the above mentioned memorandum I beg to confirm the statement made therein that same was duly submitted to the consideration of the members of the Cabinet in Council by the Hon. Mr. Stewart who in the

beginning of April, 1923, wrote to the Hon. P. C. Larkin, High Commissioner for Canada in London stating that the Cabinet had approved of Mr. Tolmie's recommendation.

I am attaching, herewith, certified copies of:—

(1) Agreement between A. W. Tolmie and Humphreys, Ltd.
(2) Specifications of contract.
(3) Plan of Pavilion.

In view of the fact that neither Mr. Tolmie nor the Department had any knowledge of the provisions of the Public Works Act referred to in your letter no tenders were asked for the erection of the Building, in question, an omission which is now too late to rectify as the building must now be completed. The reasons advanced by Mr. Tolmie, however, for awarding the contract to Humphreys Limited, on account of their previous experience in the erection of Exhibition buildings for the Government of Canada, appear to me very strong ones indeed under the circumstances, and this coupled with the fact that the whole proposition was duly considered by the Cabinet in Council, will I trust appeal to you as having been sufficient authority for Mr. Tolmie, on behalf of the Department, to proceed with this extraordinary undertaking in the manner he did.

As soon as all the sub-vouchers supporting the payments to Humphreys, Ltd., relating to the erection of the Pavilion have been received by the Department as promised in Mr. Tolmie's letter already quoted, they will be sent to your office for audit.

Yours truly,

W. J. EGAN, D.M.

The Auditor General.

Vote 352, British Empire Exhibition (Page H—53): Payment to Bank of Montreal for Loss on Purchase of Draft

AUDITOR GENERAL'S OFFICE, June 10, 1924.

SIR,—Your cheque No. 15561 issued on December 19th, last, is for the payment of $533.87 to the Bank of Montreal, Ottawa.

From the letter from the manager of the bank, which is submitted as a voucher for the payment, I gather that on December 17th, he was instructed by telephone to transfer the equivalent in sterling of $300,000 to the credit of A. W. Tolmie and L. R. Avery in the London, Eng., Branch, and that later on, on the same day, these instructions were cancelled and he was instructed to sell the proceeds. The particulars of this transaction were as follows:—

Purchased £66,733-8s-0d, at $4.49.55..		$300,000 00
Sold, £22,244-9s-4d, at $4.49..	$99,877 66	
Sold, £44,488-18s-8d, at $4.48-5/8.. ..	199,588 47	
Total proceeds of sale..		299,466 13
Loss..		$533 87

This amount of $533.87 is the only money that actually entered into the transaction, the bank simply charging your department with the difference between the amount authorized to be transferred and the total amount realized from the sale of the exchange.

As this transaction is a very unusual one, I have to ask for a full explanation of the same.

I am, Sir, your obedient servant,

WM. KEARNS, *Asst. A.G.*

The Deputy Minister of Immigration and Colonization.

DEPARTMENT OF IMMIGRATION AND COLONIZATION, June 16, 1924.

DEAR SIR,—I am in receipt of your letter of the 10th, instant referring to a payment of $533.87 made to the Bank of Montreal, Ottawa, by cheque No. 15561 of December 19th, 1923.

In answer I beg to submit the following explanation of this transaction given to me by the Accountant. On December 13th, a cablegram was sent by the Department to Mr. A. W. Tolmie, Exhibition Commissioner in charge of the Canadian Section of the British Empire Exhibition at Wembley Park, England, as follows,—

> "Please cable total estimate British Empire Exhibition for next year."

On the 15th of December the answer to above quoted cablegram, which had not emanated from his Office and which read as follows,—

> "Three hundred thousand dollars details mailed yesterday."

was put on the Accountant's desk without the cablegram to which the above was in answer. This was on a Saturday at 12.40 p.m.

The Accountant who was busy at the time, being under the impression that the cablegram contained a request for further credit in favour of Mr. Tolmie, passed it to one of his principal clerks without closer investigation which it is now realized would have avoided the deal in question, with the following notation:—"Please attend to this first thing Monday morning."

On Monday, the 17th December, the Clerk who was handling the cablegram in question *telephoned* to the bank of Montreal to obtain the rate of purchase of sterling prevailing that morning in order that the cheque be prepared at the proper rate of exchange to cover the amount of sterling to be purchased but without naming the amount required. The Bank, however, asked how much was required in order that they might proceed with the buying, which was to be made on the Montreal money market. They were then advised that the sum required was $300,000.00. In the meantime the British Empire Exhibition appropriation was checked and found not to contain sufficient funds to cover the $300,000.00 applied for. As soon as this was discovered and it was within a very short time the Bank was telephoned to cancel the application for the $300,000.00 and supply $200,000.00 only. Upon being advised that they had already purchased the larger amount they were instructed to sell $100,000.00 of it, which they did at a loss of $122.34, the sterling, according to the Bank, having dropped from $4.49.55 to $4.49.

While these telephone conversations were going on the Accountant happened to discuss with me matters referring to departmental estimates for 1924-25, which were then in course of preparation, and in discussing the estimates for the British Empire Exhibition, the cablegram re the $300,000.00 was mentioned.

As soon as he discovered that the amount mentioned in this cablegram was in relation to the British Empire Exhibition Appropriation and was not a request for a credit, as he thought, he got in touch with the Bank and instructed them to sell the $200,000.00 left of the $300,000.00 originally purchased. This was sold at the rate of $4.48 5/8 or at a loss of $411.53.

The transaction is an unfortunate one and is deeply regretted. It would be idle to add, however, that a repetition of a deal similar to this would be regarded much more seriously if it occurred again.

Yours truly,

W. J. EGAN, *D.M.*

The Assistant Auditor General.

Vote 352, British Empire Exhibition: Asking for Paid Cheques issued by Mr. A. W. Tolmie on account of British Empire Exhibition

AUDITOR GENERAL'S OFFICE, June 5, 1924.

SIR,—With reference to the expenditure by Mr. A. W. Tolmie in connection with the British Empire Exhibition, I beg to ask if the cheques for the various payments made by him have been received in your department; if so I should be glad if you would have those cheques transmitted to this office. If the cheques have not been received by you as yet I would suggest that Mr. Tolmie be communicated with and requested to forward these cheques at as early a date as possible. I am of the opinion that in this account as well as in all accounts of a similar nature the cheques form an important part of the proof of payment and should be submitted for examination in conjunction with the vouchers.

I am, Sir, your obedient servant,

WM. KEARNS, *Asst. A.G.*

The Deputy Minister of Immigration and Colonization.

NOTE.—The cheques requested were received in November, 1924.

Large Balances at Credit of Agents' Trust Accounts

AUDITOR GENERAL'S OFFICE, December 13, 1923.

SIR,—I beg to ask your attention to the folowing statement which gives the amounts for which your principal agents are bonded, and the amounts standing at the credit of their Trust Accounts on November 30 last.

Agent	Bonded for	Trust Account Balance, Nov. 30, 1923.
W. L. Barnstead, Halifax.. ..	$2,000 00	$ 1,250 00
J. V. Lantalum, St. John.....	3,000 00	.....
E. J. O'Connell, Quebec.....	3,000 00	.....
A. Regimbal, Montreal.....	3,000 00	7,934 48
J. C. Mitchell, Toronto.....	2,000 00	6,383 87
T. Gelley, Winnipeg.....	1,000 00	2,554 30
A. L. Jolliffe, Vancouver.....	5,000 00	65,709 94
S. N. Reid, Victoria.....	2,500 00	15,036 48

It will be observed that in the case of the last five of the above agents, the amount at the credit of their Trust Accounts is considerably in excess of the amount for which they are bonded. The excess is particularly noticeable in the case of the Vancouver office, on account of a special deposit of $45,000.00 in the month of November; the average balance at that office appears to lie between $15,000.00 and $20,000.00.

I consider that it is inadvisable to allow your agents to have at their disposal amounts so much in excess of their bonds. Would it be possible to bring these figures nearer to an equality, either by increasing the amount of the

bond or by limiting the amount which they are allowed to carry in the Trust Account to the amount of the bond, anything over that amount being remitted to your department for deposit in your Suspense Account. I should like to have your opinion on this point.

I shall also be glad if you will inform me what audit on the part of your department these Trust Accounts are subject to.

I am, Sir, your obedient, servant,

WM. KEARNS, *Asst. A.G.*

The Deputy Minister of Immigration and Colonization.

DEPARTMENT OF IMMIGRATION AND COLONIZATION, December 20, 1924.

DEAR SIR,—In reply to your favour of the 13th instant re bonding of our Agents at the sea ports, who have trust accounts, I may say that the amount they are individually bonded for compares favourably with the amount carried by commercial firms and other Departments, in comparison with the amount of money handled. At each of the ports mentioned not only is the Agent but also the Accountant is bonded. All withdrawals from these Trust accounts are made by official Government cheques which are signed by the Agent and countersigned by the Accountant.

Your suggestion that any amounts held over the amount of the bond should be remitted to our Department is not feasible. Taking Vancouver for instance, the large amount held there is caused by the application of P.C. 1275 of July 10th, 1923, passed under authority of the Chinese Immigration Act, which reads in part as follows:—

> "1. The owner, agent or master of any vessel entering a Canadian port from a port outside of Canada, carrying persons of Chinese origin or descent as members of the ship's list of officers or crew or other employee, shall, before a clearance or permit is granted to such vessel, deposit with the Chief Controller of Chinese Immigration, or the Controller, Immigration Officer in Charge at the port of arrival, or with the Chief Customs Officer where there is no Immigration Official, the sum of one thousand dollars in lawful currency of Canada for each member of the ship's list of passengers or crew or other employee of Chinese origin or descent, or, in lieu of such sum or sums of money, may place with the Chief Controller of Chinese Immigration at Ottawa a bond or bonds in favour of His Majesty for such sum or sums approved by the Chief Controller of Chinese Immigration, which shall be in sufficient amount to cover the penalties provided for in section 20 of the said Act.
>
> 2. Cash deposited as security will be returned to the owner, agent, master of such vessel or other person or persons depositing the same when the parties covered by the said security have been properly checked outward from Canada on board the vessel; provided, however, that where any such persons are not produced before the officer checking the vessel immediately prior to sailing one thousand dollars for each such missing person shall be deducted from the said amount in payment of the fine provided by section 20 of the said Act."

The $1,000 deposited for each Chinese member of the crew referred to in above P.C. has to be refunded to the party making the deposit when the boat leaves, which may be inside of 24 hours.

All amounts collected at outside ports are covered by one of three official Departmental forms, which are used, namely, a general receipt, a bond receipt, or a permit receipt.

The general receipt is used when a person pays in money for safe keeping, refunds, or makes other sundry payments. These receipts are made in triplicate, each set being numbered consecutively, one going to the person making payment, one for the office file dealing with the case and the other remains in the book.

The bond receipts are given to persons making a deposit covering the temporary admission to Canada of aliens. This form is made in triplicate and numbered consecutively and shows the amount of bond taken, the person making the payment, the person whose temporary admission is covered by the payment and the conditions under which they are granted temporary admission. There is also a refund receipt stub attached to the form which is signed by the person concerned, when the bond is refunded upon the conditions having been fulfilled. The original form is forwarded to Ottawa, the duplicate is kept by the person making the deposit and the triplicate remains in the book. When a refund is made the original refund receipt is sent to Ottawa and the triplicate one which remains in the book is signed by the party receiving the money. All these signatures are witnessed by a second party.

The permit receipt forms which are also made in triplicate and numbered consecutively are issued to persons making application for a permit to enter Canada under Sec. 4 of the Immigration Act. The original is sent to Ottawa with a trust account cheque attached and the permit is not issued until this remittance is received here. The duplicate is given to the person making the payment and triplicate stays in the book.

With the use of the above forms all items collected at the ports are covered by a receipt issued in triplicate the Department retaining two of them, one being held at Ottawa and the other remaining in the book at the port. The receipt forms sent to Ottawa are entered in books especially kept for that purpose. A monthly statement is received from each port showing the receipts and disbursements and also the details of the balance on hand in the trust account. A statement of the bank account in each case is also received each month direct from the bank.

Each sea port is visited by the Travelling Auditor of the Department twice a year and the smaller ports once a year, when he makes a complete audit of cash books, ledgers, receipt books, etc., and also goes through the files and office records to see that no transactions have taken place which were not entered in one of the receipt books and the cash book; he also takes particular care that the statements sent to Ottawa and the records at the port agree as to dates, etc.

The above system has been in vogue for several years and has been found to work out very satisfactorily. With the above explanation given you will, I think, agree with me that the amounts for which our officials at the ports are bonded are sufficient for the protection of the Department.

Yours truly,

W. J. EGAN, *D.M.*

The Assistant Auditor General.

Opinion of Department of Justice as to Power of the Governor in Council to remit Penalties imposed under the Immigration Act

AUDITOR GENERAL'S OFFICE, August 26, 1924.

SIR,—Section 92 of the Consolidated Revenue and Audit Act enacts that "The Governor in Council.....may remit.....any forfeiture or pecuniary penalty imposed or authorized to be imposed by any Act or Ordinance for any contravention of the laws relating to the collection of the revenue, or to the management of any public work producing toll or revenue, etc."

Section 48, sub-section 3 of the Immigration Act enacts that when an immigrant afflicted with idiocy, insanity or any loathsome disease, etc., has been brought to Canada by a transportation company, and it appears to the satisfaction of the agent or inspector in charge at the port that the existence of such disease or disability might have been detected by means of a competent medical examination at the time of the embarkation, the transportation company shall pay to the immigration agent or officer in charge, the sum of two hundred dollars.

On July 15th, 1924, an Order-in-Council (P.C. 74/1229) was passed authorizing the refund to the White Star Dominion Line of a fine of $200.00 imposed, under the authority of the section referred to above, by the immigration agent at Quebec; a copy of this Order-in-Council is enclosed. This refund, I have been informed, by the Department of Immigration and Colonization, is made under the authority of section 92 of the Consolidated Revenue and Audit Act.

I should like to have your opinion as to whether the penalty imposed in this case or like penalties imposed under the Immigration Act can be considered as being included in the class of penalties which Section 92 of the Consolidated Revenue and Audit Act gives the Governor in Council power to remit.

I am, Sir, your obedient servant,

GEORGES GONTHIER, A.G.

The Deputy Minister of Justice.

DEPARTMENT OF JUSTICE, October 25, 1924.

SIR,—Referring to your letter of the 20th August last in reference to the question whether the penalty imposed upon the White Star Dominion Line, under the provisions of Sec. 48, ss. 3, of the Immigration Act, in respect of the case of John H. Richards, or like penalties imposed under the said Act, can be considered as being within the class of penalties which the Governor in Council is given power to remit under sec. 92 of the Consolidated Revenue and Audit Act, I may say, in reply, that I am disposed to think that the power vested in the Governor in Council by that section does not extend to the remission of penalties of the character above mentioned, but I may add, for your information, that the Governor in Council would seem to have authority to remit penalties of this nature under the provisions of section 1084 of the Criminal Code.

I have the honour to be, Sir, your obedient servant,

W. STUART EDWARDS, Asst. D.M.

The Auditor General.

Crédit 53, Dépenses contingentes (Page H—10): Achat d'ameublement pour l'hôpital de l'Immigration à Halifax

BUREAU DE L'AUDITEUR GÉNÉRAL, 26 mai 1924.

MONSIEUR, — La pièce justificative n° 8 présentée à l'appui des dépenses faites au cours du mois de mars dernier, par M. W. L. Barnstead, agent d'Immigration à Halifax, représente un paiement de $64 à la *Nova Scotia Furnishing Company, Limited,* pour les meubles suivants:

1 mobilier de salon, 3 morceaux	$	50 00
1 berceuse		14 00

L'état indique que l'on a acheté ces meubles pour J. Ward, infirmier senior d'hôpital à Halifax. Si on les a achetés pour l'usage personnel de M. Ward, veuillez me dire qui a autorisé cet achat; si on les a achetés pour l'hôpital, comment se fait-il qu'on ne les a pas obtenus par l'entremise du ministère des Travaux publics, qui doit voir à l'entretien des édifices de l'Immigration. On trouvera dans les crédits affectés aux Travaux publics pour " loyers, réparations, ameublements, etc., des édifices ", une somme de $25,000 pour les édifices fédéraux de l'Immigration.

MONSIEUR, — En réponse à votre lettre du 26 mai au sujet d'un mobilier de salon et d'une berceuse achetés au coût de $64 par M. Barnstead, notre agent à Halifax, je vous ferai remarquer que ces meubles étaient destinés au local occupé par M. et Mme Ward dans notre édifice à Halifax. M. Ward est notre infirmier senior d'hôpital et Mme Ward est notre gouvernante à ce port, et, d'après la reclassification du Service Civil ils ont droit au logement.

Comme le ministère des Travaux publics ne fournit pas de meubles de ce genre, il faut que ce département les achète.

MONSIEUR,—J'ai l'honneur d'accuser réception de votre lettre du 6 courant concernant le chèque n° 4150 émis le 31 mars dernier par notre bureau de Londres au montant de £1,300 et payable à Beardmore & Webb, Ltd.

Ce chèque fut émis pour solder l'achat de l'emplacement d'un entrepôt pour les produits d'exposition à l'endroit appelé Manor Park Richmond, Londres. Le prix d'achat fut de £1,250, les honoraires de l'avocat, les timbres, etc., £43,19.4, laissant un reliquat de £6.0.8 qui fut versé au crédit du receveur général par notre bureau de Londres, le 24 juillet dernier.

Voici en résumé les événements qui provoquèrent l'achat de l'emplacement d'un entrepôt pour les produits d'exposition:—

1. Pendant plusieurs années nous avons loué un bâtiment à Liverpool dans le voisinage de notre succursale, mais les dommages causés aux produits par le débordement des tuyaux d'égout et par les souris et les rats nous obligèrent d'abandonner ce local.

2. Il y a environ cinq ans nous louâmes à Liverpool un étage d'un bâtiment moderne construit à l'épreuve du feu à un prix annuel, y compris les impôts et taxes, de £1,130. Nous considérâmes la dépense exces-

sive et nous décidâmes de chercher un immeuble ou un emplacement à un endroit plus accessible à la surveillance de notre bureau de Londres plutôt que de l'avoir à proximité d'une succursale comme celle de Liverpool.

3. Le surintendant de notre bureau de Londres fut le premier à nous soumettre une proposition concrète, un emplacement à Uxbridge, en dehors des limites de Londres, où nous aurions pu construire un bâtiment convenant à nos besoins. M. Tolmie, le commissaire des expositions, qui avait passé au delà d'une année à Londres, recommanda l'emplacement d'Uxbridge, vu qu'il était impossible de louer un local convenable.

4. Avant qu'aucune décision finale ne fut prise quant à l'emplacement d'Uxbridge, notre bureau de Londres nous informa qu'il avait trouvé un emplacement plus convenable, sept milles plus rapproché, que l'on pourrait obtenir au prix de £1,300. On prit une option de trois jours sur cet emplacement et comme on le trouvait de beaucoup supérieur à celui d'Uxbridge, le ministère autorisa l'achat par câblogramme. Nous n'eûmes pas le temps d'obtenir l'autorisation du Conseil.

5. Nous n'avons pas encore commencé la construction d'un entrepôt sur l'emplacement vu que les soumissions demandées indiquent que le bâtiment requis ne saurait être construit pour ce que nous considérons un prix raisonnable. M. Tolmie nous conseille de retarder la construction une autre année. Nous estimons que l'érection d'un entrepôt près de Londres non seulement permettra à notre bureau chef de surveiller directement les travaux mais réduira encore nos dépenses annuelles de £1,130 à environ £700. Dans le calcul précité nous tenons compte de l'intérêt sur le placement de la dépréciation, de l'entretien, des impôts, des taxes.

6. Je le regrette, mais nous n'avons pas de description complète de la propriété. Nous savons que ses dimensions sont de 75′ x 254′ et qu'elle est à proximité de deux lignes de chemins de fer; cela est absolument nécessaire, car une foule de nos produits doivent nous arriver par chemins de fer.

Je pourrais ajouter que le ministère a treize bureaux dans les Iles Britanniques (en dehors de Londres). Chacun de ces bureaux possède une montre où sont étalés plusieurs produits canadiens. De plus, nous faisons usage de deux grands camions-exposition qui portent des produits, et ces produits doivent être renouvelés comme dans le cas des montres. Nous mettons nos produits en exposition dans au delà de deux cents expositions agricoles de comté. Il nous faut un entrepôt pour l'emmagasinage et la préparation des produits ainsi que pour la réparation de nos voitures-exposition. Ces considérations démontrent la nécessité d'un local comme celui que nous cherchons à nous procurer.

Agréez mes salutations empressées.

Crédit 53, Immigration, dépenses contingentes (Page H—36): Frais de voyage par automobile, agence d'Aberdeen

BUREAU DE L'AUDITEUR GÉNÉRAL, le 28 mars 1924.

MONSIEUR,—Permettez-moi d'appeler votre attention sur les frais de voyage par automobile portés par M. D. E. Lothian, agent d'immigration à Aberdeen, à ses comptes de dépenses pour les mois de septembre, octobre, novembre et décembre derniers.

Le 19 septembre, M. Lothian partit d'Aberdeen en automobile pour aller faire une tournée de conférences; après avoir visité plusieurs endroits de l'île

principale, il passa à l'île Lewis, où il donna des conférences dans plusieurs villes; il revint à Aberdeen le 6 octobre. Le 5 novembre, il partit pour Dundee et autres endroits de la côte orientale de l'Ecosse; il revint à Aberdeen le 16 novembre. Entre le 30 novembre et le 19 décembre, il fit plusieurs voyages dans le voisinage d'Aberdeen, revenant le même jour.

Il fit tous ces voyages en automobile, évidemment utilisant sa propre automobile, car les paiements portés à son compte de dépenses paraissent avoir été faits à lui-même. Le nombre de milles parcourus en automobile fut de 755 dans le premier voyage, de 270 dans le second et de 494 dans les divers voyages accomplis au mois de décembre, faisant un total de 1,519 milles; son compte est de 1s. 6d. le mille, soit un total de £113-18s.-6d.

Ce prix me parait excessif; il représente environ 36½c. le mille. Le ministère de l'Intérieur et la Commission de l'établissement des soldats sur les terres ont tous deux fait une enquête minutieuse sur le coût du service des automobiles de l'Etat en ce pays; ils en sont venus virtuellement à la même conclusion, savoir: 8 cents le mille. Le taux que ces ministères accordent pour l'usage des automobiles privées est de 11 cents et 10 cents respectivement. Je ne saurais comprendre que l'on trouve raisonnable en Ecosse un taux trois fois et demie plus élevé que le taux canadien.

M. Murray, adjoint de M. Lothian, fit plusieurs tournées de conférences dans le voisinage d'Aberdeen vers la même époque. Les automobiles dont il fit usage furent louées de garages exploités en vue d'un bénéfice; le taux était de 9d. le mille, exactement la moitié du taux exigé par M. Lothian; de plus, le prix était basé sur le nombre de milles parcourus sans rien ajouter pour le temps que duraient les conférences. Si le taux régulier des garages de cette localité est de 9d. le mille, il me semble qu'un taux considérablement moindre, disons 6d., serait raisonnable pour une automobile privée, dont on ne devrait pas faire usage en vue de faire un profit.

Permettez-moi de vous demander si l'automobile était le mode le plus économique d'effectuer les voyages faits par M. Lothian. On ne devrait permettre l'emploi d'automobiles que quand c'est le seul moyen de voyager ou le moyen le plus économique.

Vous m'obligeriez en m'expliquant comment votre ministère a pu approuver le paiement du compte de M. Lothian apparemment excessif du chef de dépenses pour automobile.

J'ai l'honneur d'être, monsieur, votre obéissant serviteur,

GEO. GONTHIER, A.G.

Le sous-ministre de l'Immigration et de la Colonisation.

MINISTÈRE DE L'IMMIGRATION ET DE LA COLONISATION, le 23 avril 1924.

MONSIEUR,—En réponse à votre lettre du 28 écoulé concernant les frais de voyage par automobile portés au compte de M. D. E. Lothian, notre agent à Aberdeen, je dois dire qu'il est malheureux que le compte de 1s 6 d. le mille de M. Lothian ait été approuvé par nos bureaux de comptabilité de Londres et d'Ottawa sans la moindre contestation. Plus tard, toutefois, au mois de septembre 1923, ce taux fut porté à notre attention, et le 31 décembre 1923, M. Obed Smith, notre surintendant d'immigration à Londres, fut chargé de réduire immédiatement à 1s. le mille le taux autorisé; vous constaterez que ce nouveau taux a prévalu depuis le mois de décembre dernier.

Toutefois, vu l'opinion que vous exprimez dans votre lettre du 26 écoulé à l'effet que le taux par mille vous semble excessif et je suis entièrement de votre avis, j'écris aujourd'hui même à notre bureau de Londres lui demandant de

chercher à obtenir de M. Lothian un remboursement de 6d. le mille pour tous les comptes présentés avant le mois de janvier 1924.

Bien que, entre temps, j'ai fixé le prix à un shilling le mille pour nos agents des Iles-Britanniques, je demande à notre directeur de l'immigration européenne, M. W. R. Little, d'étudier cette question davantage en vue d'opérer une réduction, si possible, et afin qu'il connaisse à fond votre opinion en la matière je lui envoie une copie de votre lettre du 28 mars dernier. Un shilling peut vous paraître un chiffre trop élevé, mais j'ai pris l'avis de M. F. C. Blair, le sous-ministre adjoint suppléant de notre ministère, qui discuta cette question pendant son séjour en Angleterre l'été dernier; en raison du prix de l'essence, du prix très élevé des permis de circuler, £1 par c.v., ajouté au fait que le ministère ne contribue pas à l'entretien des automobiles, un shilling le mille ne paraît pas trop élevé.

J'espère que les explications précitées vous donneront satisfaction; je puis vous assurer que si après enquête, on constate qu'une réduction est possible, je ne tarderai pas à donner les instructions voulues.

Acceptez l'hommage de ma haute considération,

W. J. EGAN, S.-M.

L'Auditeur général.

Crédit 53, Dépenses contingentes de l'immigration (Page H—40) : Surpaiement à l'agent A. N. O'Kelly pour frais de déménagement

BUREAU DE L'AUDITEUR GÉNÉRAL, 7 octobre 1924.

MONSIEUR,—Un arrêté en Conseil (C.P. 65/1229) a été adopté le 15 juillet dernier, autorisant le paiement de £132-7-10 ($644.31) à M. A. N. O'Kelly, agent d'émigration, comme frais de déménagement de Glasgow à Southampton.

Votre bureau de Londres a déjà versé des sommes se chiffrant à $1,044.61 comme frais de déménagement à N. O'Kelly, soit un surpaiement de $400.30. Veuillez avoir la bonté de me faire part des mesures prises, si on en a pris, par votre département pour recouvrer ce surpaiement fait à M. O'Kelly.

Je suis, monsieur, votre obéissant serviteur,

WM. KEARNS, *A.G. adj.*

Le sous-ministre de l'Immigration et de la Colonisation.

MINISTÈRE DE L'IMMIGRATION ET DE LA COLONISATION, 14 octobre 1924.

CHER MONSIEUR,—En réponse à votre lettre du 7 courant au sujet de la somme de $400.30 due au département par M. A. N. O'Kelly, à la suite de déductions faites sur ses frais de déménagement de Glasgow à Southampton, je désire vous faire savoir qu'après l'adoption du C.P. 65/1229 du 15 juillet dernier, le comptable écrivit à M. W. R. Little, notre directeur de l'émigration européenne à Londres, Angleterre, lui demandant de prendre les mesures nécessaires pour se faire rembourser cette somme par M. O'Kelly. M. O'Kelly répondit à cette requête en demandant qu'on lui accorde le montant retranché. Le sous-ministre étudia de nouveau le cas avec soin, et écrivit le 17 septembre dernier à M. Little l'informant que M. O'Kelly serait obligé de rembourser la somme en question. Afin de vous faire part des instructions données à ce sujet, je vous citerai le dernier paragraphe de la lettre du sous-ministre, portant la date du 17 septembre, dont il question plus haut, qui se lit comme suit:—

"Il ne me reste donc pas d'autre alternative, il me faut demander à M. O'Kelly de rembourser les $400.30 dont il est question dans la lettre

du comptable du 25 juillet dernier. Cependant, vu que cette somme est considérable je suis prêt à en accepter le remboursement par versements, si M. O'Kelly le désire, afin de faciliter la chose. Ces versements devront, toutefois, être assez substantiels pour que le remboursement de la somme se fasse d'ici à la fin de l'exercice financier."

Le département n'a pas encore reçu de réponse à cette lettre, mais je ne doute aucunement que l'on suivra les instructions données et que l'on remboursera cette somme d'ici à la fin de l'année.

Espérant que vous serez satisfait de ces explications,

Je suis, bien à vous,

F. C. BLAIR, *S.-M. intérimaire.*

L'Auditeur général adjoint.

MINISTÈRE DE L'IMMIGRATION ET DE LA COLONISATION, 18 octobre 1924.

CHER MONSIEUR,—Pour revenir à votre lettre du 7 courant, au sujet du surpaiement fait à M. Andrew O'Kelly relativement à ses frais de déménagement de Glasgow à Southampton, je vous ferai remarquer que notre bureau de Londres nous apprend que M. O'Kelly s'engage à nous rembourser mensuellement la somme de £13-14-2 pendant les mois d'octobre, novembre, décembre, janvier et février, et de £13-14-3 pour le mois de mars 1925, ce qui complétera le remboursement.

Bien à vous,

BUREAU DE L'AUDITEUR GÉNÉRAL, 6 octobre 1924.

MONSIEUR,—Le chèque n° 663, émis à votre bureau de Londres, Angleterre, au mois de juin 1923, représente un paiement de £218-15-0 fait à M. W. T. Cranfield, *Canadian Official Press Bureau*, "comme subvention pour le mois écoulé du 16 mai au 16 juin 1923, tel que convenu aux trois quarts de £3,500 par année." On a fait neuf autres versements semblables au cours de l'exercice 1923-24.

Veuillez avoir la bonté de me fournir les détails au sujet de l'entente conclue avec M. Cranfield, et de l'autorisation que vous aviez pour conclure cette entente.

Je suis, monsieur, votre obéissant serviteur,

WM. KEARNS, *A.G. adj.*

Le sous-ministre de l'Immigration et de la Colonisation.

MINISTÈRE DE L'IMMIGRATION ET DE LA COLONISATION, 15 octobre 1924.

CHER MONSIEUR,—J'accuse réception de votre lettre du 6 courant, me demandant de vous fournir les détails concernant les paiements faits par le bureau de Londres de ce département à M. W. T. Cranfield, *Canadian Press Bureau,* au cours de l'exercice 1923-24.

A titre de renseignements vous trouverez sous ce pli une copie de l'entente conclue par les diverses parties intéressées à ce projet de publicité, que le département a approuvé et qu'il considère comme de la publicité et des annonces achetées de M. Cranfield, sous le nom commercial de *Canadian Official Press Bureau.*

J'ajouterai que ce bureau fournit au département un rapport mensuel sur ses activités et les découpures de la publicité faite sur le Canada la circulation totale des articles publiés varie de trente-sept à trente-huit millions par mois. Nous pourrions vous fournir des copies de ces rapports mensuels, mais je ne crois pas que vous demandiez des copies des découpures car cela comporterait un travail énorme. Cependant vous serez toujours libre d'examiner ces découpures, car on les garde au bureau de notre directeur de publicité, M. R. J. C. Stead.

BUREAU DE L'AUDITEUR GÉNÉRAL, 16 octobre 1924.

MONSIEUR, — Le chèque n° 6720, 1923-24, du département de l'Immigration, est une avance de $200 faite à M. Bingham, conférencier sur l'Immigration. Le chèque n° 1338, émis à Londres, Ang., le 20 août 1923, représente un autre paiement fait à M. Bingham au montant de £46-4s-8d ($225) comme " solde de frais de transport ". Le bureau de Londres a également payé la somme de £11-1s-1d à M. Bingham en règlement de comptes présentés pour frais de voyage pendant son séjour en Angleterre.

Je n'ai pas d'état de compte au sujet des $425 payés à M. Bingham à Ottawa et à Londres pour frais de voyages. Veuillez me faire savoir si M. Bingham a produit un état des dépenses faites en vertu de ces avances, et dans la négative, quelles mesures ont été prises pour obtenir cet état de compte.

Je suis, monsieur, votre obéissant serviteur,

WM. KEARNS, *A.G. adj.*

Le sous-ministre de l'Immigration et de la Colonisation.

MINISTÈRE DE L'IMMIGRATION ET DE LA COLONISATION, 31 octobre 1924.

CHER MONSIEUR, — J'accuse réception de votre lettre du 16 courant dans laquelle vous soulevez certaines questions concernant le chèque n° 6720, 1923-24, du département de l'Immigration, émis en faveur de H. B. Bingham.

Nous avons retardé à répondre à votre lettre à cause de l'absence d'Ottawa de l'honorable M. Stewart et de son secrétaire particulier. M. Stewart, qui était alors ministre intérimaire de ce département, a pris certaines mesures relatives au cas de M. Bingham. Dès que l'honorable M. Stewart sera de retour à Ottawa, nous essayerons de régler cette question.

Crédit n° 53, Dépenses contingentes de l'Immigration (Page H—43): Avance au Prof. A. Lange pour frais de conférences

BUREAU DE L'AUDITEUR GÉNÉRAL, 16 octobre 1924.

MONSIEUR, — Le chèque n° 6412 de 1923-24 est une avance de $500 faite au professeur A. Lange, conférencier continental. Le professeur Lange a également touché ses frais de transport de Montréal en Europe et un salaire de $150 par mois.

Je n'ai reçu aucun état de compte des dépenses faites par le professeur Lange en vertu de cette avance. Veuillez me faire savoir si votre département a reçu un tel état, et dans la négative, quelles mesures ont été prises pour obtenir un état détaillé des dépenses du professeur Lange.

Je suis, monsieur, votre obéissant serviteur,

WM. KEARNS, *A.G. adj.*

Le sous-ministre de l'Immigration et de la Colonisation.

MINISTÈRE DE L'IMMIGRATION ET DE LA COLONISATION, 22 octobre 1924.

CHER MONSIEUR, — J'accuse réception de votre lettre du 16 courant concernant l'avance de $500 faite pour frais de voyage au professeur Lange, conférencier continental. M. F. L. Price de votre bureau est passé chez notre comptable à ce sujet. Il a examiné les dossiers relatifs à la nomination de M. Lange, et je croyais que nous lui avions démontré d'une façon satisfaisante que le département avait tout fait pour obtenir un état de compte de ces dépenses.

Le professeur Lange a d'abord été nommé conférencier continental au mois de mai 1923 pour une période de 90 jours. A son retour au Canada il laissa un état de ses dépenses au bureau du ministre, qui fut remis au comptable en temps et lieu. Nos archives démontrent que le 4 septembre 1923, le comptable écrivit au professeur Lange à Waterloo, Ontario, lui retournant l'état de compte qui n'était pas bien préparé et lui demandant un état détaillé conformément aux règlements du gouvernement. On nous retourna cette lettre non ouverte. Il appert qu'après un bref séjour au Canada le professeur Lange retourna en Europe et continua ses conférences pendant une période de six mois à partir du 10 septembre 1923. Depuis cette date nous avons reçu plusieurs rapports du professeur Lange, démontrant qu'il fait de l'excellent travail, mais toutes les requêtes que nous lui avons adressées au sujet de ces $500 sont restées sans réponse. Nous n'avons aucunement négligé cette question et dès que nous recevrons l'état de compte demandé, nous vous le transmettrons.

Bien à vous,

F. C. BLAIR, *S.-M. intérimaire.*

Crédit n° 53, Immigration, dépenses contingentes (Page H—46): Avances faites à l'hon. Mme Smith pour couvrir les frais d'une tournée de conférences

BUREAU DE L'AUDITEUR GÉNÉRAL, le 22 octobre 1924.

MONSIEUR,—Un arrêté en Conseil du 25 octobre 1923 (C.P. 2173 1/2) expose que le ministère de l'Immigration et de la Colonisation a conclu un arrangement avec l'honorable Mme Ellen Smith aux termes duquel elle devait donner en Grande-Bretagne une série de conférences sur le Canada, devant oc-

cuper une période de deux ou trois mois. Ce décret autorise de lui verser pour ses frais de subsistance la somme de $10 par jour, outre ses frais de déplacement et autres dépenses, pendant son séjour dans les Iles-Britanniques, à compter du 3 août au 5 octobre inclusivement. On versa à Mme Smith les sommes suivantes au compte de ses dépenses:

Le 24 juillet 1923, Ottawa, chèque n° 6909		$	200 00
Le 20 août 1923, Londres, chèque n° 1340	£50		243 33
Le 29 septembre, Londres, chèque n° 1917	£35		170 33
Le 21 novembre, Ottawa, chèque n° 11055			735 33
Montant des avances		$	1,348 99

Je n'ai encore reçu de votre ministère aucun exposé des dépenses de Mme Smith. Aux termes de l'arrêté ministériel, Mme Smith a droit à $640 à titre de frais de subsistance pour les 64 jours compris dans la période allant du 3 août au 5 octobre; il reste donc une somme de $708.99 dont elle n'a pas rendu compte. Veuillez me dire si elle a donné des explications au sujet de cette somme.

Permettez-moi d'ajouter que Mme Smith a touché $503.22, par l'entremise de votre bureau de Londres, à titre de traitement, du 16 juillet au 30 septembre, à $200.00 par mois.

J'ai l'honneur d'être, monsieur, votre obéissant serviteur,

WM. KEARNS, *A.G. adj.*

MINISTÈRE DE L'IMMIGRATION ET DE LA COLONISATION, 25 octobre 1924.

MONSIEUR,—J'accuse réception de votre lettre du 22 courant concernant les dépenses faites par l'honorable Mme Ellen Smith lors d'un voyage en Grande-Bretagne.

Je dois vous dire que nous avons déjà commencé des démarches qui, j'espère, nous permettront de régler cette question dans une semaine ou une dizaine de jours.

Agréez mes salutations empressées,

Crédit n° 53, Immigration, dépenses contingentes: Paiement de l'impôt sur le revenu des fonctionnaires employés en Grande-Bretagne

BUREAU DE L'AUDITEUR GÉNÉRAL, le 19 décembre 1923.

MONSIEUR,—En examinant le compte des dépenses faites par votre ministère en Grande-Bretagne au cours de l'année financière 1922-23, je constate que des entrées sont faites par les diverses agences pour le paiement de l'impôt sur le revenu des membres du personnel; depuis plusieurs années les comptes portent un article semblable.

Tant que les fonctionnaires du gouvernement canadien employés au Canada n'étaient pas requis de payer l'impôt sur le revenu, on pouvait invoquer cette raison pour payer l'impôt sur le revenu des fonctionnaires canadiens employés en Grande-Bretange. Toutefois, les fonctionnaires du gouvernement canadien employés au Canada, vous le savez, sont maintenant tenus de payer l'impôt sur

le revenu à la municipalité et au gouvernement, et je ne vois aucune raison valide qui exempterait du paiement de l'impôt sur le revenu les fonctionnaires employés en Grande-Bretagne, alors que les fonctionnaires employés au Canada sont personnellement tenus de le payer.

Je désirerais connaître votre opinion sur ce sujet.

J'ai l'honneur d'être, monsieur, votre obéissant serviteur,

WM. KEARNS, *A.G. adj.*

Le sous-ministre de l'Immigration et de la Colonisation.

MINISTÈRE DE L'IMMIGRATION ET DE LA COLONISATION, 31 décembre 1923.

MONSIEUR,—J'ai reçu votre lettre du 19 courant concernant le paiement de l'impôt sur le revenu des membres du personnel de l'immigration en Grande-Bretagne.

Je reconnais la valeur de votre point de vue, mais je vous demanderais de tenir compte de la situation faite à l'employé posté outre-mer à titre de représentant officiel du ministère de l'Immigration et de la Colonisation. Naturellement, en vertu du précédent établi le fonctionnaire s'attend que le gouvernement paiera l'impôt sur son revenu; ce serait très pénible pour lui que de l'obliger de le payer lui-même, car je sais par expérience, même avec un salaire supérieur à celui de tous les autres fonctionnaires de ce ministère, qu'il est difficile de boucler son budget quand il faut jouer un rôle plus important que tout autre employé placé dans des conditions semblables et recevant un salaire analogue au Canada. En d'autres termes, dans les conditions présentes en ce pays, il est possible de se tirer d'affaire avec le revenu actuel, mais un représentant du Canada outre-mer qui doit jouer un certain rôle ne saurait le faire. Je suggérerais donc bien respectueusement que le paiement de l'impôt sur le revenu des fonctionnaires de toutes les divisions du service postées outre-mer soit considéré comme faisant partie de sa rémunération.

Agréez l'hommage de mes sentiments respectueux,

W. J. EGAN, *S.-M.*

L'Auditeur général adjoint.

BUREAU DE L'AUDITEUR GÉNÉRAL, le 2 avril 1924.

MONSIEUR,—J'ai l'honneur d'accuser réception de votre lettre du 31 décembre 1923, en réponse à la mienne du 19 décembre, concernant le paiement de l'impôt sur le revenu des employés des diverses branches de votre ministère postés dans les Iles-Britanniques.

Bien que ces paiements aient été faits pendant quelques années sans contestation de la part de notre bureau, je suis toutefois d'avis qu'ils n'ont jamais été sanctionnés par l'autorité compétente; si la coutume doit être continuée à l'avenir il faudra obtenir l'autorisation voulue.

A la fin de votre lettre vous suggérez que "le paiement de l'impôt sur le revenu des fonctionnaires de toute division du service employé outre-mer soit considéré comme faisant partie de sa rémunération". Si l'on juge devoir considérer le paiement de l'impôt sur le revenu comme faisant partie du salaire, on pourrait demander à la Commission du Service civil de modifier la classification, en tant qu'elle concerne les fonctionnaires employés outre-mer, en ajoutant à l'article touchant le traitement des mots comme ceux-ci, par exemple: "Le paiement de la taxe imposée sur le traitement reçu du gouvernement canadien peut

être ajouté aux taux précités." Il y a une autre alternative: le crédit couvrant les dépenses imprévues de votre ministère pourrait contenir une clause autorisant le paiement de l'impôt sur le revenu officiel de vos fonctionnaires employés outre-mer.

J'ai l'honneur d'être, monsieur, votre obéissant serviteur,

GEORGES GONTHIER, *A.G.*

Le sous-ministre de l'Immigration et de la Colonisation.

MINISTÈRE DE L'IMMIGRATION ET DE LA COLONISATION, 23 avril 1924.

CHER MONSIEUR GONTHIER,—J'ai reçu en son temps votre lettre du 2 avril. Je crois que la fin de ma lettre du 31 décembre vous a induit en erreur, car elle ne vous a pas bien fait comprendre l'argument que je voulais avancer.

En disant que " le paiement de l'impôt sur le revenu des fonctionnaires de toute division du service employés outre-mer devrait être considéré comme faisant partie de leur rémunération ", je n'avais en vue que le Canadien désigné au Canada pour occuper une position outre-mer et non pas les fonctionnaires que nous pouvons employer dans leur pays respectif pour les travaux d'écriture ou autres dans nos bureaux.

Personnellement, je ne vois aucune raison pour que nous payions aucune partie de l'impôt sur le revenu des nationaux d'un pays quelconque employés dans nos bureaux situés dans leur pays respectif, puisque, règle générale, ils reçoivent un peu plus qu'ils pourraient obtenir à tout autre emploi de l'endroit. Mais dans le cas d'un employé canadien désigné à occuper un poste outre-mer, je sais, par expérience, que l'obliger à payer l'impôt sur son revenu, c'est le mettre dans une situation difficile, car s'il veut faire honneur au rang qu'il occupe en sa qualité de représentant du Canada, il n'a pas trop de son salaire et de ses frais de subsistance, et cela sans faire d'extravagances.

Agréez mes salutations empressées,

W. J. EGAN, *S.-M.*

MINISTÈRE DE L'IMMIGRATION ET DE LA COLONISATION,

Le 22 septembre 1924.

MONSIEUR, — Référant à votre lettre du 2 avril dernier concernant le paiement par le gouvernement canadien de l'impôt sur le revenu levé sur le traitement de certains fonctionnaires canadiens employés dans les Iles-Britanniques, je dois dire que le paiement de cet impôt a été discontinué.

Agréez l'hommage de mes sentiments distingués,

F. C. BLAIR, *S.-M.*

Crédit n° 352, Exposition de l'Empire britannique (Page H—51): Paiements faits à John Bull, paysagiste, pour la décoration du pavillon canadien à Wembley

BUREAU DE L'AUDITEUR GÉNÉRAL, le 5 juin 1924.

MONSIEUR, — La pièce justificative n° 456, datée à Londres le 17 avril 1924, est un reçu de John Bull, paysagiste, pour la somme de deux mille cinq cent livres (£2,500) payées par la Commission d'exposition nommée par le gouvernement canadien, pour du travail exécuté au pavillon canadien, à Wembley Park.

Je désirerais avoir des renseignements complets sur la nature et la quantité du travail accompli. Si vous avez conclu une entente ou un contrat avec John Bull, veuillez m'en envoyer une copie.

Les divers reçus attachés à la pièce justificative démontrent que la somme de £2,500 ne fut pas toute payée le 17 avril, mais que des versements furent effectués de temps à autre.

Le 4 décembre 1923	£	300
Le 17 " "		500
Le 16 janvier 1924		500
Le 7 février "		500
Le 7 mars "		500
Le 17 avril "		200

Ces comptes ne sont pas indiqués dans les rapports mensuels de M. Tolmie. La somme globale de £2,500 figure à l'état supplémentaire des dépenses présenté au mois d'avril dernier. Comme M. Tolmie donne chaque mois un état d'espèces en caisse et en banque, je ne puis comprendre comment il a pu faire de tels rapports quand il appert qu'il a fait des versements aux mois de décembre, janvier, février et mars qui ne figurent pas aux états des déboursés pour chacun de ces mois.

J'ai l'honneur d'être, monsieur, votre obéissant serviteur,

Le sous-ministre de l'Immigration et de la Colonisation.

MINISTÈRE DE L'IMMIGRATION, le 17 novembre 1924.

MONSIEUR, — En réponse à votre honorée du 6 courant concernant les versements effectués à John Bull, paysagiste à l'Exposition de l'empire britannique, pour la somme de £2,500, lesquels versements ne figurent pas dans les rapports mensuels, j'ai l'honneur de dire que le commissaire canadien de l'exposition, à Londres, comme explication, déclare qu'il a traité comme espèces en caisse les avances faites à M. John Bull aux termes du contrat qu'on lui avait adjugé, et qu'il considérait comme tout à fait régulier de les porter au rapport du mois où on avait effectué le paiement final. Vous constaterez que le règlement final eut lieu le 27 juin 1924, la somme totale étant de £5,350. Vous trouverez ci-incluse une copie du contrat passé avec M. Bull.

Je vous adresse sous pli séparé tous les chèques-reçus que j'ai en main concernant la lettre de crédit relative à l'exposition de l'empire britannique; dès que Londres m'en aura envoyé la balance je vous les adresserai.

Votre humble serviteur,

F. C. BLAIR, *S.-M. suppléant.*

L'Auditeur général adjoint.

BUREAU DE L'AUDITEUR GÉNÉRAL, le 24 novembre 1924.

MONSIEUR,—Je désire attirer de nouveau votre attention à ma lettre du 5 juin 1924, relativement aux paiements faits par la Commission des expositions du gouvernement canadien à John Bull, artiste paysagiste, pour du travail exécuté au pavillon canadien, au parc Wembley.

Dans cette lettre, je mentionnais le fait que les paiements faits à différentes dates durant les mois de décembre, janvier, février, mars et avril n'avaient pas été indiqués dans les rapports mensuels des dépenses courantes, mais que le total des paiements ainsi faits, £2,500 avait été inclus dans le rapport supplémentaire des déboursés pour l'année 1923-24, en avril.

Un examen des chèques émis par M. Tolmie, que nous avons reçus récemment, révèle le fait qu'en outre des paiements à John Bull, énumérés dans ma lettre du 5 juin, on avait antérieurement émis en sa faveur les chèques suivants:

Chèque n° 16, 8 août	1923, pour peinture de paysages.....	£ 200-0-0
Chèque n° 69, 13 sept.	1923, pour peinture de paysages.....	200-0-0
Chèque n° 84, 27 sept.	1923, pour peinture de paysages.....	300-0-0
Chèque n° 122, 15 oct.	1923, pour peinture de paysages.....	200-0-0
Chèque n° 162, 8 nov.	1923, pour peinture de paysages.....	330-0-0
Total..		£1,230-0-0

Aucune mention de ces paiements n'avait été faite dans les rapports mensuels des déboursés et chacun de ces chèques, qui furent immédiatement changés par M. Bull, porte la mention à l'encre rouge de la main de M. Avery: " Déposé de nouveau le 9 novembre ". Les deux contrats conclus avec M. Bull, d'après les copies qui nous ont été transmises récemment, portent les dates du 5 octobre 1923 et du 12 janvier 1924 respectivement, de sorte que les trois premiers paiements en acompte ont été faits avant que les contrats n'aient été conclus.

Vu que ces cinq paiements semblent avoir été remboursés, j'aimerais à obtenir de vous une explication de l'émission de ces chèques.

Votre humble serviteur,

WM. KEARNS, *A.G. adj.*

Crédit 352, Exposition de l'Empire britannique (Page H—51): Contrat avec Humphreys, Limited, pour la construction du pavillon canadien à Wembley

BUREAU DE L'AUDITEUR GÉNÉRAL, 13 février 1924.

MONSIEUR,—Je dois attirer votre attention sur les paiements suivants de M. A. W. Tolmie à Humphreys, Limited, relativement au contrat de cette compagnie pour la construction du pavillon canadien à l'exposition de l'empire britannique.

Pièce justificative 113, 6 octobre 1923. £16,369-19s-5d.
Pièce justificative 175, 13 novembre 1923. £25,984-18s-11d.

Ces paiements ont été faits sur certificats signés par M. I. O. Turcotte, un des représentants de votre ministère et M. Leslie E. Williamson, architecte.

Il semble que les certificats pour le paiement sont basés sur les comptes qu'ont soumis les entrepreneurs à la fin de chaque mois, indiquant en détail la somme de travail exécuté et les matériaux livrés sur l'emplacement. On devrait envoyer ces comptes détaillés à ce bureau à l'appui des certificats pour le paiement. Je dois aussi demander copie du contrat signé avec Humphreys, Limited, aussi bien que des devis.

L'alinéa 2 de l'article 36 de la Loi concernant les travaux publics dit que "Chaque fois que pour quelques travaux, il est nécessaire de demander ou s'il est demandé des soumissions, le ministre soumet au Gouverneur en Conseil toutes les soumissions reçues pour ces travaux et l'entreprise est adjugée conformément

à l'ordre du Gouverneur en Conseil". Comme je n'ai rien qui m'indique qu'un arrêté en Conseil ait été passé pour l'adjudication de ce contrat, je dois vous demander si on s'est conformé aux dispositions de l'article cité plus haut dans le cas de ces travaux.

Je suis, monsieur, votre obéissant serviteur,

WM. KEARNS, *A.G. adj.*

Au sous-ministre de l'Immigration et de la Colonisation.

MINISTÈRE DE L'IMMIGRATION ET DE LA COLONISATION, 29 avril 1924.

CHER MONSIEUR,—Je dois vous référer à votre lettre du 13 février dernier touchant le contrat pour la construction du pavillon canadien à l'exposition de l'empire britannique. On n'a pas répondu plus tôt à votre lettre parce que nous avons dû correspondre d'abord avec M. A. W. Tolmie, notre officier en charge de la section canadienne à cette exposition et je ne crois pas pouvoir faire mieux que de citer en partie la réponse de M. Tolmie qui dit:—

"J'ai reçu votre lettre du 27 février concernant le compte de Humphreys, Limited. Une copie en a déjà été envoyée. Quant à l'article de la loi concernant les travaux publics que cite l'Auditeur général, je dois dire que j'en ai jamais entendu parler au cours de ma longue expérience, car ce contrat a été adjugé de la même manière que tous les autres que nous avons dû faire exécuter. Je puis dire, cependant, qu'à la fin de mars dernier, j'ai préparé pour l'honorable M. Stewart un mémoire exposant en détail ce que je me proposais de faire relativement au contrat de l'édifice, et M. Stewart présenta ce mémoire au Conseil des ministres et m'informa qu'on l'avait accepté.

Pour ce qui est des soumissions, je dois dire qu'on n'en a pas demandé dans ce cas, car c'était une entreprise plus ou moins à commission; nous avons eu un estimateur de la *British Surveyors' Association* pour le contrat principal qu'il a estimé à £60,000; MM. Humphreys devaient recevoir 10 p. 100 sur ce montant. Ces messieurs ont fait des travaux additionnels que l'on devait payer d'après la même entente que j'ai expliquée dans ma lettre de la semaine dernière.

Je dois dire que ces travaux ont toujours été exécutés de cette façon à toutes les expositions depuis que je suis ici, et nous avons toujours eu l'entière approbation du gouvernement, et c'est la première fois que le bureau de l'Auditeur soulève des objections.

Il est impossible d'envoyer toutes les pièces justificatives à l'appui de ces états dans le moment, mais tous les documents sont reliés en un volume considérable que l'on expédiera à Ottawa lorsque les travaux seront terminés. Nous allons nous réserver une marge suffisante au cas où il se produirait une erreur quelconque. Je dirai cependant que le tout a été vérifié avec le plus grand soin et je ne crois pas qu'il y ait la moindre possibilité d'un remboursement."

Dans la lettre que nous venons de citer, M. Tolmie parle d'un mémoire qu'il a adressé à l'honorable M. Stewart, alors ministre suppléant de l'Immigration et de la Colonisation, traitant du contrat pour le pavillon canadien; à titre de renseignement, je vais aussi citer une partie du mémoire de M. Tolmie à l'honorable Chas. Stewart. Il écrit:—

"L'érection des édifices presse"

"A mon avis, la partie la plus importante de notre travail actuellement est le contrat pour l'érection du pavillon canadien.

Lorsque je me trouvai à Londres, je supposai que les travaux seraient exécutés comme par le passé. Conséquemment, je me rendis chez Humphreys, Limited, qui ont construit nos édifices aux expositions suivantes: Milan, Italie, 1906; Dublin, Irlande, 1907; Franco-Britannique, Londres, 1911; Gand, Belgique, 1913; San-Francisco, Cal., 1915. A chacune de ces expositions, le pavillon canadien fut toujours complété le premier et toujours prêt pour le jour d'ouverture.

Naturellement, cette compagnie savait ce dont nous avions besoin comme pavillon d'exposition et en travaillant de concert avec ses représentants, j'ai pu publier dans le *London Times*, par l'entremise de M. Larkin, une photographie du pavillon canadien projeté, dix jours après mon arrivée en Angleterre. J'ajouterai ici, que l'Australie travaille depuis six mois à Londres sur des plans et n'a pu encore en arriver à une décision. Je me suis mis à l'œuvre et ai fait préparer tous les plans de détails de notre pavillon que j'ai soumis à l'approbation des architectes officiels de l'exposition qui se sont déclarés très satisfaits de l'exactitude des détails et de la connaissance évidente de ce que doit être un édifice d'exposition.

L'édifice doit être une construction temporaire de coût minime, tout en tenant compte du fait que le Canada doit avoir un édifice conforme aux règles de la vraie architecture.

J'ai fait préparer une formule de contrat avec la Humphreys, Limited, qui stipule que ces messieurs recevront une somme égale à 10 p. 100 du coût estimatif des travaux; si le coût dépasse cette estimation, ils ne recevront aucune somme additionnelle; s'il n'atteint pas le montant fixé, ils ne recevront que 10 p. 100 du coût réel. L'entente est comme suit: Si l'estimation initiale est de £60,000, ils recevront £6,000; si l'édifice coûte davantage, ils ne recevront aucune somme additionnelle; si l'édifice ne coûte que £55,000, ils ne recevront que £5,500. Dans le but d'assurer toute la protection possible, j'ai chargé M. H. R. Adams, Q.S.A., d'étudier nos plans et de soumettre un coût estimatif de construction sur lequel on pourrait baser le pourcentage de MM. Humphreys. Pour ce service, j'acceptai de payer à M. Adams la somme de cinquante guinées. La *Quantity Surveyors Association of Great Britain* l'avait fortement recommandé. Avec ce genre de contrat, nous avons notre propre pointeur et notre comptable qui vérifient chaque semaine tous les salaires des hommes et tous les matériaux qui entrent dans la construction, comme le bois, la quincaillerie, le mortier, etc., qu'il faut acheter par soumissions et toutes les soumissions doivent être acceptées sous notre signature avant que l'entrepreneur puisse aller plus loin.

Je suis persuadé que c'est là la seule façon d'exécuter convenablement ce travail; de fait, j'hésiterais à en accepter la responsabilité si on devait procéder autrement, car je connais si bien les machinations des entrepreneurs aux environs des terrains d'exposition.

Je soumis ce plan à M. Larkin et après lui avoir expliqué la question, il vous dicta une lettre dans laquelle il déclarait que j'avais amené le colonel Dennis et sir August Nanton du Pacifique-Canadien aux terrains de l'exposition et que nous avions consacré toute une journée à étudier les modes de construction en honneur parmi les exposants et leurs entrepreneurs. A notre retour à la ville, le colonel Dennis, sir Augustus Nanton et M. Jones, architecte du Pacifique-Canadien, eurent une assemblée après laquelle le colonel Dennis me dit que mon plan était certainement celui qu'ils adopteraient et que la compagnie qui devait construire notre édifice aurait certainement leur contrat.

Je n'ai qu'une recommandation à faire sous ce rapport et c'est que l'on m'autorise à signer avec MM. Humphreys, Limited, un contrat conforme à ce que j'expose ci-dessus, car je suis absolument convaincu,

d'après ce que cette compagnie nous a donné dans le passé, qu'elle nous donnera entière satisfaction. Dans le passé, l'Auditeur général n'a jamais soulevé la moindre objection aux travaux de construction de pavillons d'exposition que cette compagnie a exécutés pour nous et il a vérifié chacun des item des dépenses de toutes ces expositions.

Dans le passé, on a toujours accordé à feu le colonel William Hutchison, commissaire canadien des expositions, sous qui j'ai servi pendant douze ans, pleine et entière autorité en ce qui concernait les contrats; de fait, on lui laissait l'entière responsabilité de la section canadienne de l'exposition, et je suis persuadé que si on m'accorde la même autorité et la même responsabilité, je me fais fort de faire de la section canadienne une des sensations de l'exposition de l'empire britannique."

Relativement au mémoire cité plus haut, je désire confirmer la déclaration qu'on y fait que ce mémoire a été dûment soumis à la considération du Conseil des ministres par l'honorable M. Stewart qui, au commencement d'avril 1923, écrivit à l'honorable M. P. C. Larkin, Haut-Commissaire du Canada à Londres, lui déclarant que le cabinet avait approuvé la recommandation de M. Tolmie.

Vous trouverez ci-joint, des copies certifiées:—

(1) De l'entente signée entre A. W. Tolmie et Humphreys, Limited.
(2) Des devis du contrat.
(3) Du plan du pavillon.

Vu le fait que ni M. Tolmie ni le ministère n'étaient au courant des dispositions de la Loi concernant les travaux publics, auxquelles réfère votre lettre, on n'a demandé aucune soumission pour la construction de l'édifice dont il s'agit, omission qu'il est maintenant impossible de rectifier, car l'édifice doit être terminé. Les raisons qu'avance M. Tolmie, cependant, pour l'adjudication du contrat à la Humphreys, Limited, vu leur expérience dans l'érection de pavillons d'exposition pour le gouvernement du Canada, me semblent très fortes dans les circonstances, et ceci, ajouté au fait que le Gouverneur en Conseil a eu occasion d'étudier la proposition, devrait vous convaincre que M. Tolmie avait l'autorité suffisante de prendre, au nom du département, une décision, comme il l'a fait, dans cette circonstance exceptionnelle.

Aussitôt que l'on aura reçu toutes les pièces justificatives secondaires se rapportant aux paiements faits à la Humphreys, Limited, pour l'érection du pavillon, comme M. Tolmie a promis de les expédier dans sa lettre déjà citée, nous les transmettrons à votre bureau pour vérification.

Bien à vous,

W. J. EGAN, *S.-M.*

A l'Auditeur général adjoint.

Crédit n° 356, Exposition de l'Empire britannique (Page H—53): Paiement à la banque de Montréal pour perte sur l'achat d'une traite

BUREAU DE L'AUDITEUR GÉNÉRAL, 10 juin 1924.

MONSIEUR,—Vous avez émis le 19 décembre dernier un chèque, n° 15561, au montant de $533.87 en faveur de la banque de Montréal. Dans la lettre du gérant de la banque, produite comme pièce justificative de ce paiement, je trouve que le 17 décembre, on lui a demandé par téléphone de transférer à la succursale de Londres, Angleterre, l'équivalent en argent sterling de la somme de $300,000 au crédit de A. W. Tolmie et L. R. Avery, et que plus tard, le même jour, cet

ordre a été annulé et on a demandé de vendre les effets achetés. Voici les détails de cette transaction:—

Achat de £66,733- 8ch.-0d. à $4.49.55.....		$300,000.00
Vente de 22,244- 9ch.-4d. à $4.49.....	$ 99,877.66	
Vente de 44,488-18ch.-8d. à $4.48⅝.....	$199,588.47	
Produit total des ventes.....		299,466.13
Perte		$ 533.87

Ce montant de $533.87 est la seule somme qui soit réellement entrée dans la transaction, la banque mettant simplement le ministère responsable de la différence entre le montant autorisé pour le transfert et le montant réalisé par la vente de la devise anglaise.

Vu que cette transaction est bien extraordinaire, je dois vous demander des explications à ce sujet.

Je demeure, monsieur,

Votre obéissant serviteur,

WM. KEARNS, *A.G. adj.*

Au sous-ministre de l'Immigration et de la Colonisation.

MINISTÈRE DE L'IMMIGRATION ET DE LA COLONISATION, 16 juin 1924.

CHER MONSIEUR,—J'ai reçu votre lettre du 10 courant au sujet d'un paiement de $533.87 fait à la banque de Montréal par le chèque n° 15561 en date du 19 décembre 1923.

En réponse, je dois vous transmettre l'explication suivante donnée par le comptable. Le 13 décembre, le ministère reçut un câblogramme de M. A. W. Tolmie, commissaire en charge du pavillon canadien de l'exposition de l'empire britannique à Wembley, Angleterre, comme suit:

> "Veuillez câbler le crédit total pour l'exposition britannique pour l'année prochaine."

Le 15 décembre, la réponse à ce câblogramme, réponse ne venant pas du bureau du comptable et rédigée comme suit:

> "Trois cent mille dollars détails par malle hier."

fut placée sur le bureau du comptable sans le premier câblogramme de demande. Il était alors 12.40 p.m., un samedi.

Le comptable était alors très occupé, et croyant que le câblogramme contenait une demande de fonds en faveur de M. Tolmie, il passa ce document à l'un de ses principaux commis pour l'étudier plus attentivement, en ajoutant la note: "Veuillez vous occuper de cette question d'abord lundi matin"; il comprend maintenant que sans cela on aurait évité cette transaction.

Le lundi, 17 décembre, le commis qui avait reçu ordre de s'occuper du télégramme *téléphona* à la banque de Montréal pour savoir le prix courant de la devise sterling afin de préparer le chèque au taux couvrant exactement le montant d'argent sterling qu'il voulait acheter, sans donner le montant requis. La banque demanda quel était le montant requis afin de procéder immédiatement à l'achat sur la bourse de Montréal. On lui dit alors qu'il fallait $300,000.00. Dans l'intervalle, on vérifia le crédit destiné à l'exposition de l'empire britannique, et l'on constata qu'il ne restait pas assez de fonds pour fournir les $300,000.00 demandées. On téléphona aussitôt à la banque, et cela très peu de temps après la première demande, d'annuler la demande de $300,000.00 et de ne fournir

que $200,000.00. Sur la réponse que la banque avait déjà acheté des effets sterling pour le premier montant, on lui donna ordre de revendre une valeur de $100,000.00, ce qu'elle fit avec perte de $122.34, l'argent sterling, au dire de la banque étant tombé de $4.49.55 à $4.49.

Pendant ces conversations téléphoniques, le comptable vint à discuter les questions se raportant au budget du ministère pour 1924-25, alors en cours de préparation, et en parlant du crédit pour l'exposition de l'Empire britannique, on lui mentionna le câblogramme concernant les $300,000.00.

Aussitôt qu'il apprit que le montant mentionné dans ce câblogramme se rapportait au crédit destiné à l'exposition de l'empire britannique et n'était pas une demande de fonds comme il l'avait cru, il se mit en communication avec la banque, et lui donna ordre de vendre le reste des $300,000.00, soit $200,000.00. Cette vente se fit au taux de $\$4.48\frac{5}{8}$, soit une perte de $411.53.

Nous regrettons profondément le fait de cette transaction malheureuse. Inutile d'ajouter que la situation serait beaucoup plus grave, si elle venait à se répéter.

Bien à vous,

W. J. EGAN, *S.-M.*

A l'Auditeur général adjoint.

Crédit n° 352, Exposition de l'Empire britannique: Demande des chèques honorés émis par A. W. Tolmie, au compte de l'exposition de l'empire britannique

BUREAU DE L'AUDITEUR GÉNÉRAL, 5 juin 1924.

MONSIEUR,—Au sujet des frais payés par M. A. W. Tolmie relativement à l'exposition de l'Empire britannique, je voudrais savoir si les chèques couvrant les divers paiements faits par lui sont revenus à votre ministère; dans ce cas je serais heureux de les avoir à ce bureau. Si vous ne les avez pas encore reçus, je vous suggère de les demander à M. Tolmie afin qu'il vous les envoie le plus tôt possible. Je suis d'avis que pour ce compte, comme pour tous les autres de même nature, les chèques forment une partie importante de la preuve du paiement, et doivent être soumis à l'audition avec les pièces justificatives.

Je demeure, monsieur,

Votre obéissant serviteur,

WM. KEARNS, *A.G. adj.*

Au sous-ministre de l'Immigration et de la Colonisation.

REMARQUE.—Les chèques ci-dessus mentionnés ont été reçus durant le mois de novembre 1924.

Soldes considérables au crédit des comptes de fiducie des agents

BUREAU DE L'AUDITEUR GÉNÉRAL, le 13 décembre 1924.

MONSIEUR, — Je désire attirer votre attention sur l'état suivant qui donne le montant de la caution fournie par chacun de vos principaux agents, et les montants au crédit de leurs comptes de fiducie au 30 novembre dernier.

Agent	Caution.	Compte de fiducie. Solde au 30 novembre 1923.
W. L. Barnstead, Halifax.....	$ 2,000 00	$ 1,250 00
J. V. Lantalum, St. John.....	3,000 00	.....
E. J. O'Connell, Québec.....	3,000 00	.....
A. Regimbal, Montréal.....	3,000 00	7,934 48
J. C. Mitchell, Toronto.....	2,000 00	6,383 87
T. Gelley, Winnipeg.....	1,000 00	2,554 30
A. L. Joliffe, Vancouver.....	5,000 00	65.709 94
S. N. Reid, Victoria.....	2,500 00	15,036 48

On remarquera que dans le cas des cinq derniers agents de la liste susmentionnée, le montant au crédit de leur compte de fiducie dépasse considérablement le montant de leur caution. L'excédent se fait surtout remarquer dans le cas du bureau de Vancouver, à cause d'un dépôt spécial de $45,000 fait au mois de novembre; le solde ordinaire de ce bureau varie de $15,000 à $20,000.

Je considère qu'il n'est pas sage de mettre à la disposition de vos agents des sommes dépassant ainsi le chiffre de leur caution. N'y aurait-il pas moyen de ramener ces chiffres au même niveau, soit en augmentant le montant de la caution ou en limitant le montant du compte de fiducie au chiffre de la caution; tout ce qui dépasserait ce montant devrait être remis à votre département et déposé à votre compte provisoire. J'aimerais à connaître votre opinion à ce sujet.

Je serais également très heureux d'apprendre de quelle manière votre département vérifie ces comptes de fiducie.

Je suis, monsieur, votre obéissant serviteur,

WM. KEARNS, *A.G. adj.*

Le sous-ministre de l'Immigration et de la Colonisation.

MINISTÈRE DE L'IMMIGRATION ET DE LA COLONISATION, 20 décembre 1924.

CHER MONSIEUR,—En réponse à votre lettre du 13 courant concernant la caution fournie par nos agents aux ports de mer, qui disposent de comptes de fiducie, je vous ferai remarquer que le montant des cautions individuelles se compare favorablement au montant exigé par des maisons commerciales et d'autres départements, si on considère le montant d'argent en jeu. A chacun des ports mentionnés le comptable tout aussi bien que l'agent doit fournir une caution. Tous les retraits d'argents sur ces comptes de fiducies se font au moyen de chèques officiels du gouvernement, signés par l'agent et contresignés par le comptable.

Votre suggestion à l'effet de faire remettre au département tout montant en sus de la caution n'est pas réalisable. Prenons le port de Vancouver, par exemple: il faut y garder une somme considérable pour appliquer le C.P. 1275 du 10 juillet 1923, adopté sous l'empire de la Loi de l'Immigration chinoise, qui se lit comme suit:

> 1. Le propriétaire, l'agent ou le capitaine de tout vaisseau qui entre dans un port canadien venant d'un port situé hors du Canada, et transportant des personnes d'origine ou de descendance chinoise qui figurent sur la liste des officiers du bord, de l'équipage ou de tous autres employés devra, avant qu'un congé ou permis puisse être accordé à ce vaisseau, déposer au bureau du Contrôleur en chef de l'Immigration chinoise, du Contrôleur ou de l'Agent d'immigration en charge au port d'arrivée, ou de

l'Agent de Douane en chef, là où il n'y a pas d'agent d'immigration, la somme de mille dollars en monnaie légale du Canada pour chaque passager, chaque membre de l'équipage ou chaque employé de toute autre catégorie, d'origine ou de descendance chinoise, ou bien, au lieu de cette somme ou de ces sommes d'argent, il pourra remettre au Contrôleur en chef de l'Immigration chinoise à Ottawa une ou des cautions en faveur de Sa Majesté pour une somme ou des sommes approuvées par le Contrôleur en chef de l'Immigration chinoise et suffisantes pour couvrir les peines prévues par l'article 20 de ladite loi.

2. L'argent déposé comme garantie sera retourné au propriétaire, à l'agent, au capitaine dudit vaisseau ou à toute autre personne ou toutes autres personnes qui l'auront déposé, lorsqu'il aura été dûment constaté que les personnes auxquelles s'applique ladite garantie ont bien quitté le Canada à bord du vaisseau; il est prévu, toutefois, que dans le cas où quelques-unes de ces personnes ne seraient pas produites devant le fonctionnaire chargé de l'inspection du vaisseau immédiatement avant le départ, mille dollars seront retenus sur ladite somme pour chaque personne manquante, en payement de l'amende prévue par l'article 20 de la dite loi.

La somme de $1,000 déposée pour chaque membre de l'équipage de descendance chinoise, dont il est question dans le C.P. susmentionné, devra être remboursée à la personne qui a fait le dépôt, lorsque le bateau quitte le port, ce qui peut se faire en moins de 24 heures.

Toute perception d'argent à ces ports de mer comporte l'émission de l'une des trois formules officielles employées par le département, à savoir, le reçu général, le reçu-caution, ou le reçu-permis.

On donne un reçu général lorsqu'une personne dépose une somme d'argent, fait un remboursement, ou autres paiements divers. On prépare ces reçus en triplicata, chaque série portant un numéro consécutif; on en donne une copie à la personne qui fait le paiement, on en garde une dans les archives du bureau, et l'autre reste dans le livre.

On donne un reçu-caution aux personnes qui font un dépôt pour couvrir l'admission temporaire d'aubains au Canada. On prépare cette formule en triplicata et on la numérote consécutivement. On y inscrit le montant de la caution fournie, le nom de la personne qui fait le paiement, le nom de la personne dont le paiement couvre l'admission temporaire et les conditions auxquelles on accorde cette admission temporaire. On trouve également un reçu de remboursement attaché à la formule, que doit signer la personne intéressée lorsqu'on lui rembourse le montant de la caution sur preuve qu'elle a rempli les conditions. On transmet la première copie à Ottawa, on donne la deuxième à la personne qui fait le dépôt et on garde la troisième dans le livre. Lorsque l'on fait un remboursement, on envoie l'original du reçu de remboursement à Ottawa et on fait signer la troisième copie qui reste dans le livre par la personne recevant l'argent. Toutes les signatures apposées à ces documents le sont en présence d'un témoin.

On remet un reçu-permis, préparé en triplicata et numéroté consécutivement, aux personnes qui demandent un permis d'entrer au Canada en vertu de l'article 4 de la loi de l'immigration. On envoie l'original à Ottawa avec un chèque tiré sur le compte de fiducie, et on n'émet pas le permis avant d'avoir reçu cet argent ici. On donne une copie de ce reçu à la personne qui fait le paiement et on garde la troisième dans le livre.

Toute perception d'argent aux ports comporte l'émission en triplicata de l'une de ces formes de reçu; le département en garde deux copies, l'une à Ottawa et l'autre dans le livre au port. On inscrit les formules de reçu envoyées à Ottawa dans des livres tenus spécialement à cette fin. Chaque port transmet un état

mensuel indiquant les recettes et les dépenses, ainsi que le détail du solde restant au compte de fiducie. La banque transmet également chaque mois au département un état du compte de banque dans chaque cas.

L'inspecteur-vérificateur du département visite chaque port de mer deux fois, et les ports de moindre importance une fois l'an. Il fait une vérification complète des livres de caisse, des grands-livres, des livres de reçus, etc. Il examine également tous les dossiers et les archives des bureaux afin de s'assurer si toutes les transactions ont été inscrites dans l'un des livres de reçus et dans le livre de caisse, et compare les états envoyés à Ottawa et les copies gardées aux ports quant à la date, etc.

Ce système est en vogue depuis plusieurs années et a toujours donné satisfaction. J'espère que les explications susmentionnées vous convaincront que le montant de la caution fournie par nos fonctionnaires à ces ports est suffisant pour protéger le département.

Bien à vous,

W. J. EGAN, *S.-M.*

L'Auditeur général adjoint.

Opinion du ministère de la Justice relativement au pouvoir du Gouverneur en Conseil de remettre les peines imposées aux termes de la loi de l'Immigration

BUREAU DE L'AUDITEUR GÉNÉRAL, le 26 août 1924.

MONSIEUR,—L'article 92 de la Loi du revenu consolidé et de l'audition décrète que "Le Gouverneur en Conseil.....peut remettre..... toute confiscation ou amende imposée ou dont l'imposition est imposée par toute loi ou ordonnance pour toute infraction des lois relatives à la perception du revenu ou à l'administration des travaux publics rapportant des taxes ou revenus, etc."

L'article 48, paragraphe 3 de la Loi de l'immigration stipule que lorsqu'un immigrant affligé d'idiotie, d'insanité ou de toute maladie dégoûtante, etc., a été amené au Canada par une compagnie de transport, et qu'il apparaît, à la satisfaction de l'agent ou de l'inspecteur préposés au port que l'existence de cette infirmité mentale ou physique aurait pu être découverte au moyen d'un examen médical fait par un homme compétent lors de l'embarquement, la compagnie de transport doit payer à l'agent d'immigration ou au préposé, la somme de deux cents dollars.

Le 15 juillet 1924 un arrêté en Conseil a été passé (C.P. 74/1299) autorisant le remboursement à la compagnie *White Star Dominion Line* d'une amende de $200.00 imposée, aux termes et sous l'autorité de l'article auquel nous venons de faire allusion, par l'agent d'immigration à Québec. On trouvera sous ce pli une copie de cet arrêté en Conseil. Ce remboursement, m'a-t-on dit, est fait sous l'autorité de l'article 92 de la Loi du revenu consolidé et de l'audition.

J'aimerais à savoir si, à votre avis, la peine imposée dans ce cas ou les peines semblables imposées aux termes de la Loi de l'immigration peuvent être considérées comme faisant partie de la catégorie des peines que l'article 92 de la Loi du revenu consolidé et de l'audition permet au Gouverneur en Conseil de remettre.

Je suis, monsieur, votre obéissant serviteur,

GEORGES GONTHIER, *A.G.*

Le sous-ministre de la Justice.

MINISTÈRE DE LA JUSTICE, le 25 octobre 1924.

MONSIEUR,—En réponse à votre lettre en date du 20 août dernier à propos de la question de savoir si la peine imposée à la *White Star Dominion Line*, aux termes des dispositions de l'article 48, paragraphe 3, de la Loi de l'immigration, relativement au cas de John H. Richards, ou les peines semblables imposées aux termes de la dite loi, peuvent être considérées comme faisant partie de la catégorie des peines que le Gouverneur en Conseil a le pouvoir de remettre sous l'autorité de l'article 92 de la Loi du revenu consolidé et de l'audition, je puis vous déclarer que je suis porté à croire que le pouvoir conféré au Gouverneur en Conseil par cet article ne s'étend pas à la rémission des peines de la nature de celles mentionnées ci-dessus, mais je puis ajouter, pour votre gouverne, qu'il semblerait que le Gouverneur en Conseil soit autorisé à remettre les peines de cette nature aux termes des stipulations de l'article 1084 du Code criminel.

J'ai l'honneur d'être, monsieur, votre obéissant serviteur,

W. STUART EDWARDS, *S.-M. adj.*

L'Auditeur général.

Disposal of Stock and Equipment, Dunbow (St. Joseph's) Industrial School

(Continuation of correspondence on page I—255, Report for 1922-23)

DEPARTMENT OF INDIAN AFFAIRS, January 3, 1924.

DEAR MR. KEARNS,—I have your letter of the 28th ultimo, relative to the disposal of the assets of the St. Joseph's (Dunbow) Indian Industrial School during the fiscal year 1922-23.

In reply I wish to inform you that in December, 1922, $6,026.79 was deposited in Ottawa—Trust Account No. 449. This amount represented the proceeds from the sale of stock and equipment at the school. The Oblate Fathers and the Grey Nuns, who were jointly interested in the management and conduct of the institution for many years, were the only creditors of the Dunbow Industrial School with whom settlement was not made at the time of the sale. I could not authorize the Department's Inspector to pay the arrears of salary, until such time as a statement relative to the school's account was before me. The Indian Commissioner at Regina forwarded to me, at my request, the proceeds and the report of our Inspector, who made a careful audit of the school's books.

Unpaid salaries in the case of the Grey Nuns amounted to $1,225.18. This amount represents salary for several Sisters, which was in arrears in some cases as from April 1, 1914.

With reference to the arrears of salary for the Oblate Fathers, I wish to inform you that there have been employed at the school for many years three officers belonging to the Order—the Principal and two lay Brothers. An Inspector's report of some years ago shows arrears of salary owing to the Rev. Principal to be $857.29 as on April 1, 1914. When the institution was closed in 1922, our Inspector carefully audited the books and there was found to be due to the Oblate Fathers for salary further arrears amounting to $3,466.90, making a total in the case of the Oblate Fathers of $4,324.19.

I trust that this explanation of cheques Nos. 8399 and 8402, drawn against Trust Account No. 449, referred to in your letter, will be satisfactory. Enclosed you will find our Inspector's report and a covering letter from Mr. Commissioner Graham, both of which should be returned to this Department in due course.

I am pleased to add, for your information, that I have known for some years of the unfortunate financial condition of the Dunbow Industrial School. Once a large, prosperous institution, the pupilage dwindled until the per capita earnings were unable to meet the current expense. For some considerable time the church workers in charge drew only part salary, in an effort to keep the school in a solvent condition.

Yours very truly,
D. C. SCOTT, *D.S.G.*

The Assistant Auditor General.

AUDITOR GENERAL'S OFFICE, February 6, 1924.

SIR,—I beg to acknowledge receipt of your letter of January 3, last, enclosing Mr. Inspector Murison's report on the closing of the Dunbow (St. Joseph's) Industrial School.

I wish to point out that, in my opinion, the procedure followed in closing this school was not, so far as financial matters were concerned, in strict accordance with the provisions of the Consolidated Revenue and Audit Act. Mr. Murison disposed of the effects of the school, either by sale or by distribu-

tion among other Indian schools; out of the proceeds of the sales he paid all outstanding accounts due by the school with the exception of the arrears of salary due to the Principal and to the Grey Nuns. From the statements accompanying Mr. Murison's report it appears that he collected in all $7,554.40 from which he paid out $1,527.61, leaving a balance of $6,026.79 which was turned over to Commissioner Graham, who, in turn, remitted it to your department. Section 35 of the Consolidated Revenue and Audit Act provides that all public moneys, from whatever source of revenue derived, shall be paid to the credit of the account of the Minister of Finance and Receiver General; the term "public moneys" is fully defined in Section 2 (*a*) of the same act. In accordance with this provision the whole amount collected by Mr. Murison should have been remitted to your department for deposit to the credit of the Receiver General, and the outstanding accounts paid in the ordinary manner through your letter-of-credit. An advance might have been made to Mr. Murison from your vote to provide for any small accounts that had to be paid on the spot.

I notice that Mr. Murison's statement of payments made by him is not supported by any vouchers; he should be asked to furnish detailed accounts with receipts for each item of his expenditure.

In the financial statement of the school for the period between April 1, and October 31, 1922, an item of $4,613.22 is shown as having been paid out for salaries. The statements of arrears of salaries show that the following amounts were paid out during that period on account of salaries.

Principal,	August 31	$ 500 00	
	Sept. 18	600 00	
	Oct. 31	1,000 00	
			2,100 00
Grey Nuns,	Oct. 17		1,367 22
	Total		$3,467 22

I should like to know what salaries were included in the remaining amount of $1,146. I might add that Brother Thomas Morkin, Farming Instructor, and Brother John Morkin, Engineer and Carpenter, were each paid $440 by Mr. Murison on November 24, which is evidently 8 months' salary to November 30, at $55 a month.

I return Mr. Murison's report herewith.

I am, Sir, your obedient servant,

WM. KEARNS, *Asst. A.G.*

The Deputy Superintendent General of Indian Affairs.

DEPARTMENT OF INDIAN AFFAIRS, February 22, 1924.

SIR,—I have your letter of the 6th instant, with reference to the closing of the Dunbow (St. Joseph's) Indian Residential School during the fiscal year 1922-23. I have noted that you consider the financial wind-up of this school was not in strict accordance with the provisions of the Consolidated Revenue and Audit Act. I would point out that the Church Authorities receive a per capita grant for their management and that they from time to time supplement the parliamentary appropriation for both capital and current expenses at a government-owned Indian residential school. Under these circumstances, are the moneys and movable assets public moneys and property?

It was considered that the bank account, crop, stock, food and clothing and all equipment belonged to the State and the Church jointly. Inspector Murison, in the case of the Dunbow Indian Residential School, was directed to assist the Church Authorities in the closing so that our equity in movable assets would be safeguarded. Our officer was instructed to co-operate with the Rev. Principal and to see that all bills were paid. Any equipment of value to the other Indian residential schools managed by the same Order in the vicinity was distributed gratis. The remainder of the movable assets were sold and the school bills including salary arrears having been paid, the balance, $477.42, was deposited to Casual Revenue.

When Mr. Murison was paying the outstanding accounts, he telegraphed for permission to pay the arrears of salary. It developed later that these amounted to $5,549.37. The Provincial of the Oblate Order at an earlier date had requested a total cash consideration of $16,559.95 for their equity in the property. In view of these facts I consider it advisable, before paying the arrears of salaries, to have Mr. Murison's audit and report before me. I therefore directed that the funds concerning which you have raised questions be deposited in a special account.

Yours very truly,

D. C. SCOTT, *D. S..G.*

The Assistant Auditor General.

Civil Service Commission: Rate of Pay for Position of Inspector of Construction

AUDITOR GENERAL'S OFFICE, October 4, 1924.

SIR,—I beg to refer you to my letter of December 21st, 1923, with regard to the rates of compensation given in the classification schedule for the position of Inspector of Construction and to your answer thereto of December 27th, 1923.

In your reply you state that my understanding of the matter coincides with that of the Commissioners, viz., that a man appointed to a position in this class at a daily rate is entitled to pay only for those days on which he is actually engaged on inspection work.

There is still a point in connection with the rates of compensation for this class on which I should like the opinion of the Commission.

The monthly rate of salaries for this position ranges from $100 to $140, while the daily rate may be anything up to $7. Am I to infer from this that an inspector employed at a daily rate of $6 or $7 a day, if employed more or less continuously, may be paid up to $180 or $210 a month or will the amount of pay that he may receive during any month be limited in any way by the prescribed monthly rates.

I am, sir, your obedient servant,

WM. KEARNS, *Asst. A.G.*

The Secretary, Civil Service Commission.

NOTE.—No reply had been received to the above letter up to the time of printing.

Unsatisfactory Certificates on Vouchers for Payments

AUDITOR GENERAL'S OFFICE, June 20, 1924.

SIR,—Trust Fund Cheque No. 5315, charged against the trust funds of the Mississaguas of the Credit, is for the payment of $175 to Harvey Clark for pointing up and plastering the abutments under Boston Creek bridge. The account is certified in the prescribed manner by the local Indian agent, it also bears some pencilled initials, presumably those of some officer in your department but whose initials they are I am unable to determine.

Section 55 of the Consolidated Revenue and Audit Act provides that "The deputy heads of the several departments or the officers, clerks or other persons charged with the expenditure of public moneys, shall respectively audit the details of the accounts of the several services in the first instant, and be responsible for the correctness of such audit". To comply with this section, each paid account should bear a definite certificate that it has been examined by the proper departmental officer or officers and found correct; all such certificates should be signed, not merely initialled, by the examining officers.

I am, sir, your obedient servant,

WM. KEARNS, *Asst. A.G.*

The Deputy Superintendent General of Indian Affairs.

Indian Annuities: Unexpended Balance of Advance not Refunded by Agent

AUDITOR GENERAL'S OFFICE, September 20, 1924.

SIR,—Annuities Cheque No. 1487, issued on June 22, 1923, is for the payment of $850 to Mr. W. H. Lewis, Indian Agent at the Timiskaming Agency, to enable him to pay annuities to the Abitibi Band of Indians.

According to the pay-sheets submitted by Mr. Lewis, he distributed $752 among the Indians leaving an unexpended balance of $98. I find no trace of this balance having been refunded, and inquiry at your accountant's office reveals the fact that this amount is still outstanding, although Mr. Lewis has accounted in full for the annuity advance for the current fiscal year.

Kindly inform me what steps, if any, have been taken to recover this amount from Mr. Lewis.

I am, sir, your obedient servant,

WM. KEARNS, *Asst. A.G.*

The Deputy Superintendent General of Indian Affairs.

DEPARTMENT OF INDIAN AFFAIRS, September 24, 1924.

SIR,—In reply to your enquiry of the 20th instant, regarding $98, balance of undistributed annuity money which has not been refunded by Mr. W. H. Lewis, Indian Agent, North Timiskaming, I beg to say that this Department has twice brought this matter to the Agent's attention. He was informed recently that if he fails to make prompt refund, payment of his salary will be withheld in order that the matter may be adjusted. If refund is not made by the end of the present month the amount will be charged to his salary.

Your obedient servant,

J. D. McLEAN, *Act. D.S.G.*

The Auditor General.

Vote 274, Indians of Ontario and Quebec: Overpayment of Salary to Indian Agent J. R. McGregor

AUDITOR GENERAL'S OFFICE, February 5, 1924.

SIR,—On December 24th last, an Order in Council (P.C. 60/2521) was passed, based on a report from the Civil Service Commission, granting permanent status from April 1st, 1923, to a number of employees of the Department of Indian Affairs.

Among the employees so blanketed in I find the name of J. R. McGregor, Indian agent, grade 4, at Gore Bay, Ontario. Mr. McGregor was first employed as agent on July 4th, 1916, at a salary of $800, and continued to be paid at that rate until the reclassification, when, the position being classified as Indian Agent, grade 4, his salary was raised from April 1st, 1919, to $1,440, the minimum of the class. Mr. McGregor's salary remained at $1,440 until April 1, 1922, when it was raised to $1,560 (the next step) under the authority of a certificate issued by the Civil Service Commission on May 11th, 1922, and a further increase to $1,680 was made on April 1st, 1923, under the authority of a certificate issued on February 21st, 1923.

I beg to point out that in my opinion, if Mr. McGregor was considered a temporary employee only, until the passing of the Order in Council of December 24th, 1923, he was not legally entitled to receive the increases grantd on April 1st, 1922, and on April 1st, 1923, and that, accordingly, his permanent appointment should be only at the salary to which he was legally entitled, viz., $1,440.

I am, sir, your obedient servant,

WM. KEARNS, *Asst. A.G.*

The Secretary, Civil Service Commission.

CIVIL SERVICE COMMISSON, February 11, 1924.

SIR,—I beg to acknowledge receipt of your letter of the 5th instant with reference to the case of Mr. J. R. McGregor, Indian Agent, Grade 4, at Gore Bay, Ont. The salary increases effective 1st April, 1922, and 1st April, 1923, to which reference is made in your letter, were approved by the Civil Service Commission on the understanding that Mr. McGregor was a permanent employee within the meaning of the definition of a permanent employee given by the Department of Justice, the Department of Indian Affairs having informed the Commission that all the Indian Agents had been regularly appointed to permanent positions by competent authority.

It was only after the salary increases had been approved that Mr. McGregor's temporary status was learned through the recommendation of the Department that he be made permanent under the provisions of P.C. 2958. As Mr. McGregor can only be considered as a temporary employee up to the date when he was made permanent under the blanketing regulations, I am inclined to agree with you that the salary increases granted on the 1st April, 1922, and 1st April, 1923, were not legally authorized by the terms of the Civil Service Act and that Mr. McGregor was only entitled therefore to receive on permanent appointment a salary rate of $1,440 per annum.

I am, sir, your obedient servant,

WM. FORAN, *Secretary.*

The Assistant Auditor General.

AUDITOR GENERAL'S OFFICE, February 19, 1924.

SIR,—On December 24th last an Order in Council (P.C. 60/2521) was passed, based on a report from the Civil Service Commission, granting permanent status from April 1st, 1923, to a number of employees of your department. Among the employees so blanketed in I find the name of Mr. J. R. McGregor, Indian Agent, grade 4, at Gore Bay, Ont.

Mr. McGregor was first employed as agent on July 4th, 1916, at a salary of $800, and continued to be paid at that rate until the reclassification, when, the position being classified as Indian Agent, grade 4, his salary was raised to $1,440, the minimum of the class, from April 1st, 1919. Mr. McGregor's salary remained at $1,440 until April 1st, 1922, when it was raised to $1,560 (the next step) under the authority of a certificate issued by the Civil Service Commission on May 11th, 1922, and a further increase to $1,680 was made on April 1st, 1923, under the authority of a certificate issued on February 21st, 1923.

On my pointing out to the Civil Service Commission that, in my opinion, if Mr. McGregor was considered a temporary employee only until the passing of the Order in Council of December 24th, he was not legally entitled to receive the increases granted on April 1st, 1922, and on April 1st, 1923, and that, accordingly, his permanency should be only at the salary to which he was legally entitled, viz., $1,440, the secretary of the Commission replied as follows:—

"It was only after the salary increases had been approved that Mr. McGregor's temporary status was learned through the recommendation of the Department that he be made permanent under the provisions of P.C. 2958. As Mr. McGregor can only be considered as a temporary employee up to the date when he was made permanent under the blanketing regulations, I am inclined to agree with you that the salary increases granted on the 1st April, 1922, and 1st April, 1923, were not legally authorized by the terms of the Civil Service Act and that Mr. McGregor was only entitled, therefore, to receive on permanent appointment a salary rate of $1,440 per annum."

I shall be glad to be informed as to any action that you may propose to take in this case.

I am, sir, your obedient servant,

WM. KEARNS, *Asst. A.G.*

The Deputy Superintendent General of Indian Affairs.

DEPARTMENT OF INDIAN AFFAIRS, May 9, 1924.

SIR,—With reference to your letter of the 19th February last, respecting the salary paid to Mr. J. R. McGregor, Indian Agent, Gore Bay, Ont., since the 1st April, 1922, I beg to say that this question was taken up with the Civil Service Commission with the result that a joint memorandum was submitted to the Treasury Board recommending that Mr. McGregor's permanency date from the 1st April, 1921. The Secretary to the Treasury Board informs me that the Board, at a meeting held on the 1st instant, had under consideration the recommendation referred to, but they decided that recommendations of this nature shall not be made effective prior to the 1st of April of the then current fiscal year and, accordingly, did not recommend this report for the favourable consideration of Council.

In view of the Board's decision, Mr. McGregor has been overpaid $120 during the fiscal year 1922-23, $240 in 1923-24 and $20 for April of this fiscal year, making a total overpayment of $380 to the 30th April last. Against this, however, Mr. McGregor would have been entitled to $59 more bonus during

1922-23 and $110 more in 1923-24, making a total of $170, which if deducted from the overpayment of $380 made to him, would leave a net overpayment of $210. It is not permissible, however, I understand, to pay bonus for last year from the current year's bonus appropriation, so that the overpayment of $380 would not be reduced from that source.

As it would be a hardship to call upon Mr. McGregor to refund an overpayment of $380 for which he is in no wise responsible I trust that some way out will be found so that he will not be called upon to do so.

Your obedient servant,

D. C. SCOTT, *D.S.G.*

The Auditor General.

Vote 274, Indians of Ontario and Quebec: Payments to Salaried Physician for Special Medical Services

AUDITOR GENERAL'S OFFICE, May 3, 1924.

SIR,—Dr. W. H. Woods of Mount Brydges, Ont., has been employed for some years as Indian Physician, part time, at a salary of $1,700 per annum. During the fiscal year 1922-23 and 1923-24 he was paid the following amounts, in addition to his salary, for special medical services rendered the Indians:—

1922-23	Cheque No. 938, Ontario and Quebec Vote..	$180 50
"	Cheque No. 267, Education Vote..	76 00
1923-24	Cheque No. 1056, Education Vote..	150 00
	Total..	$406 50

The classification schedule gives the following as the compensation for the position of Physician.

"Compensation. Up to $175 per month for part time service, depending upon the time required, the population, and local conditions. For the present existing rates shall continue; in case of a new appointment, or in case an adjustment becomes necessary, the value of the duties performed shall be appraised by the department and the Civil Service Commission." In view of the foregoing I am of the opinion that these payments to Dr. Woods, over and above his salary, for special services should not have been made without the approval of the Civil Service Commission.

I am, sir, your obedient servant,

WM. KEARNS, *Asst. A.G.*

The Deputy Superintendent General of Indian Affairs.

Vote 275, Indians of Manitoba, etc.: Payments by Indian Agent in Advance of Receipt of Funds from Department

AUDITOR GENERAL'S OFFICE, February 13, 1924.

SIR,—On April 23, 1923, cheque No. 51 for $400 was issued against your Manitoba and North West Vote in favour of R. E. Osborn, Indian agent at Broadview, "In Trust" as an advance for repairs to the Crooked Lake Agency house. This cheque was received by Mr. Osborn on April 28th, and was, I presume, placed to the credit of his Trust Account on that day. According to the receipts submitted by Mr. Osborn in support of his expenditure under this advance, the following payments were made by him to Mr. J. Woodward:—

April 24th,	On Account of wages, repairs to Agency house	$130 00
May 5th,	Wages, Buildings account..	75 00
May 5th,	Wages, on account Agency House, repairs (paid to Mrs. Woodward)	25 00
May 12th,	Wages, on account Building, Repairs to Agency house..	50 00
May 22nd,	Repairs to Agency house, Building Account	120 00
	Total..	$400 00

It does not appear from these receipts whether Mr. Woodward was employed on the repairs at a daily rate of wages or was allowed the round sum of $400 for the job. If the former, a statement should be submitted by the agent stating the rate paid per diem and the number of days employed, if the latter, a copy of the agreement entered into with Mr. Woodward should be furnished me.

It will be noticed that the first payment to Mr. Woodward was one of $130 made on April 24th, four days before the agent received the advance from your department. This first payment must, no doubt, have been made from Mr. Osborn's Trust Account, out of moneys placed in that account for other purposes. I beg to remind you that, as I stated in my letter of June 22nd, 1923, with regard to a somewhat similar case at the Blackfoot Agency, the diversion of Trust Funds, even temporarily, for any purpose other than that for which they are held is a practice that should not be allowed in any case, but such Trust Funds should be guarded jealously for the special purpose for which they were placed in trust.

I am, sir, your obedient servant,

WM. KEARNS, *Asst. A.G.*

The Deputy Superintendent General of Indian Affairs.

DEPARTMENT OF INDIAN AFFAIRS, March 14, 1924.

SIR,—Referring to your letter of the 13th ultimo, regarding cheque No. 51 for $400 issued on April 23rd, 1923, against our Manitoba and North West Vote in favour of Mr. R. E. Osborn, In Trust, as an advance for repairs to the Crooked Lake Agency house, I beg to quote the following explanation furnished by Mr. Osborn in regard to the last paragraph of your letter, viz.:—

"On April 23rd, 1923, an accountable advance cheque for $300 was received from Commissioner Graham to apply on the Woodward contract and on the 24th April the payment of $130 referred to in your letter was paid Mr. Woodward from this $300.

"Accountable cheque No. 51 for $400 from the Department was received on the 28th April and on the same day a cheque for $300 was sent to Commissioner Graham to refund the amount received from him on the 23rd thus making the $130 chargeable to cheque No. 51.

"It will be seen from this that no Trust funds were used to pay Mr. Woodward."

With regard to the agreement entered into with Mr. J. Woodward, I beg to state that a copy was sent to your office by the Department on the 6th November last, but I herewith enclose another copy.

Your obedient servant,

J. D. McLEAN, *Asst. Deputy.*

The Assistant Auditor General.

AUDITOR GENERAL'S OFFICE, March 17, 1924.

SIR,—I beg to acknowledge receipt of your letter of the 14th inst., (file No. 21-108), replying to mine of February 13th with regard to cheque No. 51 for $400 issued on April 23rd, 1923, in favour of Mr. R. E. Osborn as an advance for repairs to the Crooked Lake Agency house.

In your reply you quote Mr. Osborn as stating that on April 23rd, 1923, he received an advance cheque of $300 from Commissioner Graham at Regina to apply on the Woodward contract, and that on April 28th, when he received the $400 advance from Ottawa, he refunded the advance of $300 made by Mr. Graham.

I should like to be informed as to what funds held by Mr. Graham this advance was made from. To the best of my knowledge the only funds held by Mr. Graham are contained in four Trust Accounts, viz.:—Greater Production Account, Warehouse Account, Grazing Leases Account, and Indian Bands Trust Account, and from no one of these Trust Accounts could the advance have been made without temporarily diverting moneys held for special purposes.

I am, sir, your obedient servant,

WM. KEARNS, *Asst. A.G.*

The Deputy Superintendent General of Indian Affairs.

DEPARTMENT OF INDIAN AFFAIRS, March 19, 1924.

SIR,—Reply to your letter of the 17th instant, regarding the advance of $300 made by Commissioner Graham at Regina, to Mr. R. E. Osborn, Indian Agent, at Crooked Lake Agency, I beg to say that this advance was made from Mr. Graham's Indian Bands Trust Fund Account.

I am, sir, your obedient servant,

J. D. McLEAN, *Asst. Deputy and Sec'y.*

The Assistant Auditor General.

Vote 275, Indians of Manitoba, etc.: Employment of Clerk at Lesser Slave Lake Agency without due authority

AUDITOR GENERAL'S OFFICE, November 5, 1924.

SIR,—I find from the accounts in support of your expenditure for the fiscal year 1923-24 that Mr. B. Wray was employed by Indian Agent Harold Laird, as clerk at the Lesser Slave Lake agency from July 6 to September 25 and from October 9 to December 31, 1923, and was paid by Mr. Laird at the rate of $100 a month.

I have no certificate from the Civil Service Commission authorizing the employment of this man. Kindly inform me if the employment was authorized by the Commission and if not, what authority there was for his employment for a longer period than one month.

I am, Sir, your obedient servant,

WM. KEARNS, *Asst. A.G.*

The Deputy Superintendent General of Indian Affairs, Ottawa.

DEPARTMENT OF INDIAN AFFAIRS, November 7, 1924.

SIR,—In reply to your letter of the 5th instant, respecting the employment of Mr. B. Wray as clerk at the Lesser Slave Lake Agency from July 6 to September 25 and from October 9 to December 31, 1923, I beg to say that a clerk's services were necessary during the annuity payments, but the Indian Agent should have notified the Department beforehand, so that the appointment could be made in the regular way through the Civil Service Commission. This he failed to do and employed Mr. Wray without reference to the Department. He is being informed that in future this appointment will be made through the Civil Service Commission and that he will be notified whom to employ.

Your obedient servant,

J. D. McLEAN, *Sec.*

The Assistant Auditor General.

Vote 276, Indians of British Columbia: Adjustments of Previous Payments to Columbia Coast Mission for Hospital Care, etc.

AUDITOR GENERAL'S OFFICE, August 22, 1924.

SIR,—British Columbia cheque No. 1579 of 1923-24 is for the payment of $797.15 to the Columbia Coast Mission, Inc., for unpaid Indian Accounts incurred prior to January 1, 1923. This amount is made up as follows:—

Accounts of 1918–19	$ 70.00
" 1919–20	267.75
" 1920–21	324.55
" 1921–22	172.75
" 1922-23	70.10
	$905.15
Less for 183 hospital days	183.00
	$722.15
Doctor's services	75.00
Total	$797.15

I find that during the period covered by this account the following payments were made by you to the Columbia Coast Mission:—

Year	Grant for Doctor	Treatment
1918–19	$600.00	$436.00
1919–20	600.00	483.25
1920–21	724.99	729.00
1921–22	850.00	327.00
1922-23	850.00	403.00

In view of the fact that payments were made each year, both for medical services and for hospital treatment, I have to ask for an explanation of the payment in question. As this institution was in receipt of an annual allowance for medical services a special explanation of the charge of $75.00 for doctor's services is requested.

The account in support of this payment is certified by Mr. W. E. Ditchburn, Chief Inspector of Indian Agencies, from which I infer that he investigated the circumstances under which this account was presented. If such is the case I shall be glad to have a copy of any report that he may have made.

I am, Sir, your obedient servant,

G. GONTHIER, *A.G.*

The Deputy Superintendent General of Indian Affairs.

DEPARTMENT OF INDIAN AFFAIRS, August 25, 1924.

SIR,—Referring to your letter of the 22nd instant, regarding a payment of $797.15 made to the Columbia Coast Mission by official cheque No. 1579 of 1923-24, I beg to transmit as requested by you copy of report dated the 22nd August, 1923, made in this matter by Mr. W. E. Ditchburn who investigated the circumstances under which the account was presented.

Your obedient servant,

J. D. McLEAN, *Asst. Deputy and Sec'y.*

The Auditor General.

INDIAN AGENCIES OFFICE, Victoria, B.C., August 22, 1923.

SIR,—Replying to your letter of the 11th April last, referring to the request of the Columbia Coast Mission for payment of uncollectable accounts owing by Indians for medical services and hospital treatment at St. George's Hospital, Alert Bay, amounting to $915.15, I beg to say that in this total will be found $57 for the year 1918, and $24.75 for 1919 (end of March, 1920), a total of $81.75. These represent accounts which it was thought at the time the Indians would be able to pay but they have not done so. This leaves a balance of $823.40 for the years 1920-21 and up to the end of December, 1922, being $445 for 1920, $297.30 for the year 1921 and $81.10 up to December 31st, 1922.

After making a full investigation into each of these cases it is considered that the hospital will be unable to collect anything from the Indians and I therefore feel that the Department should pay the accounts. I find, however, that in a number of cases the Department has already paid certain sums by way of the per diem rate of $1 as hospital fees, being: Jim Adams, 2 days; Mrs. J. Humchit, 62 days; Mrs. Kitty Edwards, 4 days; Mrs. Mollie Hall, 49 days; Tommy Moon, 20 days, and Louie Williams, 46 days, amounting to $183 which should be deducted from the amount asked, bringing the total to $722.15.

I took this point up with Mr. Barton, the secretary of the Columbia Coast Mission, recently, but while admitting that this amount has already been paid, he takes the stand that if this deduction is to be made certain additions amounting to $75 for doctor's services, should be allowed in view of the fact that only low charges in this regard had been made when submitting the accounts to the Indians. This point is worthy of consideration and therefore I am providing for the amount on the voucher. A copy of Mr. Barton's letter is hereto attached for your information.

In connection with your criticism of the financial statement rendered by the secretary of the hospital, particularly the item of cash received for 1920, being $1,943.80, whereas the total value of the work performed for that year

was $1,677, I beg to say that Mr. Barton informed me that the difference between these two amounts represents the collection of some old accounts.

Attached hereto will be found Voucher No. 26A made up as hereunder:—

Account rendered..	$905 15
Less 183 hospital days at $1 already paid..	183 00
	$722 15
Plus doctor's services..	75 00
Total..	$797 15

I would advise the remittance of this amount at as early a date as possible owing to the fact that the hospital was burned down a few days ago.

Yours sincerely,

W. E. DITCHBURN, *Chief Inspector.*

The Auditor General.

COLUMBIA COAST MISSION, VANCOUVER, July 17, 1923.

DEAR MR. DITCHBURN,—Pursuant to our conversation re application for payment from the Department of the accounts unpaid by indigent Indians, I would like to say that, whereas I do not think with you that the Department should deduct the per diem grant from those accounts which received the same in the list submitted, and which they have not done hitherto; if they should take that view I would also then submit that the accounts as noted hereunder should be allowed the usual hospital rate of $2.50 per day, which was not charged in these cases. Of course, in making the charges, we did not anticipate a return of the per diem grant, and, whatever may have been the reason in these cases I know the doctor has made reductions in the charges to meet the financial needs of the Indian in hopes he would pay himself.

Mrs. J. Humsida in hospital Feb. 8 to April 10th, 1920, for 62 days, charged.. .. .. .. 126 00 (Doctor's fees being only $4.50) at $2.50.. .. .. 155 00

$ 29 00 to add.

Mrs. Mildred Hall in hospital Feb. 8th to Mar. 29, 1920, for 50 days charged.. .. .. .. $102 00 (Doctor's fees being only $2) at $2.50.. .. .. 125 00

$ 23 00 to add.

Louis Williams in hospital Jan. 4th to Feb. 19th, 1920, for 46 days charged.. .. .. .. $ 92 00 (Doctor's fees being only $15.50) at $2.50.. .. .. 115 00

$ 23 00 to add.

These three accounts would total $75 to add.

I would further note that in the account of Alf. A. Thompson, who was in hospital from Nov. 13th to April 7th, 1921, for 146 days, and for which a charge of hospital fees is made at the usual $2.50 per day, the doctor's fee is only

$25, his hurt being that of severe burns. This is a case where the doctor made a special reduction in hope of getting the money, and if the aforesaid position is taken in deducting the grant, we should also add at least $25 to the doctor's fees.

Of course I recognize that our application is not in the nature of a demand but that of asking a special grant, and would ask your most generous consideration in view of the financial needs of the work.

Thanking you in anticipation of your favour, I am,

Yours sincerely,

T. E. BARTON, *Sec.-Treas.*

W. E. DITCHBURN, Chief Inspector of Indian Agencies, Victoria, B.C.

Vote 276, Indians of British Columbia: Grant towards Rebuilding St. George's Hospital, Alert Bay

AUDITOR GENERAL'S OFFICE, August 22, 1924.

SIR,—I have received a copy of an Order in Council (P.C. 2498), dated December 22nd, 1923, authorizing the payment from your vote for Indians of British Columbia of the sum of $5,000 as a contribution towards the cost of rebuilding St. George's Hospital, conducted by the Columbia Coast Mission, Inc., at Alert Bay, B.C., which was destroyed by fire on August 18th, 1923.

I beg to point out that while this institution may be of considerable benefit to the Indians of British Columbia it has no direct connection with the management of the Indians, other than acting in the ordinary capacity of Medical Officer, for which a salary of $850 a year is paid by your department; they are also paid at the rate of $1 a day for the Indian patients treated in the hospital.

I am of opinion that all grants for which no accounting is made to the Dominion Government should be specially provided for by Parliament.

I am, sir, your obedient servant,

WM. KEARNS, *Asst. A.G.*

The Deputy Superintendent General of Indian Affairs.

NOTE.—No reply had been received to the above letter up to the time of printing.

Vote 278, General: Allowance to Commissioner W. M. Graham for use of Automobile

AUDITOR GENERAL'S OFFICE, November 19, 1924.

SIR,—I find in the course of the examination of the accounts in support of your expenditure for the fiscal year 1923-24, that Mr. W. M. Graham, commissioner at Regina, was paid $60 a month as an allowance for the use of his own automobile, except from October 9th to February 29th, during which period he was paid on a basis of the trips actually made by him.

Kindly advise me as to your authority for paying this allowance to Mr. Graham, and also as to the calculation on which the amount of the allowance is based.

I might point out that both a chauffeur and a garage are provided Mr. Graham out of public moneys in addition to the above allowance.

I am, sir, your obedient servant,

WM. KEARNS, *Asst. A.G.*

The Deputy Superintendent General of Indian Affairs.

Vote 279, Indian Education: Payment of Removal Expenses of Teachers

AUDITOR GENERAL'S OFFICE, February 2, 1924.

SIR,—My attention has been drawn to the fact that in a few cases a teacher, on appointment to an Indian school, has been allowed his expenses from his former place of residence to his place of employment.

I have been given to understand, by your School Branch, that these expenses are allowed in only a few cases in British Columbia, where the school is situated in a remote locality, as it would be difficult to obtain a teacher willing to take a position in such localities, unless his expenses there were paid by your department.

I beg to point out that it is not the rule to allow an appointee to any position in the public service his expenses from his place of residence to the place of his employment. When for any special reason it may be considered advisable to allow such expenses, they cannot be regarded as ordinary travelling expenses on official duty, but must be considered as being of the nature of removal expenses, and as such require the authority of the Treasury Board.

I am, sir, your obedient servant,

WM. KEARNS, *Asst. A.G.*

The Deputy Superintendent General of Indian Affairs.

DEPARTMENT OF INDIAN AFFAIRS, February 7, 1924.

DEAR MR. KEARNS,—I have your letter of the 2nd instant, relative to removal expenses in the case of teachers of Indian Schools, and in reply I wish to state that the attention of the Superintendent of Indian Education has been drawn to the regulations concerning this matter. In future, the authority of the Treasury Board will be secured if it is found necessary to pay the removal expenses of teachers in our employ.

Yours very truly,

D. C. SCOTT, *D.S.G.*

The Assistant Auditor General.

Vote 279, Indian Education: Payments to Inspector of Construction at Fraser Lake Boarding School

AUDITOR GENERAL'S OFFICE, February 25, 1924.

SIR,—I beg to ask your attention to the payments made by you to Mr. Myles Morley, as Inspector of Construction at the Fraser Lake Indian Boarding School, since July, 1922.

Mr. Morley was paid during the fiscal year 1922-23 for 224 days at $6 a day, being for every day included in the period from July 16th, 1922, to February 28th, 1923, with the exception of 4 days in July. During the current fiscal year he has been paid continuously at the same rate from March 1st to May 31st. On looking over the returns for previous years I find that Mr. Morley was paid continuously at the same rate, from October 15th, 1919, to February 22nd, 1922, while engaged on inspection work on other schools.

The rates established in the Classification List for the position of Inspector of Construction are:—

Monthly—$100, $105, $110, etc., to $140.

Daily—Prevailing rates not exceeding $7 for services as required.

I understand this to mean that when the employment is not continuous the inspector may be paid up to $7 a day for those days only on which he is actually engaged on the work, but that when the employment is continuous the monthly rates shall apply. The prevailing rates paid during any month should not exceed the maximum monthly rate of $140.

I should also like to ask your attention to the dates on which the certificates for Mr. Morley's employment were issued by the Civil Service Commission. On February 9th, 1923, a certificate for his employment for six months from July 16th, 1922, was issued, and on the same date a second certificate extending his employment to March 16th was issued; again on June 19th a certificate was issued further extending his employment to July 16th. As Mr. Morley received his pay regularly month by month it would appear that his pay cheques were issued in a number of cases prior to the authorization of his employment. I trust you will take steps to prevent the recurrence of a like irregularity in the future.

I am, Sir, your obedient servant,

WM. KEARNS, *Asst. A.G.*

The Deputy Superintendent General of Indian Affairs.

DEPARTMENT OF INDIAN AFFAIRS, February 27, 1924.

DEAR SIR,—I beg to acknowledge the receipt of your letter of the 25th instant, with reference to payments made by this Department to Mr. Myles Morley as Inspector of Construction at the Fraser Lake Indian boarding school since July, 1922. I have noted what you say, that is, that when an Inspector of Construction is employed continuously during the month his services should be paid at the monthly rate.

In reply I beg to say that the certificates of temporary appointment were issued by the Civil Service Commission for certain specified periods with remuneration at the rate of $6 per day. No mention was made of a monthly rate, and the Department paid at the rate which was provided for in the certificates. However, in the future we will be guided by your interpretation of the regulations, and, in employing men as Inspectors of Construction, we will specify that they are to be paid at the rate of $6 per day, but that their monthly remuneration must not exceed $140, the maximum provided under the classification schedule.

The last paragraph of your letter has been noted.

Yours very truly,

D. C. SCOTT, *D.S.G.*

The Assistant Auditor General.

Vote 279, Indian Education: Payments to Wyatt-Ireland, Limited, for repairs to Elkhorn Indian School

AUDITOR GENERAL'S OFFICE, May 23, 1924.

SIR,—Messrs. Wyatt-Ireland Limited of Winnipeg were paid the amount of $80,360.36 during the fiscal year 1923-24 for repairs and alterations to the Elkhorn Indian School. According to the accounts received at this office the payments were made on a basis of actual cost plus ten per centum.

On inquiry being made at your accountant's branch, this office was given to understand that no formal contract had been entered into with Wyatt-Ireland Limited for the execution of the work. A notation on the statements of account, however, appears to indicate the work was proceeded with under the authority of departmental letter No. 106-0-5D of July 20th, 1923; I have to ask that you will kindly supply me with a copy of that letter.

Section 36 of the Public Works Act enacts that "Whenever any works are to be executed under the direction of any department of the Government, the Minister having charge of such department shall invite tenders by public advertisement for the execution of such works, except in cases—(*a*) of pressing emergency in which delay would be injurious to the public interest; or (*b*) in which from the nature of the work it can be more expeditiously and economically executed by the officers and servants of the department; or (*c*) where the estimated cost of the work is less than five thousand dollars and it appears to the Minister, in view of the nature of the work, that it is not advisable to invite tenders."

Subsection 2 of the same section requires that when tenders are invited all tenders received shall be submitted to and the contract awarded under the direction of the Governor in Council.

As public tenders do not appear to have been invited in this case, I have to request you to inform me under which clause of the section quoted above this work was undertaken without calling for tenders.

I am, Sir, your obedient servant,

WM. KEARNS, *Asst. A.G.*

The Deputy Superintendent General of Indian Affairs.

DEPARTMENT OF INDIAN AFFAIRS, July 7, 1924.

DEAR SIR,—I have to acknowledge the receipt of your letter of May 23rd, with reference to the expenditure for repairs and alterations to the Elkhorn industrial school.

This work was carried out by authority of the Minister under Section 36, subsection "A" of the Public Works Act as it was work of pressing emergency. The Department had for some time been considering re-opening the school under Church of England auspices, and when it was finally decided to do so, it was advisable that the work of renovating the school should be done immediately. The alterations and repairs were under the supervision of an officer of the Public Works Department who certified all accounts. The building had fallen into a state of dilapidation as it had been to all intents unoccupied for five years.

As requested I am enclosing herewith a copy of letter of the 20th July, 1923.

Yours truly,

D. C. SCOTT, *D.S.G.*

The Assistant Auditor General.

DEPARTMENT OF INDIAN AFFAIRS, July 20, 1923.

DEAR SIR,—With reference to the repairs required to the heating, plumbing, sewage disposal system and the building at the Elkhorn Industrial School, I am enclosing herewith copy of a report received from Mr. R. Thomson, Mechanical Engineer of Department of Public Works, Winnipeg, outlining the work required to put the mechanical equipment and the building in good condition.

You are authorized to have the work as recommended by Mr. Thomson carried out, and to employ the contracting firm of Wyatt & Ireland, 505 Lombard Building, Winnipeg, to undertake the work. They will be paid on a proven cost plus ten per cent basis. It will therefore be necessary that detailed accounts be kept by them and furnished you of all labour and materials required in the work. These should be carefully checked and forwarded to the Department.

Mr. Thomson has intimated that he is willing to furnish detailed instructions to the contractors with reference to this work, and I would ask you to please consult with him in the matter. The Department would be very pleased if he would render whatever services are required to expedite the work. I would also ask you to keep the Department posted from time to time as to the progress being made in the work.

As requested, I am returning herewith the blue print copy of the septic tank which you forwarded to the Department and asked to have returned.

If the building is to be ready for occupation this fall, it will be necessary that the work as outlined in Mr. Thomson's report be carried out with all possible despatch.

Your obedient servant,

A. F. MACKENZIE, *Act. Asst. Deputy.*

JOHN R. BUNN, Inspector of Indian Agencies, Winnipeg, Man.

Vote 279, Indian Education: Grant towards erection of Wing at St. Bruno's Indian School

AUDITOR GENERAL'S OFFICE, June 16, 1924.

SIR,—Cheque No. 6370 issued in March last and charged against the vote for Indian Education is for the payment of $10,775.85 to Rev. C. Falher, O.M.I., as a grant towards the erection of a wing at St. Bruno's Indian Residential School which was destroyed by fire during the winter of 1923-24.

According to the vouchers submitted in support of this payment, your department, with the approval of the Superintendent General of Indian Affairs, offered the Bishop of Athabasca a grant of $12,000 towards the re-building. The church authorities were to be responsible for the labour on the building and were to present receipted accounts for the material purchased and for the freighting. The payment in question represents the receipted accounts that have been presented, but a number of the receipted accounts attached to the vouchers indicate the total amount paid, without giving any particulars as to the quantity and prices of the materials furnished.

I am of opinion that the authority of the Governor in Council should have been obtained before an expenditure of this nature was incurred.

I am, sir, your obedient servant,

WM. KEARNS, *Asst. A.G.*

The Deputy Superintendent General of Indian Affairs.

DEPARTMENT OF INDIAN AFFAIRS, June 24, 1924.

DEAR MR. KEARNS,—I beg to acknowledge receipt of your letter of the 16th instant with reference to the payment by this Department of a grant toward

the erection of a wing at St. Bruno's Boarding School. I have noted for future reference your opinion that the authority of the Governor in Council should be obtained before expenditures of this nature are incurred.

Yours very truly,

D. C. SCOTT, *D.S.G.*

The Assistant Auditor General.

AUDITOR GENERAL'S OFFICE, June 26, 1924.

SIR,—I am in receipt of your letter of the 24th inst., replying to mine of the 16th with reference to a grant towards the erection of a wing at St. Bruno's Boarding School.

In your reply you state that you have noted for future reference my opinion that the authority of the Governor in Council should be obtained before expenditures of this nature are incurred.

While my previous letter did not so definitely state, still it was intended to express my opinion, not only that all future payments of a like nature should be authorized by the Governor in Council, but also that such authority should be obtained for the particular payment in question. I have accordingly to request that you take the necessary steps to obtain the approval of the Governor in Council to this grant to St. Bruno's School.

I am, sir, your obedient servant,

WM. KEARNS, *Asst. A.G.*

The Deputy Superintendent General of Indian Affairs.

Vote 279, Indian Education: Purchase of Round Lake Residential School from Presbyterian Church in Canada

AUDITOR GENERAL'S OFFICE, October 6, 1924.

SIR,—Cheque No. 6433 of 1923-24, vote for Indian Education, is for a payment of $8,000 to the Treasurer of the Presbyterian Church in Canada for the purchase of the Round Lake Indian Residential School, which was the property of the Presbyterian Church, but on which over $18,000 had been spent for repairs, etc., during the last two fiscal years.

I am of the opinion that the authority of the Governor in Council should have been obtained for the purchase of this property. Kindly let me know what valuation was placed on the property at the time of purchase, and by whom such valuation was made.

I am, sir, your obedient servant,

WM. KEARNS, *Asst. A.G.*

The Deputy Superintendent General of Indian Affairs, Ottawa.

DEPARTMENT OF INDIAN AFFAIRS, October 17, 1924.

DEAR MR. KEARNS,—I have your letter of the 6th instant, with reference to Indian Education cheque No. 6433, being a payment of $8,000 to the Presbyterian Church for the Round Lake Indian Residential School property which was transferred to the Crown.

In reply I have to inform you that the Presbyterian Church in November 1922, suggested a nominal price of $10,000 or $12,000 for the church property at the school. As was explained on the voucher, the property consisted of approximately 22 acres on which was situated the residential school, the barns and other outbuildings. The buildings alone represented an investment on the part of the Church of considerably more than either of these figures. The land is entirely in the valley and is quite valuable.

In the winter of 1923-24, a fire destroyed the classroom, which was one of the outbuildings. I learned that insurance, amounting to $2,000 was paid to the Church authorities. I immediately suggested that this amount be deducted from their lowest price and that the consideration for the property be $8,000. I discussed the question with Mr. Commissioner Graham, who is thoroughly familiar with the situation, and he considered this a fair adjustment and a satisfactory price.

Yours very truly,

D. C. SCOTT, *D.S.G.*

The Assistant Auditor General.

Vote 279, Indian Education: Payment in Advance of Salary of Truant Officer

AUDITOR GENERAL'S OFFICE, October 27, 1924.

SIR,—Cheque No. 587, issued on April 30, 1923, and charged against the vote for Indian Education is for the payment of $80 to Matt Bernard, being payment in advance of his salary of Truant Officer and Caretaker of the Golden Lake school for the fiscal year 1923-24.

Kindly advise me of the circumstances under which this man's salary was paid in advance for the full fiscal year, and of your authority for making such payment in advance. Payment for services should be made only at the end of regular periods, such as monthly or quarterly, and then only for such services as have been actually rendered at the time of making payment. The only exception to this rule is the case of the permanent employees at Ottawa who are paid their salaries at the middle instead of at the end of each month under special authority.

I am, sir, your obedient servant,

WM. KEARNS, *Asst. A.G.*

The Deputy Superintendent General of Indian Affairs, Ottawa.

DEPARTMENT OF INDIAN AFFAIRS, October 29, 1924.

DEAR SIR,—I have your letter of the 27th instant with reference to an advance made to Matt Bernard of his salary as Truant Officer and Caretaker of the Golden Lake school for the last fiscal year.

Mr. Bernard is Chief of the Band, and has been for several years acting in the capacity of Truant Officer and Caretaker for the school. Having confidence in his reliability the Department made the advance in question to enable him to carry out some building operations in connection with a lot which he had acquired on the reserve. Had this not been done the Department might have been under obligation to make a loan to the Chief.

The services covered by this payment have been fully and satisfactorily rendered.

Yours very truly,

D. C. SCOTT, *D.S.G.*

The Assistant Auditor General.

AUDITOR GENERAL'S OFFICE, November 17, 1924.

SIR,—I beg to acknowledge receipt of your letter of the 29th ulto., stating the circumstances under which payment was made in advance to Matt Bernard of his salary for the year 1923-24 as Truant Officer and Caretaker of the Golden Lake Indian School.

I am of the opinion that the circumstances mentioned were not sufficient to warrant the payment of salary for a whole year in advance, even although the salary was small. In fact I consider that under no circumstances whatever should a salary or any part of a salary be paid in advance, with the exception of the Civil Government Salaries at Ottawa, which, under special authority are paid at the middle of the month.

I am, sir, your obedient servant,
WM. KEARNS, *Asst. A.G.*

The Deputy Superintendent General of Indian Affairs, Ottawa.

Vote 279, Indian Education: Payment of Overdraft by Six Nations School Board

AUDITOR GENERAL'S OFFICE, October 28, 1924.

SIR,—Cheque No. 1043 drawn against the vote for Indian Education, 1923-24, is for the payment of $920.86 to the Bank of Montreal in settlement of an overdraft of the Six Nations School Board account for the fiscal year ended March 31st, 1923. Cheque No. 6435, also in favour of the Bank of Montreal, is for the payment of an overdraft of $220.65 at the close of the fiscal year 1923-24.

Kindly inform me if any examinations were made by an officer of your department of the accounts of the Six Nations School Board before these overdrafts were paid by you. If any such examinations were made I should like to be furnished with a copy of any reports which may have been made by the examining officer.

I should also like to be informed as to any special reason there may have been for paying these overdrafts from your vote for Indian Education. The Six Nations Schools are, I understand, administered by a School Board who receive an annual grant of $9,000 from the Band Funds, towards which the Department contributes $2,500. In addition to that grant various expenses connected with the schools are also paid from the Band Funds. The amounts at the credit of the Six Nations Indian account at the close of the fiscal year 1922-23 and 1923-24 were as follows:—

March 31, 1923, capital, $678,782.10; interest, $10,937.65.
March 31, 1924, capital, $676,508.43; interest, $23,323.46.

From which there would appear to have been ample funds at the close of each fiscal year to meet the comparatively small overdrafts.

I am, sir, your obedient servant,
WM. KEARNS, *Asst. A.G.*

The Deputy Superintendent General of Indian Affairs, Ottawa.

DEPARTMENT OF INDIAN AFFAIRS, November 7, 1924.

SIR,—I have your letter of the 28th ultimo, with reference to the Department's contribution from Parliamentary Appropriation for Indian Education to the current expenses at the Six Nations Indian Schools. In reply I wish

to inform you that it is considered advisable to use only $6,500 from Band Funds for the day schools on this reserve. In the past, the payment from Appropriation was $2,500 which made a total of $9,000, which was all that was required. Of late years, the expenses have increased and approximately $10,-200 is necessary for the conduct of the eleven schools. The school board accounts are examined and passed upon by the Superintendent of the Six Nations Reserve.

Yours very truly,

D. C. SCOTT, *D.S.G.*

The Assistant Auditor General.

AUDITOR GENERAL'S OFFICE, November 17, 1924.

SIR,—I am in receipt of your letter of the 7th inst., in reply to mine of the 28th ulto., with reference to the payment of two overdrafts in the Bank of Montreal on the Six Nations School Board account, and note your statement that the school board accounts are examined and passed upon by the Superintendent of the Six Nations Reserve.

As the payments in question are for definite amounts arrived at by an examination of the accounts made by the Superintendent of the band, I am of opinion that a statement of those accounts should be submitted to this office in order that the amounts of the payments may be verified.

I am, sir, your obedient servant,

WM. KEARNS, *Asst. A.G.*

The Deputy Superintendent General of Indian Affairs, Ottawa.

Vote 279, Indian Education: Coal purchased for Bersimis Day School

AUDITOR GENERAL'S OFFICE, November 5, 1924.

SIR,—Education cheque No. 2755 of 1923-24 is for the payment of $228 to Louis Verreault & Son, of Petits Mechins for 10 tons of coal, in sacks, for the Bersimis Day School. Cheque No. 4416 of the same year is for a payment of $524.32 to Madden & Son of Quebec for 26.09 tons coal in sacks, also for the Bersimis Day School.

So far as I can gather from the accounts received at this office the Bersimis school was closed during the fall and winter of 1923-24, a new combined boarding and day school being in process of erection, which was completed about the beginning of February, 1924.

I should like to be informed whether this coal, or any part of it, was used for heating the new building while it was in the contractor's hands, or if it was purchased before the close of navigation for the sole purpose of heating the building after it was taken over from the contractor.

The cost of the coal includes 547 sacks at 10 cents and 126 at 15 cents, amounting to $72.70. Kindly let me know if these sacks were returnable on repayment, or if not what disposition was made of them.

I am, sir, your obedient servant,

WM. KEARNS, *Asst. A.G.*

The Deputy Superintendent General of Indian Affairs, Ottawa.

DEPARTMENT OF INDIAN AFFAIRS, November 11, 1924.

SIR,—I have your letter of the 5th instant, regarding the payments made for the coal supplied the Bersimis Indian Day School during 1923-24.

While the classroom activities at this school were not carried on during the fall and winter of that year, owing to the erection of a new combined day school and teachers' residence, it was necessary after the building was taken over from the contractor that fire be kept going at all times during the winter, in order to prevent the heating and water system from freezing and also damage to the building.

The coal has to be delivered in sacks, as this is the only way it can be handled owing to the difficulty in unloading at Bersimis. This coal has to be handled several times between the point of shipment and the school. I am informed by our engineer, who is familiar with the conditions, that the sacks are useless for further service by the time the coal is delivered in the bins. As a consequence, they are not returned, and therefore a refund for the amount charged is not obtainable.

Yours very truly,

D. C. SCOTT, *D.S.G.*

The Assistant Auditor General.

Vote 279, Indian Education: Suggesting Separate Appropriation for Erection or Purchase of New Schools

AUDITOR GENERAL'S OFFICE, May 23, 1924.

SIR,—Section 9 of the Public Works Act provides that the Minister of Public Works shall have the management, charge and direction of the following properties belonging to Canada: (*d*) The public buildings.

Section 10 provides that nothing in section 9 shall be deemed to confer upon the Minister of Public Works the management, charge or direction of such public works as are (*c*) by or under the authority of this Act or of any other Act of the Parliament of Canada, placed under the control and management of any other minister or department.

Section 35 provides that the Governor in Council may at any time transfer the management, charge and direction of any public work, or any power, duty or function with respect to any work or class of works, which is assigned to, or vested by statute in any minister or department, to any other minister or department.

As I have been unable to find anything in the Indian Act which can be interpreted as conferring upon the Superintendent General of Indian Affairs the management, charge or direction of the buildings erected for or occupied by the Department of Indian Affairs, I am of the opinion that under Section 9 the management, etc., of such buildings is with the Minister of Public Works unless formally transferred to the Superintendent General by the Governor in Council in accordance with section 35.

On March 23rd, 1923, I wrote you suggesting that in future, when preparing your estimates, you ask for separate votes (1) for the maintenance of existing schools and (2) for the erection or purchase of new schools; to which letter you replied on March 26th that careful consideration would be given to that suggestion. I find, however, on examining the estimates submitted to parliament for the current fiscal year that my suggestion was not acted upon.

As there thus appears to be no statutory authority for your department making any expenditure on account of the erection or maintenance of the buildings and as no formal transfer under the provisions of section 35 appears

at any time to have been made I am of the opinion that the practice of your department of making such expenditure is contrary to the provisions of the Public Works Act, and I have to ask that you seek to obtain the necessary authority to permit of your incurring such expenditure in future.

I am, sir, your obedient servant,

G. GONTHIER, *A.G.*

The Deputy Superintendent General of Indian Affairs.

DEPARTMENT OF INDIAN AFFAIRS, June 7, 1924.

DEAR SIR,—I have to acknowledge the receipt of your letter of the 23rd of May.

Your suggestion that when preparing our estimates we should ask for separate votes (1) for the maintenance of existing schools, and (2) for the erection or purchase of new schools, was, I regret to say, overlooked, but I am asking my Chief Accountant to take note that the estimates should be prepared in this manner for next year.

Yours very truly,

D. C. SCOTT, *D.S.G.*

The Auditor General.

Casual Revenue: Transfer of Yacht "Roamer" to Royal Military College, for Consideration of one Dollar

AUDITOR GENERAL'S OFFICE, November 24, 1924.

SIR,—Among the amounts deposited by your department to the credit of Casual Revenue during the fiscal year 1923-24 I find an amount of $1, deposited on June 7th, 1923, as having been received from the Commandant of the Royal Military College, Kingston, on account of the purchase price of the yacht *Roamer*.

This boat was, I find, purchased by your department during the fiscal year 1918-19, for the use of Inspector C. C. Parker, at the cost of $3,000.

As there is such a striking difference between the original cost of the boat and the merely nominal sum for which it was transferred to the Royal Military College, I have to ask for the full particulars connected with the use of this boat and with its transfer to the Military authorities. I have also to ask if any special authority was obtained for the transfer.

I am, sir, your obedient servant,

WM. KEARNS, *Asst. A.G.*

The Deputy Superintendent General of Indian Affairs.

DEPARTMENT OF INDIAN AFFAIRS, November 26, 1924.

SIR,—In reply to your letter of the 24th instant respecting the yacht *Roamer*, I have to say that it was transferred to the Dominion Parks Branch of the Department of the Interior in October, 1920, and that Department transferred it, through the Purchasing Commission of Canada, to the Royal Military College, Kingston. On the 26th June, 1923, the Dominion Parks Branch of the Department of the Interior wrote this Department as follows:—

"Enclosed herewith is draft for $1 from Kingston deposited by the Commandant of the Royal Military College to cover the purchase of the *Roamer*.

"Although this boat was not secured directly from you by the Royal Military College, this transfer is being put through in order that the requirements of the Department of Marine and Fisheries may be more readily met than by having a transfer from your Department to this Department and from this Department to the Royal Military College. (Sgd.) J. B. Harkin, Commissioner".

Your obedient servant,

J. D. McLEAN, *Asst. Deputy and Sec'y.*

Greater Production Account: Payment to H. S. Watwood for Share of Crop and Threshing expenses, Blackfoot Reserve

AUDITOR GENERAL'S OFFICE, October 6, 1924.

SIR,—Cheque No. 23995, issued by Mr. W. M. Graham, Commissioner at Regina, and charged against his Greater Production account, is for a payment of $579.10 to H. S. Watwood "for share of crop and amount due for threshing". The only information I have in connection with this payment is Mr. Watwood's receipt as above.

One of the Greater Production farms on the Blackfoot reserve appears to have been rented to Mr. Watwood on a crop lease basis. I should like to have full particulars with regard to the agreement entered into with Mr. Watwood as regards the sowing, harvesting, threshing and marketing the crop. Full particulars of this payment should be furnished me showing what part of it was for Watwood's share of the crop, and what part was for Mr. Graham's share of the cost of the threshing. A detailed statement should also be furnished by Mr. Watwood of the cost of the threshing.

I am, Sir, your obedient servant,

WM. KEARNS, *Asst. A.G.*

The Deputy Superintendent General of Indian Affairs.

DEPARTMENT OF INDIAN AFFAIRS, October 27, 1924.

SIR,—With reference to letter of the 6th instant, in which particulars were requested regarding operations carried on by Mr. H. S. Watwood, on one of the Greater Production Farms on the Blackfoot Reserve, I beg to transmit for your information copy of a report made in the matter by Mr. W. M. Graham, Indian Commissioner, Regina. The statement referred to by Mr. Graham is transmitted also. I trust that you will find the information furnished satisfactory.

Your obedient servant,

J. D. McLEAN, *Asst. Deputy and Sec'y.*

The Assistant Auditor General.

DEPARTMENT OF INDIAN AFFAIRS, REGINA, October 16, 1924.

SIR,—I am in receipt of your letter of October 8, No. 427,063-104B, in connection with a letter which you received from the Assistant Auditor General respecting the payment of $579.10 made to Mr. H. S. Watwood for a share of crop on the Blackfoot Reserve.

I wish to inform you that Mr. Watwood was our foreman at the Greater Production Farm on the Blackfoot Reserve in 1922, and during that summer a section of land was summer-fallowed by our outfits. In the fall of that year the Greater Production Farm at this point was shut down, and the stubble land was all leased. Mr. Watwood was given a lease on the section that was summer-fallowed, and as we had been put to a great deal of expense summer-fallowing this land during the summer, it was only right that we should receive something in return for this work. The arrangement was that he was to supply one-half of the seed and we were to supply the other half. We were to receive fifty per cent of the crop as our share, and as he owned his own threshing machine we were to pay him seven cents per bushel for our share of the crop. These arrangements were made in this office, and covered the season of 1923.

During the summer of 1923, the crop was very badly hailed and in July it looked as if it was going to be a total failure. There were, however, a few patches that we cut with a binder, and threshed, and the total proceeds amounted to 1,493 bushels and 30 pounds. This grain was sold to the Alberta Pacific Grain Company, and the total amount received from them was $1,054.82, which sum was handed to our Agent, Mr. Gooderham, forwarded by him to this office and credited through the cash book in the regular way.

Mr. Watwood was entitled to $527.41 or 50 per cent, of the $1,054.82. He was also entitled to seven cents per bushel for threshing our half of the grain, and was paid according to what his machine registered, which was 1,477 bushels. Our half of that amount was 738½ bushels at 7 cents amounting to $51.69.

I note what the Assistant Auditor General says that a detailed statement should also be furnished by Mr. Watwood as to the cost of threshing. It would be impossible for Mr. Watwood to give any further statement than the enclosed. The cost of threshing runs anywhere from 12 cents to 20 cents per bushel, which is the going price all over western Canada. You will see that this was a special arrangement that he was to thresh the grain for 7 cents a bushel, which is much lower than the prevailing price of threshing in the West.

I am herewith attaching a statement and I trust you will find it in order, and that it will be satisfactory to the Asst. Auditor General.

Your obedient servant,

W. M. GRAHAM, *Indian Commr.*

The Secretary, Department of Indian Affairs, Ottawa.

Regina Warehouse Account: Parliamentary Authority required for its Continuance

AUDITOR GENERAL'S OFFICE, April 30, 1924.

SIR,—I am in receipt of a copy of an Order in Council of March 7, 1924 (P.C. 33/378) setting forth that Mr. W. M. Graham, Indian Commissioner at Regina, had on deposit, on December 31, 1923, the amount of $21,700, being the proceeds arising from the sale of miscellaneous clothing and other merchandise transferrd from the Department of National Defence and from the Department of Soldiers' Civil Re-Establishment.

This Order provides that, when the amount has been deposited to the credit of the Receiver General, an equal amount shall be inserted in the estimates as a grant to be expended in the interests of the Indians as the Governor in Council may from time to time approve.

It has already been pointed out to you in our letter of December 4, 1922, that the procedure followed in disposing of these stores was not in accordance with the provisions of the Consolidated Revenue and Audit Act, which requires

that all public moneys be deposited to the credit of the Receiver General. There is no authority that I can find for the creation of a special fund of this nature.

The depositing of the balance on hand on December 31, does not legalize the course that has been followed in the past, nor does it close this Account. A large quantity of goods are still on hand in the warehouse at Regina, and returns received from Mr. Graham for the first three months of the present calendar year show that goods are still being received and being sold by Mr. Graham.

If it is your desire that the disposal of these stores be conducted in the future in the same manner as in the past, special parliamentary authority so to do should be obtained at the present session of parliament. Otherwise the account should be closed forthwith, all moneys on hand should be deposited to the credit of the Receiver General and all goods on hand be transferred to the Chief Salvage Officer to be disposed of by him.

I am, Sir, your obedient servant,

WM. KEARNS, *Asst. A.G.*

The Deputy Superintendent General of Indian Affairs.

DEPARTMENT OF INDIAN AFFAIRS, June 7, 1924.

DEAR SIR,—I have to acknowledge the receipt of your letter of the 30th April with reference to the Warehouse Account of the Indian Commissioner at Regina.

As you are aware, $21,700 has been deposited to the credit of the Receiver General. No special fund can be created without the authority of Parliament, and this has not yet been obtained. I will draw my Minister's attention to the closing paragraph of your letter, which refers to the necessity for special parliamentary authority in this regard.

Yours very truly,

D. C. SCOTT, *DS.G.*

The Assistant Auditor General.

Regina Warehouse Account: Inquiry as to Stock-taking

AUDITOR GENERAL'S OFFICE, June 26, 1924.

SIR,—In the report submitted to me by Mr. J. W. Reid of this office on his examination during the summer of 1923, into Mr. W. M. Graham's Warehouse Account, he states as follows:—

> "I learned that no regular stock-taking had been made since February, 1921, and as since that date a large quantity of goods has been received at and issued from the Warehouse, there are likely to be considerable discrepancies, although I would judge the warehouse man to be a competent and trustworthy man. I recommended to Mr. Graham that a complete stock-taking be made as soon as possible, by responsible officers, that all worthless articles be destroyed by them and written off, and that the stock books be adjusted to the result of such stock-taking; and that, after the actual stock on hand has thus been established, test audits of the stock-in-hand be made at frequent intervals by checking each time a number of items taken at random."

I should like to be informed as to whether a complete check of the stock in the Regina Warehouse has been made since Mr. Reid's visit of inspection, and

if such has been done please send a copy of any report that may have been made in connection therewith. If such check of the stock has not yet been made I would suggest that Mr. Graham be requested to have a complete verification of the stock made at the earliest possible date.

I am, Sir, your obedient servant,

Regina Warehouse Account: Amounts due by Employees and Others for Goods Purchased

AUDITOR GENERAL'S OFFICE, June 27, 1924.

SIR,—The books of account in connection with Mr. Graham's Warehouse Account at Regina, which were examined during the summer of 1923 by Mr. Reid of this office, showed that, in addition to a number of Indian agencies that were charged with the value of goods sent them for sale to the Indians, a number of Indian schools and of individuals were indebted for goods supplied them.

A number of these accounts have since been settled but there still remain a considerable number which so far as I can determine from the receipts, were not settled by the close of the fiscal year. A list of these accounts which appeared on the books on June 30, 1923, and which appear to be still unsettled accompanies this letter; a number of the names appearing on this list are those of employees of your department at Regina.

I should like to have a report from Mr. Graham on these outstanding accounts, showing why they have not been settled. I have also to ask for a list of outstanding accounts as on March 31, 1924.

I am, sir, your obedient servant,

WM. KEARNS, *Asst. A.G.*

The Deputy Superintendent General of Indian Affairs.

Indian Trust Fund, Province of Quebec Fund: Payment of long-standing Charges for Relief Supplies

AUDITOR GENERAL'S OFFICE, April 3, 1924.

SIR,—Indian Trust Fund cheque No. 6732 issued on January 8th, 1924, and charged against the Province of Quebec Fund is for the payment of $1,500 to J. T. Guite, Limited, of Maria, P.Q. "In full settlement of claim for supplies furnished Indians of Maria, P.Q."

The documents furnished in support of this claim consist of a number of typewritten copies of statements on your departmental form, evidently prepared in your department or in the Indian office at Maria. These statements show in detail the supplies claimed to have been issued during the years, 1918, 1919, 1920 and 1921 to various individual Indians of the Maria Indian Band. The total amount of the statements is $2,170.05 which may be sumarized as follows:—

Emergency Medical Relief	$ 84 49
Emergency Clothing Relief..	665 97
Emergency Food Relief..	1,419 59
	$2,170 05

Each separate statement bears the following certificate,

"Certified Correct

Charges fair and just,

J. D. CHÉNÉ,

Departmental Engineer."

From the fact of these statements being certified to by Mr. Chéné, I infer that he was instructed by you to investigate this claim, although his duties as departmental engineer would not ordinarily call upon him to make inquiries of this nature.

In connection with this payment I should like to be fully informed on the following points:—(1) Under what authority and on whose responsibility were these supplies furnished the Indians. (2) What evidence is there that these goods were actually received by the Indians. (3) What legal claim, if any, had J. T. Guite, Ltd., against your department for the goods supplied by him. (4) What application, if any, was received from J. T. Guite, Ltd., for payment for these supplies. (5) What evidence is there that no part of this claim had been previously paid, either by your department or otherwise. (6) On what basis was the amount of $1,500 as settlement in full arrived at.

In this connection I should like to be furnished with a copy of any report that may have been submitted by Mr. Chéné.

I am, sir, your obedient servant,

WM. KEARNS, *Asst. A.G.*

The Deputy Superintendent General of Indian Affairs.

DEPARTMENT OF INDIAN AFFAIRS, May 13, 1924.

DEAR SIR,—I have to refer to your letter of the 3rd ultimo with regard to the payment by this Department of an amount of $1,500 to Messrs. Guite & Co., general merchants of Maria, Quebec, for relief supplied to Indians of that reserve between 1918 and 1921. This firm submitted their accounts to the Department from time to time. In view of the fact that the Indian Agent had not reported on the matter it was considered necessary to have a careful investigation. Accordingly Mr. Chéné was sent to Maria for that purpose, being specially qualified therefor as a bilinguist. He found that the supplies in question were issued to the Indians, for the most part, under emergency conditions during the successive epidemics of influenza. I am not aware of any legal status that Messrs. Guite would have as against the Department with respect to these accounts. It is clear, however, that it was absolutely necessary that the supplies should be issued in order to alleviate distress and to save the lives of the Indians who were sick and destitute. The Department, therefore, could not view the matter in its strictly legal aspect, being concerned rather with the urgency of the conditions. In checking over the accounts Mr. Chéné passed only those items which seemed absolutely necessary. These the Department feels morally bound to recognize. It was with this proper discrimination that the amount of $1,500 was arrived at. The records of the

Department show that the accounts have not been paid previously and that there has been no duplication of payment.

I trust that this explanation of the matter will satisfy your requirements.

Yours truly,

D. C. SCOTT, *D.S.G.*

The Assistant Auditor General.

Indian Trust Fund: Payment for Medical Attendance during absence of Regular Medical Officer

AUDITOR GENERAL'S OFFICE, June 19, 1924.

SIR,—Indian Trust Fund cheque No. 3466, is for the payment of $20 to Dr. J. Rogers of Forest, Ont., for medical services rendered an Indian woman during the absence of Dr. McDonald, the regular medical officer, who was attending a medical convention at Toronto.

As Dr. McDonald is in receipt of an annual salary as Indian physician, should not he have made arrangements for his Indian patients being attended to during his absence without additional cost to the Indians or to your Department.

I am, sir, your obedient servant,

WM. KEARNS, *Asst. A.G.*

The Deputy Superintendent General of Indian Affairs.

DEPARTMENT OF INDIAN AFFAIRS, June 24, 1924.

SIR,—I beg to acknowledge the receipt of your letter of the 19th instant, pointing out that Dr. McDonald, under salary as medical attendant to the Indians of Kettle & Stony Point Band, should bear the cost of medical attendance which was necessary during his absence at a medical convention. In reply I would say that Dr. McDonald, as Medical Health Officer of the district attended the convention of that body with the knowledge of the Indian Agent, and an emergent case developed on the reserve so that Dr. Rogers had to be called in to save life.

It is not the practice of this Department to allow holidays to part time officers, but it is considered that Dr. McDonald in leaving his Indian patients for a few days to attend a medical convention should not be asked to pay for necessary attendance during his absence, as he would be in a better position to render efficient service from meeting with the members of his profession.

Had Dr. McDonald gone on a pleasure jaunt his absence would be regarded differently, but under the circumstances I consider the Department was quite justified in paying for the emergency case and not making the same a charge against Dr. McDonald's salary.

Dr. McDonald's salary is only $33.33 a month and to charge against this $20 for one case during his short absence would not be considered just or reasonable. The Department has found Dr. McDonald's services to the Indians under his care very satisfactory.

Your obedient servant,

J. D. McLEAN, *Asst. Deputy and Sec'y.*

The Assistant Auditor General.

Indian Trust Fund, Assiniboine Reserve: Repayment of Balance of Loan from Home Bank

AUDITOR GENERAL'S OFFICE, August 7, 1924.

SIR,—Indian Trust Fund Cheque No. 685, issued on April 20, 1923, is for the payment of $511 to the Home Bank of Canada, Sintaluta branch, for "Balance of loan from bank with interest, for purpose of paying for twine and threshing expenses, Assiniboine farmers, August 18 and September 17, 1920."

While this is all the information I have with regard to this loan, I infer that in 1920 a loan was affected from the Home Bank for the purpose of aiding the Indians in their farming operations, that the money so obtained was placed by the agent in a special or trust account and paid out therefrom without any report of such expenditure being made to this office, and that repayments were made to the bank from time to time from moneys collected from the Indians.

If the above inference is a correct one I should like to have a full statement of all the transactions connected with the loan in question; if it is not a correct inference kindly advise me of the actual facts of the case.

Kindly let me know under what authority this loan was effected, and if the present was an isolated case or if it is a general practice for the agents to obtain loans from the banks to enable the Indians to carry on farming or other operations.

I am, sir, your obedient servant,

WM. KEARNS, *Asst. A.G.*

The Deputy Superintendent General of Indian Affairs.

DEPARTMENT OF INDIAN AFFAIRS, August 15, 1924.

DEAR SIR,—In reply to your letter of the 7th instant, I beg to say that in August and September, 1920, Mr. Indian Agent Wilson, of Sintaluta, obtained loans aggregating $800.00 from the Home Bank in order that he might obtain twine and pay threshing accounts, etc., on behalf of Indians of the Assiniboine Reserve. He acted in the matter without the Department's knowledge, but he accounted for the transactions in his Agency cash book, as will be seen from the attached statement taken from his returns, which statement is supported by receipts herewith transmitted.

When the matter came to the Department's attention, payments totalling $406.46 had been made by the Agent to the Bank in refund of loans.

As it was doubtful when the Indians would be able to repay the balance of the money due, the Department informed Mr. Commissioner Graham, who had been written to in the matter, that the balance of loan should be retired without delay, and, consequently, a voucher No. 7275, for $511.00 was presented by Mr. Wilson and was paid by cheque No. 685 which was drawn against account No. 145.

When issuing instructions for the issue of the cheque, the Department requested Mr. Graham to notify all the Indian Agents in the Western Provinces that they must not negotiate loans through the Banks or in any other way in future. It was further stated that if funds are required to finance a project the whole matter should be laid before the Department with a definite recommendation. Mr. Graham acted upon these instructions.

So far as the Department is aware, loans from Banks have not been obtained by other Indian Agents.

Yours truly,

D. C. SCOTT, *D.S.G.*

The Auditor General.

Indian Trust Fund, Assiniboine Agency: Payment of Loss due to Failure of Home Bank

AUDITOR GENERAL'S OFFICE, August 7, 1924.

SIR,—Among the vouchers for the expenditure during the fiscal year 1923-24 on account of the Assiniboine Agency I find the following:—

R. D. Wilson, Agent, Transfer from personal account of unexpended balance of cheque No. 3, lost owing to the failure of the Home Bank of Canada—$68.15.

It appears that an advance of $175 was made to the Agent at the beginning of the fiscal year, which was deposited to his credit in the Home Bank. Cheques were drawn against this account from time to time for various expenses connected with the agency, and at the time of the failure of the Home Bank, a balance of $68.15 remained at the credit of the account. This accountable advance cannot be closed in this way, the unexpected balance must remain as arrears due by the Agent until such time as the necessary authority for writing it off is obtained.

Some months after the failure of the bank a dividend was paid the depositors of 25 per cent of the balance standing at their credit at the time of the failure, did the Agent take the necessary steps to obtain his proportion of this dividend.

I am, sir, your obedient servant,

WM. KEARNS, *Asst. A.G.*

The Deputy Superintendent General of Indian Affairs.

DEPARTMENT OF INDIAN AFFAIRS, September 3, 1924.

SIR,—Referring to your letter of the 7th August, bearing on transactions which were carried on at the Assiniboine Agency, in 1923-24, with the Home Bank of Canada, I beg to say that, in September, 1923 this Department informed the Department of Finance that the amount at credit of the Assiniboine Agency account with the said Bank, when it suspended payment, was $133.07, the said amount having been placed on deposit in the effect that in the event of the liquidation of the Bank, claim should be made to the Liquidator for the preference accorded under the Bank Act to Dominion deposits. It was further stated that in the meantime it might not be out of the way to advise the Curator of the nature of the deposit. Copy of the letter from the Department of Finance was sent to Mr. Indian Commissioner W. M. Graham, Regina, and he was requested to submit a statement in detail, showing to whom the funds—$133.07—belong. I enclose Mr. Graham's reply together with copy of the statement which he submitted. You will observe he stated that cheques totalling $46.40 were drawn against the account, but not cashed, and that cheques amounting respectively to $3.50, $5.00 and $8.95 were cashed by the payees at the Agency Office and held as cash on hand.

You have pointed out that some months after the failure of the bank, a dividend was paid to the depositors of 25 per cent of the balance standing at their credit when failure occurred, but I regret to say that Mr. Graham reports he did not communicate with the Finance Department and did not submit a claim to the Liquidator. Under circumstances, I shall be glad to be advised as to the course which you consider should now be pursued.

Yours truly,

D. C. SCOTT, *D.S.G.*

The Assistant Auditor General.

Indian Trust Fund, Blackfoot Indians: Payments to Baird Construction Company, Limited, for Erection of Small Hospital

AUDITOR GENERAL'S OFFICE, September 24, 1924.

SIR,—On July 10th, 1923, an Order in Council was passed awarding to the Baird Construction Company, Limited, the contract for the erection of a small hospital on the Blackfoot Indian reserve near Gleichen, Alberta, the amount of the contract being $22,425, of which $20,000 was, with the consent of the band, to be paid from the Capital funds at the credit of the Blackfoot Indians.

From the accounts rendered on the completion of the work I find that in addition to being paid the full contract price the contractor was allowed $13,282.20 for extras. As the amount allowed for extras added approximately 60 per cent to the original contract price for the building, it seems to me either that the original specifications were very incomplete or that extensive alterations were made in the plans after the contract was entered into. Among the extras, which appear to have been charged on the basis of cost plus 10 per cent, I find an amount of $7,196.82 for a power house and electric systems; as this exceeds $5,000 I consider that according to the provisions of the Public Works Act, tenders should have been asked for this work unless there was some special reason for proceeding with it without calling for tenders.

In addition to the documents which I already have in connection with this work I have to ask to be supplied with a copy of the specifications and also with copies of any authorization to proceed with the extra works which may have been issued to the contractors by your department.

I notice that although the Order in Council provides that $20,000 of the original contract price may be paid from the Capital funds of the Blackfoot Indians, the whole cost of the work, including the extras, has been charged against the Interest moneys of the Band. Should not $20,000 of the cost be transferred to the Capital account.

I am, sir, your obedient servant,

WM. KEARNS, *Asst. A.G.*

The Deputy Superintendent General of Indian Affairs.

DEPARTMENT OF INDIAN AFFAIRS, October 14, 1924.

SIR,—In reply to your letter of the 24th September last, respecting the construction of a small hospital on the Blackfoot Reserve, I beg to say in regard to the items mentioned in the second paragraph thereof that it was more economical to have the work done in accordance with the arrangements made than to invite tenders from outside, and I am attaching hereto copies of the memoranda with reference to this matter, also a copy of the specifications asked for.

In regard to the last paragraph of your letter, I beg to say that through inadvertence this expenditure was charged to Interest Account, but it has been transferred to Capital Account.

Your obedient servant,

D. C. SCOTT, *D.S.G.*

The Auditor General.

DEPARTMENT OF INDIAN AFFAIRS, September 10, 1923.

MEMORANDUM.—In connection with the new hospital being built on the Blackfoot Indian Reserve, for which the contract has been awarded to the Baird Construction Co. of Calgary, a septic tank is required for the sewage dis-

posal system. No provision was made for same in the original plans and specifications, as the exact location of the building had not been determined at the time they were prepared.

Our Inspector of Construction was communicated with and asked to furnish the Department with a sketch showing the location of the proposed septic tank. Plans and specifications were prepared and the estimated cost of carrying out the work complete would be approximately $1,800. It is proposed to have this work done by the general contractors on a proven cost plus ten per cent basis, and I would ask your approval of this expenditure.

J. D. McLEAN, *Act. D.S.G.*

Honourable CHARLES STEWART, Interior Department.

DEPARTMENT OF INDIAN AFFAIRS, September 18, 1923.

MEMORANDUM.—In connection with the new hospital building now being erected on the Blackfoot Indian Reserve, it will be necessary to install a water supply system also an electric generating outfit for the supplying of electric current to the hospital and also it is proposed to connect up and supply electric current from this plant to the agency buildings.

Plans and specifications were prepared for this work, and the cost of same will be approximately $6,000. I propose with your approval, to have the work carried out by the Baird Construction Co. who are the general contractors for the building, on a proven cost plus ten per cent basis.

In the installing of the electric lighting plant, it is proposed to use a Lister Bruston engine and generator. This is a very high class equipment and is entirely automatic in operation. With this system, the life of the storage battery, which is a great item of expense in lighting plants, is considerably lengthened as this plant is fully automatic and as soon as a certain discharge rate is reached on the battery, the plant automatically starts up, taking care of the lighting load and also charging the battery. The pump used for pumping water will be connected to the same engine that is used for generating electric current.

Indian Trust Fund: Information Requested with regard to Moneys Collected at Regina by Commissioner W. M. Graham

AUDITOR GENERAL'S OFFICE, April 9, 1924.

SIR,—In connection with the examination of the revenue of the Indian Trust Fund for the fiscal year 1923-24, I have to request that you furnish me with copies of any statements sent in by Mr. Graham, Indian Commissioner at Regina, in connection with his monthly remittances to your department of moneys collected by him on account of grazing and other leases, on account of payments on land sales, or on any other account.

Are official receipts issued by Mr. Graham for the moneys collected by him? If so, copies or counterfoils of these reports should be sent in by him to your department and transmitted by your department to this office. If no receipts have been issued in the past Mr. Graham should be supplied with official receipt books, and copies of every receipt should accompany his returns.

In future these statements and receipts should accompany the monthly revenue returns sent this office.

I am, sir, your obedient servant,

G. GONTHIER, *A.G.*

The Deputy Superintendent General of Indian Affairs.

DEPARTMENT OF INDIAN AFFAIRS, May 13, 1924.

SIR,—In reply to your letter of the 9th instant, I beg to say that, as requested, I am sending you File No. 427063-104 X A with the monthly cash statements received from Mr. W. M. Graham, Indian Commissioner at Regina, covering collections made on account of grazing leases, which please return to me after examination by your officials. The Department has not received any statements from Mr. Graham in connection with land, or other sales, which have not been sent monthly to your office. In regard to the inquiry as to whether official receipts are issued by Mr. Graham for the moneys collected by him, I may say that Mr. Graham has not issued any such receipts, but he has now been supplied with official receipt books, together with full instructions as to how his revenue return should be made up monthly and forwarded to the Department with copies or counterfoil of receipts issued by him attached thereto. In future this revenue return will take the place of the cash statements that he has been forwarding in connection with grazing leases.

Your obedient servant,

D. C. SCOTT, *D.S.G.*

The Auditor General.

Indian Trust Fund, Revenue: Asking for List of all Leases

AUDITOR GENERAL'S OFFICE, April 9, 1924.

SIR,—In connection with the examination of the revenue of the Indian Trust Fund I have to request that you furnish me with a list of all leases of Indian lands for grazing or farming or for any other purposes that were in force on April 1st, 1923, with full particulars as to the terms of the leases, when granted, and the period for which they were granted, together with a statement of all payments made on account of such leases up to date.

I should also like a similar statement with regard to Indian lands that have been sold and which had not been fully paid for on April 1st, 1923.

I am, sir, your obedient servant,

G. GONTHIER, *A.G.*

The Deputy Superintendent General of Indian Affairs.

NOTE.—No reply had been received to the above letter up to the time of printing.

Trust Fund Revenue: Payments for Services of Crop Inspector from Proceeds of Crop Share Leases.

AUDITOR GENERAL'S OFFICE, May 20, 1924.

SIR,—According to Mr. Commissioner Graham's statements of his Grazing Leases Account, Mr. G. H. Gooderham, agent at the Blackfoot Indian Reserve, collected $5,662.52 in the month of January, 1924, on account of crop share leases. Of this amount he remitted $5,312.52 to Mr. Graham, the difference of $350 being paid to Mr. T. Henderson for $3\frac{1}{2}$ months' services as crop inspector from August 16th to November 30th.

This procedure, in my opinion, is at variance with section 37 of the Consolidated Revenue and Audit Act, which requires all officers to pay over the gross revenue to the account of the Receiver General. Mr. Gooderham should have remitted to Mr. Graham, for transmission to your department, the whole

amount collected by him, and after Mr. Henderson's employment had been properly authorized, a departmental cheque, chargeable against the Blackfoot Trust fund, should have been issued in payment of his services.

I am, sir, your obedient servant,
WM. KEARNS, *Asst. A.G.*

The Deputy Superintendent General of Indian Affairs.

NOTE.—No reply had been received to the above letter up to the time of printing.

Trust Fund Revenue: Information desired in connection with Leases on a Crop Share Basis

AUDITOR GENERAL'S OFFICE, May 20, 1924.

SIR,—I notice from the statements of Mr. Commissioner Graham's Grazing Leases Account which were sent me recently that a number of the leases, especially of land on the Blackfoot reserve, appear to be on a crop share basis.

I understand that in such cases the whole cost of sowing, cultivating and harvesting the crop is borne by the lessee, and that a certain proportion of the crop reverts to your department as rental for the land occupied, to be placed to the credit of the band of Indians to whom the land belongs.

I should be glad to have this system of crop share leases more fully described, especially along the line of the following queries: What proportion of the crop reverts to the department? What check has the department on the amount harvested? Is the whole crop marketed by the lessee and the department's share paid in cash, or does the department receive its share in grain? Is the department's share payable immediately after threshing operations are completed, or only after all the grain has been marketed? Is any provision made in the crop leases for the carrying of hail insurance by the lessee?

I am, sir, your obedient servant,

Vente de bétail et d'outillage, Ecole industrielle de Dunbow (St-Joseph)

(Suite de la correspondance à la page I—255, Rapport de 1922-23)

MINISTÈRE DES AFFAIRES INDIENNES, 3 janvier 1924.

CHER M. KEARNS.—J'accuse réception de votre lettre du 28 décembre dernier, relativement à la vente des biens de l'école industrielle (Dunbow) St-Joseph, au cours de l'exercice 1922-23.

En réponse, je vous ferai remarquer qu'au mois de décembre 1922 on a déposé la somme de $6,026.79 à Ottawa—compte de fiducie N° 449. Ce montant représente le produit de la vente du bétail et de l'outillage de l'école. Les Pères Oblats et les Sœurs Grises, qui se sont occupés conjointement de l'administration et de la direction de l'institution pendant plusieurs années, sont les seuls créanciers de l'école industrielle Dunbow avec lesquels un règlement n'a pas été effectué au moment de la vente. Je ne pouvais pas autoriser l'inspecteur du ministère à payer les arrérages de salaires, jusqu'à ce qu'on m'ait transmis un état de la situation financière de l'école. Le commissaire des Indiens à Regina m'a remis sur demande, le produit de la vente et le rapport de notre inspecteur, qui fit une vérification soignée des livres de l'école.

Dans le cas des Sœurs Grises les salaires impayés se chiffrent à $1,225.18. Cette somme représente le salaire de plusieurs sœurs, et n'a pas été payé depuis le 1er avril 1914 pour certaines d'entre elles.

Au sujet des arrérages de salaire dus aux Pères Oblats, je vous ferai remarquer qu'on a employé trois frères de cet Ordre à cette école pendant plusieurs années,—le principal et deux frères convers. Un rapport d'inspecteur, remontant à quelques années, démontre que le 1er avril 1914 on devait une somme de $857.29 au Principal en arrérages de salaire. Lorsqu'on ferma l'institution en 1922, notre inspecteur fit une vérification soignée des livres et constata qu'on devait d'autres arrérages se chiffrant à $3,466.90. aux Pères Oblats, ce qui fait un total de $4,324.19 dans le cas des Pères Oblats.

J'espère que vous serez satisfait de cette explication au sujet des chèques N°s 8399 et 8402, tirés sur le compte de fiducie N° 449 et dont il est question dans votre lettre. Vous trouverez ci-inclus le rapport de notre inspecteur et une lettre de M. le commissaire Graham sur cette question. Je vous prie de les retourner au département lorsque vous en aurez pris connaissance.

J'ajouterai que j'étais au courant du mauvais état financier de l'école industrielle Dunbow depuis quelques années. Cette institution était considérable et prospère autrefois, mais le nombre des élèves diminua au point que les recettes par tête ne couvraient plus les dépenses courantes. Pendant assez longtemps les religieux chargés de l'administration ne touchèrent qu'une partie de leurs salaires, pour essayer de maintenir l'institution dans un état de solvabilité.

Bien à vous,

D. C. SCOTT, *S.S.G.*

L'Auditeur général adjoint.

BUREAU DE L'AUDITEUR GÉNÉRAL, 6 février 1924.

MONSIEUR,—J'accuse réception de votre lettre du 3 janvier dernier, ainsi que la copie du rapport de M. l'inspecteur Murison sur la fermeture de l'école industrielle Dunbow (St-Joseph).

Je désire vous faire remarquer que la procédure suivie lors de la fermeture de cette école n'est pas, à mon avis, tout à fait conforme aux dispositions de la Loi du Revenu consolidé et de l'Audition, du moins en ce qui concerne les questions de finance. M. Murison disposa des effets de cette école, soit par vente ou

distribution entre les autres écoles indiennes, et s'appropria les produits de la vente pour payer tous les comptes dus par l'école à l'exception des arrérages de salaires dus au principal et aux Sœurs Grises. D'après l'état transmis avec le rapport de M. Murison, il appert qu'il a réalisé la somme totale de $7,554.40 et qu'il a payé la somme de $1,527.61, laissant un solde de $6,026.79 que l'on a remis au Commissaire Graham, qui, à son tour, l'a transmis à votre ministère. L'article 35 de la Loi du Revenu consolidé et de l'Audition stipule que tous les deniers publics, quelle qu'en soit la source, devront être versés au crédit du compte du ministre des Finances et Receveur général; l'expression "deniers publics" est clairement définie à l'article 2 (a) de la même loi. M. Murison aurait dû, conformément à ces dispositions, transmettre à votre ministère le plein montant perçu pour qu'on le dépose au crédit du Receveur général, et payer les comptes en souffrance de la manière ordinaire au moyen de votre lettre de crédit. On aurait pu faire une avance à M. Murison à même votre crédit, pour lui permettre de régler les petits comptes qu'il fallait payer sur le champ.

Je constate que M. Murison n'a pas fourni de pièces pour justifier son état de compte; on devrait lui demander de fournir des états de compte détaillés et des reçus pour chacun des déboursés.

Dans le dernier rapport financier de l'école pour la période comprise entre le 1er avril et le 31 octobre 1922, on trouve que la somme de $4,613.22 a été payée en salaires. Les états des arrérages de salaires indiquent que les sommes suivantes ont été payées en salaires au cours de cette période.

Principal, 31 août	$ 500.00	
18 septembre	600.00	
31 octobre	1,000.00	
		2,100.00
Sœurs Grises, 17 octobre		1,367.22
Total		$3,467.22

Je désirerais savoir quels salaires sont compris dans le solde de $1,146. J'ajouterai que le Frère Thomas Morkin, instructeur agricole, et le Frère John Morkin, mécanicien et charpentier, ont reçu $440 chacun de M. Murison le 24 novembre, soit huit mois de salaire au 30 novembre à $55 par mois.

Je vous renvoie le rapport de M. Murison avec la présente.

Je suis, monsieur, votre obéissant serviteur,

WM. KEARNS, *A.G. adj.*

Le sous-surintendant général des Affaires indiennes.

DÉPARTEMENT DES AFFAIRES INDIENNES 22 février 1924.

MONSIEUR,—J'accuse réception de votre lettre du 6 courant, au sujet de la fermeture du pensionnat indien (St-Joseph) de Dunbow au cours de l'exercice 1922-23. Je constate qu'à votre avis, le règlement de la situation financière de cette institution ne s'est fait en stricte conformité avec les dispositions de la Loi du Revenu consolidé et de l'Audition. Je vous ferai remarquer que les autorités religieuses reçoivent une somme fixe par élève pour leur administration, et que quelquefois elles doivent ajouter aux crédits parlementaires affectés aux dépenses du capital et courantes des pensionnats indiens d'Etat. Dans ces circonstances, les deniers et les effets meubles de ces institutions sont-ils propriété publique?

On a considéré que le compte de banque, les récoltes, le bétail, les aliments, les vêtements et tout l'outillage étaient la propriété conjointe de l'Etat et de

l'Eglise. Dans le cas du pensionnat indien de Dunbow l'inspecteur Murison reçut instruction d'aider les autorités religieuses à fermer l'école afin que nos droits sur les biens meubles fussent sauvegardés. Notre représentant avait été averti de coopérer avec le Rév. Frère principal et de voir à ce que tous les comptes fussent payés. Tout outillage qui pouvait être utile aux autres pensionnats indiens dirigés par ce même Ordre dans le voisinage fut distribué gratis. Le reste des biens meubles fut vendu et les comptes de l'école, y compris les arrérages de salaires, ayant été payés, le solde, soit $477.42, fut déposé au compte du revenu casuel.

Lorsque M. Murison paya les comptes en souffrance, il télégraphia pour obtenir la permission de payer les arrérages de salaires. On apprit plus tard qu'ils se chiffraient à $5,549.37. Le Provincial de l'Ordre des Oblats avait demandé un peu avant cela la somme de $16,559.95 pour leurs droits sur la propriété. Dans les circonstances j'ai cru préférable, avant de payer ces arrérages, de faire faire une vérification par M. Murison qui doit me soumettre son rapport. En conséquence, j'ai donné instruction de déposer les fonds, dont vous avez fait mention, à un compte spécial.

Bien à vous,

D. C. SCOTT, *S.S.G.*

Commission du Service civil: Traitement d'un inspecteur de construction

Bureau de l'Auditeur général, 4 octobre 1924.

Monsieur,—J'attire votre attention à ma lettre du 21 décembre 1923, au sujet du traitement accordé d'après la classification à la position d'inspecteur de construction, et à votre réponse du 27 décembre 1923.

Vous dites dans votre réponse que ma manière de voir s'accorde avec celle des commissaires, à savoir: qu'une personne nommée à une position de cette catégorie à un traitement quotidien n'a droit à être payée que pour les jours où elle fait réellement des travaux d'inspection.

J'aimerais également à connaître l'opinion de la Commission sur un autre point touchant la rémunération des fonctionnaires de cette catégorie.

Le traitement mensuel attaché à cette position varie de $100 à $140, tandis que le traitement quotidien peut s'élever jusqu'à $7. Dois-je conclure de ces faits qu'un inspecteur touchant une rémunération quotidienne de $6 ou $7 par jour pourrait, s'il est employé continuellement, recevoir de $180 à $210 par mois; ou est-ce que le rémunération qu'il pourrait recevoir pendant un mois est limitée de quelque façon par les taux mensuels établis?

Je suis, monsieur, votre obéissant serviteur,

WM. KEARNS, *A.G. adj.*

Le secrétaire de la Commission du Service civil.

Note.—On n'avait pas reçu de réponse à la lettre susmentionnée au moment d'aller sous presse.

Certificats non satisfaisants sur reçus de paiements

Bureau de l'Auditeur général, 20 juin 1924.

Monsieur,—Le chèque n° 5315 tiré sur le compte de fiducie des Mississaugas représente le paiement d'une somme de $175 à Harvey Clark pour le jointoiement de la culée du pont sur le creek Boston. L'agent indien local a certifié le compte de la manière prescrite, on y trouve également des initiales au

crayon, probablement celles de quelques fonctionnaires de votre département, mais je suis incapable de déterminer à qui elles appartiennent.

L'article 55 de la Loi du revenu consolidé et de l'audition stipule que "Les sous-chefs des différents ministères, ou les employés, commis ou autres personnes chargées de la dépense des deniers publics font respectivement l'audition des détails des comptes des différents services en premier lieu, et sont responsables de l'exactitude de cette audition". Pour se conformer à cet article, chaque compte payé doit porter une indication définie que le ou les fonctionnaires responsables du département l'ont examiné et trouvé exact; et ces fonctionnaires devront signer ces certificats et ne pas se contenter de les initialer.

Je suis, monsieur, votre obéissant serviteur,

WM. KEARNS, *A.G. adj.*

Le sous-surintendant général des Affaires indiennes.

Rentes annuelles des Indiens: Solde non dépensé d'une avance qui n'a pas été remboursée par l'agent

BUREAU DE L'AUDITEUR GÉNÉRAL, 20 septembre 1924.

MONSIEUR,—Le chèque de rente, n° 1487, émis le 22 juin 1923 représente le paiement d'une somme de $850 à M. W. H. Lewis, agent des Indiens de l'agence du Témiscamingue, pour lui permettre de verser les rentes à la bande des Indiens de l'Abitibi.

D'après les bordereaux de paie présentés par M. Lewis, il distribua $752 aux Indiens, ce qui laisse un solde non dépensé de $98. Apparemment il n'a pas remboursé ce solde, et au bureau de votre comptable on m'apprend qu'on n'y a pas reçu cette somme, bien que M. Lewis ait fait son rapport final des rentes payées aux Indiens pendant l'exercice.

Veuillez m'informer des mesures prises pour recouvrer cette somme de M. Lewis.

Je suis, monsieur, votre obéissant serviteur,

WM. KEARNS, *A.G. adj.*

Le sous-surintendant général des Affaires indiennes.

MINISTÈRE DES AFFAIRES INDIENNES, 24 septembre 1924.

MONSIEUR,—En réponse à votre lettre du 20 courant au sujet des $98, solde de rentes, non distribué qui n'a pas été remboursé par M. W. H. Lewis, agent des Indiens, Témiscamingue-Nord, je vous ferai remarquer que le département a écrit deux fois à son agent à ce sujet. Nous lui avons fait savoir récemment que nous retiendrions son traitement s'il ne remboursait pas cette somme et ne réglait pas cette question immédiatement. S'il n'a pas fait ce remboursement d'ici à la fin du mois, nous retiendrons ce montant sur son traitement.

Votre obéissant serviteur,

J. D. McLEAN, *S.S.G. intérimaire.*

L'Auditeur général.

Crédit 274, Indiens d'Ontario et de Québec: Surpaye de traitement à J. R. McGregor, agent des Indiens

BUREAU DE L'AUDITEUR GÉNÉRAL, 5 février 1924.

MONSIEUR,—Le 24 décembre dernier on a adopté un arrêté en Conseil (C.P. 60/2521), basé sur un rapport de la Commission du Service civil, accordant la

permanence à un certain nombre de fonctionnaires du ministère des Affaires indiennes à partir du 1er avril 1923.

Au nombre des fonctionnaires ainsi nommés permanents je trouve le nom de J. R. McGregor, agent des Indiens, classe 4, à Gore Bay, Ontario. M. McGregor fut nommé agent le 4 juillet 1916, à un traitement de $800 et toucha ce même traitement jusqu'à l'époque de la reclassification. Sa position fut alors classifiée comme agent des Indiens, classe 4, et son traitement fut porté à $1,440 à partir du 1er avril 1919, soit au minimum de sa classe. Le traitement de M. McGregor resta à ce chiffre jusqu'au 1er avril 1922, lorsqu'on le porta à $1,560 (l'étape suivante) en vertu d'un certificat émis par la Commission du Service civil le 11 mai 1922. Le 1er avril 1923 son traitement fut de nouveau augmenté et porté à $1,680 en vertu d'un certificat émis le 21 février 1923.

Je vous ferai remarquer que M. McGregor n'avait pas droit aux augmentations accordées le 1er avril 1922 et le 1er avril 1923, à mon avis, s'il n'était que fonctionnaire temporaire jusqu'au moment où on adopta l'arrêté en Conseil, soit le 24 décembre 1923, et qu'en conséquence sa nomination ne devrait comporter que le traitement auquel il a légalement droit, à savoir, $1,440.

Je suis, monsieur, votre obéissant serviteur,

WM. KEARNS, *A.G. adj.*

Le secrétaire de la Commission du Service civil.

COMMISSION DU SERVICE CIVIL, 11 février 1924.

MONSIEUR,—J'accuse réception de votre lettre du 5 courant au sujet de M. J. R. McGregor, agent des Indiens, classe 4, à Gore Bay, Ont. La Commission du Service civil a approuvé les augmentations en vigueur à partir du 1er avril 1922 et du 1er avril 1923 dont il est question dans votre lettre, parce qu'elle croyait que M. McGregor était permanent au sens donné à cette expression par le ministère de la Justice. Le ministère des Affaires indiennes avait informé la Commission que tous les agents des Indiens avaient été nommés régulièrement à des positions permanentes par les autorités compétentes.

La Commission avait approuvé les augmentations de traitement lorsqu'elle apprit que M. McGregor n'était que temporaire; en effet elle apprit la chose lorsque le ministère lui demanda de le nommer permanent en vertu des dispositions du C.P. 2958. Vu que M. McGregor ne peut être considéré que comme temporaire jusqu'au moment des nominations permanentes en bloc, je suis de votre avis que les augmentations de traitement accordées le 1er avril 1922 et le 1er avril 1923 n'étaient pas légalement autorisées aux termes de la loi du Service civil, et qu'en conséquence M. McGregor n'avait droit qu'à un traitement de $1,440 par année en étant nommé permanent.

Je suis, monsieur, votre obéissant serviteur,

WM. FORAN, *secrétaire.*

L'Auditeur général adjoint.

BUREAU DE L'AUDITEUR GÉNÉRAL, 19 février 1924.

MONSIEUR,—Le 24 décembre dernier on a adopté un arrêté en Conseil (C.P. 60/2521), basé sur un rapport de la Commission du Service civil, accordant la permanence à un certain nombre de fonctionnaires du ministère des Affaires indiennes, à partir du 1er avril 1923. Au nombre des fonctionnaires ainsi nommés permanents je trouve le nom de J. R. McGregor, agent des Indiens, classe 4, à Gore Bay, Ont.

M. McGregor fut nommé agent le 4 juillet 1916, à un traitement de $800 et toucha ce même traitement jusqu'à l'époque de la reclassification. Sa position fut

alors classifiée comme agent des Indiens, classe 4, et son traitement fut porté à $1,440 à partir du 1er avril 1919, soit au minimum de sa classe. Le traitement de M. McGregor resta à ce chiffre jusqu'au 1er avril 1922, lorsqu'on le porta à $1,560 (l'étape suivante) en vertu d'un certificat émis par la Commission du Service civil le 11 mai 1922. Le 1er avril 1923 son traitement fut de nouveau augmenté et porté à $1,680 en vertu d'un certificat émis le 21 février 1923.

Je fis remarquer au secrétaire de la Commission du Service civil que M. McGregor n'avait pas droit aux augmentations accordées le 1er avril 1922 et le 1er avril 1923, à mon avis, puisqu'il n'était que fonctionnaire temporaire jusqu'au 24 décembre lorsqu'on adopta l'arrêté en Conseil, et qu'en conséquence sa nomination permanente ne devrait comporter que le traitement auquel il a légalement droit, à savoir, $1,440; et celui-ci me répondit comme suit:

"La Commission avait approuvé les augmentations de traitements lorsqu'elle "apprit que M. McGregor n'était que temporaire; en effet elle apprit la chose "lorsque le département lui demanda de le nommer permanent en vertu des "dispositions du C.P. 2958. Vu que M. McGregor ne peut être considéré que "comme temporaire jusqu'au moment des nominations permanentes en bloc, je "suis de votre avis que les augmentations de traitement accordées le 1er avril 1922 "et le 1er avril 1923 n'étaient pas légalement autorisées aux termes de la loi du "Service civil, et qu'en conséquence M. McGregor n'avait droit qu'à un traitement "de $1,440 par année en étant nommé permanent."

Je serais heureux de savoir ce que vous avez l'intention de faire dans ce cas.

Je suis, monsieur, votre obéissant serviteur,

WM. KEARNS, *A.G. adj.*

Le sous-surintendant général des Affaires indiennes.

MINISTÈRE DES AFFAIRES INDIENNES, 9 mai 1924.

MONSIEUR,—Relativement à votre lettre du 19 février dernier concernant le traitement payé à M. J. R. McGregor, agent des Indiens à Gore Bay, Ont., depuis le 1er avril 1922, je vous ferai remarquer que nous avons discuté la question avec la Commission du Service civil, et que de concert avec elle nous avons soumis un mémoire au Conseil du Trésor recommandant que la permanence de M. McGregor date du 1er avril 1921. Le secrétaire du Conseil du Trésor m'apprend que celui-ci, à une réunion tenue le 1er du mois courant, a étudié notre recommandation et qu'il a décidé que les effets de telles recommandations ne seraient rétroactifs qu'au premier avril de l'exercice en cours et, en conséquence, il n'a pas recommandé l'adoption de notre requête au Conseil.

Par suite de la décision du Conseil du Trésor, M. McGregor a reçu $120 de trop au cours de l'exercice 1922-23, $240 en 1923-24 et $20.00 pour le mois d'avril de l'exercice présent, ce qui fait un total de $380.00 au 31 avril dernier. Cependant d'un autre côté M. McGregor aurait eu droit à $59.00 de plus en allocation de vie chère pour 1922-23 et à $110.00 de plus pour 1923-24, ce qui fait un total de $170.00. Si vous déduisez cette somme des $380.00, M. McGregor a reçu en tout $210.00 de trop. Cependant je comprends qu'on ne peut pas tirer sur le crédit des allocations de vie chère de l'année courante pour payer les allocations de l'année précédente, et ainsi il ne nous est pas loisible de diminuer la surpaye en puisant à cette source.

Comme le remboursement de ces $380.00 embarrasserait sérieusement M. McGregor, et comme il n'est aucunement responsable de cette erreur, j'espère qu'on trouvera une solution le relevant de cette obligation.

Votre obéissant serviteur,

Crédit 274, Indiens de Québec et d'Ontario. Paiements pour services spéciaux à un médecin recevant un traitement

BUREAU DE L'AUDITEUR GÉNÉRAL, 3 mai 1924.

MONSIEUR,—Le docteur W. H. Woods, de Mount-Bridges, Ont., occupe depuis quelques années la position de médecin des Indiens, qui le tient occupé une partie du temps et pour laquelle il reçoit un traitement de $1,700 par année. Durant les exercices 1922-23 et 1923-24, on lui a payé les sommes suivantes, en sus de son traitement, pour des services professionnels spéciaux qu'il a rendus aux Indiens:

1922-23, chèque n° 938 crédit d'Ontario et Québec..	$180.50
1922-23, chèque n° 267, crédit de l'enseignement..	76.00
1923-24, chèque n° 1056, crédit de l'enseignement..	150.00
Total..	$406.50

La classification se lit comme suit, relativement au traitement des médecins:

"Traitement. Jusqu'à $175 par mois pour service intermittent, subordonnément au temps requis, à la population et aux conditions de la région dont il s'agit. Pour le moment, les taux en cours seront maintenus; lors d'une nouvelle nomination, ou dans le cas où un remaniement se ferait, la valeur des services à rendre sera déterminée par le ministère et la Commission du Service civil." C'est pourquoi je crois que ces paiements additionnels au traitement n'auraient pas dû être faits au docteur Woods sans l'approbation de la Commission du Service civil.

Votre humble serviteur,

Wm. KEARNS, *A.G. adj.*

Au Surintendant adjoint des Affaires indiennes.

REMARQUE.—On n'avait pas encore répondu à cette lettre au moment de l'impression du présent rapport.

Crédit 275, Indiens du Manitoba, etc.: Paiements faits par un agent des Indiens avant d'avoir reçu les fonds du ministère

BUREAU DE L'AUDITEUR GÉNÉRAL, 13 février 1924.

MONSIEUR,—Le 23 avril 1923, on émit le chèque n° 51, au montant de $400, imputable sur le crédit du Manitoba et du Nord-Ouest, en faveur de R. E. Osborn, agent des Indiens à Broadview, "en fidéicommis" pour des réparations à la résidence de l'agent de Crooked-Lake. M. Osborn reçut ce chèque le 28 avril et le déposa le même jour, je suppose, au crédit de son compte de "fidéicommis". D'après les reçus présentés par M. Osborn pour justifier ses déboursés de ce chef, il fit les paiements suivants à M. J. Woodward:—

24 avril.	Salaires des ouvriers pour réparations à la résidence de l'agent..	$130 00
5 mai.	Salaires, compte de construction..	75 00
5 mai.	Salaires, réparations à la résidence de l'agent (payé à Mme Woodward)..	25 00
12 mai.	Salaires, compte de construction et réparations à la résidence de l'agent..	50 00
22 mai.	Réparations à la résidence de l'agent et compte de construction..	120 00
	Total..	$400 00

Ces reçus n'indiquent pas si M. Woodward a été employé à salaire pour faire ces réparations, ou s'il devait recevoir la somme convenue de $400 pour le travail à exécuter. Dans le premier cas, l'agent devrait mentionner dans son rapport le taux du salaire payé par jour et le nombre de jours de travail; dans l'alternative, on devrait me fournir une copie du contrat accordé à M. Woodward.

On remarquera que le premier paiement de $100 fut fait à M. Woodward le 24 avril, c'est-à-dire quatre jours avant que l'on n'ait reçu l'avance de votre ministère. Ce premier paiement a sans doute été fait à même le compte de fidéicommis de M. Osborn avec de l'argent destiné à d'autres fins. Je voudrais vous rappeler, comme je le disais dans ma lettre du 22 juin 1923, relativement à un cas semblable à l'agence de Blackfoot, que le détournement des fonds de fidéicommis, même s'il est temporaire, ne devrait être pratiqué dans aucun cas, mais que ces fonds devraient être gardés jalousement pour les fins spéciales auxquelles ils sont destinés.

Votre humble serviteur,

WM. KEARNS, *A.G. adj.*

Au Surintendant général adjoint des Affaires indiennes.

MINISTÈRE DES AFFAIRES INDIENNES, le 14 mars 1924.

MONSIEUR,—En réponse à votre lettre du 13 février dernier, relativement au chèque de $400, n° 51, émis en fidéicommis en faveur de M. R. E. Osborn et imputable sur notre crédit du Manitoba et du Nord-Ouest, pour des réparations à la résidence de l'agent de Crooked-Lake, j'ai l'honneur de vous transmettre les explications de M. Osborn:

"Le 23 avril 1923, j'ai reçu un chèque provisoire de $300 du commissaire Graham destiné à être appliqué au contrat Woodward et, le 24 avril, je fis à M. Woodward le paiement dont vous parlez dans votre lettre, à même cette somme de $300.

Le 28 avril, je reçus le chèque de $400, n° 51, du ministère et, le même jour j'adressai un chèque de $300 au commissaire Graham pour lui rembourser la somme reçue de lui le 23; le paiement de $130 se trouva ainsi couvert par le chèque n° 51.

On verra par cette explication que je n'ai pas utilisé les fonds en fidéicommis pour payer M. Woodward."

Quant au contrat conclu avec M. Woodward, nous vous en avons adressé une copie le 6 novembre dernier et je vous en expédie aujourd'hui un double.

Votre humble serviteur,

J. D. McLEAN, *Sous-ministre adjoint.*

A l'Auditeur général adjoint.

BUREAU DE L'AUDITEUR GÉNÉRAL, le 17 mars 1924.

MONSIEUR,—J'ai reçu votre lettre du 14 courant (dossier 21-108), en réponse à la mienne du 13 février relativement au chèque de $400, n° 51, émis le 23 avril 1923, en faveur de M. R. E. Osborn, pour des réparations à la résidence de l'agent de Crooked-Lake.

Dans votre réponse, vous citez l'explication de M. Osborn, dans laquelle il dit qu'il a reçu un chèque provisoire de $300, du commissaire Graham, en vue du contrat Woodward et que le 25 avril, lorsqu'il eut reçu le chèque de $400 d'Ottawa, il remboursa les $300 à M. Graham.

J'aimerais à savoir sur quels fonds M. Graham a fait cette avance. A ma connaissance, M. Graham ne détient que quatre fonds en fidéicommis: le compte d'augmentation de la production, le compte des entrepôts, le compte des baux de pâturages et le compte des groupes d'Indiens. On ne pouvait faire une avance à même ces comptes sans détourner temporairement l'argent gardé pour des fins spéciales.

Votre humble serviteur,

WM. KEARNS, *A.G. adj.*

Au Surintendant général adjoint des Affaires indiennes.

MINISTÈRE DES AFFAIRES INDIENNES, le 19 mars 1924.

MONSIEUR,—En réponse à votre lettre du 17 courant, concernant une avance de $300 faite par le commissaire Graham de Regina à M. R. E. Osborn, agent des Indiens à Crooked-Lake, je dois vous dire que M. Graham a fait cette avance à même le compte des groupes d'Indiens.

Crédit 275, Indiens du Manitoba, etc.: Emploi d'un commis à l'agence du petit lac des Esclaves sans l'autorisation voulue

BUREAU DE L'AUDITEUR GÉNÉRAL, le 5 novembre 1924

MONSIEUR,—Le compte de vos dépenses pour l'exercice financier 1923-24 indique que M. B. Wray a été employé par l'agent des Indiens, Harold Laird, à titre de commis à l'agence du petit lac des Esclaves, du 6 juillet au 25 septembre et du 9 octobre au 31 décembre 1923 avec un traitement de $100 par mois.

Je n'ai obtenu aucun certificat de la Commission du Service civil autorisant l'emploi de ce monsieur. Veuillez me laisser savoir si cet emploi a été autorisé par la Commission ou de quelle autorité on l'a employé pendant plus d'un mois.

Votre humble serviteur,

WM KEARNS, *A.G. adj.*

Au Surintendant général adjoint des Affaires indiennes.

MINISTÈRE DES AFFAIRES INDIENNES, le 7 novembre 1924.

MONSIEUR,—En réponse à votre lettre du 5 courant, relativement à l'emploi de M. B. Wray comme commis à l'agence du petit lac des Esclaves, du 6 juillet au 25 septembre et du 9 octobre au 31 décembre 1923, je dois vous dire qu'on avait besoin des services d'un commis pendant le paiement des annuités, mais l'agent des Indiens aurait dû avertir le département d'avance, pour que la Commission du Service civil pût faire la nomination d'une manière régulière. Il a manqué à cette obligation et a employé M. Wray sans consulter le ministère. Nous avertissons l'agent qu'à l'avenir ces nominations devront être faites par la Commission qui désignera les personnes à employer.

Crédit 276, Indiens de la Colombie-Britannique: Ajustement de paiements faits antérieurement à la Columbia Coast Mission, Inc. pour frais d'hôpital, etc.

BUREAU DE L'AUDITEUR GÉNÉRAL, le 22 août 1924.

MONSIEUR,—Le chèque n° 1579, de 1923-24, imputable sur le crédit de la Colombie-Britannique, au montant de $797.15 et à l'ordre de la *Columbia Coast Mission Inc.*, a été émis en paiement d'anciens comptes encore en souffrance le 1er janvier 1923. Ces comptes se subdivisent ainsi:

Comptes de 1918-19	$ 70 00
" 1919-20	267 75
" 1920-21	324 55
" 1921-22	172 75
" 1922-23	70 10
	$905 15
Déduction pour 183 jours d'hospitalisation	183 00
	$722 15
Services du médecin	75 00
Total	$797 15

Pendant la période couverte par ces comptes, vous avez fait les paiements suivants à la *Columbia Coast Mission*:

Année	Allocation pour services de médecins	Traitements
1918-19	$600 00	$436 00
1919-20	600 00	483 25
1920-21	724 99	729 00
1921-22	850 00	327 00
1922-23	850 00	403 00

Vu que vous avez fait des paiements chaque année, tant pour les services de médecins que pour les frais d'hôpital, je dois vous demander une explication

du paiement en question. Cette institution recevant une allocation annuelle pour des services médicaux, veuillez expliquer le paiement de $750.00 pour les services du médecin.

Ce compte a été certifié par M. W. E. Ditchburn, inspecteur en chef des agences indiennes, et je suppose qu'il a étudié les circonstances dans lesquelles on a présenté ce compte. Dans ce cas, j'aimerais à avoir une copie de son rapport.

Votre humble serviteur,

G. GONTHIER, *A.G.*

MINISTÈRE DES AFFAIRES INDIENNES, le 25 août 1924.

MONSIEUR,—En réponse à votre lettre du 2 courant, relativement à un paiement de $797.15 fait à la *Columbia Coast Mission*, par le chèque nº 1579, de 1923-24, j'ai l'honneur de vous transmettre copie d'un rapport daté du 22 août 1923, par M. W. E. Ditchburn qui a fait une enquête sur ce cas.

Votre humble serviteur,

J. D. McLEAN, *Sous-ministre adjoint.*

A l'Auditeur général.

BUREAU DES AGENCES INDIENNES, VICTORIA, C.-B., 22 août 1923.

MONSIEUR,—En réponse à votre lettre du 11 avril dernier, relativement à la demande de la *Columbia Coast Mission* pour le remboursement de comptes qu'elle ne peut percevoir d'Indiens qui ont été hospitalisés et qui ont reçu des soins médicaux à l'hôpital Saint-George, d'Alert Bay, et formant un montant de $915.15, je dois vous dire que cette somme comprend $57 pour l'année 1918, et $24.75 pour 1919 (jusqu'à la fin de mars 1920), un total de $81.75. Ces comptes représentent des sommes dues par des Indiens et qu'on pensait pouvoir recouvrer, ce qui a été impossible. Il y a donc un solde de $823.40 pour la période 1920-21 et jusqu'à la fin de décembre 1922, soit $445 pour 1920, $297.30 pour 1921 et $81.10 jusqu'au 31 décembre 1922.

Après une enquête dans chaque cas, on en est venu à la conclusion que l'hôpital ne pourra rien recouvrer des Indiens et je crois que le ministère devrait payer ces comptes. Dans un certain nombre de cas cependant, le ministère a déjà payé certaines sommes au taux de $1 par jour pour frais d'hôpital, à savoir: Jim Adams, 2 jours; Mde J. Humchit, 62 jours; Mde Kitty Edwards, 4 jours; Mde Mollie Hall, 49 jours; Tommy Moon, 20 jours; Louis Williams, 46 jours, soit un total de $183.00 qui devrait être déduit de la somme demandée, ce qui laisserait un solde de $722.15.

J'ai discuté ce point avec M. Barton, le secrétaire de la *Columbia Coast Mission,* mais, tout en admettant que cette somme de $183.00 a déjà été payée, il prétend que si l'on opère cette déduction, il faudra ajouter $75 pour les services du médecin, vu que l'on n'avait demandé que des honoraires nominaux dans les comptes adressés aux Indiens. Cet argument a beaucoup de valeur et j'alloue donc cette somme dans mon état. J'inclus une copie de la lettre de M. Barton pour votre propre information.

Relativement à votre critique du relevé financier qui vous a été soumis par le secrétaire de l'hôpital, principalement au sujet des recettes en espèces pour l'année 1920, qui ont été de $1,943.80, alors que la valeur totale des services rendus pendant l'année n'était que de $1,677.00, M. Barton m'informe que la différence représente la perception d'anciens comptes.

Ci-inclus, vous trouverez le certificat n° 26A, comme suit:

Compte présenté..	$905 15
Moins 183 jours d'hospitalisation déjà payés à $1 par jour..	183 00
	$722 15
Services médicaux..	75 00
Total..	$797 15

Je vous demanderais de payer ce compte au plus tôt, car l'hôpital a été détruit par un incendie, il y a quelques jours.

Votre tout dévoué,
W. E. DITCHBURN, *inspecteur en chef.*

A l'Auditeur général.

COLUMBIA COAST MISSION, VANCOUVER, le 17 juillet 1923.

CHER M. DITCHBURN,—A la suite de notre conversation relative au paiement par le département des comptes laissés en souffrance par des Indiens indigents, je ne suis pas de votre avis que le ministère devrait déduire l'allocation accordée dans certains cas, car cela ne s'est pas fait jusqu'à présent. Cependant, si le ministère est de votre avis, je demanderais que l'on accorde l'allocation ordinaire d'hospitalisation de $2.50 par jour dans les cas ci-dessous mentionnés. En préparant nos comptes, nous ne nous attendions pas au remboursement de l'allocation et, quelle qu'ait pu en être la raison, je sais que le médecin a fait des déductions aux Indiens dans l'espoir qu'ils pourraient payer eux-mêmes.

Mde J. Humsida a été à l'hôpital du 8 février au 10 avril 1920, 62 jours

comptés à..	$126 00	(les honoraaires médicaux n'étant que
de $4.50) à $2.50.. ..	155 00	
	$29 00	à ajouter.

Mde Mildred Hall a été à l'hôpital du 8 février au 29 mars 1920, 50 jours

comptés à..	$102 00	(les honoraires médicaux n'étant que
de $2) à $2.50..	125 00	
	$23 00	à ajouter.

Louis Williams a été à l'hôpital du 4 janvier au 19 février 1920, 46 jours

comptés à..	$92 00	(les honoraires médicaux n'étant que
de $15.50) à $2.50..	115 00	
	$23 00	à ajouter.

Il faudrait donc ajouter $75.00 à ces trois comptes.

Dans le cas d'Alf. A. Thompson, qui a été à l'hôpital du 13 novembre au 7 avril 1921, soit 146 jours, on n'a demandé que le taux ordinaire de l'hôpital à $2.50 par jour et $25.00 pour les soins médicaux, bien qu'il ait fallu le soigner pour de graves brûlures. Dans son cas le médecin a fait une réduction spéciale espérant être payé et, si l'on décide de déduire l'allocation, nous devrions aussi ajouter au moins $25 pour les soins du médecin.

Je reconnais que cette demande a plutôt trait à une allocation spéciale et je vous demanderais de nous accorder la plus généreuse considération, vu les besoins financiers de notre œuvre.

Votre tout dévoué,
T. E. BARTON, *Sec.-trés.*

Crédit n° 276, Indiens de la Colombie-Britannique: Octroi pour reconstruire l'hôpital St-Georges, baie Alert

BUREAU DE L'AUDITEUR GÉNÉRAL, 22 août 1924.

MONSIEUR,—J'ai reçu une copie d'un arrêté en Conseil (C.P. n° 2498) en date du 22 décembre 1923, autorisant le paiement, sur le crédit voté pour les Indiens de la Colombie-Britannique, d'une somme de $5,000.00, à titre de contribution pour la reconstruction de l'hôpital Saint-Georges de la baie Alert, C.-B., hôpital administré par la *Columbia Coast Mission, Inc.*, et qui fut détruit par un incendie le 18 août 1923.

Je désire vous faire remarquer que, malgré que cet hôpital puisse rendre bien des services aux Indiens de la Colombie-Britannique, il n'a aucune relation directe avec l'administration des Affaires indiennes, à part de remplacer le conseiller médical ordinaire pour lequel votre ministère paie un salaire de $850 par année; cette institution reçoit en plus $1.00 par jour pour les Indiens qui y sont reçus.

Je suis d'avis que tous les octrois qui ne sont pas présentés comme tels au gouvernement fédéral doivent être couverts spécialement par un acte du Parlement.

Je demeure, monsieur, obéissant serviteur

WM. KEARNS, *A.G. adj.*

Au sous-surintendant général des Affaires indiennes.

NOTE.—Au moment d'aller sous presse, nous n'avons reçu aucune réponse à la lettre ci-dessus.

Crédit n° 278, En général: Allocation au commissaire W. G. Graham pour usage d'automobile

BUREAU DE L'AUDITEUR GÉNÉRAL, 19 novembre 1924.

MONSIEUR,—En examinant les comptes de la dépense pour l'exercice financier 1923-24, je trouve que M. W. G. Graham, le commissaire de Régina, a reçu $60 par mois à titre d'allocation pour l'usage de son propre automobile, à part la période écoulée du 9 octobre au 29 février pendant laquelle on lui a payé les frais de voyages réellement faits par lui.

Veuillez me dire sur quoi le ministère s'est basé pour payer cette allocation à M. Graham, et aussi sur quelle base le montant de cette allocation est calculé.

Je puis vous faire remarquer que l'on fournit déjà un chauffeur et un garage à M. Graham en sus de la dite allocation.

Je demeure, monsieur,

Votre obéissant serviteur,

Wm. KEARNS, *A.G. adj.*

Au sous-surintendant des Affaires indiennes.

NOTE.—Au moment d'aller sous presse, nous n'avons reçu aucune réponse à la lettre ci-dessus.

Crédit n° 279, Instruction des Indiens: Paiement des frais de déménagement aux instituteurs

BUREAU DE L'AUDITEUR GÉNÉRAL, 2 février 1924.

MONSIEUR,—Mon attention a été attirée sur le fait que dans quelques cas on alloue aux instituteurs, lors de leur nomination dans une école affectée à

l'instruction des Indiens, les frais de déménagement de leur lieu de résidence au lieu de leur emploi.

Votre service scolaire m'a donné à comprendre que ces frais ne sont autorisés que dans quelques cas spéciaux à la Colombie-Britannique, lorsque l'école se trouve située dans une localité très éloignée et qu'il est difficile d'avoir un instituteur qui consente à prendre charge de l'école, à moins de lui remettre ses frais de déménagement.

Je désire vous faire remarquer qu'on n'a pas coutume d'allouer à une personne nommée dans le service civil ses frais de déménagement du lieu de sa résidence au lieu de son emploi. Quand on a des raisons spéciales on peut considérer la plausibilité d'autoriser ces frais, mais ceux-ci ne peuvent être imputés au compte des frais de voyage ordinaires, et sont essentiellement des frais de déménagement qui nécessitent une approbation du Conseil de la Trésorerie.

Je demeure, Monsieur,
Votre obéissant serviteur,
Wm. KEARNS, *A.G. adj.*

Au sous-surintendant des Affaires indiennes.

MINISTÈRE DES AFFAIRES INDIENNES, 7 février 1924.

Cher monsieur KEARNS,—J'ai reçu votre honorée du 2 courant relative aux frais de déménagement dans le cas des instituteurs pour les écoles des Indiens, et en réponse, je dois vous dire que l'on a attiré l'attention du surintendant de l'Instruction des Indiens sur les règlements qui s'appliquent dans ces cas. A l'avenir, nous demanderons l'autorisation du Conseil de la Trésorerie lorsque nous croirons nécessaire de payer les frais de déménagement des instituteurs à notre emploi.

Bien à vous,

Crédit n° 279, Instruction des Indiens: Paiements à l'inspecteur de construction au pensionnat du lac Fraser

BUREAU DE L'AUDITEUR GÉNÉRAL, 25 février 1924.

MONSIEUR,—Je désire attirer votre attention sur les paiements faits par vous, depuis juillet 1922, à M. Myles Morley, comme inspecteur de construction au pensionnat des Indiens du lac Fraser.

M. Morley a reçu, durant l'exercice financier 1922-23, $6 par jour pour 224 jours, soit tous les jours inclus entre le 16 juillet 1922 au 28 février 1923, à l'exception de 4 jours en juillet. Durant l'exercice financier courant, il a reçu le même traitement continu du 1er mars au 31 mai. En examinant les rapports des années précédentes, je constate que M. Morley a reçu le même taux de traitement d'une manière continue du 15 octobre 1919 au 22 février 1922, alors qu'il faisait de l'inspection pour d'autres écoles.

Les taux établis dans la liste de classification pour la position d'inspecteur de construction sont les suivants:

Traitement mensuel: $100, $105, $110, etc., à $140.

Traitement quotidien: Suivant les taux courants sans dépasser $7 par jour pour le temps du service.

A mon avis, cela signifie que lorsque l'emploi d'inspecteur n'est pas continu, il peut recevoir jusqu'à $7 par jour pour les journées de travail réel, mais que

lorsque l'emploi est continu, il faut appliquer le taux de traitement mensuel. Les taux courants payés durant tout un mois ne devraient pas dépasser le taux mensuel fixé à $140.

Je voudrais aussi attirer votre attention sur les dates d'émission des certificats de la Commission du Service civil relativement à l'emploi de M. Morley. Le 9 février 1923, la Commission a émis un certificat pour une période de 6 mois à partir du 16 juillet 1922, et à la même date un autre certificat prolongeant cet emploi jusqu'au 16 mars; de nouveau le 19 juin, elle émit un autre certificat valable jusqu'au 16 juillet. Vu que M. Morley a reçu son traitement régulièrement de mois en mois, il semble que ses chèques ont été émis dans plusieurs cas avant l'autorisation de l'emploi. J'aime à croire que vous verrez à empêcher de semblables irrégularités à l'avenir.

Je demeure, monsieur,

Votre obéissant serviteur,

WM KEARNS, *A.G. adj.*

Au sous-surintendant général des Affaires Indiennes.

MINISTÈRE DES AFFAIRES INDIENNES, 27 février 1924.

CHER MONSIEUR,—J'accuse réception de votre lettre du 25 courant au sujet des paiements faits depuis juillet 1922 par ce ministère, à M. Myles Morley, à titre d'inspecteur de construction au pensionnat des Indiens du lac Fraser. J'ai pris en note ce que vous dites, c'est-à-dire que lorsqu'un inspecteur de construction est employé d'une manière continue durant un mois, ses services doivent être rémunérés au taux mensuel.

En réponse je dois vous dire que les certificats de nomination temporaire ont été émis par la Commission du Service civil pour certaines périodes spécifiées avec rémunération de $6 par jour. Aucune mention n'a été faite du taux mensuel de traitement, et le ministère a payé d'après le taux spécifié sur les certificats, Cependant, à l'avenir nous prendrons comme guide votre interprétation des règlements, et pour l'emploi d'inspecteurs de construction, nous spécifierons que le taux de traitement sera de $6 par jour, mais que le total pour un mois ne devra pas dépasser le montant de $140, le maximum prévu par la classification.

J'ai aussi noté le dernier paragraphe de votre lettre.

Bien à vous,

D. C. SCOTT, *S.S.G.*

Crédit n° 279, Instruction des Indiens: Paiements à Wyatt-Ireland, Limited, pour réparations à l'école des Indiens d'Elkhorn

BUREAU DE L'AUDITEUR GÉNÉRAL, 23 mai 1924.

MONSIEUR,—Messieurs Wyatt-Ireland, Limited de Winnipeg ont reçu le montant de $80,360.36 durant l'exercice financier 1923-24 pour réparations à l'école des Indiens d'Elkhorn. D'après les comptes reçus à ce bureau, les paiements ont été faits sur la base du prix de revient plus 10 p. 100.

Après une enquête faite dans votre service de comptabilité, ce bureau a compris que MM. Wyatt-Ireland, Limited, n'avaient pas de contrat pour l'exécution de ce travail. Les notes placées sur les états de compte semblent indiquer que le travail a été autorisé par la lettre de votre ministère portant le n° 106-0-5D en date du 20 juillet 1923; je dois vous demander de me fournir une copie de cette lettre.

L'article 36 de la Loi des Travaux publics dit: "Quand il y a lieu de construire quelque ouvrage, sous la direction d'un ministère du gouvernement, le ministre qui a la charge de ce ministère demande des soumissions, pour l'exécution de cet ouvrage, au moyen d'annonces publiques, excepté dans le cas (*a*) d'urgence, alors que les délais nuiraient à l'intérêt public; ou

(*b*) alors que la nature des travaux est telle que ceux-ci peuvent s'exécuter avec plus de célérité et d'économie par les fonctionnaires et par les employés du ministère; ou

(*c*) dans le cas où le coût estimé de l'entreprise n'atteint pas cinq mille dollars, et le ministre est d'avis, vu la nature des travaux, qu'il n'est pas à propos de demander des soumissions."

Le paragraphe 2 du même article exige que chaque fois qu'il est demandé des soumissions, toutes les soumissions reçues doivent être soumises au Gouverneur en Conseil et l'entreprise est adjugée sous la direction du Gouverneur en Conseil.

Vu qu'on ne semble pas avoir demandé des soumissions dans ce cas, je dois vous prier de me dire en vertu de quelle clause de l'article cité ces travaux ont été exécutés sans soumissions.

Je demeure, monsieur, votre obéissant serviteur,

WM KEARNS, *A.G. adj.*

Au sous-surintendant général des Affaires indiennes.

MINISTÈRE DES AFFAIRES INDIENNES, 7 juillet 1924.

CHER MONSIEUR,—J'accuse réception de votre lettre du 23 mai au sujet des dépenses pour réparations et changements à l'école industrielle d'Elkhorn.

Cet ouvrage a été exécuté en vertu de l'autorité du ministre conformément à l'article 36, paragraphe "A" de la Loi des Travaux publics à cause de l'urgence. Le département a pendant quelque temps étudié la réouverture de l'école sous les auspices de l'Eglise anglicane, et lorsqu'il a été enfin décidé d'en agir ainsi, on a cru nécessaire de faire exécuter les travaux immédiatement. Les changements et les réparations à cette école ont été faits sous la surveillance d'un fonctionnaire du ministère des Travaux publics qui a certifié tous les comptes. L'édifice était dans un état de délabrement, vu qu'il n'avait pas été occupé pendant cinq ans.

Comme vous me l'avez demandé, je vous envoie ci-inclus copie de la lettre du 20 juillet 1923.

Bien à vous,

D. C. SCOTT, *S.S.G.*

A l'Auditeur général adjoint.

MINISTÈRE DES AFFAIRES INDIENNES, 20 juillet 1924.

CHER MONSIEUR,—Au sujet des réparations requises au système de chauffage de distribution d'eau et de l'égout, et à l'édifice de l'école industrielle d'Elkhorn, je vous envoie ci-inclus copie d'un rapport reçu de M. R. Thomson, ingénieur en mécanique du ministère des Travaux publics, de Winnipeg, où se trouvent décrits les travaux à faire pour remettre en état l'édifice et le matériel.

Vous êtes autorisé à faire exécuter ce travail tel que recommandé par M. Thomson, et à employer la maison Wyatt & Ireland, 505 Edifice Lombard de Winnipeg pour entreprendre les travaux. L'entrepreneur sera payé d'après le coût justifié plus 10 p. 100. Il sera donc nécessaire d'avoir des comptes tenus en détail par l'entrepreneur, qui devra en outre vous fournir tous les détails concernant la main-d'œuvre et les matériaux. Ces comptes seront soigneusement vérifiés et envoyés au ministère.

M. Thomson a laissé entendre qu'il voulait fournir aux entrepreneurs des instructions détaillées au sujet de ces travaux, et je vous demande de le consulter à ce sujet. Le ministère serait très heureux de savoir qu'il vous rend tous les services en son pouvoir pour hâter l'achèvement des travaux. Je vous demande de tenir le ministère au courant de temps en temps des progrès faits dans l'exécution des travaux.

Comme vous me l'avez demandé, je vous retourne le bleu du puisard que vous aviez envoyé au ministère.

Pour que l'édifice soit prêt pour l'automne, il faut que le travail décrit dans le rapport de M. Thomson soit exécuté avec toute la célérité possible.

Votre obéissant serviteur,

A. F. MACKENZIE, *sous-min. adj.*

Crédit n° 279, Instruction des Indiens: Octroi pour l'érection d'une aile à l'école des Indiens de St-Bruno

BUREAU DE L'AUDITEUR GÉNÉRAL, 16 juin 1924.

MONSIEUR,—Le chèque n° 6370 émis dans le mois de mars dernier et imputé sur le crédit pour l'instruction des Indiens a servi à payer la somme de $10,775 au Rév. C. Falher, O.M.I., à titre d'octroi pour l'érection d'une aile au pensionnat des Indiens de St-Bruno qui fut détruit par un incendie au cours de l'hiver 1923-24.

D'après les pièces soumises pour justifier ce paiement, votre ministère, avec l'approbation du surintendant général des Affaires indiennes, offrit à l'évêque d'Athabaska un octroi de $12,000 pour la reconstruction de ce pensionnat. Les autorités ecclésiastiques devaient fournir la main-d'œuvre, et aussi présenter les comptes acquittés de l'achat et du transport des matériaux. Le paiement en question représente le montant des comptes acquittés qui ont été présentés, mais il y a un grand nombre de ces comptes, attachés aux pièces, qui ne donnent que le montant en bloc, sans spécifier les détails concernant les quantités et le prix des matériaux fournis.

Je suis d'avis qu'il faut obtenir l'autorisation du Gouverneur en Conseil avant de faire une dépense de cette nature.

Je demeure, monsieur, votre obéissant serviteur,

WM KEARNS, *A.G. suppléant.*

Au sous-surintendant général des Affaires indiennes.

MINISTÈRE DES AFFAIRES INDIENNES, 24 juin 1924.

CHER MONSIEUR KEARNS,—J'accuse réception de votre lettre du 16 courant au sujet du paiement par ce ministère d'un octroi pour l'érection d'une aile au pensionnat de St-Bruno. J'ai pris note pour l'avenir de votre opinion exigeant l'autorisation du Gouverneur en Conseil avant de faire des dépenses de cette nature.

Bien à vous,

D. C. SCOTT, *S.S.G.*

A l'Auditeur général adjoint.

BUREAU DE L'AUDITEUR GÉNÉRAL, 26 juin 1924.

MONSIEUR,—J'ai reçu votre lettre du 24 courant en réponse à la mienne du 16 au sujet d'un octroi pour l'érection d'une aile au pensionnat de St-Bruno.

Dans votre réponse vous dites que vous avez pris note pour l'avenir de mon avis au sujet de l'autorisation du Gouverneur général avant de faire des dépenses de cette nature.

Bien que ma première lettre ne l'ait pas dit explicitement, elle exprimait cependant l'opinion qu'il faut, non seulement pour tous les paiements futurs, mais aussi pour ce paiement en particulier, l'approbation du Gouverneur en Conseil. En conséquence, je dois vous demander de faire les démarches nécessaires pour obtenir l'approbation du Gouverneur en Conseil au sujet de cet octroi pour le pensionnat St-Bruno.

Je demeure, monsieur,

Votre obéissant serviteur,

Crédit n° 279, Instruction des Indiens: Achat du pensionnat du lac Rond de l'Eglise presbytérienne en Canada

BUREAU DE L'AUDITEUR GÉNÉRAL, 6 octobre 1924.

MONSIEUR,—Le chèque n° 6433, imputé sur le crédit pour l'Instruction des Indiens, a servi au paiement de $8,000 au trésorier de l'Eglise presbytérienne en Canada pour l'achat du pensionnat du lac Rond, propriété de l'Eglise presbytérienne, mais sur laquelle on avait dépensé plus de $18,000 en réparations, etc., au cours des deux derniers exercices financiers.

Je suis d'avis qu'il fauut obtenir l'approbation du Gouverneur en Conseil pour l'achat de cette propriété. Veuillez me dire quelle était l'évaluation de la propriété lors de l'achat, et par qui cette évaluation a été faite.

Je demeure, monsieur, votre obéissant serviteur,

WM. KEARNS, *A.G. adj.*

MINISTÈRE DES AFFAIRES INDIENNES, 17 octobre 1924.

CHER MONSIEUR KEARNS,—J'ai reçu votre lettre du 6 courant au sujet du chèque n° 6433, Instruction des Indiens, en paiement d'une somme de $8,000 à l'Eglise presbytérienne pour le pensionnat du lac Rond qui a été transféré à la Couronne.

En réponse je dois vous dire qu'en novembre 1922 l'Eglise presbytérienne a suggéré un prix nominal de $10,000 à $12,000 pour la propriété de cette école. Comme il est expliqué dans les pièces justificatives, la propriété est composée d'environ 22 acres de terrain sur lequel est situé le pensionnat, les granges et autres bâtisses. Les bâtisses seules représentent de la part de l'Eglise un placement beaucoup plus considérable que l'un et l'autre de ces deux chiffres. La terre est située entièrement dans la vallée et a une très bonne valeur.

Dans l'hiver de 1923-24, un incendie détruisit une salle de classe placée dans l'un des pavillons extérieurs. J'ai appris que l'assurance au montant de $2,000 avait été payée aux autorités ecclésiastiques. J'ai immédiatement suggéré que ce montant fût déduit du prix le plus bas demandé pour la propriété,

laissant ainsi le prix d'achat à $8,000. J'ai discuté la question avec le commissaire M. Graham, qui connaît bien la situation, et il a considéré que c'était là un règlement raisonnable et un prix satisfaisant.

Bien à vous,

D. C. SCOTT, *S.S.G.*

A l'Auditeur général adjoint.

Crédit 279, Instruction des Indiens: Paiement d'avance du traitement du constable scolaire

BUREAU DE L'AUDITEUR GÉNÉRAL, 27 octobre 1924.

MONSIEUR,—Le chèque 587 émis le 30 octobre 1923 et imputé sur le crédit de l'Instruction des Indiens est destiné au paiement de $80 à Matt Bernard, avance de son traitement comme constable scolaire et surveillant de l'école de Golden-Lake pour l'exercice 1923-24.

Veuillez me mettre au courant des circonstances dans lesquelles le traitement de cet homme a été payé d'avance pour toute l'année et de l'autorisation que vous aviez d'effectuer cette avance de paiement. La rémunération des services ne doit se faire qu'à la fin de périodes régulières: mois, trimestres, etc., et ne doit couvrir que les services déjà rendus au moment de la rétribution. Ne dérogent à cette règle que les employés permanents d'Ottawa qui reçoivent leur traitement au milieu de chaque mois plutôt qu'à la fin, en vertu d'une autorisation spéciale.

Je suis, monsieur, votre obéissant serviteur,

WM. KEARNS, *A.G. adj.*

Le sous-directeur général des Affaires indiennes, Ottawa.

MINISTÈRE DES AFFAIRES INDIENNES, 29 octobre 1924.

CHER MONSIEUR,—J'ai reçu votre lettre du 27 courant relative à l'avance, faite à Matt Bernard, de son traitement comme constable scolaire et surveillant de l'école de Golden-Lake pour le dernier exercice.

M. Bernard est le chef du groupe, et depuis plusieurs années il remplit les fonctions de constable scolaire et de surveillant de l'école. Ayant confiance en son honnêteté, le ministère lui a fait l'avance en question pour lui permettre d'exécuter certains travaux de construction sur un lot qu'il avait acquis dans la réserve. Autrement, le ministère aurait peut-être été obligé de lui consentir un prêt.

Les services représentés par ce paiement ont été rendus pleinement et ont donné satisfaction.

Votre tout dévoué,

D. C. SCOTT, *S.D.G.*

L'Auditeur général adjoint.

BUREAU DE L'AUDITEUR GÉNÉRAL, 17 novembre 1924.

MONSIEUR,—J'ai reçu votre lettre du 29 écoulé exposant les circonstances de l'avance de paiement à Matt Bernard de son traitement, pour l'année 1923-24, pour ses services comme constable scolaire et surveillant de l'école indienne de Golden-Lake.

Je suis d'avis que les circonstances mentionnées n'étaient pas suffisantes pour justifier le paiement du traitement d'une année complète, même si ce traitement était peu élevé. En effet, je crois que dans aucune circonstance on ne doit payer

d'avance un salaire ou même une partie de salaire, sauf dans le cas des traitements du gouvernement civil, à Ottawa, qui se payent au milieu du mois, en vertu d'une autorisation spéciale.

Je suis, monsieur, votre obéissant serviteur,

WM. KEARNS, *A.G. adj.*

Le sous-directeur général des Affaires indiennes, Ottawa.

Crédit 279, Instruction des Indiens: Paiement d'un découvert de la commission scolaire des Six-Nations

BUREAU DE L'AUDITEUR GÉNÉRAL, 28 octobre 1924.

MONSIEUR,—Le chèque n° 1043 tiré sur le crédit de l'Instruction des Indiens, 1923-24, est destiné au paiement de $920.86 à la Banque de Montréal en règlement d'un découvert de la commission scolaire des Six-Nations pour l'exercice terminé le 31 mars 1923. Le chèque 6435, également en faveur de la Banque de Montréal, est pour le paiement d'un découvert de $220.65 à la fin de l'exercice 1923-24.

Veuillez me dire si un fonctionnaire de votre ministère a examiné les comptes de cette commission scolaire avant le paiement de ces découverts. Si ces comptes ont été examinés, j'aimerais avoir une copie des rapports faits par l'examinateur.

J'aimerais aussi apprendre les raisons du paiement de ces découverts sur votre crédit de l'Instruction des Indiens. Les écoles des Six-Nations sont administrées par une commission qui reçoit un octroi annuel de $9,000 sur le fonds du groupe, auquel le département verse $2,500. Outre cet octroi, diverses dépenses relatives aux écoles sont payées à même les fonds du groupe. Les sommes au crédit du compte des Six-Nations à la fin des exercices 1922-23 et 1923-24 ont été les suivantes:—

	Capital	Intérêt
31 mars 1923..	$678,782 10	$10,937 65
31 mars 1924..	676,508 43	23,323 46

D'après ces comptes, il appert donc qu'on aurait eu des fonds amplement suffisants, à la fin de chaque exercice, pour payer ces découverts qui étaient relativement minimes.

Je suis, monsieur, votre obéissant smerviteur,

WM. KEARNS, *A.G. adj.*

Le sous-directeur général des Affaires indiennes, Ottawa.

MINISTÈRE DES AFFAIRES INDIENNES, 7 novembre 1924.

MONSIEUR,—J'ai reçu votre lettre du 28 dernier relative à la contribution de votre ministère aux frais courants des écoles indiennes des Six-Nations à même le crédit parlementaire de l'Instruction des Indiens. Je tiens à vous informer qu'on juge à propos de ne dépenser que $6,500 des fonds du groupe pour les écoles du jour, sur cette réserve. Dans le passé, le paiement à même le crédit, qui était de $2,500, a été porté à un total de $9,000, ce qui était toute la somme requise. Ces dernières années, les dépenses ont augmenté et il faut à peu près $10,200 pour le maintien des onze écoles. Les comptes de la commission scolaire sont examinés et vérifiés par le surintendant de la réserve des Six-Nations.

Votre tout dévoué,

D. C. SCOTT, *S.S.G.*

L'Auditeur général adjoint.

BUREAU DE L'AUDITEUR GÉNÉRAL, 17 novembre 1924.

MONSIEUR,—J'ai reçu votre lettre du 7 courant en réponse à la mienne du 28 dernier concernant le paiement de deux découverts à la Banque de Montréal dans le compte de la commission scolaire des Six-Nations, et je note votre affirmation que les comptes de la commission scolaire sont examinés et vérifiés par le surintendant de la réserve des Six-Nations.

Comme les paiements dont il s'agit se rapportent à des montants définis trouvés par l'examen des comptes effectué par le surintendant du groupe, je suis d'avis qu'on devrait soumettre un état de ces comptes à notre bureau afin que nous puissions vérifier les montants payés.

Je suis, monsieur, votre obéissant serviteur,

WM. KEARNS, *A.G. adj.*

Le sous-directeur général des Affaires indiennes, Ottawa.

Crédit 279, Instruction des Indiens: Charbon acheté pour l'externat de Bersimis

BUREAU DE L'AUDITEUR GÉNÉRAL, 5 novembre 1924.

MONSIEUR,—Le chèque 2755 de 1923-24 est destiné au paiement de $228 à Louis Verreault et Fils, de Petits-Méchins, pour 10 tonnes de charbon en sacs à l'usage de l'externat de Bersimis. Le chèque 4416 de la même année est pour le paiement de $524.32 à Madden & Son, de Québec, pour 26.09 tonnes de charbon en sacs, également pour l'externat de Bersimis.

D'après ce que je puis voir dans les comptes reçus à notre bureau, l'école de Bersimis a été fermée durant l'automne et l'hiver de 1923-24, vu qu'on était à construire une nouvelle école, à la fois pensionnat et externat, qu'on a terminée au commencement de février 1924.

J'aimerais savoir si ce charbon, ou une partie, a servi à chauffer la nouvelle école tandis qu'elle était entre les mains de l'entrepreneur, ou si on l'a acheté avant la fin de la saison de navigation afin de chauffer cette maison une fois reçue de l'entrepreneur.

Le coût du charbon comprend 547 sacs à 10c. et 126 à 15c., ce qui se monte à $72.70. Veuillez me faire savoir si ces sacs ont été retournés ou sinon quel usage on en a fait.

Je suis, monsieur, votre obéissant serviteur,

WM. KEARNS, *A.G. adj.*

Le sous-directeur général des Affaires indiennes, Ottawa.

MINISTÈRE DES AFFAIRES INDIENNES, 11 novembre 1924.

MONSIEUR,—J'ai reçu votre lettre du 5 courant concernant les paiements effectués pour le charbon fourni à l'externat indien de Bersimis en 1923-24.

On n'a pas enseigné pendant l'automne ni l'hiver de cette année, à cause de l'érection d'une nouvelle école devant servir en même temps de maison pour les institutrices, mais une fois la bâtisse reçue de l'entrepreneur, il a fallu la chauffer tout l'hiver afin que le système de chauffage et d'aqueduc ne gèle pas et n'endommage pas la maison.

Il faut livrer le charbon en sacs, car c'est le seul moyen d'en faire la manutention à cause de la difficulté du débarquement à Bersimis. Il faut manutentionner ce charbon plusieurs fois entre l'endroit d'expédition et l'école. Notre

ingénieur, qui connaît bien la situation, m'informe que les sacs ne sont plus de service lorsque le charbon est rendu dans les soutes. Par conséquent, on ne les retourne pas et l'on n'obtient pas de remboursement.

MONSIEUR,—L'article 9 de la loi des Travaux publics décrète que le ministre des Travaux publics a la gérance, la charge et la direction des propriétés suivantes qui appartiennent à l'Etat:

(*d*) Les édifices publics.

L'article 10 décrète que rien dans l'article 9 n'est censé conférer au ministre des Travaux publics la gérance, la charge ou la direction des ouvrages publics qui se trouvent, (*c*) en vertu de la présente loi ou de toute autre loi du Parlement du Canada, placés sous le contrôle ou l'administration de tout autre ministre ou de tout autre ministère.

L'article 35 porte que le Gouverneur en Conseil peut en tout temps transférer à tout autre ministre ou ministère l'administration, la charge ou la direction de tout ouvrage public ou tout pouvoir, devoir ou fonction relativement à tout travail ou genre de travaux assigné par la loi à un ministre ou à un ministère.

N'ayant rien trouvé dans la loi des Indiens qui puisse s'interpréter comme attribuant au directeur général des Affaires indiennes la gérance, la charge ou la direction des édifices construits pour ou occupés par le ministère des Affaires indiennes, je suis d'avis qu'en vertu de l'article 9, la gérance desdits édifices appartient au ministre des Travaux publics à moins qu'elle n'ait été formellement confiée au directeur général par le Gouverneur en Conseil, conformément à l'article 35.

Le 23 mars 1923, je vous ai écrit pour vous suggérer, en préparant vos prévisions budgétaires à l'avenir, de demander des crédits distincts (1) pour l'entretien des écoles existantes et (2) pour la construction ou l'achat de nouvelles écoles. A cette lettre, vous avez répondu, le 26 mars, que cette suggestion recevrait toute votre attention. Mais en examinant les crédits soumis au Parlement pour l'exercice en cours, je constate que vous n'avez pas donné suite à ma suggestion.

Comme il ne semble y avoir rien dans les statuts qui autorise votre ministère à faire aucune dépense pour la construction ou l'entretien des édifices et comme aucun transfert, suivant les dispositions de l'article 35, ne semble avoir été effectué, je suis d'avis que la pratique de votre ministère de faire ces dépenses est contraire aux dispositions de la loi des Travaux publics, et je vous demande de chercher à obtenir l'autorisation nécessaire pour faire de ces dépenses à l'avenir.

Je demeure, monsieur, votre obéissant serviteur,

G. GONTHIER, *A.G.*

Le sous-directeur des Affaires indiennes.

MINISTÈRE DES AFFAIRES INDIENNES, 7 juin 1924.

CHER MONSIEUR,—J'ai reçu votre lettre du 23 mai.

Je regrette que nous ayons oublié votre suggestion au sujet de la séparation des crédits relatifs à l'entretien des écoles existantes, de ceux qui se rapportent à la construction ou à l'achat de nouvelles écoles, dans la préparation de nos prévisions budgétaires, mais je demande au comptable en chef de prendre note que les crédits doivent être préparés de cette manière pour l'année prochaine.

Votre tout dévoué,

D. C. SCOTT, *S.S.G.*

L'Auditeur général.

Revenu casuel: Transfert du yacht "Roamer" au collège militaire royal, à raison d'un dollar

BUREAU DE L'AUDITEUR GÉNÉRAL, 24 novembre 1924.

MONSIEUR,—Parmi le sommes déposées par votre département au crédit du compte des revenus casuels pendant l'exercice 1923-24, je trouve un montant d'un dollar déposé le 7 juin 1923 comme ayant été reçu du commandant du Collège militaire royal de Kingston, comme prix d'achat du yatch *Roamer*.

Je constate que votre ministère a acheté ce bateau pendant l'exercice 1918-19 pour l'usage de l'inspecteur C. C. Parker, au coût de $3,000.

Comme la différence est frappante entre le coût primitif du bateau et la somme nominale pour laquelle on l'a transféré au Collège militaire royal, je dois vous demander de me fournir tous les détails relatifs à l'emploi de ce bateau et à son transfert aux autorités militaires. Je dois aussi vous demander si l'on a obtenu une autorisation spéciale pour le transfert.

Je suis, monsieur, votre obéissant serviteur,

Wm. KEARNS, *A.G. adj.*

Le sous-directeur général des Affaires indiennes.

MINISTÈRE DES AFFAIRES INDIENNES, 26 novembre 1924.

MONSIEUR,—En réponse à votre lettre du 24 courant concernant le yacht *Roamer*, je dois dire qu'on l'a transféré à la division des parcs fédéraux du ministère de l'Intérieur en octobre 1920, et que le ministère l'a transféré, par l'intermédiaire de la Commission des achats du Canada, au Collège militaire royal, Kingston. Le 26 juin 1923, la division des parcs fédéraux du ministère de l'Intérieur écrivit à notre département la lettre suivante:

"Ci-inclus une traite de $1.00 venant de Kingston, déposée par le commandant du Collège militaire royal pour solder l'achat du *Roamer*.

"Bien que le Collège militaire royal n'ait pas obtenu ce bateau directement de vous, ce transfert est effectué afin de mieux satisfaire aux exigences du ministère de la Marine et des Pêcheries que par un transfert de votre ministère au nôtre et du nôtre au Collège militaire royal. (Signé) J. B. Harkin, commissaire."

Compte de production intensive: Paiement à H. S. Watwood pour sa part de récolte et ses frais de battage, Réserve des Pieds-Noirs

BUREAU DE L'AUDITEUR GÉNÉRAL, 6 octobre 1924.

MONSIEUR,—Le chèque nº 23995 émis par M. W. M. Graham, commissaire à Regina, et débité à son compte de production intensive est pour le paiement de $579.10 à H. S. Watwood "pour sa part de récolte et l'acquittement de la somme due pour le battage". Au sujet de ce paiement, je n'ai que le reçu de M. Watwood.

Une des fermes de production intensive de la réserve des Pieds-Noirs semble avoir été louée à M. Watwood comme métairie. J'aimerais avoir tous les détails au sujet du contrat passé avec M. Watwood au sujet des semailles, de la moisson, du battage et de la vente de la récolte. Il me faudrait tous les détails, quelle part de la récolte devait aller à M. Watwood et quelle part allait à M. Graham pour le prix de son battage. Il faudrait aussi un état détaillé du coût du battage, fourni par M. Watwood.

Je suis, monsieur,

Votre obéissant serviteur,

WM. KEARNS, *A.G. adj.*

Le sous-directeur général des Affaires indiennes.

MINISTÈRE DES AFFAIRES INDIENNES, 27 octobre 1924.

MONSIEUR,—A propos de votre lettre du 6 courant demandant des détails sur les opérations de M. H. S. Watwood sur une des fermes de production intensive de la réserve des Pieds-Noirs, je vous transmets une copie du rapport fait à ce sujet par M. W. M. Graham, commissaire des Indiens à Regina. L'état mentionné par M. Graham vous est également transmis. J'espère que vous trouverez satisfaisants les renseignements fournis.

Votre obéissant serviteur,

J. D. McLEAN, *sous-directeur et secrétaire.*

L'Auditeur général adjoint.

MINISTÈRE DES AFFAIRES INDIENNES, REGINA, 16 octobre 1924.

MONSIEUR,—J'ai reçu votre lettre du 8 octobre, /427,063-104B, au sujet d'une communication reçue de l'Auditeur général adjoint concernant le paiement de $579.10 à M. H. S. Watwood pour sa part de récolte sur la réserve des Pieds-Noirs.

Je tiens à vous dire que M. Watwood était notre régisseur à la ferme de production intensive de la réserve des Pieds-Noirs en 1922, et que pendant cet été une section de terre a été mise en jachère avec nos instruments. A l'automne, la ferme de production intensive à cet endroit a été mise de côté et la terre en chaume a toute été louée. On a loué à M. Watwood la partie mise en jachère et comme nous avions fait beaucoup de dépenses pour tenir cette terre en jachère durant l'été, il était juste que nous recevions quelque chose pour ce travail. Nous devions fournir la moitié des semences et lui l'autre moitié. Nous devions recevoir la moitié de la récolte, et comme il possédait une batteuse, nous devions lui payer 7c. par minot pour notre part de récolte. Cette entente s'est faite dans mon bureau et valait pour la saison de 1923.

Pendant l'été de 1923, la récolte a été fortement endommagée par la grêle et en juillet elle sembla devoir être une perte complète. Toutefois, nous avons pu en récupérer quelques morceaux que nous avons coupés à la moissonneuse-lieuse et battu. Nous en avons obtenu 1,494 minots et 30 livres. Ce grain a été vendu à la Alberta Pacific Grain Company et a rapporté $1,054.82, somme que nous avons transmise à notre agent, M. Gooderham, puis à notre bureau et créditée dans notre livre de caisse à la manière ordinaire.

M. Watwood avait droit à $527.41, ou 50 p. 100 du $1,054.82. Il avait également droit à 7c. par minot pour le battage de notre part et il a été payé d'après la quantité enregistrée par sa machine, soit 1,477 minots.

Notre moitié, 738½ minots, à 7c., donnait $51.69.

L'Auditeur général adjoint dit que M. Watwood devrait aussi fournir un état détaillé du coût du battage. Il serait impossible à M. Watwood de donner plus de détails que ceux qui sont fournis. Le coût du battage oscille entre 12c. et 20c. par minot, dans l'Ouest. Vous verrez qu'il s'agissait d'un arrangement spécial pour battre le grain à un prix beaucoup plus bas que le prix courant dans l'Ouest.

Je vous transmets un état. J'espère que vous le trouverez bien fait et qu'il satisfera l'Auditeur général adjoint.

Votre obéissant serviteur,

W. M. GRAHAM, *commissaire des Indiens.*

Le secrétaire du ministère des Affaires indiennes, Ottawa.

Compte de l'entrepôt de Regina: L'autorisation du Parlement est nécessaire pour son maintien

BUREAU DE L'AUDITEUR GÉNÉRAL, le 20 avril 1924.

MONSIEUR,—Je viens de recevoir copie de l'arrêté en Conseil du 7 mars 1924 (C.P. 33/376) exposant que M. W. M. Graham, commissaire des Indiens à Regina, avait à son compte le 31 décembre 1923, la somme de $21,700, représentant les recettes de la vente d'articles de vêtements et d'autres marchandises transférés du ministère de la Défense nationale et du ministère du Rétablissement des soldats dans la vie civile.

L'arrêté stipule que quand la somme sera déposée au crédit du Receveur général, une somme égale sera portée au budget pour être affectée aux besoins des Indiens, selon que le Gouverneur en Conseil pourra de temps à autre l'approuver.

Nous vous avons déjà signalé dans notre lettre du 4 décembre 1922 que la procédure suivie en disposant de ces fournitures n'est pas conforme aux dispositions de la loi du Revenu consolidé et de l'Audition, qui décrète que tous les deniers publics seront déposés au crédit du Receveur général. Je ne trouve rien qui autorise la création d'un fonds spécial de ce genre.

La procédure suivie dans le passé ne se trouve pas légalisée par le fait qu'on a déposé la balance en caisse le 31 décembre, et ce compte ne se trouve pas de ce fait fermé. Une grande quantité de marchandises est encore en magasin dans l'entrepôt de Régina, et les rapports de M. Graham couvrant les premiers trois mois de la présente année civile démontrent qu'il reçoit et vend encore des marchandises.

Si vous désirez disposer à l'avenir de ces fournitures de la même façon que dans le passé vous devrez en obtenir du Parlement, à la présente session, une autorisation spéciale. Sinon, le compte devra être immédiatement fermé et tous

les deniers en caisse être déposés au crédit du Receveur général et les marchandises en magasin devront être transférées au directeur du service des fournitures, qui en disposera.

J'ai l'honneur d'être, monsieur, votre obéissant serviteur,

WM. KEARNS, *A.G. adj.*

Le sous-surintendant général des Affaires indiennes.

MINISTÈRE DES AFFAIRES INDIENNES, le 7 juin 1924.

MONSIEUR,—J'accuse réception de votre lettre du 30 avril se rapportant au compte d'entrepôt du commissaire des Indiens à Regina.

Vous le savez, on a déposé $21,700.00 au crédit du Receveur général. Aucun fonds spécial ne peut être établi sans l'autorisation du Parlement, et on ne l'a pas encore obtenue. Je vais porter à l'attention de mon ministre le dernier paragraphe de votre lettre qui signale la nécessité d'une autorisation spéciale du Parlement.

Votre dévoué,

D. C. SCOTT, *S.-S.G.*

L'Auditeur général adjoint.

Compte de l'entrepôt de Regina: Enquête sur l'inventaire

BUREAU DE L'AUDITEUR GÉNÉRAL, le 26 juin 1924.

MONSIEUR,—Je relève dans le rapport de M. J. W. Reid de notre bureau présenté à la suite de l'examen qu'il a fait, au cours de l'été de 1923, des comptes d'entrepôt de M. W. M. Graham, le passage suivant:

"J'ai appris qu'on n'a fait aucun inventaire régulier depuis le mois de février 1921. Vu que depuis cette date une grande quantité de marchandises est entrée et sortie de l'entrepôt, il est probable que l'on relève des divergences, bien que, à mon avis, le gardien de l'entrepôt soit un homme compétent et honnête. J'ai recommandé à M. Graham de faire faire un inventaire aussitôt que possible par des personnes responsables, de faire détruire tous les articles sans valeur et de les biffer de la liste, de consigner les résultats de l'inventaire, et, une fois l'inventaire mis à point, de faire faire fréquemment des inventaires d'essai en contrôlant chaque fois des articles pris au hasard."

Je désire savoir si l'on a fait un inventaire complet des marchandises de l'entrepôt de Regina depuis l'inspection de M. Reid et si on l'a fait j'aimerais avoir une copie du rapport qui a suivi. Si on n'a pas encore fait d'inventaire, je vous suggérerais de prier M. Graham de faire faire un inventaire complet des marchandises le plus tôt possible.

J'ai l'honneur d'être, monsieur, votre obéissant serviteur,

WM. KEARNS, *A.G. adj.*

Le sous-surintendant général des Affaires indiennes.

Compte de l'entrepôt de Regina: Sommes dues par des employés et autres personnes pour des marchandises achetées

BUREAU DE L'AUDITEUR GÉNÉRAL, le 27 juin 1924.

MONSIEUR,—Les livres de compte de l'entrepôt de M. Graham à Regina, examinés au cours de l'été de 1923 par M. Reid de notre bureau, démontrent

que, outre quelques agences indiennes débitées de la valeur des marchandises qu'on leur a envoyées pour les vendre aux Indiens, un certain nombre d'écoles indiennes et d'individus étaient débités des marchandises qu'on leur a fournies.

On a réglé depuis quelques-uns de ces comptes, mais, d'après ce que j'ai pu constater par les reçus, un nombre considérable de ces comptes étaient encore en souffrance à la fin de l'exercice. Vous trouverez, annexés à cette lettre, la liste des comptes figurant dans les livres le 30 juin 1923 et qui paraissent encore impayés; quelques-uns des noms figurant sur la liste sont ceux d'employés de votre ministère à Regina.

J'aimerais avoir un rapport de M. Graham indiquant pourquoi ces comptes n'ont pas été réglés. Je vous prie aussi de m'adresser la liste des comptes impayés le 31 mars 1924.

J'ai l'honneur d'être, monsieur, votre obéissant serviteur,

WM. KEARNS, *A.G. adj.*

Le sous-surintendant général des Affaires indiennes.

REMARQUE.—Au moment d'aller sous presse nous n'avions pas reçu de réponse à la lettre précitée.

Fonds de fiducie des Indiens: Fonds de la province de Québec: Paiement de comptes arriérés pour fournitures d'urgence

BUREAU DE L'AUDITEUR GÉNÉRAL le 3 avril 1924.

MONSIEUR,—Le chèque n° 6732 tiré sur le fonds de fiducie des Indiens le 6 janvier 1924 et imputé au compte de la province de Québec, représente le paiement de $1,500 à J. T. Guite, Limited, de Maria, P.Q., "en paiement complet des articles fournis aux Indiens de Maria, P.Q.".

Les documents fournis pour appuyer cette réclamation consistent de quelques copies dactylographiées d'états préparés sur les formules de votre ministère, évidemment remplies dans votre ministère ou au bureau de votre agence de Maria. Ces états indiquent en détail les fournitures livrées au cours des années 1918, 1919, 1920 et 1921 à divers individus du groupe indien de Maria. Le montant total des comptes est de $2,170.05, que l'on peut répartir de la façon suivante:

Médicaments fournis dans des cas d'urgences.. ..	$ 84 49
Habits fournis dans des cas d'urgence..	665 97
Vivres fournis dans des cas d'urgence..	1,419 59
	2,170 05

Chaque compte portant le certificat suivant:

"Certifié conforme
Prix raisonnable et juste".

J. D. CHENÉ,
Ingénieur de ministère."

De ce que ces documents sont certifiés par M. Chené, je conclus que vous l'avez chargé de faire enquête en la matière, bien que ses fonctions d'ingénieur de ministère ne le désignent pas pour un travail de ce genre.

Je désirerais obtenir des renseignements complets sur les points suivants: (1) En vertu de quelle autorité et de quelle responsabilité ces articles furent-ils fournis aux Indiens? (2) Quelle preuve existe-t-il pour démontrer que ces marchandises furent réellement livrées aux Indiens? (3) Quel droit légal avait J. T. Guite, Ltd., contre votre ministère pour les marchandises qu'il avait livrées? (4) Quelle réclamation avez-vous reçue de J. T. Guite, Ltd., pour le paiement de

ces marchandises? (5) Quelle preuve existe-t-il qu'aucune partie de cette réclamation n'a pas été antérieurement payée, soit par votre ministère soit par un autre? (6) Comment en est-on venu à la somme de $1,500 en règlement de tous comptes?

Je désirerais avoir une copie de tout rapport qu'a pu vous présenter M. Chené.

J'ai l'honneur d'être, monsieur, votre obéissant serviteur,

WM. KEARNS, *A.G. adj.*

Le sous-surintendant général des Affaires indiennes.

MINISTÈRE DES AFFAIRES INDIENNES, le 13 mai 1924.

MONSIEUR,—Je dois référer à votre lettre du 3 écoulé concernant le paiement de $1,500 à MM. Guite et Cie, marchands généraux de Maria, P.Q., pour des marchandises fournies aux Indiens de la réserve entre 1918 et 1921. Cette maison adressa son compte au ministère de temps à autre. Vu que l'agent n'avait présenté aucun rapport sur la question, nous avons jugé nécessaire de faire faire une enquête soignée. M. Chené fut envoyé à Maria pour cet objet; sa connaissance des deux langues le désignait pour ce travail. Il constata que la plus grande partie des marchandises fut livrée aux Indiens dans des moments d'urgence, pendant les épidémies d'influenza. J'ignore quel droit légal la maison Guite pourrait avoir contre le ministère relativement à ces comptes. Toutefois, il n'y a pas de doute que les marchandises étaient nécessaires pour soulager la détresse et sauver la vie des Indiens malades et sans ressources. Le ministère ne pouvait s'arrêter à l'aspect légal de la question; l'urgence de la situation le préoccupa davantage. En revisant les comptes M. Chené n'approuva que les articles jugés absolument nécessaires. Le ministère se croit moralement responsable des comptes ainsi revisés. C'est de cette façon que l'on arriva au chiffre de $1,500. Les dossiers du ministère démontrent qu'aucun des comptes n'a été antérieurement payé.

J'espère que cette explication vous donnera satisfaction.

Votre tout dévoué,

D. C. SCOTT, *S.-S.G.*

L'Auditeur général adjoint.

Fonds de fiducie des Indiens: Paiement d'honoraires de médecin pendant l'absence du médecin régulier

BUREAU DE L'AUDITEUR GÉNÉRAL, le 19 juin 1924.

MONSIEUR,—Le chèque n° 3466 tiré sur le fonds de fiducie des Indiens représente un paiement de $20 fait au docteur J. Rogers, de Forest, Ont., pour services professionnels rendus à une Indienne pendant l'absence du docteur McDonald, médecin régulier, qui assistait à un congrès de médecins à Toronto.

Vu que M. McDonald touche un salaire annuel en sa qualité de médecin des Indiens, ne devait-il pas se faire remplacer pendant son absence sans mettre les Indiens ou le ministère dans l'obligation de faire de déboursé additionnel?

J'ai l'honneur d'être, monsieur,

Votre obéissant serviteur,

WM. KEARNS, *A.G. adj.*

Le sous-surintendant général des Affaires indiennes.

MINISTÈRE DES AFFAIRES INDIENNES, le 24 juin 1924.

MONSIEUR,—J'accuse réception de votre lettre du 19 courant exposant que le docteur McDonald, qui touche un salaire annuel en qualité de médecin des Indiens de la réserve de Kettle et Stony Point, devrait payer les services médicaux nécessités pendant son absence, alors qu'il assistait à un congrès de médecins. En réponse, je dois dire que M. McDonald, médecin du district, avertit l'agent des Indiens de son absence, et qu'une maladie se déclara dans la réserve nécessitant les soins du docteur Rogers.

Il n'est pas d'usage dans notre ministère d'accorder un congé aux fonctionnaires qui ne consacrent qu'une partie de leur temps à leur emploi, mais nous croyons qu'on ne devrait pas exiger que le docteur McDonald paye les services médicaux nécessités pendant son absence, vu que sa présence au congrès des membres de sa profession le mettait en état de rendre des services plus efficaces.

Si le docteur McDonald s'était absenté pour faire un voyage de plaisir, nous prendrions une attitude différente; mais, dans les circonstances, je crois que le ministère était justifié de payer le compte sans le débiter au docteur McDonald.

Le traitement du docteur McDonald n'est que de $33.33 par mois, et nous ne considérerions pas raisonnable de lui retrancher $20 pour une brève absence. Le ministère a toujours été satisfait des services rendus aux Indiens par le docteur McDonald.

Votre obéissant serviteur,

J. D. McLEAN, *S.-Sur. G. adj. et secrétaire.*

Fonds de fiducie du ministère des Affaires indiennes, Réserve Assiniboine: Remboursement de la balance du prêt obtenu de la Home Bank

BUREAU DE L'AUDITEUR GÉNÉRAL, le 7 août 1924.

MONSIEUR,—Le chèque n° 685 tiré sur le fonds de fiducie du ministère des Affaires indiennes et émis le 20 avril 1923, représente le remboursement du montant de $511 à la Home Bank of Canada, succursale de Sintaluta, étant la "balance du prêt obtenu de la Home Bank et des intérêts pour le paiement de ficelle d'engerbage et des frais de battage pour les cultivateurs de l'Assiniboine, du 18 août au 17 septembre 1920."

Bien que je ne connaisse pas d'autres détails touchant ce prêt, je comprends qu'en 1920 un prêt a été consenti par la Home Bank dans le but d'aider les Indiens à exécuter leurs travaux agricoles; que l'argent ainsi obtenu a été placé par l'agent dans un fonds spécial ou de fiducie et payé à même ce fonds sans qu'un rapport touchant l'argent ainsi dépensé ait été envoyé à ce bureau, et que des remboursements furent faits à la banque de temps à autre à même l'argent perçu des Indiens.

Si les choses se sont passées comme je viens de le dire j'aimerais obtenir un rapport détaillé de toutes les transactions touchant ce prêt; si je fais erreur, veuillez avoir la bonté de m'exposer les faits tels qu'ils se sont produits dans ce cas.

Veuillez aussi me dire en vertu de quelle autorisation ce prêt a été effectué et si ce cas a été un cas isolé ou si les agents ont recours à cette pratique générale pour obtenir des prêts de la banque dans le but de permettre aux Indiens d'exécuter leurs travaux agricoles ou autres travaux.

Je suis, monsieur, votre obéissant serviteur,

WM. KEARNS, *A.G. adj.*

Le sous-surintendant général des Affaires indiennes.

MINISTÈRE DES AFFAIRES INDIENNES, le 15 août 1924.

CHER MONSIEUR,—En réponse à votre lettre du 7 du mois courant, j'ai l'honneur de vous dire qu'au cours des mois d'août et de septembre, M. Wilson, agent des Indiens à Sintaluta, a obtenu des prêts au montant de $800.00 de la Home Bank dans le but de pouvoir acheter de la ficelle d'engerbage et de payer les comptes de battage du grain, etc., pour le compte des Indiens de la réserve Assiniboine. Il a agi dans ce cas à l'insu du département, mais il rend compte de ses transactions dans le livre de caisse de son agence, comme vous le constaterez par l'état ci-joint tiré de ses rapports, état vérifié par les récépissés que je vous envoie sous ce pli.

Lorsque le ministère pris connaissance de cette affaire, l'agent avait déjà fait à la banque des paiements pour un total de $406.00 en remboursement des prêts obtenus.

Comme il semblait douteux que les Indiens pussent rembourser la balance de l'argent dû, le ministère a informé le commissaire Graham, à qui il avait déjà écrit à ce sujet, que la balance du prêt serait retirée sans délai et, en conséquence, une facture portant le n° 7275 pour le montant de $511.00 a été présentée à M. Wilson et a été payée par le chèque N. 685 tiré sur le compte n° 145.

En donnant instruction d'émettre le chèque, le ministère a prié M. M. Graham d'avertir tous les agents des Indiens dans les provinces de l'Ouest qu'ils ne devaient pas à l'avenir négocier des prêts par l'entremise des banques ou de toute autre manière. Le ministère a de plus déclaré que lorsque l'on aurait besoin de fonds pour lancer un projet toute la question devrait être soumise au ministère avec une recommandation bien définie. M. Graham a agi d'après ces instructions.

Au meilleur de sa connaissance de ministère déclare qu'aucun autre agent des Indiens n'a obtenu des prêts des banques.

Votre dévoué,

D. C. SCOTT, *S.S.G.*

L'Auditeur général.

Fonds de fiducie du ministère des Affaires indiennes, agence Assiniboine: Paiement de pertes dues à la faillite de la Home Bank

BUREAU DE L'AUDITEUR GÉNÉRAL, le 7 août 1924.

MONSIEUR,—Au nombre des pièces justificatives des dépenses encourues au cours de l'exercice 1923-24 pour le compte de l'agence Assiniboine, je trouve la suivante:

> "R. D. Wilson, transport du compte personnel de la balance non dépensée du chèque n° 3, perte due à la faillite de la Home Bank of Canada, $68.15."

Il appert qu'une avance de $175 a été faite à l'agent au commencement de l'exercice et que ce montant a été déposé à son crédit à la Home Bank. De temps à autre des chèques ont été tirés sur ce compte pour payer diverses dépenses ayant trait à l'agence, et au moment de la faillite de la Home Bank, il restait au crédit de ce compte une balance de $68.15. L'avance ainsi expliquée ne peut être réglée de cette manière, la balance non dépensée doit continuer d'être considérée comme arrérages dus par l'agent jusqu'au jour où l'on aura obtenu l'autorisation nécessaire pour la faire disparaître.

Quelques mois après la faillite de la banque un dividende a été payé aux déposants, soit 25 pour 100 de la balance à leur crédit au moment de la faillite, l'agent a-t-il pris les mesures nécessaires pour obtenir sa part de ce dividende?

Je suis, monsieur, votre obéissant serviteur,

WM. KEARNS, *A.G. adj.*

Le sous-surintendant général des Affaires indiennes.

MINISTÈRE DES AFFAIRES INDIENNES, le 3 septembre 1924.

MONSIEUR.—A propos de votre lettre du 7 août, ayant trait aux transactions qui ont été faites à l'agence Assiniboine, en 1923-24, avec la Home Bank of Canada, j'ai l'honneur de vous dire qu'au mois de septembre 1923 ce ministère a informé le ministère des Finances que le montant au crédit du compte de l'agence Assiniboine à ladite banque, lorsqu'elle a cessé ses paiements, était de $133.07, ledit montant ayant été placé en dépôt dans le but de faire en sorte qu'advenant la liquidation de la dite banque, on pourrait en réclamer le paiement au liquidateur en invoquant la préférence accordée, aux termes de la loi des Banques, aux dépôts du gouvernement fédéral. On a de plus déclaré que dans l'intervalle il ne serait peut-être pas hors de propos de faire connaître au syndic la nature de ce dépôt. Une copie de la lettre reçue du ministère des Finances a été envoyée au Commissaire des Indiens M. W. M. Graham, à Régina, le priant de soumettre un rapport détaillé indiquant à qui appartenait le montant de $133.07. Je vous envoie sous ce pli la réponse de M. Graham de même qu'une copie du rapport qu'il nous a soumis. Vous remarquerez que ce monsieur a déclaré que les chèques au montant de $46.40 furent tirées sur le compte, mais ne furent pas payés, et que des chèques pour des montants de $3.50, $5.00 et $8.95 furent payés aux porteurs au bureau de l'Agence et gardés comme espèces en mains.

Vous avez souligné le fait que quelques mois après la faillite de la banque, un dividende a été payé aux déposants représentant 25 pour 100 de la balance apparaissant au crédit de ces derniers au moment de la faillite, mais je regrette de vous dire que M. Graham déclare dans son rapport qu'il ne s'est pas mis en communication avec le ministère des Finances et qu'il n'a pas déposé sa réclamation entre les mains du liquidateur. Dans ces circonstances, je serais heureux de savoir de vous quelle ligne de conduite nous devons maintenant suivre.

Votres dévoué,

D. C. SCOTT, *S.S.G.*

L'Auditeur général adjoint.

Fonds de fiducie du ministère des Affaires indiennes: Indiens Pieds-Noirs: Paiements faits à la Baird Construction Company Limited, pour l'érection d'un petit hôpital

BUREAU DE L'AUDITEUR GÉNÉRAL, le 24 septembre 1924.

MONSIEUR,—Le 10 juillet 1923 un arrêté en Conseil a été adopté accordant à la Baird Construction Company, Limited, le contrat de l'érection d'une petit hôpital sur la réserve des Indiens Pieds-Noirs, près de Gleichen, Alberta, pour un montant de $22,425 dont $20,000 devait être, avec l'assentiment de la tribu, payé à même le compte du capital au crédit de la réserve des Indiens Pieds-Noirs.

D'après les comptes qui ont été rendus lors de l'achèvement des travaux je constate qu'outre le fait d'avoir touché le plein montant du contrat l'entrepreneur a reçu un montant de $13,282.20 pour des travaux supplémentaires. Comme le montant alloué pour les travaux supplémentaires augmentait d'environ 60 pour 100 le prix du premier contrat d'érection, il me semble ou bien que les premiers devis étaient incomplets ou que l'on a fait subir des modifications importantes aux plans après l'adjudication du contrat. Parmi ces travaux supplémentaires qui ont été payés, semble-t-il, au prix coûtant plus dix pour cent, je trouve un montant de $7,196.82 pour une usine d'énergie et pour le système électrique;

comme ce montant dépasse $5,000 je conclus qu'aux termes des dispositions de la loi des Travaux publics, l'on aurait dû demander des soumissions pour l'exécution de ces travaux à moins qu'il n'y ait eu certaines raisons particulières de continuer les travaux sans demander les soumissions.

Outre les documents que je possède déjà ayant trait à ces travaux, il me faut vous demander de m'enviyer une copie des devis de même que des copies des autorisations vous permettant de continuer les travaux supplémentaires, qui auraient pu être accordés aux entrepreneurs par votre ministère.

Je constate que bien que l'arrêté stipule que le montant de $20,000 pourra être payé à même le compte du capital des Indiens Pieds-Noirs, tout le coût des travaux, y compris les travaux supplémentaires, a été débité au compte de l'intérêt de la banque. Un montant de $20,000 ne devrait-il pas être transporté au compte du capital?

Je suis, monsieur, votre obéissant serviteur,

WM. KEARNS, *A.G. adj.*

Le sous-surintendant général des Affaires indiennes.

MINISTÈRE DES AFFAIRES INDIENNES, le 14 octobre 1924.

MONSIEUR,—En réponse à votre lettre du 24 septembre dernier ayant trait à la construction d'un petit hôpital sur la réserve des Pieds-Noirs, j'ai l'honneur de dire à propos des item mentionnés au deuxième paragraphe de cette lettre que nous économisions de l'argent en faisant faire les travaux conformément aux arrangements conclus plutôt qu'en demandant des soumissions de l'extérieur, et j'attache à cette lettre des copies des mémoranda portant sur cette question, de même qu'une copie des devis comme vous me l'avez demandé.

Quant au dernier paragraphe de votre lettre, j'ai l'honneur de déclarer que c'est par suite d'inattention que ce déboursé a été débité au compte des intérêts, mais qu'il a été transporté au compte du capital.

Votre obéissant serviteur,

D. C. SCOTT, *S.S.G.*

L'Auditeur général.

MINISTÈRE DES AFFAIRES INDIENNES, le 10 septembre 1923.

MÉMORANDUM:—A propos du nouvel hôpital en voie de construction sur la réserve des Indiens Pieds-Noirs, et dont le contrat a été accordé à la Baird Construction Co., de Calgary, il faut un puisard pour le système de canaux d'égout. Il n'en a pas été fait mention dans les premiers plans et devis, parce que l'on n'avait pas déterminé l'endroit exact où serait situé l'édifice lorsque les plans ont été préparés.

Nous nous sommes adressés à notre inspecteur des constructions et lui avons demandé de faire tenir au ministère un croquis indiquant l'endroit où l'on se proposait de placer le puisard. Les plans et devis ont été préparés et le coût estimatif de l'exécution de ces travaux serait d'environ $1,800 une fois les travaux terminés. On a l'intention de faire faire ces travaux par les entrepreneurs sur la base du coût vérifié plus 10 p. 100, et je vous demanderais de bien vouloir approuver cette dépense.

J. D. McLEAN, *S.S.G. suppléant.*

L'honorable CHARLES STEWART, ministère de l'Intérieur.

MINISTÈRE DES AFFAIRES INDIENNES, le 18 septembre 1923.

MÉMORANDUM:—A propos du nouvel hôpital en voie de construction sur la réserve des Indiens Pieds-Noirs, il sera nécessaire d'installer un système d'approvisionnement d'eau de même qu'une machine génératrice pour fournir le courant électrique à l'hôpital, et on a aussi l'intention de fournir l'électricité de la même usine aux bâtiments de l'agence.

Les plans et devis ont été préparés pour ces travaux, et le coût en sera approximativement de $6,000.00. J'ai l'intention, si vous le permettez, de faire exécuter les travaux par la Baird Construction Co., entrepreneurs ayant obtenu le contrat général pour les travaux de construction, sur une base du coût vérifié plus 10 p. 100.

Dans l'installation du système d'éclairage nous nous proposons de nous servir d'un moteur et d'un générateur Lister Bruston. Cette machine est de toute première classe et le fonctionnement en est absolument automatique. Grâce à ce système, la durée de l'accumulateur, item très important dans les frais d'exploitation des systèmes d'éclairage, se trouve considérablement prolongée parce que cette installation est absolument automatique et dès qu'un certain régime de décharge a été atteint sur la batterie, la machine s'actionne d'elle-même automatiquement fournissant toute la charge pour l'éclairage et aussi chargeant la batterie. La pompe qui sert à pomper l'eau sera actionnée par le même moteur qui sert à produire le courant électrique.

J. D. McLEAN, *S.S.G. suppléant.*

L'honorable CHARLES STEWART, ministère de l'Intérieur.

Fonds de fiducie du ministère des Affaires indiennes: Demande de renseignements touchant la perception de certains montants d'argent par le commissaire W. M. Graham, à Regina

BUREAU DE L'AUDITEUR GÉNÉRAL, le 9 avril 1924.

MONSIEUR,—A propos de la vérification des recettes du fonds de fiducie du ministère des Affaires des Indiens pour l'exercice 1923-24, il me faut vous demander de m'envoyer des copies de tous les rapports envoyés par M. Graham, commissaire des Indiens à Regina, touchant ses remises mensuelles à votre ministère des sommes perçues par lui pour droits de pâturage et autres baux, les paiements sur les ventes de terrains ou toute autre fin.

M. Graham émet-il des récépissés officiels accusant réception des sommes perçues par lui? Si oui, les copies ou les talons de ces reçus devraient être envoyés par lui à votre ministère et, par votre ministère, transmis à ce bureau. Si par le passé des reçus n'ont pas été ainsi émis, l'on devrait fournir à M. Graham des livrets de reçus officiels, et des copies de tous les reçus émis par lui devraient être envoyées en même temps que ses rapports.

A l'avenir ces rapports et ces reçus devraient nous être envoyés en même temps que les rapports mensuels des recettes.

Je suis, monsieur, votre obéissant serviteur,

G. GONTHIER, *A.G.*

Le sous-surintendant général des Affaires indiennes.

MINISTÈRE DES AFFAIRES INDIENNES, le 13 mai 1924.

MONSIEUR,—En réponse à votre lettre du 9 courant, j'ai l'honneur de vous dire que, comme vous me l'avez demandé, je vous envoie le dossier n° 427063-

104 X A de même que les rapports mensuels des sommes perçues de M. W. M. Graham, Commissaire des Indiens à Regina, touchant les perceptions faites pour les baux de pâturage. Veuillez, s'il vous plaît, me retourner ce dossier lorsque vos fonctionnaires l'auront examiné. Le ministère n'a reçu aucun rapport de M. Graham touchant les ventes de terrains ou autres, qu'il n'a pas envoyé chaque mois à votre bureau. Quant à votre question me demandant si M. Graham émet des reçus officiels pour les sommes perçues par lui, je puis vous dire que M. Graham n'a pas donné de reçus de ce genre, mais que nous lui avons fourni des livrets de reçus officiels en même temps que des instructions complètes indiquant la manière de rédiger ses rapports mensuels et de les envoyer au département avec les copies ou les talons des reçus émis par lui. A l'avenir ce rapport des recettes remplacera les rapports des sommes perçues que nous avons envoyés touchant les baux de pâturage.

Votre obéissant serviteur,

D. C. SCOTT, *S.S.G.*

A l'Auditeur général.

Fonds de fiducie du ministère des Affaires indiennes, Recettes: Demande d'une liste de tous les baux

BUREAU DE L'AUDITEUR GÉNÉRAL, le 9 avril 1924.

MONSIEUR,—A propos de la vérification des recettes du fonds de fiducie du ministère des Affaires des Indiens, il me faut vous demander de m'envoyer une liste de tous les baux des terres des Indiens pour fins de pâturage, de culture ou autres fins, en vigueur au 1er avril 1923, de même que des détails complets portant sur le terme de ces baux, lors de l'émission, et la période pour laquelle ces baux ont été accordés, ainsi qu'un rapport de tous les versements faits par suite de ces baux jusqu'à ce jour.

J'aimerais aussi avoir un rapport semblable portant sur les terres des Indiens qui ont été vendues et dont le prix de vente n'était pas entièrement payé au 1er avril 1923.

Je suis, monsieur, votre obéissant serviteur,

G. GONTHIER, *A.G.*

Le sous-surintendant général des Affaires indiennes.

REMARQUE.—Au moment de l'impression de ce rapport nous n'avions reçu aucune réponse à cette lettre.

Revenu des terres en fiducie: Renseignements désirés relativement aux baux de métairie

BUREAU DE L'AUDITEUR GÉNÉRAL, le 20 mai 1924.

MONSIEUR,—D'après les états fournis par monsieur le commissaire Graham concernant les baux de pâturage qui me sont parvenus récemment, je remarque qu'un certain nombre de baux, surtout dans le cas des terres de la réserve des Pieds-Noirs, semblent avoir été effectués sur la base de métayage.

Si je comprends bien dans ces cas-là le coût entier d'ensemencement, de la culture, et de la moisson des récoltes en question est à la charge du locataire et qu'une certaine proportion de la récolte retourne à votre ministère comme loyer de la terre occupée, laquelle somme doit être placée au crédit de la tribu des Indiens propriétaire des terrains. Je serais heureux de vous voir expliquer plus

en détail le système de métairie surtout en ce qui concerne les points suivants: Quelle proportion de la récolte retourne au ministère? Quel contrôle exerce le ministère sur le rendement de la terre? Est-ce que toute la récolte est vendue par le locataire et la proportion du ministère payée en argent ou le ministère reçoit-il sa part en nature? La part du ministère est-elle payable immédiatement après le battage ou après que le grain est vendu?

Est-ce qu'il est question dans les baux d'une clause obligeant le locataire à assurer sa récolte contre la grêle?

Je demeure, monsieur, votre obéissant serviteur,

WM. KEARNS, *A.G. adj.*

Le sous-surintendant général des Affaires indiennes.

REMARQUE.—Au moment d'aller sous presse cette lettre était encore sans réponse.

Revenu des terres en fiducie: Paiements pour les services des inspecteurs des récoltes à être effectués à même les recettes des baux de métairie

BUREAU DE L'AUDITEUR GÉNÉRAL, le 20 mai 1924.

MONSIEUR,—D'après les explications données au sujet de son compte des baux de pâturage, M. Graham, commissaire, nous laisse entendre que M. G. H. Gooderham, agent de la réserve des Indiens Pieds-Noirs, a perçu $5,662.52 au mois de janvier 1924 pour les baux de métairie. Il a remis sur ce montant $5,312.52 à M. Graham, la différence de $350.00 étant payée à M. T. Henderson pour trois mois de traitement comme inspecteur de récoltes du 16 août au 30 novembre.

A mon sens cette conduite n'est pas conforme à l'article 37 de la loi du Revenu consolidé et de l'Audition qui exige que tous les officiers doivent verser les revenus bruts au crédit du Receveur général. M. Gooderham aurait dû remettre à M. Graham, pour être transmis à votre ministère, tout le montant qu'il a perçu, et après que l'engagement de M. Henderson eut été autorisé on aurait dû émettre en paiement de ses services un chèque du ministère imputable sur le fonds fiduciaire des Pieds-Noirs.

Je demeure, monsieur, votre obéissant serviteur,

WM. KEARNS, *A.G. adj.*

Le sous-surintendant général des Affaires indiennes.

REMARQUE.—Au moment de l'impression du présent rapport la lettre susdite était demeurée sans réponse.

Travelling Expenses of Ottawa Officials

(Continuation of Correspondence on page K—229. A.G.'s Report 1922-23.)

DEPARTMENT OF THE INTERIOR, December 17, 1923.

SIR,—I beg to acknowledge the receipt of your letter of the 12th instant relative to the travelling expenses of officials at Ottawa and to state that it has been the practice, as much as possible, to adhere to the directions given in the Order-in-Council of the 7th November 1913, which was passed for the guidance of the various Departments in such matters. As you are aware this Department employs a great many Surveyors, Engineers and technical men of all kinds and it has been customary, in cases where an official from Ottawa going on a trip of inspection or otherwise incurs expenditures which are chargeable partly to Civil Government Contingencies and partly to an Outside Vote, to charge the whole amount to such outside Vote, so as to avoid a dissection of the account. An understanding to that effect has been in existence for some time past, and I am giving instructions to the proper officer that, in all other respects, the provisions of the above mentioned Order-in-Council should be adhered to.

Yours very truly,

W. W. CORY, *D.M.*

The Assistant Auditor General.

Northwest Territories: Advance to Mr. V. Stefansson

(Continuation of Correspondence on page K—240. Report of 1922-23.)

DEPARTMENT OF THE INTERIOR, March 6, 1924.

SIR,—I beg to refer to my letter of the 19th November 1923 relative to an advance of $3,000.00 made to Mr. V. Stefansson in which it is stated that we were communicating with the Stefansson Arctic Exploration and Development Company, Vancouver, with regard to an accounting for the said advance.

In this connection, I wish to say that a statement has been furnished (copy herewith) showing how the money was expended. No vouchers have been submitted but, as the amount shown on the statement is in excess of the sum of $3,000.00, it may be that this information will be satisfactory for your purpose.

Yours very truly,

W. W. CORY, *D.M.*

The Assistant Auditor General.

Northwest Territories: Purchase of Museum Specimens

(Continuation of Correspondence on page K—241. Report of 1922-23.)

DEPARTMENT OF THE INTERIOR, March 11, 1924.

SIR,—I beg to refer to your letter of the 2nd November last regarding certain payments made from the North West Territories Vote for procuring articles peculiar to and characteristic of the Eskimo for museum purposes and, in reply, to state that an amount of $2,500.00 had been set aside in that Vote to cover such items. It is true the wording of the Vote did not specifically mention such articles but the intention of the Department was very clear as may be seen from the details of our estimates.

With regard to the articles purchased by Mr. J. F. Moran, amounting to $133.00, I may say that it is almost impossible to obtain vouchers from the natives for the reason that they are illiterate and although they can speak English to some extent they cannot read it, so even at this the best that could have been done would have been for the seller to put an X for his signature. The articles submitted in Mr. Moran's account were all examined and valued by Mr. D. Jenness, Associate Ethnologist of the Department of Mines, and the account certified to by him before payment was made. This procedure, it was thought, would offer a sufficient guarantee to the Department that the transaction was correct in every respect.

Some of the tobacco and other articles, covered by the first four payments mentioned in your letter and amounting in all to $504.64, were traded with the natives for specimens. No definite record, however, was kept of the articles and specimens exchanged and I wish to add that about one-half of the articles in question, including some tobacco, are still on hand and will appear in the inventory of the "*C.G.S. Arctic*". In reference to the large reduction made in the price of tobacco, I desire to state that this was owing to the fact that the tobacco purchased had been put up in plugs of unsuitable weight for the regular retail trade. It was, however, just as suitable for the purpose intended and cost the Department only about one-half the regular price.

All the specimens in question are at present in the North West Territories and Yukon Branch, Transportation Building. They have been arranged for exhibition purposes by officials of that Branch in co-operation with the staff of the Victoria Memorial Museum and they may later be moved to the premises of the latter.

Yours very truly,

W. W. CORY, *D.M.*

The Assistant Auditor General.

Allowance for Use of Privately Owned Motor Cars

(Continuation of Correspondence on page K—243. Report of 1922-23.)

DEPARTMENT OF THE INTERIOR, January 3, 1924.

SIR,—I have your letter of the 19th ultimo, re Mechanical Transport, and in reply may say that the use of the automobile is only authorized where the work to be done can be most advantageously accomplished by this mode of transportation.

By standardizing on Fords, which are undoubtedly the most economical form of automobile equipment, we have greatly increased the output of work and still kept down expense. I append hereto copy of a memorandum prepared for me upon the subject by our Financial Controller.

This is a subject to which we have given considerable attention and we take some pride in the result which has attended our effort towards economical administration in this regard. We do not claim that our system is perfect but it is giving very satisfactory results and is being improved as experience teaches.

If we can be of any further service to you in this connection, please advise me.

Yours very truly,

W. W. CORY, *D.M.*

The Assistant Auditor General.

Vote 283, Dominion Lands and Parks, Dominion Lands, Contingencies:

Employment of Temporary Clerk for Longer Period than Thirty Days, without authority of C.S. Commission

AUDITOR GENERAL'S OFFICE, February 28, 1924.

SIR,—The following payments have been made from your vote for Dominion Lands Contingencies to Miss J. Hewitt for services as junior clerk-stenographer in the Moose Jaw Land Office at the rate of $65 a month.

Cheque No.	19941,	Services	July 3—31, 1923.. ..	$60 81
"	22612,	"	August 2—31..	62 90
"	25383,	"	September 6—30.. ..	54 17
"	28302,	"	October 1—5..	10 48

This office has received no certificate from the Civil Service Commission authorizing the employment of this lady and on enquiry at your accountant's office was informed that she was employed without certificate on the thirty days basis, as authorized by subsection 4 of section 23 of the Civil Service Act.

I beg to point out that this lady's employment must be regarded as continuous from July 2 to October 5, inclusive, as the few days for which she was not paid cannot be regarded as breaking the continuity of employment.

Section 23 (4) cannot be construed as admitting of the employment for a period longer than thirty days by the expedient of allowing one or two days without pay to intervene between each thirty day period.

I am, accordingly, of opinion that Miss Hewitt's employment should be legalized by a certificate from the Civil Service Commission covering the same.

I am, Sir, your obedient servant,

WM. KEARNS, *Asst. A.G.*

The Deputy Minister of the Interior.

DEPARTMENT OF THE INTERIOR, March 18, 1924.

SIR,—I have duly received your letter of the 28th ultimo relative to the employment of Miss J. Hewitt, Moose Jaw Land Office, on the thirty day clause, as authorized by subsection 4 of section 23 of the Civil Service Act and I note what you say with regard to obtaining a certificate from the Civil Service Commission covering her employment.

In reply I am to state that the Agent at Moose Jaw was authorized, on account of temporary pressure of work, to employ the services of a junior clerk-stenographer for a period of one month. At the end of that month, the clerk was discharged, but additional help being still required, the same party was re-engaged for thirty days on the 2nd August and her employment was further continued from September 6th to October 5th, 1923.

The employment in the above case is authorized by law but one condition was not complied with, i.e., the case was not reported to the Civil Service Commission. In the first place, it was not the intention of the Department to employ Miss Hewitt for the periods above mentioned, without reference to the Commission, but circumstances arose which made it necessary to re-engage her, in view of the fact that she had got acquainted with the work of the office and could thereby render more valuable service than a new comer. The Department has acted under the provisions of subsection 4 of section 23 in cases of emergency only, as it is considered more economical to do so in such instances than to apply to the Civil Service Commission for an ordinary temporary clerk who might be appointed for six months and possibly more, because temporary employees always try to have their period of assignment extended, whereas those engaged under the emergency clause know that they cannot be kept in the service for a longer period.

The case of Miss Hewitt will therefore be referred to the Civil Service Commission and, if they see fit, a certificate could be issued to cover the period of her employment, as above reported.

Yours very truly,

W. W. CORY, *D.M.*

The Assistant Auditor General.

Vote 283, Dominion Lands and Parks, Canadian National Parks: Purchase of Land for Elk Island Park

AUDITOR GENERAL'S OFFICE, November 6, 1924.

SIR,—Parks cheque No. 524 issued on May 8th, 1923, is for the payment of $4,000 to C. H. Oster and R. E. McLaughlin agent of the Department of Justice for the purchase for Elk Island Park of N.W. 32-53-20 W. 4th, comprising approximately 140 acres and improvement thereon.

Kindly advise me as to whether the purchase of this property was authorized by the Governor in Council, and if not, as to the authority under which it was purchased.

I should also like to be informed as to how the amount of the purchase price was arrived at and if the property was valued by any competent independent valuator.

I am, Sir, your obedient servant,

GEORGES GONTHIER, *A.G.*

The Deputy Minister of the Interior.

DEPARTMENT OF THE INTERIOR, November 15, 1924.

DEAR SIR,—I beg to acknowledge the receipt of your letter of the 6th instant relating to a payment of $4,000.00 to Mr. C. H. Oster for the N.W. 32-53-20 W. of the 4th Meridian and requesting to be furnished with information regarding the authority for the purchase of the property and the valuation of the same.

In reply I am to state that Council has been asked to confirm the action of the Department in purchasing the above mentioned property and a copy of the Order-in-Council will be supplied to your office in due course.

I am also to inform you that a valuation of the property in question was made by Homestead Inspector T. J. Cunningham, who reported that the land was worth $17.00 an acre and that there were improvements thereon to the extent of $1,690.00.

Yours very truly,

W. W. CORY, *D.M.*

The Auditor General.

Vote 283, Dominion Lands and Parks, Canadian National Parks: Salary payable to Mr. F. G. Forster on his Transfer from Soldier Settlement Board to Canadian National Parks

AUDITOR GENERAL'S OFFICE, October 10, 1923.

SIR,—I notice that the two following certificates were issued by you in connection with Mr. F. G. Forster, formerly classed as District Superintendent, Soldier Settlement Board, and now classed as National Parks Lecturer.

On August 27th last, a certificate was issued approving of Mr. Forster's transfer from the position of District Superintendent of the Soldier Settlement Board to the position of National Parks Lecturer at a salary of $2,880, effective from April 1st, 1923, and on September 25th a certificate was issued approving of the increase of his salary as District Superintendent, Soldier Settlement Board, from $2,640 to $2,760 dating from October 1st, 1921 and from $2,760 to $2,880, dating from October 1st, 1922.

I find that though Mr. Forster was paid as District Superintendent by the Soldier Settlement Board, up to January 31st, 1923, he was actually engaged in lecturing for the Parks Branch of the Interior Department from September 17th, 1921, his expenses being paid by the Interior Department. As the increases approved by the Commission are granted to him in his capacity as District Superintendent, Soldier Settlement Board, the recommendation for the same, required by subsection 3 of section 45/B of the Civil Service Act should come from the Soldier Settlement Board, and I have difficulty in understanding how that Board could certify that Mr. Forster had "rendered meritorious service and increased his usefulness in the service", when he was actually employed in a different capacity and in another department.

I shall be glad to have any explanation that you can give me with reference to the granting of these increases, supported by any correspondence regarding the same that may have passed between the Civil Service Commission and the Soldier Settlement Board or the Department of the Interior.

I am, Sir, your obedient servant,

WM. KEARNS, *Asst. A.G.*

The Secretary, Civil Service Commission.

CIVIL SERVICE COMMISSION, October 15, 1923.

SIR,—I beg to acknowledge receipt of your letter of the 10th instant with reference to the transfer of Mr. F. G. Forster, from the position of District Superintendent, Soldier Settlement Board to the position of National Parks Lecturer, Department of the Interior at a salary of $2,880 per annum.

Apparently the confusion has arisen over the fact that the request for the transfer was stamped and dated 27th August, the day it was approved by the Commission and the question of the salary was settled later before the notification of transfer was sent to the Department and to the Auditor General's Office. I find that the notification of transfer was only sent out on the 24th September after the matter of salary had been finally settled. I am enclosing herewith as requested by you, copies of the correspondence in connection with the salary which passed between the Civil Service Commission and the Soldier Settlement Board and between the Civil Service Commission and the Department of the Interior. The Commissioners are of the opinion that the recommendations received conjointly from both Departments are sufficient to justify them in approving of the salary increases recommended for Captain Forster.

I am, Sir, your obedient servant,

W. FORAN, *Sec'y.*

The Assistant Auditor General.

AUDITOR GENERAL'S OFFICE, November 8, 1923.

SIR,—I beg to acknowledge receipt of your letter of October 15th (File No. INT-DP-764) with regard to the increases of pay granted Mr. F. G. Forster on his transfer from the Soldier Settlement Board to the Dominion Parks Branch of the Department of the Interior.

I still fail to see how the Commission can legally authorize the proposed increases, in view of the facts of the case as set out in the following:—

Mr. Forster's classification with the Soldier Settlement Board was that of District Superintendent, with a salary range from $2,160 to $2,880. From October 1st, 1920, he was paid at the rate of $2,640, and had he continued to satisfactorily fill the position of District Superintendent he might have been increased to $2,760 from October 1st, 1921, and to $2,880 from October 1st, 1922. However from September 17th, 1921, although still nominally in the service of the Soldier Settlement Board, he was actually engaged in work for the Parks Branch of the Interior Department, his expenses being paid by that Department. Further, it appears that for some time prior to September 17th, 1921, he was not acting as District Superintendent at Sherbrooke, but was engaged on special work for the Board with headquarters at Ottawa.

Section 45/B, subsection 3, of the Civil Service Act provides that "The rate of compensation of an employee, who has not reached the maximum rate of compensation of the class in which he was serving, may be increased upon the recommendation of the Deputy head approved by the Commission, but no such recommendation shall be approved unless it is accompanied by a statement of the deputy head supported by such evidence and records as the Commission may require, that the employee has rendered meritorious service and has increased his usefulness in the service". I consider that the proposed increases can only be granted to Mr. Forster in his capacity as District Superintendent and as he had not acted in that capacity since September 17th, 1921, nor indeed for some time previous to that date, the necessary statements as to meritorious service in that capacity could not be given by the Soldier Settlement Board.

In a letter to the Secretary of the Soldier Settlement Board, dated September 23rd, 1923, a copy of which accompanied your letter, I find the following statement with reference to the proposed increases:—"the Commissioners are prepared to approve the same, on the understanding that no arrears can be paid, but that such action is taken only with a view to bringing Captain Forster's salary up to the figure which he should be receiving at the present time and to effect his transfer at a salary rate of $2,880 per annum." Is it within the power of the Commission to withhold the payment of arrears which they have themselves granted?

I am, Sir, your obedient servant,

WM. KEARNS, *Asst. A.G.*

The Secretary, Civil Service Commission.

CIVIL SERVICE COMMISSION, January 5, 1924.

SIR,—I beg to acknowledge receipt of your letter of the 8th November with further reference to the case of Mr. F. G. Forster. The difficulty in the matter is, of course, entirely owing to the fact that the Department of the Interior transferred Mr. Forster from the Soldier Settlement Board without any authority from the Civil Service Commission. If the transfer had been properly effected on the 17th September 1921, there is no question but that Mr. Forster would have been entitled to statutory increases on the recommendation of the Deputy Minister of the Interior. It was felt by the Commission that in equity, Mr. Forster was entitled to these increases and you have already been furnished with copies of the correspondence in the matter which led to their approval. If your office takes the view that the increases were not justified, it would appear that the only course which can be followed, is for you to refer the question to the Department of Justice for settlement.

In regard to your final inquiry as to the power of the Commission to withhold payment of arrears which they themselves have granted, I may say that the Commission in emphasizing this condition was under the impression that there were no funds from which such arrears could be paid and desired only to make this point clear to the Departments concerned.

I am, Sir, your obedient servant,

W. FORAN, *Sec'y.*

WM. KEARNS, Asst. Auditor General of Canada.

CIVIL SERVICE COMMISSION, February 2, 1924.

SIR,—On the 5th January, 1924, I wrote your office in reply to a letter dated the 8th November, 1923, in connection with the case of Captain F. G. Forster who was transferred from the Soldier Settlement Board to the Dominion Parks Branch, Department of the Interior.

As the Department of the Interior is now raising the question of Captain Forster's next increase in salary, I should be obliged if you will let me know what the final decision was in regard to the rate of $2,880 per annum authorized by the Commission in connection with the transfer.

I am, Sir, your obedient servant,

W. FORAN, *Sec'y.*

The Auditor General.

AUDITOR GENERAL'S OFFICE, February 5, 1924.

SIR,—I beg to acknowledge receipt of your letters of January 5th and February 2nd, respectively, with reference to the case of Mr. F. G. Forster.

In reply I beg to state that my view of the matter is the same as is already set out in the previous correspondence, viz.,—that the two increases granted by the Commission from $2,640 to $2,760 and from $2,760 to $2,880 were not made in accordance with the Civil Service Act and that Mr. Forster can only be transferred at the salary he was receiving prior to his transfer, viz.: $2,640.

In your letter of January 5th you say that if this office takes the view that the increases were not justified, the only course appears to be for me to refer the matter to the Department of Justice for settlement. In reply to this suggestion I would say that, as this office has questioned the legality of the increases authorized by you, any reference to the Department of Justice regarding this matter, should be made, not by this office, but by the Civil Service Commission.

I am, Sir, your obedient servant,

WM. KEARNS, *Asst. A.G.*

The Secretary, Civil Service Commission.

Vote 283, Dominion Lands and Parks, Canadian National Parks: Payment of Junior Engineer at a Higher Rate than authorized by C.S. Commission

AUDITOR GENERAL'S OFFICE, April 17, 1924.

SIR,—On February 28th, 1924, a certificate was issued by the Civil Service Commission for the temporary employment of Mr. Roy L. Black as Junior Engineer in the Canadian National Parks Branch, at a salary of $1,680 a year, effective from October 15th, 1923.

On examination of the accounts for the expenditure by Mr. Wardle, highways engineer, I find that Mr. Black has been paid at the rate of $160 a month or $1,920 a year since he entered upon his duties, making an overpayment to him of $20 a month since his employment.

Kindly advise me as to Mr. Wardle's authority for employing this man at the higher rate and also the reason for the certificate for his employment not having been issued until more than four months had elapsed since he entered upon his duties. What steps if any have been taken to recover the amounts overpaid Mr. Black.

I am, Sir, your obedient servant,

WM. KEARNS, *Asst. A.G.*

The Deputy Minister of the Interior.

NOTE.—No reply had been received to the above letter up to the time of printing.

Vote 283, Dominion Lands and Parks, Dominion National Parks: Employment of Mr. Chas. Duncan as Golf Professional at Jasper Park

AUDITOR GENERAL'S OFFICE, November 30, 1923.

SIR,—I have before me your application to the Treasury Board for authorization of the payment of $54.40 to Mr. Chas. Duncan, being the expenses incurred by him in travelling from Calgary to Jasper on his appointment as golf professional at the latter place.

This man was employed at Banff in a similar capacity during the summer of 1922, on the authority of a certificate issued by the Civil Service Commission for his temporary employment as Parks Caretaker at a salary of $100 a month.

I have no certificate for his employment at Jasper for the season of 1923, although I find that he has been paid by the Superintendent there at the rate of 60c. an hour, a rate which makes the monthly payments to him considerably greater than he was in receipt of at Banff during the season of 1922.

Kindly advise me as to your authority for the employment and rate of pay of Mr. Duncan for the season of 1923.

I am, Sir, your obedient servant,

WM. KEARNS, *Asst. A.G.*

The Deputy Minister of the Interior.

DEPARTMENT OF THE INTERIOR, March 30, 1924.

SIR,—I beg to refer to your letter of the 30th November 1923 relative to the travelling expenses of Mr. Charles Duncan from Calgary to Jasper and I note what you say with regard to his employment for the season of 1923. In reply I am to advise you that authority was granted by the Civil Service Commission on the 24th February 1923 (copy of letter attached) for the employment of Mr. Duncan as Park Caretaker and Golf Instructor at Jasper Park, at a salary of $1,200.00 per annum, prevailing rates, for a period not to exceed six months.

It was expected that the course would be ready for play early in the season but, owing to unforeseen difficulties, this was not possible and when Mr. Duncan reported for duty on the 1st May he was placed in charge of the work on the course at Assistant Labour Foreman's wages of 60c. per hour, prevailing rates, which position is excluded from the operation of the Civil Service Act. Mr. Duncan's wages at 60c. per hour constitute an amount larger than the salary he received at Banff in 1922, but, in the latter place, he received more from his teaching than he would in salary and, in addition, he had the privilege of operating the tea room at the golf course. During the last season at Jasper there were, for a short time, several holes in operation and there was some playing on the course but Mr. Duncan's receipts for teaching meant practically nothing, so that he has received considerably less than had the course been in operation when he would have received $100.00 per month in salary with other perquisites.

Mr. Duncan is an experienced golfer; he has been most faithful and energetic in carrying out the work on the golf course and his removal expenses from Calgary to Jasper should no doubt receive the approval of your office.

The question of his employment has also been fully explained; the Department tried to utilize the services of Mr. Duncan, who is a very competent man, to the best possible advantage after having been appointed by the Civil Service Commission and, under the circumstances, it is hoped that the case will be put through in the ordinary course of business.

Yours truly,

W. W. CORY, *D.M.*

The Assistant Auditor General.

CIVIL SERVICE COMMISSION, February 24, 1924.

DEAR SIR,—I am directed to inform you that the Civil Service Commission has approved of the temporary employment of Mr. Charles Duncan as a Park Caretaker at Jasper Park, who is also capable of acting as Golf Instructor, at a salary of prevailing rates of pay of $1,200 per annum, for a period not exceeding six months, in response to your request of the 5th instant.

Will you be good enough, therefore, to advise the Commission of the date on which Mr. Duncan reports for duty.

Yours truly,

W. FORAN, *Sec.*

The Deputy Minister of the Interior.

Vote 283, Dominion Lands and Parks, Canadian National Parks: Increase in Rate of Pay to Timekeeper at Jasper Park

AUDITOR GENERAL'S OFFICE, June 17, 1924.

SIR,—I am in receipt of a certificate approved by the Civil Service Commission on the 13th inst., for the extension of the temporary employment of Mr. J. R. Heckley as timekeeper at Jasper Park for a period of six months from June 1st, (position F. Int-DP-54 T), at a salary rate of $105 a month.

Mr. Heckley's previous employment as timekeeper was authorized as follows:—

January 24, 1924, 6 mos. from May 1, 1923 at $960.
March 6, 1924, 6 mos. from November 1, 1923 at $960.
May 9, 1924, 2 mos. from April 1, 1924 at $960

The range of salary given in the classification schedule for the position of Timekeeper is from a minimum of $960 to a maximum of $1,260.

Section 45B, subsection 6 of the Civil Service Act provides that "No temporary employee shall be deemed to be eligible to receive any increase of compensation under the provisions of this Act." In view of this enactment, I have to ask your authority for increasing Mr. Heckley's rate of pay from the minimum to the maximum of his class, when authorising an extension of the term of his employment.

I am, Sir, your obedient servant,

WM. KEARNS, *Asst. A.G.*

The Secretary, Civil Service Commission.

CIVIL SERVICE COMMISSION, June 25, 1924.

DEAR SIR,—In reply to your letter of the 17th, instant, referring to a certificate issued by the Commission on the 13th instant, for the temporary employment of Mr. J. R. Heckley as Timekeeper at Jasper Park, Alberta, for a period of six months from June 1st at a salary rate of $105.00 per month, I am directed to inform you that this position was advertised at a salary of $960.00 per annum by the Department, which however, resulted in no application being received.

The Department therefore requested that in order to encourage applications when the position is again advertised, and in the meantime to retain Mr. Heckley's services, a salary at the rate of $1,260 per annum be paid, as prevailing rates, under authority of section 45B, subsection 5 of the Civil Service Act of 1918, as amended, which was concurred in by the Commission.

I trust that this explanation will be acceptable to you.

Yours truly,

W. FORAN, *Sec'y.*

The Assistant Auditor General.

Vote 283, Dominion Lands and Parks, Protection of Timber: Payments for Work in Connection with the Eastern Provinces

AUDITOR GENERAL'S OFFICE, February 8, 1924.

SIR,—I have received from the Civil Service Commission a certificate dated January 9th, 1924, for the extension of the employment of Mr. H. D. Chapman as Engineering Clerk for a period of 4 months from December 15th, 1923, at a salary of $1,260 a year, to be charged against your vote for Protection of Timber.

The reasons assigned by you for Mr. Chapman's employment are as follows: "Mr. Chapman is assisting in the compilation of data on an estimate of the forest resources of the province of Ontario. This work is very important and will extend over a considerable period of time yet."

The sub-vote against which Mr. Chapman's salary is charged is worded as follows:—"Protection of Timber in Manitoba, Saskatchewan, Alberta, the N.W.T. and the Railway Belt in B.C.; tree culture in Manitoba, Saskatchewan, Alberta and Inspection and Management of Forest Reserves." The application of this vote is very explicit and I find nothing in it to authorize any expenditure in connection with the timber resources of Ontario, or of any of the other eastern provinces, all of which provinces have full control of their own natural resources.

I have accordingly to ask on what grounds you justify the charging of Mr. Chapman's salary, or any other expenditure of a similar nature, against your vote for Protection of Timber.

I am, Sir, your obedient servant,

WM. KEARNS, *Asst. A.G.*

The Deputy Minister of the Interior.

DEPARTMENT OF THE INTERIOR, February 14, 1924.

SIR,—I beg to acknowledge the receipt of your letter of the 8th instant relative to the wording of the appropriation for "Protection of Timber" and to inform you that the Department is aware of the fact that the item, as included in the estimates for 1923-1924, is qualified and is applicable solely to the Western Provinces. The scope of our forestry activities, however, is being extended and, from the standpoint of the definition of a proper forestry policy for the Dominion, it is necessary to procure information on the forest resources of all the provinces of Canada. Work in this connection has been started in Ontario; it will be continued in the other Provinces and the temporary appointment of Mr. H. D. Chapman is a consequence of this extension of our activitites. Realiz-

ing, therefore, that the present wording of the vote would not be suitable, a change has been made in the Estimates for 1924-1925 and the wording will appear therein as follows:—

> "Protection of timber, tree culture, inspection and management of forest reserves, surveys of forest resources and research in forestry and forest products, etc."

It is hoped the above explanation will be found satisfactory.

Yours truly,

R. A. GIBSON, *Asst. D.M.*

The Assistant Auditor General.

Vote 283, Dominion Lands and Parks, Protection of Timber: Freight Charges on Pine Logs from British Columbia

AUDITOR GENERAL'S OFFICE, April 3, 1924.

SIR,—Voucher No. 48 in support of the statement of disbursements at the Montreal Forest Products Laboratory during the month of September last is for the payment of $188.81 to the Dominion Express Co., for charges on three (3) pine logs weighing 1,226 lbs., shipped from Salmon Arm, B.C.

Voucher No. 30 in support of the statement of disbursements for the month of October is for the payment of $157.85 to the Dominion Express Co., for charges on three (3) logs, weighing 1,025 lbs., shipped from Sicamous, B.C.

From a memorandum attached to the first voucher it would appear that an order was sent by telegraph to ship three *cubes* of certain species of wood, but that by an error in transmitting the message three *ties* were shipped in the first instance.

Outside of the question as to whether the telegraph company could be held responsible for the error and for the consequent additional expense entailed thereby, the question suggests itself as to whether it was absolutely necessary that these logs should be shipped by express instead of by freight, which would be considerably less expensive.

Some explanation from your department on this point would be appreciated.

I am, Sir, your obedient servant,

WM. KEARNS, *Asst. A.G.*

The Deputy Minister of the Interior.

DEPARTMENT OF THE INTERIOR, April 12, 1924.

Dear Mr. KEARNS,—I have your letter of the 3rd instant in connection with express charges on six logs shipped from British Columbia to the Forest Products Laboratories, Montreal, and note your query as to whether it was necessary to ship these logs by express instead of by freight.

For your information I am appending a more complete explanation, from which you will see that through a combination of errors, altogether too much timber was shipped.

Our Departmental Solicitor advises that in his opinion it would not be feasible to secure damages from the Telegraph Company as the message in the first place was phoned to the Telegraph Office.

At least two of our officers seem to have been guilty of lack of judgment and these will be reprimanded.

Yours very truly,

R. A. GIBSON, *Asst. D.M.*

The Assistant Auditor General.

Vote 283, Dominion Lands and Parks, Ordnance Lands: Payments for Services valuating and surveying Montcalm Market Site, Quebec

AUDITOR GENERAL'S OFFICE, May 14, 1924.

SIR,—I beg to ask your attention to the two following payments made on June 7th, 1923, from your vote for Ordnance Lands, Salaries and Expenses.

Cheque 1078, Aurele Leclerc, N.P., Quebec, Services valuating Montcalm Market Site $600.00

Cheque 1079, Alex. Lariviere, C.E., Quebec, Services surveying, etc., Montcalm Market Site 210.00

In neither of these cases is any indication given as to how the amounts paid were arrived at. I am of the opinion, when a claim for payment for services is not based on an exact calculation but is for a round amount established more or less arbitrarily, that the authority of the Governor-in-Council should be obtained for the payment. Subsection 5 of section 23 of the Civil Service Act appears to be applicable to such cases and requires that the salary or remuneration shall be prescribed by the Governor-in-Council.

I am, Sir, your obedient servant,

WM. KEARNS, *Asst. A.G.*

The Deputy Minister of the Interior.

DEPARTMENT OF THE INTERIOR, May 28, 1924.

Dear SIR,—I beg to acknowledge the recepit of your letter of the 14th instant relative to a payment of $600.00 made to Notary Public Aurele Leclerc in connection with the valuation of the "Montcalm Market", Quebec, and in reply I may say that such payment appears to be in order for the following reasons:—

(*a*) It took Mr. Leclerc from the 4th May to the 20th July, 1922, a period of $2\frac{1}{2}$ months, to put through this transaction and a copy of his diary in this connection has been submitted along with the account, so as to assist in the proper audit of the same;

(*b*) Apart from the above, a detailed description of the valuation of the various parcels of the land under consideration (copy herewith) was also submitted with the account, from which you will perceive that the net amount of the valuation arrived at was $29,730.00. These figures show that the sum of $600.00, charged by Mr. Leclerc, was but a trifle over 2% and this would appear to be a legitimate charge for such a transaction in the ordinary course of business;

(*c*) I am under the impression that subsection 5 of Section 23 is not meant to cover cases of this nature, as otherwise every account which presents some exceptional feature would have to be referred to the Civil Service Commission and Council for approval, an action which I think is not contemplated by the Civil Service Act.

It is hoped, therefore, that the above explanation will enable you to put the account through without further explanation.

Yours very truly,

R. A. GIBSON, *Asst. D.M.*

The Assistant Auditor General.

Frais de voyages de fonctionnaires d'Ottawa

(*Suite de la correspondance à la page K-229, rapport A.G.—1922-23*)

MINISTÈRE DE L'INTÉRIEUR, 17 décembre 1923.

MONSIEUR,—J'accuse réception de votre lettre du 12 courant au sujet des frais de voyages de fonctionnaires à Ottawa. Je vous ferai remarquer que nous avons adopté la pratique de suivre, en tant que faire se peut, les directions données par l'arrêté en Conseil du 7 novembre 1913, qui fut adopté pour guider les divers ministères dans ces questions. Vous savez sans doute que ce ministère emploie un grand nombre d'arpenteurs, d'ingénieurs et de techniciens de toutes sortes et, lorsqu'un fonctionnaire d'Ottawa entreprenant un voyage d'inspection ou autrement encourt des dépenses imputables partiellement sur le fonds des dépenses imprévues du gouvernement civil et partiellement sur un autre crédit, nous avons l'habitude de porter tout le montant au compte de ce dernier crédit, afin d'éviter la division du compte. Une telle entente existe depuis assez longtemps, et je donnerai des instructions au fonctionnaire responsable afin que l'on observe les dispositions de l'arrêté en Conseil susmentionné, sur tous les autres rapports.

Bien à vous,

W. W. CORY, *S.-M.*

L'Auditeur général adjoint.

Territoires du Nord-Ouest: Avances à M. V. Stefansson

(*Suite de la correspondance à la page K-240, rapport A.G.—1922-23*)

MINISTÈRE DE L'INTÉRIEUR, 6 mars 1924.

MONSIEUR,—J'attire votre attention à ma lettre du 19 novembre 1923 concernant une avance de $3,000.00 faite à M. V. Stefansson, et dans laquelle je vous fais remarquer que nous étions en communication avec la *Stefansson Arctic Exploration and Development Company*, Vancouver, lui demandant de nous rendre compte de cette somme.

A ce sujet, je puis dire que nous avons reçu un état (copie incluse) indiquant de quelle manière on a dépensé cet argent. On ne nous a pas fourni de pièces justificatives mais, comme le montant indiqué sur l'état dépasse la somme de $3,000.00, je suppose que cette explication vous suffira.

Bien à vous,

W. W. CORY, *S.-M.*

L'Auditeur général adjoint.

Territoires du Nord-Ouest: Achat de spécimens de musée

(*Suite de la correspondance à la page K-241, rapport de 1922-23*)

MINISTÈRE DE L'INTÉRIEUR, 11 mars 1924.

MONSIEUR,—En réponse à votre lettre du 2 novembre dernier concernant certains paiements faits pour l'achat d'articles particuliers aux Esquimaux comme spécimens de musée, et imputés sur le crédit des Territoires du Nord-Ouest, je vous ferai remarquer qu'une somme de $2,500.00 a été mise de côté dans ce crédit pour couvrir de tels item. Il est vrai que les termes du crédit ne mentionnent pas spécifiquement ces articles, mais l'intention du ministère est très claire comme on peut le voir d'après les détails de nos crédits.

En ce qui concerne les articles achetés par M. J. F. Moran, au prix de $133.00, je puis vous dire qu'il est presque impossible d'obtenir des reçus des Esquimaux pour la bonne raison qu'ils sont illettrés, et bien qu'ils parlent un peu l'anglais ils ne le lisent pas. Ainsi le mieux qu'on aurait pu obtenir d'eux dans les circonstances aurait été un X à la place de la signature du vendeur. Les articles énumérés dans le compte de M. Moran ont tous été examinés et évalués par M. D. Jenness, ethnologue conjoint du ministère des Mines, et le compte a été certifié par lui avant d'être payé. Nous avons cru que cette procédure était une garantie suffisante pour le ministère que la transaction était correcte sous tous rapports.

Une certaine quantité de tabac et d'autres articles, compris dans les quatre premiers paiements mentionnés dans votre lettre, qui se chiffrent à $504.64 en tout, ont été échangés avec les indigènes pour des spécimens. Cependant on n'a pas tenu note de façon précise des articles et spécimens échangés, mais j'ajouterai que nous avons encore en main environ la moitié des articles en question, y compris du tabac, comme le démontrera l'inventaire du V. G. C. *Arctic*. Au sujet de la forte diminution dans le prix du tabac, je vous ferai remarquer qu'il nous a fallu faire cela parce que le tabac acheté avait été mis en pains trop gros pour le commerce de détail régulier. Cependant il répondait aussi bien à nos fins et il ne coûtait au département qu'environ la moitié du prix régulier.

Tous les spécimens en question se trouvent actuellement aux bureaux de la division des Territoires du Nord-Ouest et du Yukon, édifice Transportation. Les fonctionnaires de ce service, de concert avec le personnel du musée Victoria, sont à les préparer pour les exhiber, et il se peut que plus tard on les transporte au musée.

Bien à vous,

W. W. CORY, *S.-M.*

L'Auditeur général adjoint.

Allocation pour usage d'automobiles appartenant à des particuliers

(*Continuation de la correspondance de la page K-243, rapport de 1922-23*)

MINISTÈRE DE L'INTÉRIEUR, 3 janvier 1924.

MONSIEUR,—J'ai reçu votre honorée du 19 dernier au sujet de transport par des moyens mécaniques, et en réponse je puis vous dire que l'usage d'un automobile n'est autorisé que dans le cas où le travail à faire peut être accompli plus avantageusement avec ce mode de transport.

En adoptant le Ford comme type réglementaire, puisque ce type est sans aucun doute le matériel automoteur le plus économique, nous avons augmenté

fortement le rendement et même réduit les dépenses. J'attache à cette lettre copie d'un mémoire sur ce sujet préparé pour moi par notre contrôleur de finances.

C'est là une question à laquelle nous avons donné beaucoup d'attention, et nous sommes fiers des résultats qui ont couronné nos efforts pour obtenir sous ce rapport une administration économique. Nous ne prétendons pas que notre système est parfait, mais il nous donne des résultats très satisfaisants et nous l'améliorons à mesure que nous acquérons de l'expérience.

Nous sommes à votre disposition si vous désirez plus de détails à ce sujet.

Votre bien dévoué, le sous-ministre,

W. W. CORY, *S.-M.*

A l'Auditeur général, adjoint.

Crédit 283: Terres et parcs fédéraux; terres fédérales, dépense contingente: Emploi de commis temporaires pour plus de trente jours sans l'autorisation de la Commission du Service civil

BUREAU DE L'AUDITEUR GÉNÉRAL, 28 février 1924.

MONSIEUR,—Les paiements suivants sur les dépenses contingentes des terres fédérales ont été faits à Mlle J. Hewitt pour services rendus comme commis-sténographe au bureau des terres de Moose Jaw, au taux de $65 par mois.

Chèque n°	19941,	service du	2 au 31 juillet 1923.. ..	$60 81
"	22612,	"	2 au 31 août..	62 90
"	25383,	"	6 au 30 septembre.. ..	54 17
"	28302,	"	1 au 5 octobre..	10 48

Ce bureau n'a reçu aucun certificat de la Commission du Service civil autorisant l'emploi de cette sténographe, et après enquête auprès de votre comptable, nous avons appris qu'elle a été employée sans certificat par périodes de trente jours en vertu du paragraphe 4 de l'article 23 de la Loi du Service civil.

Veuillez remarquer que l'emploi de cette sténographe peut être considéré comme continu du 2 juillet au 5 octobre inclusivement, car les quelques jours où elle n'a pas reçu de salaire ne peuvent être suffisants pour former une interruption dans la période d'emploi.

L'article 23 (4) ne peut être interprété de manière à admettre un employé pour plus de trente jours en se servant comme expédient d'une interruption de quelques jours entre chaque période de trente jours.

C'est pourquoi je suis d'opinion que l'emploi de Mlle Hewitt doit être légalisé par un certificat de la Commission du Service civil.

Je demeure, monsieur, votre obéissant serviteur,

WM. KEARNS, *A.G. adj.*

Au sous-ministre de l'Intérieur.

MINISTÈRE DE L'INTÉRIEUR, 18 mars 1924.

MONSIEUR,—J'ai reçu votre honorée du 28 dernier relativement à l'emploi de Mlle J. Hewitt au bureau des terres de Moose Jaw, en vertu de la clause de trente jours mentionnée dans le paragraphe 4 de l'article 23 de la Loi du Service civil, et je prends note de ce que vous dites pour l'obtention d'un certificat de la Commission du Service civil au sujet de cet emploi.

En réponse, je puis vous dire que l'agent de Moose Jaw a été autorisé, par suite d'un surcroît de travail, à retenir les services d'un commis-sténographe junior pour une période d'un mois. A la fin de ce mois, le commis a été congédié, mais comme on avait encore besoin d'aide additionnelle, on l'a réengagé pour une autre période de trente jours à partir du 2 août, et cet engagement a été continué ensuite du 6 septembre au 5 octobre 1923.

Ce mode d'engagement est autorisé par la loi, mais il y a une condition qui n'a pas été observée, c'est-à-dire qu'on n'a pas fait rapport à la Commission du Service civil. Au début, le ministère n'avait pas l'intention d'employer Mlle Hewitt pour les périodes mentionnées ci-dessus sans en parler à la Commission, mais les circonstances ont nécessité un nouvel engagement, vu qu'elle était plus au fait du travail à faire dans le bureau que toute autre personne venant du dehors. Le ministère n'applique le paragraphe 4 de l'article 23 que dans les cas d'urgence, et on a cru qu'il était plus économique d'agir comme nous l'avons fait plutôt que de demander à la Commission du Service civil une nomination temporaire ordinaire dont la durée est de six mois et même plus, parce que les employés temporaires cherchent toujours à faire prolonger leur période d'emploi, tandis que ceux qui sont admis au service en vertu de la clause d'urgence savent qu'ils ne peuvent rester plus longtemps au service.

Le cas de Mlle·Hewitt sera donc soumis à la Commission du Service civil, et, si elle le juge à propos, nous pourrons avoir un certificat pour couvrir la période d'emploi ci-haut mentionnée.

Bien à vous,

W. W. CORY, *S.-M.*

A l'Auditeur général suppléant.

Crédit 283: Terres et parcs fédéraux; parcs nationaux de l'Etat: Achat de terrain pour le parc de l'île aux Elans

BUREAU DE L'AUDITEUR GÉNÉRAL, 6 novembre 1924.

MONSIEUR,—Le chèque n° 524, au compte des parcs nationaux, émis le 8 mai 1923, couvre un paiement de $4,000 à C. H. Oster et R. E. McLaughlin, agent du ministère de la Justice, pour l'achat de la section N.-O. 32-53-20, O. du 4e méridien et des améliorations, pour le parc de l'île aux Elans; ce terrain couvre environ 140 acres.

Veuillez m'informer si le Gouverneur en Conseil a autorisé l'achat de cette propriété et, sinon, sous quelle autorité on l'a achetée.

Je désirerais également savoir comment on en a fixé le prix et si un évaluateur compétent indépendant a évalué la propriété.

Je suis, monsieur, votre obéissant serviteur,

GEORGES GONTHIER, *A.G.*

Le sous-ministre de l'Intérieur.

MINISTÈRE DE L'INTÉRIEUR, 15 novembre 1924.

CHER MONSIEUR,—Je dois vous accuser réception de votre lettre du 6 courant relative à un paiement de $4,000.00 à M. C. H. Oster pour la section N.-O. 32-53-20, O. du 4e méridien, dans laquelle on demande des renseignements quant à l'autorité en vertu de laquelle on a acheté cette propriété et quant à l'évaluation de cette dernière.

En réponse, je dois dire que l'on a demandé au Conseil d'approuver l'action du ministère quant à l'achat de la propriété mentionnée plus haut et on vous fera parvenir, à votre bureau, copie de l'arrêté en Conseil en temps voulu.

Je dois aussi vous informer que l'inspecteur des homesteads, T. J. Cunningham, a fait l'évaluation de cette propriété et a fait rapport que le terrain valait $17.00 de l'acre et que les améliorations faites sur cette section s'élevaient à $1,690.00.

Bien à vous,

Crédit 283: Terres et parcs fédéraux; parcs nationaux de l'Etat: Traitement payable à M. F. G. Forster lors de son transfert de la Commission d'établissement des soldats sur des terres à la division des parcs nationaux de l'Etat.

BUREAU DE L'AUDITEUR GÉNÉRAL, 10 octobre 1923.

MONSIEUR,—Je remarque que les deux certificats suivants ont été émis par vous relativement à M. F. G. Forster, autrefois classifié comme surintendant de district, Commission d'établissement des soldats, et actuellement classifié comme conférencier sur les parcs nationaux.

Le 27 août dernier, on a émis un certificat approuvant le transfert de M. Forster de la position de surintendant de la Commission d'établissement à la position de conférencier sur les parcs nationaux à un traitement de $2,880, à dater du 1er avril 1923 et, le 25 septembre, on a émis un certificat approuvant l'augmentation de son traitement comme surintendant de district, Commission d'établissement des soldats, de $2,640 à $2,760, du 1er octobre 1921, et de $2,760 à $2,880 à compter du 1er octobre 1922.

Je trouve que, bien que la Commission d'établissement ait payé M. Forster comme surintendant de district jusqu'au 31 janvier 1923, il était réellement occupé à donner des conférences sur les parcs nationaux pour le ministère de l'Intérieur depuis le 17 septembre 1921, ses dépenses étant payées par ce dernier ministère. Comme les augmentations qu'a approuvées la Commission lui sont accordées comme surintendant de district, Commission d'établissement des soldats, la recommandation dans ce cas, qu'exige l'alinéa 3 de l'article 45B de la Loi du Service civil, devrait venir de la Commission d'établissement, et je puis difficilement comprendre comment cette Commission peut certifier que M. Forster a "rendu des services émérites et augmenté la valeur de ses services", lorsqu'il occupait une autre position dans un autre ministère.

Je serai heureux d'entendre toute explication que vous êtes en mesure de donner dans le cas de ces augmentations, explication que vous voudrez bien faire accompagner de toute correspondance qui a pu être échangée à ce sujet entre la Commission du Service civil et la Commission d'établissement ou le ministère de l'Intérieur.

Je suis, monsieur, votre obéissant serviteur,

WM. KEARNS, *A.G. adj.*

Le secrétaire de la Commission du Service civil.

COMMISSION DU SERVICE CIVIL, 15 octobre 1923.

MONSIEUR,—Je dois vous accuser réception de votre lettre du 10 courant relative au transfert de M. F. G. Forster de la position de surintendant de dis-

trict, Commission d'établissement des soldats, à la position de conférencier sur les parcs nationaux, ministère de l'Intérieur, à un traitement de $2,880 par année.

Il semble que le malentendu se trouve dans le fait que la demande de transfert a été datée du 27 août, jour où la Commission l'a approuvée et la question du traitement fut réglée plus tard avant que l'avis du transfert ait été envoyé au ministère et au bureau de l'Auditeur général. Je trouve que l'avis du transfert ne fut envoyé que le 24 septembre, après que la question du salaire eût été définitivement réglée. Je vous inclus, comme vous le demandez, copie de la correspondance relative à la question de traitement échangée entre la Commission du Service civil et le Commission d'établissement et le ministère de l'Intérieur. Les commissaires sont d'avis que les recommandations reçues conjointement des deux départements suffisent à justifier l'approbation qu'ils ont donnée aux augmentations de traitement accordées au capitaine Forster.

Je suis, monsieur, votre obéissant serviteur,

WM. FORAN, *secrétaire.*

L'Auditeur général adjoint.

BUREAU DE L'AUDITEUR GÉNÉRAL, le 8 novembre 1923.

MONSIEUR,—J'ai l'honneur d'accuser réception de votre lettre du 15 octobre (Dossier n° Int.-P.F.-764) concernant les augmentations de traitement accordées à M. F. G. Forster à l'occasion de sa permutation de la Commission d'établissement des soldats sur des terres à la division des parcs fédéraux du ministère de l'Intérieur.

Il m'est impossible de comprendre comment la commission peut légalement autoriser les augmentations proposées, étant donné les faits exposés ci-après:

A la Commission d'établissement des soldats sur des terres M. Forster occupait le rang de surintendant de district, lequel rang comportait une échelle de traitement de $2,160 à $2,880. A partir du 1er octobre 1920, il toucha un traitement de $2,640, et eût-il continué à remplir sa position de surintendant de district d'une façon satisfaisante son traitement aurait pu être porté à $2,760 le 1er octobre 1921 et à $2,880 le 1er octobre 1922. Toutefois, bien que, depuis le 17 septembre 1921, il faisait encore nominalement partie de la commission d'établissement des soldats sur des terres, il était de fait au service de la division des parcs du ministère de l'Intérieur, ses frais étant payés par le susdit ministère. Il appert, de plus, que pendant une certaine période antérieure au 17 septembre 1921, il ne remplissait pas les fonctions de surintendant de district à Sherbrooke, mais qu'il faisait un travail spécial à Ottawa pour la commission.

L'article 45B, alinéa 3, de la Loi du Service civil stipule que "le traitement d'un employé qui n'a pas atteint le salaire maximum de la classe à laquelle il appartient, peut être augmenté sur la recommandation du sous-ministre avec l'approbation de la Commission, mais cette recommandation ne sera par approuvée à moins d'être accompagnée d'une déclaration du sous-ministre appuyée selon les exigences de la Commission, à l'effet que l'employé est méritoire et qu'il a augmenté son efficacité dans le service". Je considère que les augmentations proposées ne peuvent être accordées à M. Forster qu'à titre de surintendant de district, et comme il n'a pas exercé cette fonction depuis le 17 septembre 1921 ni même depuis quelque temps avant cette date, les déclarations nécessaires quant à son mérite dans l'exercice de ces fonctions officielles ne sauraient être fournies par la Commission d'établissement des soldats sur des terres.

Je note, dans une lettre adressée au secrétaire de la Commission d'établissement, le 23 septembre 1923, dont une copie accompagnait votre lettre, la décla-

ration suivante concernant les augmentations proposées: "la Commission est disposée à les approuver à condition qu'aucun arrérage ne soit accordé; cette décision n'a pour objet de porter le traitement du capitaine Forster au chiffre qu'il toucherait présentement fût-il resté à la commission et afin de permettre qu'il soit transféré au traitement de $2,880 par an". La commission a-t-elle le pouvoir de retenir le paiement des arrérages qu'elle a elle-même accordés.

J'ai l'honneur d'être, monsieur,

Votre obéissant serviteur,

WM. KEARNS, *A.G. adj.*

Le secrétaire de la Commission du Service civil.

COMMISSION DU SERVICE CIVIL, le 5 janvier 1924.

MONSIEUR,—J'ai l'honneur d'accuser réception de votre lettre du 8 novembre référant de nouveau au cas de M. F. G. Forster. La difficulté repose entièrement dans le fait que le ministère de l'Intérieur transféra M. Forster de la Commission d'établissement des soldats sur des terres sans l'autorisation de la Commission du Service civil. Si le transfert avait été régulièrement effectué le 17 septembre 1921, il est incontestable que M. Forster aurait droit aux augmentations statutaires sur la recommandation du sous-ministre de l'Intérieur. La commission pensa qu'en justice M. Forster avait droit à ces augmentations et elle vous a déjà adressé copie de la correspondance sur laquelle elle a appuyé son approbation Si votre bureau croit que les augmentations n'étaient pas justifiées, il me semble que la seule chose à faire c'est de soumettre la question au ministère de la Justice.

En réponse à votre dernière question quant aux pouvoirs de la Commission de retenir le paiement des arrérages qu'elle a elle-même acccordés, je dois dire que la Commission, en insistant sur ce point, était sous l'impression qu'il n'existait pas de fonds pour payer ces arrérages et elle désirait seulement attirer l'attention des ministères intéressés sur ce point.

J'ai l'honneur d'être, monsieur, votre obéissant serviteur,

W. FORAN, *secrétaire.*

WM KEARNS, Auditeur général adjoint.

COMMISSION DU SERVICE CIVIL, le 2 février 1924.

MONSIEUR,—Le 5 janvier 1924, j'écrivais à votre bureau en réponse à une lettre du 8 novembre 1923 se rapportant au cas du capitaine F. G. Forster, qui fut transféré de la Commission de l'établissement des soldats sur des terres à la division des parcs fédéraux du ministère de l'Intérieur.

Vu que le ministère de l'Intérieur soulève maintenant la question de la prochaine augmentation de traitement du capitaine Forster, je vous serais obligé si vous me disiez qu'elle fut votre décision finale par rapport au traitement de $2,880 par an approuvé par la Commission.

J'ai l'honneur d'être, monsieur, votre obéissant serviteur,

WM FORAN, *secrétaire.*

L'Auditeur général.

BUREAU DE L'AUDITEUR GÉNÉRAL, le 5 février 1924.

MONSIEUR,—J'ai l'honneur d'accuser réception de vos lettres du 5 janvier et du 2 février respectivement concernant le cas de M. F. G. Forster (Int.-P.F.-764).

En réponse permettez-moi de dire que mon opinion est encore ce qu'elle était lors de notre correspondance antérieure, à savoir: que les deux augmentations de $2,640 à $2,760 et de $2,760 à $2,880 n'étaient pas autorisées par la Loi du Service civil et que M. Forster ne peut être transféré qu'au traitement qu'il recevait antérieurement à son transfert, c'est-à-dire $2,640.

Dans votre lettre du 5 janvier vous dites que si notre bureau croit que les augmentations n'étaient pas justifiées la seule chose qui me reste à faire c'est de soumettre la question au ministère de la Justice. En réponse à cette suggestion je dirai que, vu que notre bureau a contesté la légalité des augmentations autorisées par votre Commission, c'est à la Commission du Service civil, et non à notre bureau, de référer la question au ministère de la Justice.

J'ai l'honneur d'être, monsieur, votre obéissant serviteur,

WM. KEARNS, *A.G. adj.*

Le secrétaire, Commission du Service civil.

Crédit 283: Terres et parcs fédéraux; parcs nationaux de l'Etat: Paiement d'un ingénieur junior à un taux de rétribution plus élevé que le taux autorisé par la Commission du Service civil

BUREAU DE L'AUDITEUR GÉNÉRAL, le 17 avril 1924.

MONSIEUR,—Le 28 février 1924, la Commission du Service civil a émis un certificat autorisant l'emploi temporaire de M. Roy L. Black à titre d'ingénieur junior dans la division des parcs nationaux de l'Etat avec traitement de $1,680 par année, à dater du 15 octobre 1923.

En examinant les comptes des dépenses faites par M. Wardle, ingénieur de grandes routes, je constate que M. Black a touché un traitement de $160 par mois, soit $1,920 par année, depuis qu'il occupe cette position, touchant ainsi $20 par mois de plus qu'il n'aurait dû toucher depuis le commencement de son emploi.

Veuillez me faire savoir qu'elle autorisation possédait M. Wardle pour employer cet homme à ce taux de rétribution plus élevé et aussi pour quelle raison le certificat autorisant l'emploi de cet homme a été émis quatre mois après que celui-ci eût commencé à s'acquitter de ses devoirs. Quelles mesures, si vous en avez prises, ont été prises pour recouvrer les montants surpayés à M. Black.

Je suis, monsieur, votre obéissant serviteur,

WM. KEARNS, *A.G. adj.*

Le sous-ministre de l'Intérieur.

REMARQUE.—Au moment de l'impression de ce rapport aucune lettre n'avait encore été reçue en réponse à la lettre qui précède.

Crédit 283: Terres et parcs fédéraux; parcs nationaux de l'Etat: Emploi de M. Chas. Duncan comme joueur de golf professionnel au parc Jasper

BUREAU DE L'AUDITEUR GÉNÉRAL, le 30 novembre 1924.

MONSIEUR,—J'ai sous les yeux votre requête à la Trésorerie demandant l'autorisation de payer $54.40 à M. Chas. Duncan représentant les dépenses en-

courues par ce monsieur pour se rendre de Calgary à Jasper lors de sa nomination comme joueur de golf professionnel dans ce dernier endroit.

Ce monsieur a été employé à Banff au même titre au cours de l'été de 1922, à la suite d'une autorisation accordée par un certificat émis par la Commission du Service civil pour l'emploi temporaire de ce monsieur à titre de préposé de parc à un traitement de $100 par mois.

Je ne vois aucun certificat pour l'emploi de ce monsieur à Jasper pendant la saison de 1923, bien que je constate que le surintendant, là-bas, l'a rétribué au taux de 60 cents l'heure, taux qui rend les paiements mensuels faits à ce monsieur bien plus considérables que ceux qu'il a touchés à Banff pendant la saison de 1922.

Veuillez me faire savoir quelle autorisation vous possédiez pour employer M. Duncan et lui payer ce taux de rétribution pendant la saison de 1923.

Je suis, monsieur, votre obéissant serviteur,

WM. KEARNS. *A.G. adj.*

Le sous-ministre de l'Intérieur.

MINISTÈRE DE L'INTÉRIEUR, le 30 mars 1924.

MONSIEUR,—J'ai l'honneur de répondre à votre lettre du 30 novembre 1923 ayant trait aux dépenses de voyages de M. Charles Duncan de Calgary à Jasper, et je note ce que vous dites de son emploi pendant la saison de 1923. Je dois vous déclarer, en réponse, que l'autorisation nous a été accordée par la Commission du Service civil le 24 février 1923 (copie de la lettre annexée à la présente) pour l'emploi de M. Duncan à titre de préposé de parcs et de professeur de golf au parc Jasper, avec traitement de $1,200 par année, taux courants, pour une période ne dépassant pas six mois.

On espérait que le terrain serait prêt et qu'on pourrait y faire la partie de bonne heure au printemps mais, par suite de difficultés imprévues, la chose fut impossible et lorsque M. Duncan vint se mettre à notre disposition le 1er mai on lui confia la direction des travaux que l'on faisait faire sur le terrain au taux de rétribution d'un contremaître d'aides journaliers, soit 60 cents l'heure, taux courant, position qui ne tombe pas sous le coup de la Loi du Service civil. Le salaire de M. Duncan au taux de 60 cents l'heure constitue un montant plus élevé que le traitement qu'il a touché à Banff en 1922, mais à ce dernier endroit, il recevait plus en retour des leçons qu'il donnait que le traitement qu'il touchait et, de plus, il jouissait du privilège d'exploiter le restaurant au terrain de golf. Au cours de la dernière saison à Jasper, pendant une courte période on pouvait se servir de plusieurs trous et on a joué quelque peu sur le terrain, mais l'argent touché par M. Duncan en retour de ses leçons n'a représenté à peu près rien, de sorte que ce monsieur a touché beaucoup moins que si le terrain avait été prêt, alors qu'il aurait reçu $100.00 par mois comme traitement avec d'autres profits éventuels.

M. Duncan est un joueur de golf d'expérience; il a déployé beaucoup de soin et d'énergie dans l'accomplissement de ses devoirs sur le terrain de golf et le remboursement de ses frais de transport de Calgary à Jasper devrait, ce me semble, recevoir l'approbation de votre bureau.

La question de son emploi a aussi été parfaitement expliquée; le ministère a essayé d'utiliser les services de M. Duncan, homme d'une grande compétence, au meilleur de ses intérêts et après que cet homme eut été nommé par la Commission du Service civil; c'est pourquoi, dans les circonstances, nous espérons que ce cas sera approuvé suivant le cours ordinaire des choses.

Votre dévoué,

W. W. CORY, *S.M.*

L'Auditeur général adjoint.

COMMISSION DU SERVICE CIVIL, le 24 février 1924.

CHER MONSIEUR,—On me prie de vous informer que la Commission du Service civil a approuvé la nomination temporaire de M. Charles Duncan à titre de préposé de parc au parc Jasper, ce monsieur étant en même temps un professeur de golf, avec traitement au taux courant de $1,200 par année, pour une période ne dépassant pas six mois. Le tout en réponse à votre requête du 5 courant.

Voudrez-vous avoir la bonté, par conséquent, de faire connaître à la Commission la date où M. Duncan commencera à s'acquitter des devoirs de cette position.

Votre dévoué,

W. FORAN, *Sec.*

Le sous-ministre de l'Intérieur.

Crédit 283: Terres et parcs fédéraux; parcs nationaux canadiens: Augmentation de traitement du pointeur à Jasper Park

BUREAU DE L'AUDITEUR-GÉNÉRAL, le 17 juin 1924.

MONSIEUR,—Je reçois un certificat approuvé par la Commission du Service civil le 13 courant, pour le prolongement de l'emploi temporaire de M. J. R. Heckley, en qualité de pointeur à Jasper Park durant une période de six mois, à partir du 1er juin (position F. INT.-DP.-54-T), à un traitement de $105 par mois.

L'emploi antérieur de M. Heckley comme pointeur a été autorisé comme suit:

Le 24 janvier 1924, 6 mois à partir du 1er mai 1923, à $960.
Le 6 mars 1924, 6 mois à partir du 1er novembre 1923, à $960.
Le 9 mai 1924, 2 mois à partir du 1er avril 1924, à $960.

L'échelle des traitements attachés à la position de pointeur varie d'après la classification, d'un minimum de $960, à un maximum de $1,260.

L'article 45B, paragraphe 6 de la Loi du Service civil stipule "qu'aucun fonctionnaire temporaire ne sera jugé être éligible pour recevoir une augmentation de traitement sous l'empire des dispositions de cette Loi." A cause de ce décret, je dois vous demander sur quelle autorité vous vous êtes appuyé afin d'augmenter le traitement de M. Hackley, du minimum au maximum de sa classe, alors que vous avez autorisé la prolongation de son terme d'emploi.

Je suis, monsieur, votre obéissant serviteur,

WM. KEARNS, *A.G. adj.*

Au secrétaire de la Commission du Service civil.

COMMISSION DU SERVICE CIVIL, le 25 juin 1924.

CHER MONSIEUR,—En réponse à votre lettre du 17 courant, relative à un certificat émis par la Commission, le 13 courant, pour l'emploi temporaire de M. J. R. Heckley, comme pointeur, à Jasper Park, Alberta, pendant une période de six mois à partir du 1er juin, au taux de $105.00 par mois, on m'enjoint de vous informer que cette position a été annoncée comme comportant un traitement de $960 par année, par le ministère, avec le résultat, cependant, qu'aucune demande n'a été reçue.

Le ministère a donc demandé dans le but d'encourager les demandes lorsque la position sera annoncée de nouveau, et de retenir en même temps les services de M. Heckley, qu'un traitement au taux de $1,260 par année soit payé, comme étant

l'échelle actuelle, sous l'empire de l'article 45B., paragraphe 5 de la Loi du Service civil de 1918, telle que modifiée; ce que la Commission a approuvé.

J'espère que ces explications vous seront acceptables.

Bien à vous,

W. FORAN, *secrétaire.*

A l'Auditeur-général adjoint.

Crédit 283: Terres et parcs fédéraux; Protection des futaies: Paiements pour travaux relatifs aux provinces de l'est

BUREAU DE L'AUDITEUR GÉNÉRAL, le 6 février 1924.

MONSIEUR,—J'ai reçu de la Commission du Service civil un certificat daté du 9 janvier 1924, au sujet de l'extension de l'emploi de M. H. D. Chapman, comme commis du génie, pendant une période de quatre mois, à partir du 15 décembre 1923, au traitement de $1,200 par année, devant être imputé sur votre crédit pour la protection forestière.

Les motifs que vous donnez pour l'emploi de M. Chapman sont les suivants: "M. Chapman aide à la compilation de données sur une évalution des ressources forestières de la province d'Ontario. Ce travail est très important et de longue haleine".

Le sous-crédit sur lequel le traitement de M. Chapman est imputé est rédigé dans les termes suivants: "Protection des futaies dans le Manitoba, la Saskatchewan, l'Alberta, les Territoires du Nord-Ouest, et la zone ferroviaire dans la Colombie-Britannique; l'arboriculture dans le Manitoba, la Saskatchewan, l'Alberta, ainsi que l'inspection et l'administration des réserves forestières." L'application de ce crédit est très explicite et je trouve qu'il ne renferme rien qui autorise des déboursés relatifs aux ressources forestières de l'Ontario, ou d'aucune des autres provinces de l'est, toutes ces provinces exerçant un contrôle complet sur leurs propres ressources naturelles.

Je me vois donc dans l'obligation de vous demander sur quels motifs vous vous basez, afin de justifier pourquoi vous avez imputé le traitement de M. Chapman ou tous autres déboursés de même nature, sur votre crédit pour la protection forestière.

Je suis, monsieur, votre obéissant serviteur,

WM. KEARNS, *A.G. adj.*

Au sous-ministre de l'Intérieur.

MINISTÈRE DE L'INTÉRIEUR, le 14 février 1924.

MONSIEUR,—J'ai l'honneur d'accuser réception de votre lettre du 8 courant, relative aux termes dans lesquels est rédigé le crédit pour la "protection forestière" et de vous informer que le ministère est au courant du fait, que l'item, tel qu'inclus dans les prévisions budgétaires de 1923-24, est autorisé et applicable seulement aux provinces de l'ouest. Toutefois, nous sommes à étendre le champ de nos activités forestières, et afin de trouver quelle politique forestière convient pour tout le Canada, il faut que nous nous procurions des renseignements sur les ressources forestières de toutes les provinces du Canada. Les travaux qui s'y rapportent ont été commencés dans l'Ontario; ils se continueront dans les autres provinces et la nomination temporaire de M. Chapman découle de ce prolongement de nos activités. Réalisant donc, que les termes dans lesquels est actuellement rédigé le crédit ne convien-

draient pas, une modification a été faite dans les prévisions budgétaires pour 1923-24 et le crédit sera maintenant rédigé tel qu'il suit:

"Protection des forêts, arboriculture, inspection et administration des réserves forestières, relevés des ressources forestières et recherches en sylviculture et produits forestiers, etc."

J'espère que vous trouverez les explications ci-dessus satisfaisantes.

Crédit 283: Terres et parcs fédéraux; Protection des futaies: Prix du transport des troncs de pin de la Colombie-Britannique

BUREAU DE L'AUDITEUR GÉNÉRAL, 3 avril 1924.

MONSIEUR,—La pièce justificative n° 48, concernant les déboursés du Laboratoire des produits forestiers de Montréal pendant septembre dernier se rapporte au paiement de $188.81 à la "Dominion Express Co.", prix du transport de trois (3) troncs de pin pesant 1,226 livres, expédiés de Salmon Arm, C.-B.

La pièce 30, à l'appui de l'état des déboursés du mois d'octobre, se rapporte au paiement de $157.85 à la "Dominion Express Co.", prix du transport de trois troncs pesant 1,025 livres expédiés de Sicamous, C.-B.

D'après un mémoire attaché à la première pièce, il semble qu'on ait commandé par télégramme trois cubes d'un certain bois mais que, par suite d'une erreur dans la transmission du message, on a expédié trois traverses, dans le premier cas.

A part la question de savoir si l'on pourrait tenir la compagnie de télégraphe responsable de l'erreur et des frais additionnels qui s'en sont suivis, était-il nécessaire que ces billes soient expédiées par messageries plutôt que par petite vitesse, ce qui aurait coûté beaucoup moins cher?

Nous apprécierions une explication de votre part sur ce point.

Je suis, monsieur, votre obéissant serviteur,

WM. KEARNS, *A.G. adj.*

Le sous-ministre de l'Intérieur.

MINISTÈRE DE L'INTÉRIEUR, 12 avril 1924.

CHER MONSIEUR KEARNS,—J'ai reçu votre lettre du 3 courant relativement au prix du transport par messageries de six billes expédiées de la Colombie-Britannique au laboratoire des produits forestiers de Montréal, et je prends note de votre question quant à la nécessité d'expédier ces billes par messageries plutôt que par petite vitesse.

A titre de renseignements je vous envoie, ci-inclus, une explication plus complète, d'après laquelle vous verrez que, par suite d'une combinaison d'erreurs, on a expédié beaucoup trop de bois.

L'avocat de notre ministère nous informe qu'à son avis il ne serait pas possible d'obtenir un dédommagement de la compagnie télégraphique parce qu'au point de départ le message a été téléphoné au bureau de télégraphe.

Au moins deux de nos fonctionnaires semblent avoir été coupables de manque de jugement et ils seront réprimandés.

Votre tout dévoué,

R. A. GIBSON, *S.M. adj.*

Crédit 283: Terres et parcs fédéraux; Terres de l'artillerie: Paiements pour services d'évaluation et d'arpentage de l'emplacement du marché Montcalm, Québec

BUREAU DE L'AUDITEUR GÉNÉRAL, 14 mai 1924.

MONSIEUR,—J'appelle votre attention sur les deux paiements suivants effectués le 7 juin 1923 sur votre crédit des terres de l'Artillerie, traitements et dépenses.

Chèque 1078, Aurèle Leclerc, N.P., Québec: Evaluation, Emplacement du marché Montcalm.....$600.00
Chèque 1079, Alex. Larivière, I.C., Arpentage de l'emplacement du marché Montcalm 210.00

Dans aucun de ces cas on n'indique comment on calcule les sommes payées. A mon sens, lorsqu'une réclamation de paiement pour services n'est pas basée sur un calcul exact mais n'est qu'une somme ronde établie plus ou moins arbitrairement, il faut que le paiement soit autorisé par un décret. Le paragraphe 5 de l'article 23 de la Loi du Service civil semble s'appliquer dans ces circonstances et exige que la rémunération soit prescrite par le Gouverneur en Conseil.

Je suis, monsieur, votre obéissant serviteur,

WM. KEARNS, *A.G. adj.*

Le sous-ministre de l'Intérieur.

MINISTÈRE DE L'INTÉRIEUR, 28 mai 1924.

CHER MONSIEUR,—J'accuse réception de votre lettre du 14 courant relativement à la somme de $600 payée au notaire public Aurèle Leclerc pour l'évaluation de l'emplacement du marché Montcalm, Québec, et je dois faire remarquer que ce paiement semble être dans la règle pour les raisons suivantes:—

(*a*) C'est du 4 mai au 20 juillet 1922, période de 2½ mois, que M. Leclerc s'est occupé de cette transaction. Une copie de son journal à ce sujet a été soumise avec le compte, afin d'aider à la vérification.

(*b*) En outre, une description détaillée de l'évaluation des diverses parcelles de terre dont il s'agit (copie ci-incluse) a également été soumise avec le compte. Vous y verrez que le montant net de l'évaluation faite est de $29,730.00. Ces chiffres démontrent que la somme de $600 réclamée par M. Leclerc dépasse peu 2 p. 100, ce qui semble être un prix légitime pour une transaction de ce genre dans le cours ordinaire des affaires.

(*c*) Je crois que le paragraphe 5 de l'article 23 n'est pas censé couvrir les cas de ce genre, car autrement tous les comptes qui présentent quelques particularités exceptionnelles devraient être soumis à la Commission du Service civil et au Conseil, ce qui, à mon sens, n'était pas dans l'intention de la loi du Service civil.

Nous espérons donc que l'explication ci-dessus vous permettra d'approuver ce compte sans de nouvelles explications.

Vote 34: Penitentiaries; Coal for Manitoba and Saskatchewan Penitentiaries

AUDITOR GENERAL'S OFFICE, September 6, 1924.

SIR, — On November 14th, 1923 I acknowledged the receipt of your letter of November 9th, 1923 in explanation of the purchase of coal by the Manitoba and Saskatchewan penitentiaries at a price per ton in excess of the rate authorized by Order in Council, P.C. 2701 of November 4th, 1920, and I further stated that in my opinion, if new conditions arose necessitating a more expensive grade of coal than the agreement called for, a new Order in Council should be obtained.

In examining the vouchers submitted by the Crown Coal Company in support of expenditure for coal during the fiscal year 1923-24, I find that the price paid for coal by the Manitoba penitentiary was $3.80 per ton and that by the Saskatchewan penitentiary $3.30 per ton, a few extra tons being purchased at $2.00 per ton.

I have not been informed whether or not a fresh Order in Council has been obtained authorizing these rates. I am still of opinion that the penitentiary officials are bound by the rates sanctioned by Council and if a higher quality of coal is deemed necessary a fresh Order in Council should be obtained.

I am, Sir, your obedient servant,

WM KEARNS, *Asst. A.G.*

The Deputy Minister, Justice Department.

AUDITOR GENERAL'S OFFICE, October 4, 1924.

SIR, — I beg to direct your attention to my letter of the 6th ultimo addressed to E. L. Newcombe, Deputy Minister, in which I asked to be informed whether or not a fresh Order in Council has been obtained authorizing the payment of a higher rate for coal supplied to the penitentiaries than that provided by Order in Council, P.C. 2701, dated November 4th, 1920.

So far I have not received a reply and as the report of Penitentiary expenditure for the fiscal year 1923-24 is now almost ready for the printer I shall be obliged for an early reply.

I am, Sir, your obedient servant,

WM. KEARNS, *Asst. A.G.*

The Asst. Deputy Minister, Justice Department.

Order in Council, P.C. 245, Feb. 14, 1924; Gratuity to widow of deceased engineer, Dorchester Penitentiary

AUDITOR GENERAL'S OFFICE, February 25, 1924.

SIR, — I desire to direct your attention to Order in Council, P.C. 245 of the 14th instant in which recommendation is made that in pursuance of the provisions of Section 34 of the Penitentiary Act, authority be granted to pay the widow of E. H. Haviland, late assistant engineer of the Dorchester Penitentiary, an amount equal to three months of his salary.

The appointment of Assistant Engineers of penitentiaries is now included among those that may be made by the Civil Service Commission and under the provisions of the Civil Service Act — Section 30 — authority is granted for a

gratuity equal to two months' salary to be paid to the widow of a deceased employee who had been at least two years in the service or to such person as the Treasury Board may determine.

Will you please let me know if, in your opinion, Section 34 of the Penitentiary Act has been repealed by Section 30 of the Civil Service Act in so far as the gratuity of three months' salary therein provided for is concerned.

I am, Sir, your obedient servant,

WM. KEARNS, *Asst. A.G.*

The Deputy Minister, Justice Department.

DEPARTMENT OF JUSTICE, March 3, 1924.

SIR, — I have the honour to reply to your letter of the 25th ultimo, submitting, for my opinion, the question whether sec. 34 of the Penitentiary Act has been repealed by sec. 30 of the Civil Service Act authorizing the payment of a death gratuity to the widow or dependents of an officer who dies in the service. I observe that this question arises in relation to the validity of Order in Council of the 14th February (P.C. 245), which purports, under the authority of sec. 34 of the Penitentiary Act, to authorize the payment to the widow of E. H. Haviland, late Assistant Engineer of the Dorchester Penitentiary, a gratuity equal to three months' of his salary. The power of the Governor in Council and of the Minister, respectively, to appoint officers required for the proper administration and police of the penitentiaries was clearly abrogated by sec. 12 of chap. 10 of the Statutes of 1919 (if it had not been, by implication, by the Civil Service Act, 1918) and became vested in the Civil Service Commission. I am informed that the late Mr. Haviland was appointed to his position as Assistant Engineer by the Civil Service Commission, and the question which consequently arises is whether the provisions of sec. 30 of the Civil Service Act has displaced the application to his case of sec. 34 of the Penitentiary Act. In my opinion, this question is to be answered in the negative. Said sec. 30 is a general provision applicable to the whole Civil Service as defined by sec. 2 (*d*) of the Civil Service Act as amended, whereas sec. 34 of the Penitentiary Act is a special provision applicable only to officers employed in the penitentiary service, and I do not consider that the latter provision suffered repeal by implication by reason of these officers having become subject, as regards appointment and other matters, to the Civil Service Commission. I observe that sub-section 2 of sec. 34 differentiates, with respect to the maximum amount of the gratuity which may be paid, between an officer who was appointed by the Governor in Council and one who was appointed by the Minister or Warden. This distinction is to be referred to the different classes of officers which the Governor in Council, on the one hand, and the Minister or Warden, on the other, are authorized respectively to appoint under other provisions of the Act, and although such officers are now all appointed by the Civil Service Commission, I think the provisions of said sub-sec. 2 (*a*) and (*b*) are, nevertheless, capable of operation as regards officers so appointed upon the consideration whether the officer is of the class that would have been appointed by the Governor in Council or by the Minister or Warden before the power of appointment was vested in the Civil Service Commission. There is, of course, no difficulty about the application of these provisions to the case of officers now in the penitentiary service who were appointed prior to November 10, 1919, by the Governor in Council or by the Minister or Warden.

I have the honour to be, Sir, your obedient servant,

E. L. NEWCOMBE, *D.M. of J.*

The Assistant Auditor General.

Civil Service Act, 1918, Chap. 12, Sec. 24; Temporary employees to be paid from moneys specially voted for that purpose

AUDITOR GENERAL'S OFFICE, February 29, 1924.

SIR, — I have received the following certificates of temporary appointments from the Civil Service Commission: —

Frederick J. O. Smith, Senior Draftsman, six months from June 14, 1923, and an additional period of six months from December 14, 1923 at $1,680 per annum.

Jas. W. Tuck, Draftsman, six months from December 1, 1923 at $1,260 per annum.

These clerks are employed in your Office at Ottawa.

Mr. Smith's salary from June 14th to November 30th, 1923 was charged to the Civil Government Contingencies Vote, but from December 1st, 1923 his salary and that of Mr. Tuck are charged to the Penitentiary Vote for Dorchester.

Under the Civil Service Act, Chap. 12, Section 24, it is provided that temporary employees shall only be paid out of moneys specially voted by Parliament for that purpose.

As provision has been made in the Vote for Civil Government Contingencies for the payment of temporary employees I shall be obliged if you will let me know your reasons for not having charged the salaries of these two temporary clerks to this Vote and also the authority under which they were made a charge on the Vote for Dorchester Penitentiary.

I am, Sir, your obedient servant,

WM. KEARNS, *Asst. A.G.*

Supt. of Penitentiaries, Justice Department.

DEPARTMENT OF JUSTICE, March 10, 1924.

MY DEAR SIR, — In reply to your letter of 29th ultimo, with regard to payment of temporary employees in connection with the Dorchester Penitentiary service, I may tell you that these salaries were charged against the Dorchester Penitentiary vote because for the period in question the employees were working exclusively on plans for that institution. They are charged against the sub-head "Salaries and retiring allowances", which covers both permanent and temporary employees, and there are always a number of temporaries paid from that vote. It seems to me desirable, and, so far as I can perceive, not subject to any well-founded objection, that all expenses relating to any particular penitentiary should appear as part of the expenditure of that penitentiary.

Yours truly,

E. L. NEWCOMBE, *D.M. of J.*

The Assistant Auditor General.

Credit n° 34—Pénitenciers: Charbon pour les pénitenciers du Manitoba et de la Saskatchewan

BUREAU DE L'AUDITEUR GÉNÉRAL, le 5 septembre 1924.

MONSIEUR,—Le 14 novembre 1923, j'accusais réception de votre lettre du 9 novembre 1923, expliquant les achats de charbon effectués par les pénitenciers du Manitoba et de la Saskatchewan à un prix dépassant les taux autorisés par l'arrêté en Conseil C.P. 2701 du 4 novembre 1920, et je vous y exprimais de plus mon opinion que, si de nouvelles conditions se présentaient de manière à rendre nécessaire l'achat de charbon d'une qualité plus dispendieuse, il faudrait obtenir l'adoption d'un nouvel arrêté en Conseil.

En examinant les pièces justificatives soumises par la *Crown Coal Company*, concernant les achats de charbon pendant l'exercice 1923-24, je constate que le pénitencier du Manitoba a payé son charbon $3.80 la tonne et celui de la Saskatchewan $3.30 la tonne, quelques tonnes supplémentaires ayant été achetées à $2.00 la tonne.

J'ignore si oui ou non on a obtenu un nouvel arrêté en Conseil autorisant ces taux. Je suis encore de l'opinion que les autorités des pénitenciers doivent se conformer aux taux établis par l'Exécutif et si l'on croit nécessaire d'acheter du charbon de meilleure qualité, il faudra en obtenir l'autorisation en vertu d'un nouvel arrêté en Conseil.

Je demeure, Monsieur, votre obéissant serviteur,

WM. KEARNS, *A.G. adjoint.*

Le sous-ministre, ministère de la Justice.

BUREAU DE L'AUDITEUR GÉNÉRAL, le 4 octobre 1924.

MONSIEUR, — J'ai l'honneur d'attirer votre attention sur la lettre que j'ai adressée le 6 du mois dernier à M. E. L. Newcombe, sous-ministre, dans laquelle je lui demandais de me dire si oui ou non on avait obtenu un nouvel arrêté en Conseil, autorisant le paiement de taux plus élevés pour le charbon fourni aux pénitenciers que ceux qui sont prévus par l'arrêté en Conseil C.P. 2701 en date du 4 novembre 1920.

Je n'ai pas encore reçu de réponse et vu que le rapport des déboursés des pénitenciers pour l'exercice 1923-24 est presque prêt pour l'imprimeur, je vous serais bien reconnaissant si vous vouliez m'envoyer votre réponse bientôt.

Je demeure, Monsieur, votre obéissant serviteur,

WM. KEARNS, *A.G. adjoint.*

Le sous-ministre adjoint, ministère de la Justice.

Arrêté en Conseil C.P. 245, 14 février 1924; gratification à la veuve d'un ingénieur décédé, pénitencier de Dorchester

BUREAU DE L'AUDITEUR GÉNÉRAL, 25 février 1924.

MONSIEUR,—Je désire attirer votre attention sur l'arrêté en Conseil C.P. 245 du 14 courant contenant la recommandation que, conformément aux dispositions contenues à l'article 34 de la Loi des pénitenciers, le paiement d'une somme égale à trois mois de salaire à la veuve de feu E. H. Haviland, ci-devant ingénieur adjoint au pénitencier de Dorchester, soit autorisé.

La nomination des ingénieurs adjoints des pénitenciers est comprise maintenant dans la classe de nominations que peut faire la Commission du Service civil, et sous l'empire des dispositions de la Loi du Service civil—article 30—l'autorisation est donnée de payer une gratification égale à deux mois de salaire à la veuve d'un employé décédé qui a été deux ans dans le service ou à telle autre personne que la Trésorerie pourra désigner.

Voulez-vous avoir la bonté de m'informer si dans votre opinion, l'article 34 de la Loi des pénitenciers a été révoqué par l'article 30 de la Loi du Service civil, en ce qui concerne la gratification de trois mois de traitement qui y est stipulé.

Je demeure, monsieur, votre obéissant serviteur,

WM. KEARNS, *A.G. adjoint.*

Le sous-ministre, ministère de la Justice.

MINISTÈRE DE LA JUSTICE, 3 mars 1924.

MONSIEUR, — J'ai l'honneur de vous accuser réception de votre lettre du 25 du mois dernier, dans laquelle vous demandez mon opinion au sujet de la question de savoir si l'article 34 de la Loi des pénitenciers a été révoqué par l'article 30 de la Loi du Service civil, autorisant le paiement d'une gratification de décès à la veuve ou aux dépendants d'un employé qui meurt pendant qu'il est dans le service. Je remarque que cette question est soulevée relativement à la validité de l'arrêté en Conseil du 14 février dernier (C.P. 245), qui est censé, sous l'empire de l'article 34 de la Loi des pénitenciers, autoriser le paiement à la veuve de E. H. Haviland, ci-devant ingénieur adjoint du pénitencier de Dorchester, d'une gratification égale à trois mois de son traitement. Le pouvoir du Gouverneur en Conseil et du ministre, respectivement, de nommer les fonctionnaires requis pour la bonne administration et police des pénitenciers a été clairement abrogé par l'article 12 du chapitre 10 des Statuts de 1919 (si tel pouvoir n'avait pas été implicitement abrogé par la Loi du Service civil de 1918) et a été conféré à la Commission du Service civil. J'apprends que feu M. Haviland a été nommé à sa position comme ingénieur adjoint par la Commission du Service civil par conséquent se pose la question de savoir si les dispositions de l'article 30 de la Loi du Service civil empêchent d'appliquer à son cas l'article 34 de la Loi des pénitenciers. A mon avis il faut répondre négativement à cette question. Ledit article 30 est une disposition générale s'appliquant à tout le Service civil tel que défini à l'article 2 (*d*) de la Loi du Service civil tel que modifiée, tandis que l'article 34 de la Loi des pénitenciers est une disposition spéciale applicable seulement dans le cas de fonctionnaires employés dans les pénitenciers et je ne crois pas que cette disposition ait pu être révoquée implicitement par suite du fait que ces fonctionnaires ont été placés, pour les fins de nomination et autres, sous le contrôle de la Commission du Service civil. Je constate que l'alinéa 2 de l'article 34 établit une différence, relativement au maximum de la gratification qui peut être payée, entre un fonctionnaire qui a été nommé par le Gouverneur en Conseil et celui qui a été nommé par le ministre ou le préfet. Cette distinction doit s'appliquer aux différentes classes de fonctionnaires que le Gouverneur en Conseil d'une part, et le ministre ou le préfet d'autre part, sont autorisés respectivement à nommer sous l'empire des dispositions de la loi, et bien que ces fonctionnaires soient maintenant tous nommés par la Commission du Service civil je crois que les dispositions dudit alinéa 2 (*a*) et (*b*) sont toutefois de nature opérante en ce qui concerne les fonctionnaires ainsi nommés en tenant compte du fait que le fonctionnaire peut appartenir à la classe de ceux qui auraient été nommés par le Gouverneur en Conseil ou par le ministre ou préfet

avant que le pouvoir de faire la nomination ait été conféré à la Commission du Service civil. Il n'y a, naturellement, aucune difficulté en ce qui concerne l'application de ces dispositions dans le cas des fonctionnaires maintenant dans le service des pénitenciers qui ont été nommés avant le 10 novembre 1919, par le Gouverneur en Conseil ou par le ministre ou le préfet.

J'ai l'honneur de demeurer, Monsieur, votre obéissant serviteur,

E. L. NEWCOMBE, *S.-M. de la J.*

L'Auditeur général adjoint.

Loi du service civil, 1918, chap. 12, art. 24. Les employés temporaires doivent être payés à même les crédits spécialement votés à cette fin

BUREAU DE L'AUDITEUR GÉNÉRAL, le 29 février 1924.

MONSIEUR, — J'ai reçu les certificats d'emploi temporaire suivants de la Commission du Service civil:

Frederick J. O. Smith, dessinateur senior, six mois à partir du 14 juin 1923 et une période additionnelle de six mois, à dater du 14 décembre 1923, à $1,680 par an.

Jas. W. Tuck, dessinateur, six mois à dater du 1er décembre 1923, à $1,260 par an.

Ces fonctionnaires sont employés à votre bureau, à Ottawa.

Le traitement de M. Smith fut imputé, du 14 juin au 30 novembre 1923, sur le crédit des dépenses contingentes du gouvernement civil, mais, à partir du 1er décembre 1923, son traitement, ainsi que celui de M. Tuck, furent imputés sur le crédit du pénitencier de Dorchester.

L'article 24, du chapitre 12 de la Loi du Service civil, décrète que les employés temporaires doivent être payés avec les crédits votés par le Parlement à cette fin.

Vu que le crédit des dépenses contingentes du gouvernement civil prévoit au paiement des employés temporaires, veuillez m'apprendre pourquoi vous n'avez pas imputé le traitement de ces deux employés sur ce crédit et de quelle autorité vous les avez portés au crédit du pénitencier de Dorchester.

Votre humble serviteur,

WM. KEARNS, *A.G. adjoint.*

Au surintendant des pénitenciers, ministère de la Justice.

MINISTÈRE DE LA JUSTICE, le 10 mars 1923.

CHER MONSIEUR, — En réponse à la vôtre du 29 février, relativement au paiement de deux employés temporaires, je dois vous dire que leur traitement a été imputé sur le crédit du pénitencier de Dorchester parce que, pendant la période en question, ils ont travaillé exclusivement à la préparation de plans pour cette institution. Leur traitement a été placé sous le titre " Traitements et pensions " qui s'applique au traitement des employés permanents et temporaires. Il me semble à propos et je ne crois pas qu'il puisse y avoir d'objection, à ce que toutes les dépenses relatives à un pénitencier soient imputées sur le compte de cet établissement.

Votre dévoué,

E. L. NEWCOMBE, *S.-M. de la J.*

A l'Auditeur général adjoint, Ottawa.

Vote No. 36: Purchase of books other than through Stationery Office

AUDIT OFFICE, June 30, 1924.

SIR,—In examining the expenditure by the House of Commons for the fiscal year 1923-24 it is observed that the following payments were made for books:

Beauchemin, Ltd., Montreal..	$ 39 73
Courtney, Sears & Currier, Ottawa..	20 00
Jas. Hope and Sons, Ottawa..	50 75
M. R. Lafontaine, Ottawa..	214 25
Canadian Facts Publishing Company..	66 00
Might Directories, Ltd., Ottawa..	30 00

As the Public Printing and Stationery Act provides that all books required for the use of the House of Commons shall be procured through the Department of Public Printing and Stationery please let me know your authority for making the above purchases otherwise than through the authorized channel.

I am, Sir, your obedient servant,

WM. KEARNS, *Asst. A.G.*

W. B. NORTHRUP, Esq., Clerk of the House of Commons.

HOUSE OF COMMONS, July 7, 1924.

DEAR SIR,—In reply to your letter of June 30th, I beg to say that I am informed by our Accountant that the accounts you mention have been paid out of our Contingencies, and I am also advised that there is no supervision of these items, which are provided for in the Estimates.

It has always been the practice in the House of Commons, whenever any book is urgently required to purchase it from a local store direct without going through the lengthy process of forwarding a requisition to the Department of Public Printing and Stationery. When the translators have in hand a highly technical piece of work to put from English to French which must be delivered in a short time, they often need dictionaries and other books which they must get at once. They cannot afford to wait until a requisition is acted upon.

Trusting that this is satisfactory and being quite prepared to arrange matters with you if you differ from the advice given me.

Yours truly,

W. B. NORTHRUP.

Assistant Auditor General.

AUDITOR GENERAL'S OFFICE, July 10, 1924.

SIR,—I am in receipt of your letter of the 7th instant in reply to mine of the 30th ultimo with reference to the purchase of books at local stores instead of through the Stationery Office.

I am still of opinion that under the Statute you are obliged to obtain through the Stationery Office, and not otherwise, any books you may need in connection with Government business and which may be made a charge on public funds.

I am, Sir, your obedient servant,

WM. KEARNS, *Asst. A.G.*

W. B. NORTHRUP, Esq., Clerk of the House of Commons.

HOUSE OF COMMONS, July 11, 1924.

DEAR SIR,—Yours of the 10th instant received.

I sincerely hope there will be no misunderstanding between us on the subject of the purchase of books. Personally, I am quite willing to comply with your request, but as some of our officials feel that there is always a considerable delay in getting books through the Department of Public Printing and Stationery there might be some embarrasment.

The only legislation I know of on the point is the Revised Statutes 1906, Chapter 80, section 26, which only relates to the purchase of stationery and I am accordingly advised that a Resolution of our House would be necessary to extend this rule to books.

Will you kindly advise me if you are aware of any other legislation? I will be happy to lay it before our Law Branch.

Hoping that we will avoid any misunderstanding.

Yours sincerely,

W. B. NORTHRUP.

The Assistant Auditor General.

AUDIT OFFICE, July 12, 1924.

DEAR SIR,—In answer to the inquiry in your letter of yesterday's date I think you will find that under Chapter 80 of the Revised Statutes of Canada 1906, Section 5, Sub-Section (b) the required legislation has been provided.

Yours sincerely,

WM. KEARNS, *Asst. A.G.*

The Clerk of the House of Commons.

Crédit n° 36: Achat de livres par d'autres que le Bureau de la Papeterie

BUREAU DE L'AUDITEUR, 30 juin 1924.

MONSIEUR,—En examinant les comptes de la Chambre des Communes pour l'exercice 1923-24, je constate que l'on a fait les achats de livres suivants:

Beauchemin, Ltée, Montréal	$ 39 73
Courtney, Sears & Currier, Ottawa	20 00
Jas. Hope and Sons, Ottawa	50 75
M. R. Lafontaine, Ottawa	214 25
Canadian Facts Publishing Company	66 00
Might Directories, Ltd., Ottawa	30 00

Comme la loi des Impressions et de la Papeterie publiques stipule que la Chambre des Communes devra se procurer tous les livres dont elle pourra avoir besoin par l'entremise du département des Impressions et de la Papeterie publiques, veuillez avoir la bonté de me faire connaître l'autorité dont vous vous êtes prévalu pour faire les achats susmentionnés autrement que par le canal autorisé.

Votre obéissant serviteur,

WM. KEARNS, *A.G. adjoint.*

W. B. NORTHRUP, greffier de la Chambre des Communes.

CHAMBRE DES COMMUNES, 7 juillet 1924.

CHER MONSIEUR,—En réponse à votre lettre du 30 juin, je vous ferai remarquer que l'on a payé les comptes en question à même le fonds des dépenses contingentes, d'après ce que me dit notre comptable. J'ai également appris qu'il n'y a pas de contrôle sur ces articles, qui sont compris dans les crédits votés.

A la Chambre des Communes la coutume a toujours existé d'acheter les livres dont on avait un besoin urgent chez un libraire local directement, sans s'exposer au retard que comporte l'envoi d'une réquisition au département des Impressions et de la Papeterie publiques. Lorsque les traducteurs ont en main un travail excessivement technique qu'il leur faut mettre de l'anglais en français et livrer en peu de temps, ils ont souvent besoin de dictionnaires et autres ouvrages sur-le-champ. Ils ne peuvent pas attendre que l'on donne effet à la réquisition.

J'espère que vous jugerez ces explications satisfaisantes, et je serai toujours prêt à discuter cette question avec vous si vous ne partagez pas l'avis que l'on m'a donné à ce sujet.

Bien à vous,

W. B. NORTHRUP.

L'Auditeur général adjoint.

BUREAU DE L'AUDITEUR GÉNÉRAL, 10 juillet 1924.

MONSIEUR,—J'accuse réception de votre réponse du 7 courant à ma lettre du 30 juin concernant l'achat de livres chez des libraires locaux plutôt que par l'entremise du Bureau de la Papeterie.

Je suis toujours d'avis que d'après la loi vous êtes obligé de vous adresser au Bureau de la Papeterie, et non ailleurs, pour vous procurer tout livre dont vous pouvez avoir besoin relativement à l'administration, et qui exige un déboursé de fonds publics.

Votre obéissant serviteur,

WM. KEARNS, *A.G. adjoint.*

W. B. NORTHRUP, greffier de la Chambre des Communes.

CHAMBRE DES COMMUNES, 11 juillet 1924.

CHER MONSIEUR,—J'accuse réception de votre lettre du 10 courant. J'espère qu'il n'y aura pas de malentendu entre nous au sujet de l'achat de livres. Personnellement, je suis tout à fait prêt à me conformer à votre demande, mais certains de nos fonctionnaires semblent croire qu'il y a toujours beaucoup de retard lorsqu'on achète ces livres par l'entremise du département des Impressions et de la Papeterie publiques et que cela peut être une cause d'ennuis.

La seule législation applicable à ce sujet, d'après moi, se trouve à l'article 26, chapitre 80 des Statuts Revisés de 1906, qui ne traite que de l'achat de la papeterie, et on me dit qu'il faudrait que la Chambre passe une résolution pour en étendre les effets à l'achat de livres.

Auriez-vous la bonté de me faire connaître toute autre législation de ce genre, s'il en existe à votre connaissance? Je serai heureux de la soumettre à nos légistes.

Espérant que nous éviterons tout malentendu à l'avenir.

Bien à vous,

W. B. NORTHRUP.

L'Auditeur général adjoint.

BUREAU DE L'AUDITEUR GÉNÉRAL, 12 juillet 1924.

CHER MONSIEUR,—En réponse à la demande contenue dans votre lettre d'hier, je vous ferai remarquer que vous trouverez la législation requise, je crois, au paragraphe (b), article 5, chapitre 80 des Statuts Revisés du Canada, 1906.

Bien à vous,

WM. KEARNS, *A.G. adjoint.*

Le greffier de la Chambre des Communes.
